UAC meeting, 2/18/22
1. UAC completed review of re-registration proposals from:

    - Geography BA
    - Linguistics BA
    - Africana Studies BA
    - Human Biology BS
    - Theatre BA
    - Computer Science BA

    Additional re-registration updates:
    Programs approved by SED: 4

    - Political Science BA - 2/11/22
    - Biology BS – 1/28/22
    - Public Policy and Management BA – 12/16/21 – Distance Education
    - Sociology BA – 1/18/22

2. GAC leadership joined the UAC meeting to jointly plan for how to address two issues:
    a) Expanding the number of overlapping credits allowable in BA/BS—MA/MS programs
    b) Reviewing the number of shared resource courses that a department can offer each semester (5) with potential recommendations for adjusting current policies on limits
    All UAC members volunteered for one of the two subcommittees

3. 5 Quad gave a presentation about Stop the Bleed kits and training available.
