Proposal 2015-2002

Dear Provost Cartwright:

This letter is in response to correspondence requesting registration of a proposed program in Human Development leading to the Bachelor of Science (B.S.) degree to be offered by State University of New York at Albany.

I am pleased to inform you that on the basis of our review the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 1, 2017. After that date, registration will be extended annually until the Department's next review is conducted.

This program is registered with the understanding that this program does not prepare students for the practice of any licensed professions in New York State and students enrolled in the program will not perform any activities that infringe upon the scope of practice of licensed professionals (psychologists, mental health counselors, etc.).

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in this program.

We wish you and your colleagues success with the program.

Sincerely,

Kathleen F. Egan  
Associate in Higher Education
