Dear Mr. Spiro,

I am very glad to see that you are going to have another exhibition and shall certainly make a point of visiting it. The amount of work you have been able to do in the United States is amazing and, of course, vastly more impressive for the persistent quality of it.

Sincerely yours,

George N. Shuster

Dear Professor Spiro:

It was good to see your face looking
out from the announcement of your current
exposition at the Galerie St. Etienne. Un-
fortunately I could not be there on the
16th, but shall try to stop by before the
20th.

With every good wish.

Sincerely,

George N. Shuster
