Biographical/Historical Sketch

This collection was initially assembled by library staff at the University at Albany sometimes in the mid 20th century and was later added to by library and archival staff over time until 2005. Scope and Contents

This collection consists of reference materials primarily concerning cities, communities, towns and various aspects of life in the Capital District of New York State but also contains items concerning other regions of the state, including the Adirondacks, Buffalo, New York City, and Ulster County. The archivist has defined the Capital District as consisting of Albany, Columbia, Fulton, Greene, Montgomery, Rensselaer, Saratoga, Schenectady, Schoharie, Warren, and Washington Counties.

The collection primarily consists of newspapers and newspaper clippings but also includes advertisements, applications, art books, bank signets, booklets, book plates, brochures, bulletins, by-laws, catalogues, charts, circulars, city and community plans, club records, contracts, correspondence, digests, directions, directories, event flyers and programs, greeting cards, guides, histories of local communities and institutions, illustrations, information cards, instructions, lectures, lists, magazines and magazine clippings, maps, membership cards and forms, memoranda, monographs, newsletters, notices, photographs, political primers, posters, prints, proposals, reports, schedules, short biographies and descriptions, short publications, speeches, statements of condition, studies, and surveys. Finally, the collection contains materials pertaining to the Albany Times Union, such as audit reports, the organizations's by-laws and constitution, and a survey of employees' experience and wages from 1946.

Some newspapers articles in the collections are split between a folder and flat file, specifically those concerning Newburgh, Rensselaer Polytechnic Institute in Troy, and Schuylerville.

The vast majority of the materials are in English, but one of the items, which concerns the Spanish Center in Albany, is in Spanish.
