ACADEMIC HERALDRY

The caps, gown, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp and drafty 12-century castles and halls of learning.

The gowns for the bachelor's degree, earned after undergraduate study, have long, pointed sleeves and are designed to be worn closed.

The holder of the master's degree wears a gown with an oblong sleeve, open at the wrist. The sleeve base hangs down and the rear part of its oblong shape is square-cut. The gown may be worn open or closed. An alternate and older master's gown is also permissible. This gown is always worn open, has a long sleeve which is square and closed at the end, and has slit near the elbow which permits the forearm to come through.

Gowns for the doctor's degree may also be worn open or closed, but they carry broad velvet panels down the front, and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.

Academic gowns for each level are black, although there are a few institutions which permit doctoral recipients to have gowns of the characteristic institutional color, such as: Cornell, carnelian red with velvet trim and sleeve bars outlined in white; Harvard, crimson; Princeton, black with orange trim; Yale, royal blue with black trim.

Academic protocol allows trustees, presidents, and marshalls of higher institutions to wear gowns which are specially designed and colored. For example, the chancellor of one leading university wears an all-white gown with the seal of the university on each front panel.

Caps may be of serge, broadcloth, or, for the doctor's outfit only, of velvet; the tassel is black or the color appropriate to the subject, except the doctor's cap may have a tassel of gold bullion.

It is the hood that gives color and real meaning to the academic costume. (The bachelor's hood is sometimes worn upon completion of the course, even though the degree has not yet been actually conferred.) A black shell of varying size for the three degrees, and of material to match the gown, is silk-lined with the color of the institution conferring the degree. The hoods for the bachelor's and master's degrees are the same shape, while the doctor's hood is both larger and of a different style, having a flat panel at the back. The hood is bordered with velvet, of the proper width to indicate the degree, and of the color signifying the field of learning to which the degree pertains.

The colors indicative of the various fields of learning are as follows:

Agriculture	Maize	Library Science	Lemon
Arts, Letters, Humanities	White	Medicine	Green
Commerce, Accountancy,		Music	Pink
Business	Drab	Nursing	Apricot
Dentistry	Lilac	Oratory (Speech)	Silver Gray
Economics	Copper	Pharmacy	Olive Green
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts, including		Public Administration,	
Architecture	Brown	including Foreign Service	Peacock Blue
Forestry	Russet	Public Health	Salmon Pink
Home Economics	Maroon	Science	Golden Yellow
Journalism	Crimson	Social Work	Citron
Law	Purple	Theology	Scarlet
		Veterinary Science	Gray

It is important to note that the color of the velvet trimming on the hood indicates the subject to which the degree pertains. The "bachelor of science in engineering degree" should have orange trimming for engineering, rather than the golden yellow of science. The doctor of philosophy degree requires dark blue because the degree designation does not necessarily identify the major field of study. If more than one degree is held, the gown and hood of the highest degree are naturally worn. Holders of several doctor's degrees may make a choice of hood for any particular occasion.

America, The Beautiful

Ward

O beautiful for heroes proved
 In liberating strife,
 Who more than self their country loved;
 And mercy more than life!
 America! America!
 May God thy gold refine,
 Till all success be nobleness,
 And every gain divine!
 O beautiful for patriot dream
 That sees beyond the years
 Thine alabaster cities gleam
 Undimmed by human tears!
 America! America!
 God shed His grace on thee
 And crown thy good with brotherhood
 From sea to shining sea!

Alma Mater

Hubbard-Lansing

College of the Empire State,
 Mother of an army great,
 Thou the moulder of our fate,
 Thee we sing today.
 Thine the hand with clasp so strong
 Holding, tho' the years be long.
 Thou the burden of our song,
 Thee we sing today.
 Ways of pleasantness are thine,
 Leading where in wisdom's shrine,
 Joy and cheer and hope divine
 Ever dwell for aye.
 Thine the voice whose call we hear,
 Thine the hand which holds us near,
 Thine the heart, so true, so dear,
 Cherished, loved always.
