Work At Neighborhood House To Soothe Prospective Teachers

Do you have unexplainable qualms about practice teaching? Does the prospect of the pliter patter of little feet on the classroom floor send cold shivers down your back? Why not learn to know and to appreciate kids for what they are. Inter-Group Council is planning to help the Clinton Square Neighborhood House at 174 North Pearl St., and needs the help of all prospective teachers. The Neighborhood House is a veritable hangout for the kids between four and sixteen years of age. Teenagers cram the canteen, prospective Arthur Murrys want to learn to dance, future Harrys desire to practice proper parliamentary procedure in the Leadership Club which brings out and develops the leadership abilities of many of the neighborhood gang, and future Raye Emersons grace the elementary dramatics stage as they may someday do on T. V.

The athletic programs, ceremonies classes, sewing, cooking, and mechanical shop faculty are all in a day's work at the Neighborhood House. Clay modelling for the artistically inclined and airplane modelling for the mechanically minded kids are included in the program that keeps

Philosophers To Meet For Regular Discussion

Dr. Odenkirchen states that anyone is welcome to attend the meetings. No previous acquaintance with philosophy is necessary to appreciate the discussions.

Donnelly Clarifies Soc Hop Decorations To Denote Fall Theme

(Continued from Page 1, Column 1) A statement from Robert Donnelly '52, President of the Senior class, reveals that Harriet Jüngling '52 has been elected temporary treasurer of the class. She replaces Marjorie Farewell '52 who is unable to perform her duties because she is practicing teaching off-campus this semester. In last week's State College News it was erroneously stated that Miss Farwell had resigned from her position.

Cook emphasizes that students may come stag or drag. A donation of \$65 per person will be expected from each student. Tickets may be purchased at the door. Freshman women will be given late hours but must return to the dormitories immediately after the dance, according to Cook.

Campus Interviews on Cigarette Tests

No. 26 THE ROOSTER

You have to get up early in the morning to put one over on this cock-of-the-walk! When it came to making "quick-trick" experiments of cigarette mildness, he stated flatly, "That's strictly for clucks"! How 'ya going to keep 'em down on the farm—when they know there's one convincing way to prove cigarette mildness!

It's the sensible test... the 30-day Camel Mildness Test, which simply asks you to try Camels as a steady smoke—on a day after day basis. No snap judgments. Once you've enjoyed Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

Campus Greeks Student Council Release Agenda Approves Plan Of Social Events For Assembly

Plans for the freshman sing scheduled for today's assembly were discussed at Student Council meeting Wednesday evening. Discussion about the advisability of replacing Big 4's by an all-college production is also included on the assembly agenda. Student Council voted to postpone All-State Night until Thursday, November 29.

The Sophomores will be allowed to stand in the aisles this year while the freshmen walk past them singing. Council decided to postpone All-State night because of the mid-semester examinations scheduled for next week. The event was originally scheduled for Thursday.

The assembly agenda also includes an announcement by Dr. Ewan R. Collins, President of the College, concerning the new members of Sigma Lambda. The Sophomores will challenge the freshmen to a rivalry sing scheduled for Friday, December 7. There will also be debate on the proposal to introduce a purple and gold beanie for all future classes.

Student Council discussed plans for the Inter-Collegiate Association Conference to be held at Cortland State Teachers College Friday, November 9, and Saturday, November 10. William Wiley '52, Alan Switzer, John Lannon, and Rosemary Keller, Juniors, will represent State College at the conference.

Social Directors Of Dorms Slate Weekend Events

Residence halls have scheduled a varied program of activities for the coming weekend. A Halloween party at Sayles Hall tonight, open Hall Saturday evening, and faculty tea at Newman Hall and open house at Thurlow Hall highlight the agenda for the weekend.

Sayles Hall plans a Halloween masquerade party tonight from 8 p. m. to 12 midnight. All members of the student body and the faculty are invited to attend, according to Theodore Maurer '52, Social Director of Sayles Hall.

