Historical Note

Like many other colleges and universities throughout America, The State University of New York at Albany saw its share of protests on the Vietnam War and related events during the late 1960s and into the 1970s. Murmurs of protest began as early as 1967 and continued even after the United States began drawing down troop levels in the 1970s.

[^ Return to Table of Contents](#)

Scope and Contents

This artificial collection is primarily made up of flyers and posters found on campus relating to the war. There are also files containing correspondence, newspapers, and publications on the Vietnam War.
