## SOCIAL STUDIES GROUP VISITS

### FIVE STAR MODEL ALBANY HOME

The seventh grade has recently made trips to the Five-Star Home on Lenox Avenue. A group went Friday, October 28; another on Thursday, November 3, and a last group went on Monday, November 7.

Dr. Taylor announces that quite a few new books have been added to the department. Among them are Man's Worldly Goods, by Huberman; and Behold Our Hand, by Lord.

## Social Language

Two eighth grade classes in the Social Language department are working on an art project to represent the development of languages, along with the growth of civilization. The project is under the direction of George Edick. There are about twenty in the group.

## English

On Wednesday and Thursday, October 26 and 27, the new ninth grade class in the school put on, during English periods, four plays in the Little Theatre, according to Miss Wheeling, teacher of the class. Two State College Drama students presented the plays. The best play produced was Harold Brighouse's "Maid of France," with Florence Horne, Robert Kohn, Robert Lee, Jane Foster, and Lillian Simmons.

Other plays were: "The Unseen," by Alice Gerstenberg, with Joyce Hoopes, Pat Clyne, Jean Friend, and Lois Katusky; "Riders to the Sea," by Synge, with Dorothy Amenhausen, Robert Ball, Esther Heckes, and Marion Horton; "Sparkin'," with Robert E. Lee, Walter Austin, Warren Mouthe, and Pat Boos.

Miss Wheeling announces that on next Tuesday Miss Rita Sullivan of State College is holding tryouts for a Christmas assembly play, written by English teachers in Milne last year. Leads and main parts will be played by eighth graders.

## BOYS' SPORTS DECIDES ON FOOTBALL; SUB-DEB TEA IS HUGE SUCCESS

The girls in the sports club went down to the gym to play basketball. The members of the boys' sports club, after much debating, decided to play football. In the arts and crafts everyone is very busy making plaster molds for book ends, suspenders, jugs, jars, brackets, and ash trays.

The Dancing I members are learning the breaks. The Dancing II club members are learning the basic steps. The typing club members are mastering new letters all the time. They elected as president, Jane Davis; and as vice-president, Rita Fingersky.

Those who joined the sewing club are making blouses and sachet pin cushions. The game club played checkers, chess, and marble baseball. The science club got an eyeful on the lives of famous scientists in the form of films.

The tea which the members of the sub-deb club gave last week for their mothers was a huge success. They hope to have another party in the near future. The stamp club busied themselves with the study of watermarks. They also traded stamps. The discussion they led was about joining other stamp clubs. The boys in the cooking club were shown by Miss Fillingham how to make baking powder biscuits. Next week they will try their hands at making the biscuits themselves.

## ARMISTICE DAY

Tomorrow, Armistice Day, we will celebrate the end of the World War. On Armistice Day, the troops were withdrawn from battle. We should all be glad that we are not having any disputes with other nations at the present time.

As you probably all know, the United States was the nation that really ended the World War. With our men and supplies, the French and English were able to drive back the enemy.

Let's all celebrate and try to keep America out of war.

## GIRLS' SPORTS

The 9-1 team played the Juniors. The score was 2-1 in favor of the Juniors. The one goal the ninth graders had was made by Marilyn Potter. The ninth grade line-up was center forward, Mickey Baldwin; left inner, Marilyn Potter; right inner, Lois Ambler; left wing, Ellen Willbach; center halfback, June Davis; left halfback, Patricia Clyne; right fullback, Rita Figarsky; left fullback, Blanche Packer; and goal keeper, Priscilla Smith. They were missing the right halfback and right wing.

## BEAUTY

Beauty is the thrill of life,  
Flowers gay and music sweet,  
Dew-drops falling on the grass,  
Children's crystal laughter  
And the patter of their feet.

Beautiful golden loveliness,  
Courageous, white and pure;  
Truth all silver like a lily,  
Honesty like purple thistles  
Growing on a moor.

And so even if troubles come  
And worry you throughout your life,  
Remember there's beauty everywhere,  
Even in toil and strife.

