### JUNIOR AND SENIOR HIGH WILL HAVE SEPARATE RECEPTIONS

This year the Junior and the Senior High Schools are going to have separate receptions. It has not yet been decided whether the Junior High School's first evening party, which will be November tenth, will be the reception for the seventh graders or whether there will be an afternoon reception.

Those on the Student Council social committee are: Carolyn Housman, Lois Nesbitt, and Neil McCay. They will be in charge of the entertainment.

### SEVENTH GRADE CLASSES HAVE FIRST ASSEMBLY

The first assembly of the seventh grade classes was held Thursday, October fifth. Only the seventh grade pupils were permitted to attend, except for the members of the Junior High School Student Council who sat on the stage.

Dr. Frederick and Miss Halter welcomed the newcomers and urged them to do their best. Tom Parran, president of the Traffic Club, talked on the service of this club to Milne, and Foster Sipperley, president of the Junior High School Student Council, explained the purpose of the Council. In addition to the school songs by the assembly, a solo was given by Friscilla Simpson.

### JUNIOR HIGH WILL HAVE THREE PARTIES THIS YEAR

There will be three parties for Junior High students this year, according to the Student Council. The first one, the Junior High reception for the seventh graders, will be held on November tenth. The second and third parties will be decided upon later by the council. Student tickets will be necessary for admission to these parties.

Although the "Crimson and White" is not yet organized, we are sending this message to the new students from the older ones. There is a spirit of friendliness in Milne which is extended to you. We hope that you will meet us with a cooperative spirit and that you will enjoy your school as well as your social activities in Milne. Here's hoping!

DR. FREDERICK ANNOUNCES REGULATIONS FOR YEAR

Dr. Frederick wishes to announce that the students are to eat in the cafeteria and annex only, not in the halls. They are to use the outside passage always, except when it is raining. Students are warned to stay off the grass and to keep their lockers locked. They are not to leave book bags or books in the halls or on the window sills, or lean out of the windows at any time. When classes are passing, students who use the stairs are to go up the front stairs only and to use the other stairs when coming down.

NEWS CLUB WILL HAVE LARGE MEMBERSHIP THIS YEAR

Because the News club has not yet been organized, the Junior "Crimson and White" staff is not announced this week. The signatures on the petition for membership in the News club indicate that the club will have a large membership this year. The contributions to this issue were submitted voluntarily by Junior High School pupils. Before the next issue comes out, the News club will be organized and the staff for the paper named.

The following students have signed up for the News club. Because the list for membership is large, try-outs will start this week. Assignments for each person are to be found on the bulletin board in room 229 this afternoon and are to be turned in to Miss Moore at 2:30, Tuesday afternoon. The list includes John Akullion, Milla Hall, Christine Bayreuther, Betty Leitch, Frances Bremer, Janet Bremer, Virginia Tripp, Elizabeth Simmons, Virginia Mitchell, Betty Schultz, Ethel Fasoldt, Jane Weir, Wilbur Barnes, Neil McCoy, John Hawkins, Virginia Mason, Edgar Harding, Lois Nesbitt, Frances Seymour, Jean McDermott, Marjory Pond, Sylvia Kypins, Betty Holmes, Richard Andrews, Anna Swain, Peggy Waterbury, Roger Orten, Jack Beagle, Seldon Knudson, Foster Sipperly, Douglas MacKeon, Martin Creeesy, and Billy Burgess.

If there are some pupils who have not yet had an opportunity to sign up, please see Miss Moore at once.
