Physical Characteristics and Technical Requirements

Researchers interested in data analysis with web archives may request a WARC file. WARC files are very large and difficult to work with. Your request may take time to process, and we may be unable to deliver your request remotely. Please consult an archivist if you are interested in advanced research with web archives.

Physical Characteristics and Technical Requirements

Researchers interested in data analysis with web archives may request a WARC file. WARC files are very large and difficult to work with. Your request may take time to process, and we may be unable to deliver your request remotely. Please consult an archivist if you are interested in advanced research with web archives.