Elinor Yaguda.

## DON'T MAKE UNNECESSARY PHONE CALLS

Don't call the office except in cases of emergencies. When your friends call the office, it causes a lot of disturbance. The room and grade of your child has to be looked up and this takes time. Then someone must go and give the message to her.

Please do not call unless it is necessary.

## BOOK FAIR

Every year Milne holds a Book Fair. This year it will be held just before the Thanksgiving vacation. It will be held in the Little Theatre this year. It is the Third Annual Book Fair we have had. The Little Theatre will be open from 8:30 A. M. to 4:00 P. M. on November 17, 18, 19. The admission fee is ten cents. Every one is expected to buy one. The proceeds are to go to buy new books for the library. This will give you something to do in your spare time.

The displays this year will include an exhibit on the New York World's Fair. There will also be displays on the books different people want to recommend to you.

Let's all go to the Book Fair and cooperate in every way.

## HAVE YOU SEEN THESE?

I suppose you have a favorite movie; a certain picture that you enjoyed a little more than the others. Well:

Billy Seng particularly enjoyed "Ceiling Zero."

"Alexander's Ragtime Band" seems to be the most popular movie. It is liked best by Glenna Smith, Miriam Boice, Alan Ely, and Chuck Cross.

Don Faucalt, Marcia Bissikummer, and Micky Baldwin all agree that "The Valley of the Giants" is tops.

John Poole prefers "Four Daughters."

Ellen Willback likes "You Can't Take It With You."

Jim Kirk is looking ahead when he says his favorite is "Gone With the Wind."

Ethel Gould is also ahead of time with "The White Rajah" as her favorite.

Marion Horton likes "That Certain Age."

Sally Hunt prefers "Marie Antoinette."

Billy Soper and Hog Hunting like "Robin Hood."

Priscilla Smith likes "Submarine Patrol."

Nancy Edison likes "If I Were King."

Micky Mitchell likes "The Plainsman."

## THANKS

The janitors wish to thank the pupils for cooperating in keeping homerooms, halls, stairs, and locker rooms clean.

The motion picture that is entertaining Albany at the Palace Theater this week is "If I Were King," starring Ronald Colman, Basil Rathbone, Frances Dee, and Ellen Drew.

It is about a poet, Francois Villon, played by Colman, who is given power to rule as a king for one week. Basil Rathbone plays the devilish king Louis XI, who gives Villon the kingly power, and walks away with all the acting honors. At the end of a week, Villon is doomed to die, but instead he gathers together all his friends from the slums of the city and saves the city from an attack by enemies. Frances Dee plays the beautiful court lady who is wooed and won by Villon, and Ellen Drew is his friend from the poorer section of the city.

The directing and acting in this picture are outstanding.

## RADIOMENS

The strains of "Always and Always" introduce the Good News Program. Bob Young is your host. Fannie Brice, as "Shooks," and Taylor Stafford as her exasperated father, provide plenty of fun. Meredith Wilson and his orchestra play some of the best tunes of the week. Also Wilson's "Foxy Do" brings plenty of laughs. Frank Morgan is endless fun with his everlasting boasting.

Drama is provided by the IMC Theater of the Air. Such famous guest stars as Joan Crawford, Spencer Tracy, Micky Rooney, Clark Gable, Wallace Beery, Lionel Barrymore and Lucretia Sullivan have been featured in the theater.

This program is broadcast from nine o'clock to ten o'clock every Thursday evening over station WGY. One full hour of enjoyable entertainment is offered to you by the "Good News of '39" program.

Be sure to tune in this Thursday night, for you won't be disappointed.

## GUESS

This person is new at Milne. He or she is in Miss Johnson's homeroom. This person has strawberry blonde hair and blue eyes. He or she is quite tall and resembles a person who left Milne last year for Hartford, Conn. He or she is co-president and student council representative of his or her homeroom. If you think you know who this is, submit your answer on a slip of paper in the Crimson and White drawer in the English Office. If your answer is correct, your name will appear in the next edition of the paper.