The evening's program includes refreshments, a d. entertainment. Prizes will be awarded for the most original and most beautiful costumes at the unmasking at 11:30 p. m. Tickets may be obtained either from Sayles Hall men, or at the door. Admission will be 25 cents. Maurer has appointed the following committee chairmen to plan the event: Entertainment, Robert Strickland; Refreshments, Francis Hughes, Juniors; Decorations, Patrick Maloney; Tickets, Frank Denton, freshmen, and Publicity, Robert Donnelly '52.

Students from State, Union, Albany Law, Rensselaer Polytechnic Institute, and Albany Pharmacy have been invited to attend the Pierce Hall open house to be held tomorrow night from 8 p. m. to 12 midnight. According to Anna Apostolides '52, President, committees have been formed under the following chairmen: Barbara Stempel, Chaperones; Joan Van Elteren, Sophomores; Invitations; Corrine Valenti '54 and Mary Battisti (Continued on Page 6, Column 5)

Grad Students To Take Exams

Graduate students will take general ability tests from 1:30 to 5 p. m. Monday, according to Dr. Elizabeth Morris, Professor of Education. The tests are designed to provide the college with information requested by prospective employers. Students whose surnames begin with A through J will take the tests in Room 349, Draper, while those whose surnames begin with K through Z will take the tests in Room 20, Richardson.

Dr. Morris states that the tests are required because the administration feels it desirable to have a common basis on which to judge progress, since it is impossible for the faculty to know every student personally. The following reasons are given for the examination: (1) The college has too little knowledge of students who did undergraduate work in other colleges; (2) The college should have more recent information on its own graduates and not have to depend upon freshman records which give no indication of the development that has been achieved; (3) Practice teaching often requires comparison of temperamental and intellectual characteristics with academic grades if maximum benefit is to be derived from teaching experience. The tests will be used for college reports; they will not in any way affect grades earned by students.

Union Board Releases Activity Room Rules

The procedure for securing a room for a meeting or activity in the Student Union has been disclosed by Mary Marks '52, Chairman of Student Union Board. All activities are to be scheduled in the office of Ellen C. Stokes, Dean of Women.

The following steps are to be followed in arranging for and using a room at the Union: (1) Clear the date of the event with Dean Stokes; (2) At least one week in advance, either call 2-3326 or go to the Main Office of Brubacher Hall to arrange for the room; (3) Have the person in charge of the activity check arrangements and facilities of the room at least ten minutes prior to the meeting; (4) See that the room is left in order with windows closed and locked.

Chapters Plan Area Meeting

Members of State's Red Cross unit have been invited to a meeting of all college units of the area, according to Lillian Weller '53, Vice-Chairman. Representatives from State, Albany Pharmacy, St. Rose, and Albany Business College will gather at the Albany Red Cross chapter house, 8 p. m. to 10:30 p. m. Informal discussion will be held with leaders from the Red Cross and Armed Forces, with dancing following the discussion.

The Red Cross program now includes classes in water safety and swimming. Instructors and beginners are urged to join. The program also offers first aid training. Classes for the purpose of training staff aids will begin next week. Anyone holding a driver's license is requested to join the motor corps.

Several State women were active in Gray Ladies last year. According to Miss Weller, Gray Ladies will continue this year and former members are urged to volunteer for work. Anyone interested in joining State's Red Cross unit is requested to contact Margaret Smythe '52, Chairman.

WAA Will Sponsor Coker In Student Union

WAA will hold its annual coker Wednesday at 7:30 p. m. in the Private Dining Room at the Student Union, according to Joan Haggerty '52, President of WAA. There will be square dancing, entertainment, refreshments, and initiation of the new representatives of the Class of 1955.

Phoebe Fuller '52 is general chairman. The committee chairmen are: Gavardolyn Gallivan '52, and Patricia Zylo '54, Entertainment; Alida Apostolides, Refreshments; Betty Cowkendall, Juniors, and Anna Apostolides, Clean-up; and Katherine Sinclair '53, and Karen Prindle '54, Publicity.

