Arrangement

Each year of this general correspondence file is arranged alphabetically.

Scope and Contents

This series contains correspondence related to the legislative activities of Assemblyman Joseph Nowicki, constituent matters, and interest groups.

The archivist retained the original order of the materials. Researchers should therefore note that there are letters addressed to Nowicki that may appear to be out of alphabetical order. It is likely that the staff kept these other letters as reference materials for they involve similar issues as the ones in alphabetical order.
