Summary Information

Repository: M.E. Grenander Department of Special Collections & Archives
Title: Center for Technology and Government
ID: ua433
Date [inclusive]: 1994-2013
Physical Description: 0.33 cubic ft. 19 Digital Files
Physical Location: The materials are located onsite in the department.
Language of the Material: English.
Abstract: Records of university-sponsored applied research center that examines and aids the adoption of technological innovation in government.

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, Center for Technology in Government, 1994-2013. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as the Center for Technology in Government).

Administrative History

Founded in 1993, the Center for Technology in Government works with governmental agencies and corporate partners to improve the use of technology in government. The Center is funded from the University at Albany, SUNY, with the support of grants and awards from federal funding agencies. The Center supports the academic mission of the university by sponsoring courses and internships, working in particular with the Rockefeller College of Public Affairs and Policy.
