Summary Information

Repository: M.E. Grenander Department of Special Collections & Archives
Title: Charles Luther Andrews Papers
ID: ua902.015
Date [inclusive]: 1936-1967
Physical Description: 1 cubic ft.
Physical Location: The materials are located onsite in the department.
Language of the Material: English
Mixed Materials [Collection]: X
Abstract: Charles Luther Andrews as a professor of physics at the University at Albany. This collection includes correspondence, biographical materials, offprints, and data notebooks on experiments on the absorption of x-rays.

Preferred Citation

Preferred citation for this material is as follows: Identification of specific item, series, box, folder, Charles Luther Andrews, 1936-1967. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as the Andrews Records).

Biographical / Historical

C. Luther Andrews was born in Berkshire, New York on May 6, 1908. Berkshire was educated at Cornell University where he received his PhD in 1937. Andrews began teaching physics at the State College for Teachers in 1931, and eventually became the chairman of the department from 1944-1969. In 1976, Andrews was awarded the rank of distinguished teaching professor, and received the Robert Milikan Award in 1977 for his dedication to his students.
Andrews' research focused on microwave optics and he wrote various publications and books about microwaves. Andrews was also a consultant to the General Electric Research Laboratory from 1943-1976. Luther died on January 20, 1996 in Orono, Maine.

Scope and Contents

This collection includes correspondence, biographical materials, offprints, and data notebooks on experiments on the absorption of x-rays.

Arrangement

The collection is unprocessed and is likely disorganized. Individual items may be difficult to find.

Revision Description

Collection level finding aid created by Sheri Sarnoff 2020

Processing Information

Processed by unprocessed.
Conditions Governing Access

Access to this collection is restricted because it is unprocessed. Portions of the collection may contain recent administrative records and/or personally identifiable information. Please contact an archivist for more information.

Conditions Governing Use

This page may contain links to digital objects. Access to these images and the technical capacity to download them does not imply permission for re-use. Digital objects may be used freely for personal reference use, referred to, or linked to from other web sites. Researchers do not have permission to publish or disseminate material from these collections without permission from an archivist and/or the copyright holder. The researcher assumes full responsibility for conforming to the laws of copyright. Some materials in these collections may be protected by the U.S. Copyright Law (Title 17, U.S.C.) and/or by the copyright or neighboring-rights laws of other nations. More information about U.S. Copyright is provided by the Copyright Office. Additionally, re-use may be restricted by terms of University Libraries gift or purchase agreements, donor restrictions, privacy and publicity rights, licensing and trademarks. The University Archives are eager to hear from any copyright owners who are not properly identified so that appropriate information may be provided in the future.

Immediate Source of Acquisition

Materials were donated to the M.E. Grenander Department of Special Collections & Archives, yet little acquisition documentation exists.
