LET'S GET GOING

Our final examinations are coming. Because of that it is time for us to start studying for them. If we wait much longer, it will be too late. Whon people cram for tests, they are sure to forget some of it if not almost all. If we're not going to cram the last few days, we'd better start studying now.

Motos of Yur Staportere Thursday, in Milne

Dear Diary,

The Boys Cooking Club has been making ham sandwiches. We imagine the fellows will keep their recipe all tucked away in their little cook books for use later on in life.

Dancing I and II had a splendid "vic" dance and refreshments

Typing Club, as well as Dramatics Club, is preparing a play.

During the last few weeks, we've been having some real spring weather, so our two sports clubs have been getting a bit of outdoor exercise. Both the Boys! and Girls: Sports Clubs played baseball on the campus in front of Page Hall while other members of the Girls! Club played hand tennis. (No one seemed to know who won the softball game between the boys and the girls.)

Last Thursday, the Girls Sports Club and the Sub-Debs played baseball. Mickey Baldwin and June Bailey were the captains. Mickey's team won. The score was 10 to 5. It was a very good game. More of the clubs should get together and do things like that.

An exhibit was given by the Stamp Club recently. Some very valuable stamps were among their collections.

All the other clubs have been going about their regular routine, but here's hoping one of them will do something unusual to get its name in the paper next week!

> As ever, 1/10 maky, and for o

P. S. The Sub-Debs want to thank Milnites for their fine cooperation at the "Swing Fever."

To the eighth graders for the swell job they are doing on their own original features.

To Milne students who shine mirrors over at the studious students of Albany High School.

> ***** * INFORMATION WANTED *

Dear I.W.,

A certain few girls and I have been very much distracted by a certain few Romeos in Albany High School. The harsh teacher has now moved us to the other side of the room. How may we arrange it so we still may see them?

Yours truly, Juliet

Dear Juliet,

Your conclusion, Juliet: The teacher would probably prefer to pull down the shades, but as for you, Juliet, I would advise you to transfer to Albany High School.

> Very truly yours, I.W.
