1. Our Directors, Branch Leaders, and myself are working to investigate a number of issues on campus such as:
  - The Senate Chair and I will be meeting with the Chief of Police in regards to public safety in light of recent events
  - I am collaborating with the Muslim Student Association to create more Halal dining options on campus and making sure these options are accessible

- The Director of Academic Affairs and I are investigating a number of complaints about the Academic Advising department

#### Student Association Senate:

1. The Student Association Senate recently approved a Resolution calling for late night programming on campus and firmly condemning the behaviors, actions, and the disturbances to the communities we have witnessed taking place in areas of Albany. If you would like to receive a copy of this resolution, please contact me. Additionally, if you would like to receive resolutions moving forward, please also contact me so I can be sure to include you in our resolution distribution list.
