## Biographical / Historical

---

John Mackiewicz was born in 1930. Mackiewicz spent most of his childhood in hospitals due to a bone infection. In 1939, after four surgeries he was discharged from the Newington Home and moved back to his family in Waterbury, Connecticut.

Mackiewicz earned his Ph.D from Cornell University and began teaching at the Medical Entomology and Parasitology Center at the University in 1957. After leaving the University in 1959, Mackiewicz was a fellow for the National Institute of Health and conducted research at the Institute de Zoologie in Neuchatel, Switzerland from 1960-1961.

In 1961, Mackiewicz began teaching at the University at Albany in the Biological Sciences department. Mackiewicz studied the evolution and ecology of parasites and wrote various publications while teaching. Mackiewicz earned the rank of Distinguished Teaching Professor in 1973 and retired officially from the University in 2017.

Mackiewicz is the Research Affiliate of the Harold W. Manter Laboratory of Parasitology at the University of Nebraska State Museum and has given lectures in many countries across the world. Mackiewicz is also a member of nine scientific associations and enjoys fly fishing.

### Publication Statement

M.E. Grenander Department of Special Collections & Archives

### Revision Description

Collection level finding aid created by Sheri Sarnoff 2020

### Processing Information

Processed by unprocessed.

## Conditions Governing Access

Access to this collection is restricted because it is unprocessed. Portions of the collection may contain recent administrative records and/or personally identifiable information. Please contact an archivist for more information.

## Conditions Governing Use

This page may contain links to digital objects. Access to these images and the technical capacity to download them does not imply permission for re-use. Digital objects may be used freely for personal reference use, referred to, or linked to from other web sites. Researchers do not have permission to publish or disseminate material from these collections without permission from an archivist and/or the copyright holder. The researcher assumes full responsibility for conforming to the laws of copyright. Some materials in these collections may be protected by the U.S. Copyright Law (Title 17, U.S.C.) and/or by the copyright or neighboring-rights laws of other nations. More information about U.S. Copyright is provided by the Copyright Office. Additionally, re-use may be restricted by terms of University Libraries gift or purchase agreements, donor restrictions, privacy and publicity rights, licensing and trademarks. The University Archives are eager to hear from any copyright owners who are not properly identified so that appropriate information may be provided in the future.

## Immediate Source of Acquisition

Materials were donated to the M.E. Grenander Department of Special Collections & Archives, yet little acquisition documentation exists. The undated original accession record for this collection was modified on April 4th and December 8th, 2014.-12-08
