Summary Information

Repository: M.E. Grenander Department of Special Collections & Archives
Title: University Historical Reference Collection
ID: ua950.008
Date [inclusive]: 1871-1995
Physical Description: 2.31 cubic ft.
Physical Location: The materials are located onsite in the department.
Language of the Material: English
Abstract: This collection is made up of reference material related to the history of the University at Albany and its earlier iterations.

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, the Historical Reference Collection, 1871-1995. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as the Historical Reference Collection).

Administrative History

There have been many different histories of the New York State Normal School, The New York State Normal College, The New York State College for Teachers, and the State University of New York at Albany. As early as 1884 there was a history of the New York State Normal School published. Since then there has been expanions to that hsitory, as well as original works focusing on the more recent iterations of the School.

Return to Table of Contents
Scope and Contents

This collection consists of various publications focusing on the history of the New York State Normal School, New York State Normal College, New York State College for Teachers, and the State University of New York at Albany. These histories cover a range of dates related to the institutions. It includes publications from the 1880's up to the book "Tradition of Excellence: 1844 to 1994" by Kandell A. Birr.

Arrangement of the Collection

Collection is arranged in chronological order.

Administrative Information

Publication Statement

M.E. Grenander Department of Special Collections & Archives

Revision Description

EAD file created Encoded in EAD by Erik Stolarski 2014 2016 November 3

Processing Information

Processed in 2016 by Erik Stolarski.

Acquisition Information

All items in this manuscript group were donated to the University Libraries, M.E. Grenander Department of Special Collections and Archives.

Access

Access to this record group is unrestricted.
