Summary Information

Repository:	M.E. Grenander Department of Special Collections & Archives
Title:	University Historical Reference Collection
ID:	ua950.008
Date [inclusive]:	1871-1995
Physical Description:	2.31 cubic ft.
Physical Location:	The materials are located onsite in the department.
Language of the Material:	English .
Abstract:	This collection is made up of reference material related to the history of the University at Albany and its earlier iterations.

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, the Historical Reference Collection, 1871-1995. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as the Historical Reference Collection).

Administrative History

There have been many different histories of the New York State Normal School, The New York State Normal College, The New York State College for Teachers, and the State University of New York at Albany. As early as 1884 there was a history of the New York State Normal School published. Since then there has been expansions to that history, as well as original works focusing on the more recent iterations of the School.

Scope and Contents

This collection consists of various publications focusing on the history of the New York State Normal School, New York State Normal College, New York State College for Teachers, and the State University of New York at Albany. These histories cover a range of dates related to the institutions. It includes publications from the 1880's up to the book "Tradition of Excellence: 1844 to 1994" by Kandell A. Birr.

[^ Return to Table of Contents](#)

Arrangement of the Collection

Collection is arranged in chronological order.
