Language of the Material: English
Language of the Material: English
Mixed Materials [Collection]: X
Abstract: Contains the records of the Career Education Institute, which was a professional development program that ran from 1974-1976 for secondary school teachers in the Capital District aimed at helping integrate career education into secondary school curricula. The collection consists of administrative correspondence, financial documents, and informational materials from the program.

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, Career Education Institute Records, 1974-1976. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as the Career Education Institute Records).
Historical Note

The Career Education Institute was a professional development program, funded by the Education Professions Development Act, that offered summer courses to secondary school teachers in the Capital District. The courses included lectures, field trips, and workshops aimed at educating secondary school teachers about concepts in career education.

Scope and Contents

This collection includes: financial records, class rosters, correspondence with speakers, applications from secondary school teachers interested in enrolling in the program, field trip reports, and informational materials.

Arrangement of the Collection

The collection is unprocessed and is likely disorganized. Individual items may be difficult to find.