The two representatives on WAA Council from 1950 are Donna Hughes and Marilyn Wittschen. They will present their class on the Council, and serve as members of the Council. This is according to the new constitution whereby WAA Council members are no longer in charge of Rivalry for their classes.

Manship To Pick Sculptor Model From Observers

Dramatics and Arts Council will present Paul Manship, noted American sculptor, Tuesday evening, at 8:30 p. m. in Page Hall. Manship will speak on sculpturing and will demonstrate his lecture by molding the head of a member of the audience.

Manship was born in St. Paul, Minnesota, on Christmas Day, 1885 and began his art studies at the St. Paul Institute of Art. Later he studied sculpture with Solon Borglum in New York and also with Charles Grafly in the Pennsylvania Academy of the Fine Arts. He spent three years in Europe on a scholarship studying at the American Academy in Rome.

Manship's works can be found the world over. Among his principal accomplishments are the War Memorial and Hercules Fountain, American Academy, Rome, Italy; Dancer and Gazelles, The Corcoran Gallery of Art, Washington, D. C.; Prometheus Fountain at Rockefeller Memorial, Thibault, France; The Merchant Marine Distinguished Service Medal; and he also designed the "Four Freedoms" Stamp.

Accredited Manship, noted lecturer. Master of detail, Paul Manship's bronze statues, even if in fragments, may some day be acclaimed as the remains of the priceless work of the 20th century, as critics accredited the work of the ancients. Not only is Manship a leading sculptor, he is also accredited as a listenable lecturer. As the Worcester Telegram announces, "He has a gift for phrase that is nothing short of miraculous."

Students and faculty are invited to attend this lecture. Upon presentation of student tax receipts, students will be admitted according to Henry Smith '52, President of D&A Council.

Miss Ruth E. Hutchins, Assistant Professor of Art, announces that a photographic exhibit of Paul Manship's work will be on display Monday through Friday on the second floor of Draper Hall. These photographs will illustrate the wide scope of Manship's sculpturing talents.

Freshmen Elect Officers

As a result of the elections in last Friday's assembly, the freshmen chose Robert Lundergan as President of their class. To assist Lundergan, Mary Jacobone was selected to serve as Vice President and Angela Kavanagh will hold the position of Secretary. Robert Inglis will be the Treasurer of the Class of '55.

The Student Council representatives for the freshmen are Marilyn Wittschen, James Lockhart, Zoe Ann Laurie, and Robert Burns. Lorraine Hughes will lead the Class of '55 in cheering and Edith Titterton will direct the songs of the class. The position of Publicity Director will be filled by Thomas Mullen.

At the recent election for Song-leader of the Class of 1954, Lorraine Weiner was elected. This position was filled as a result of the vacancy left by Helen Kosinski, who has left school.

Rivalry?

Today in Assembly the discussion of the Big Four motion will be continued. Rather than limiting the discussion to the motion, there is a tendency among the members of SA to question whether rivalry between the freshmen and Sophomore classes should be carried on.

This year seems to be one of changing tradition. Students are advocating the development of college spirit rather than class spirit. Can the two be divorced? By destroying rivalry, some individuals feel that college spirit will develop. SA will have to make the decision regarding the changing of class banners as well as the Big Fours. Before voting, one should consider whether a change in college traditions is going to develop college spirit. If the college is to remove rivalry from the campus, the most logical manner to do so is by attacking each of its traditions in a subtle way, one by one.

What will be the effect if rivalry is discontinued? The result will be greater than many students realize. Remember that many of the activities (such as Moving-Up Day, Campus Day, etc.) in which all classes participate are dependent upon rivalry. If the students are to change the institution of rivalry by attacking each of its traditions separately, it is better to have a plan of substitution before, not after, it is destroyed.

As far as the Big Four motion itself is concerned, consider what part it plays in rivalry. Is there any obligation on anyone's part to hold a Big Four? No one is forced to attend the Big Four and no class is forced to display its talent. Therefore, why should the members of SA deprive those individuals interested in putting on a show from doing so.

NSA . . .

