Proposals 2016-0698 & 0922

Dear Provost Cartwright:

This letter is in response to correspondence requesting registration of proposed programs in Emergency Preparedness, Homeland Security and Cybersecurity leading to the Bachelor of Arts (B.A.) and Bachelor of Science (B.S.) degrees to be offered by State University of New York at Albany.

I am pleased to inform you that on the basis of our review the programs detailed on the attached listing from the Inventory of Registered Programs are registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 1, 2017. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in these programs.

We wish you and your colleagues success with the programs.

Sincerely,

Kathleen F. Egan
Associate in Higher Education
