Congratulations to colleagues in our School of Education and particularly the (recently re-named) Department of Educational Policy and Leadership on the final New York State approval of the M.S. program in Educational Administration and Ph.D. program in Educational Administration & Policy Studies to both now be freshly re-registered with updated official program titles as **M.S. in Educational Policy and Leadership** and **Ph.D. in Educational Policy and Leadership**. Formal approval correspondence is attached for your reference, along with the program title change proposal(s) that were submitted. The faculty are now authorized to promote and deliver the programs to students and prospective students with the new program titles effective January 2017.

I ask that responsible colleagues receiving this notice, as appropriate to responsibilities, take actions as warranted to update program listings in the Graduate Bulletins, websites and University administrative systems. Thank you and successful implementation to all involved.