This week and next weekend the city of Albany will be the scene of the New York State Region of the National Student Association Conference. For the first time since NSA was founded, our college will participate in the annual conference.

What is the NSA? Throughout the United States, many college and university students voiced the opinion that their institutions lacked strong, effective student governments. Thus, in order to make democracy in our society more meaningful, an organization of college and university students was founded to make more effective their collective energies and to achieve their major goals. At the present time there are three levels of the NSA, the national, the regional, and the campus levels.

One of the most recent institutions set up by the NSA is a separate conference for editors of college newspapers who are seeking to improve their publications. Part of the Regional Conference to be held in Albany this week will be devoted to discussion of college papers. State College will be represented by the News Board.

Why hasn't State College participated in the NSA previously? The organization is a new one and at the time State was requested to join, it was decided not to enter into membership because of the cost. However, with the increased number of schools joining the organization, the dues have been reduced considerably enough to warrant the attention of our college.

De Rerum Natura

By JOAN MITCHELL

Hear now, lowly undergrads, the sagacious learnings of the high and mighty graduate students. On returning to the well-known halls of SCT this past September, we grads felt pride at our newly acquired status. Our "hard" years were behind us and there now appeared the opportunity of specialization in subject matter that would be not only utilitarian, but enjoyable and meaningful to us. Then, stark reality reared its ugly head! Slowly the enthusiasm or semblance of eagerness that still pervaded our educated spirits began to grow rather dull and cold as it constantly encountered insurmountable walls and seemingly nonsensical problems.

What is this metaphysical or ontological approach? Our question is "What is the metaphysical or the ontological? Perhaps this is our misuse of an ancient teaching: definition of terms. Furthermore, what are the implications of this state of confusion? Namely, that the desire to learn can become so overwhelmed by the mass of information that it is destroyed.

Communications

To the Editor:

It seems to me that the time is ripe for State College Press Bureau to state its duties as an organization on this college campus.

Press Bureau is designed primarily to take care of the publicity of individual students. Our budget covers only this amount of publicity. If Student Association wishes to enlarge these duties, the budget of Press Bureau would have to be increased. Separate organizations on campus take care of their own publicity, athletic groups as well as D&A Forum, etc.

The following news is deemed important enough by the board to send to newspapers: membership in fraternities, sororities, honoraries, and every organization on campus; elections to all offices contained in the preceding organizations; Who's Who, Graduation, Placements, Dean's List, and accomplishments of students which do not fall into the above categories. Another job which Press Bureau has taken on recently is the handling of interviews of prospective freshmen in cooperation with Mr. Sabol's office, from November to May.

No newspaper guarantees its publication of news. Many times the item that is sent out from Press Bureau is not printed because the paper deems it of not sufficient importance, or is too crowded. The fault lies not with Press Bureau but with your home-town paper. Why not bring your complaints to them. Check the P.B. bulletin board in lower Draper for lists of notices that have been sent out. If your name is there and the notice has not been included in your own newspaper, you know where the fault lies. Important news of the college as a whole that is sent to Albany papers is handled through Mr. Sabol's office.

A file is kept with the record of each student. It is the student's responsibility to keep these files up to date by notifying the Bureau of any changes. Many students never return their information cards even at the repeated request of P.B. to do so. How then can they expect publicity?

For those who wonder what P.B. has been doing in the line of work, please notice the two full pages of Dear's List notices on the bulletin board, and the Who's Who notices, which have already been sent out. I hope this will discredit the unjust criticism made against Press Bureau in last week's Common-Stater. It is doing its job. As for it being a big organization on campus, I prefer to think that is one, but one that works quietly and efficiently.

Maureen Davis '52, Director, Press Bureau.

FACULTY FOOTNOTES

It seems that the faculty have been airing their gripes about the new cut system in classes. The thing that is bothering them most is the fact that it entails more book work for them. Also a few more were quoted as saying that they couldn't explain the system because they had slept through parts of the faculty meeting. This system will be hard enough to organize even with the support of the faculty. How about it Doctors, etc. Let's give it a go.

