2.a. Please re-submit the corrected syllabi for INF 626 and INF 627.

The requested syllabi are attached. We are not sure how pages got shuffled and apologize for the confusion.

3.a. To confirm, these new tracks (Intelligence Analysis and Data Analytics) will also be offered in the distance education format, as the March program proposal for the M.S. degree in Information Science included this format. Is this correct?

Yes, this is correct.

Thank you very much.

Subject: MS Information Science/Addition of Tracks

Dr. Stellar-

The Office of College and University Evaluation at the New York State Education Department has completed an initial review of University at Albany's proposal of curricular changes for the Master of Science (M.S.) degree in Information Science, with the addition of two new tracks. More information is needed to continue our review of this proposal:

1. 1. Coursework
 - a. a. Please provide a list of the new tracks' electives.
2. 2. Syllabus
 - a. a. The INF 626 syllabus is missing course assignments, while the syllabus for INF 627 appears to have the INF 626 assignments listed instead. Please re-submit the corrected syllabi for INF 626 and INF 627.
3. 3. Format
 - a. a. To confirm, these new tracks (Intelligence Analysis and Data Analytics) will also be offered in the distance education format, as the March program proposal for the M.S. degree in Information Science included this format. Is this correct?

We ask that you provide the requested information within 30 business days (Tuesday, November 27, 2018). Responses may be returned to me by email. Please copy your SUNY Program Reviewer Ann Hawkins (ann.hawkins@suny.edu) and SUNY program review (program.review@suny.edu) on all correspondence.

Thank you,
