## Biographical / Historical

---

The University at Albany Calendar was a biweekly publication created by the Office of University Relations. The publication announced on-campus and off-campus events of interest to both students and faculty throughout the academic year.

## Scope and Contents

---

This artificial collection contains University at Albany calendars used to announce both on and off-campus events to the university community at large. The collection currently covers a period from 1989 through 1994. While the file of calendars for the 1989-1990 academic year appears to be complete, the other years covered by this collection have significant gaps in their coverage and are largely incomplete.