SUCIDE

Saturday morning the Soph and fresh men will endeavor to spill their insides over Page Field in a gentlemanly game of pushball. The game will start at 11 a.m. Anyone with a stretcher—or in extreme cases a blotter will be welcome.

ALSO

In the vein of rivalry, '54 and '55 will have another chance to inspect the school grounds two weeks from tomorrow when there will be a rebuttal for the banners. Let's hope that the classes are a little more organized this time so that if they should find the banner they can get away with it.

P. S.

We agree that Myskania should chaparrone the banner hunt but we want to know who is going to chaparrone Myskania. It seems two members of said body were inextricably entangled in the boiler room for a half hour last Saturday. What's this boiler room got?

ALPHABET SOUP

Another burning issue! This week again, Student Council discussed the possibilities of "smashing" tradition. This time it concerns changing the blanket letter "S" that we use for varsity letters, etc., to "A" standing for Albany. Strange as it may seem we are not the only "State" College in New York and some of the other colleges resent the fact that we refer to ourselves exclusively when we say State. We want you to give a lot of serious thought to the issue but try not to lose any sleep over it.

BLAZERS

are back and Lundergan's got 'em. Anyone interested in a State College blazer (sports jacket) see Bob Lundergan, President of the freshman class.

SOME ACTION!

Now about setting upon an efficient working publicity committee operating out of MAA. We heard that this organization has a publicity manager—or should we say "had" 'cause it seems to be an extinct office. Besides making posters (uniform or standard posters preferably) and placing them strategically (not in the same place each week), this committee could see that a representative at each group house announces the games, and perhaps this committee could also arrange Pep Rallies.

Along this line also MAA would like to continue the policy of selling programs at the basketball game eventually soccer also. . . we hope! but they need us, our Canon kids . . . it's everybody's school.

NEUROV'S DISORDER

About this time of year, with mid-terms and all, everyone has developed a major maladjustment. This year's situation has been extended to the buzzers and bells and intermittently the students are awakened from their classroom slumbers. Looks like a plot to us, one that could be remedied. Perhaps a petition to the school electrician, Dr. Rich, would aid us in our dilemma.

WONDERING

What happened to 1951's banner? . . . those subscribers who have written the editor regarding their admittance into Brubacher and Student Union; yes alums, you're more than welcome.

Everyone stood in an attitude of respect while the queen, hailed by a soloist, circled the auditorium. One Man's Opinion

At the Advanced Dramatics Lab Tuesday night Roz Lacks and Sally Brewer combined forces for an evening of comedy. Miss Lacks introduced her play, the first on the bill, with one of the most effective curtain speeches I've heard at State. Her play centered around a little man who tried so very hard to be someone that he succeeded only in making a fool of himself. Dick Gutta was masterly in the role. He was supported by Ruth Dunn, ably playing his wife, and Lee Kotch who couldn't quite carry off the lightness required in the visiting friend. Sue Dunzis showed through as the mother-in-law at times.

A few technical imperfections marred an otherwise smooth production. The first flaw was the unfortunate one of not being able to drop the toupee on cue. More careless errors lay in the painfully slow dimming of the house lights before the play, and in the awkward curtain call. The set was well suited to the play but I couldn't help wondering whether the masking for the hall wasn't a hastily painted afterthought.

It was good to see new faces in Miss Brewer's play. Transfer student Diane Wheeler played the daughter of the household. Freshman Bob Henderson, the prospective son-in-law to the old British family, gave a witty performance, the high point of which came when he and Vion were bantering over the ethics of accepting money. Louis Vion boarded heavily as the elder member of Parliament who sold his family name for fifty thousand dollars. w.l.j. Madelon Knoezer portrayed a somewhat more vitally his simple wife.

The play never completely recovered from its slow start although Dick Scott delivered it considerably upon his entrance as the actor who set out to prove that man will do anything for money. Minimum scenery at its best formed the background for Miss Brewer's play. Again, however, the smoothness of production was lost in slow house lights and an apparently uncheerful curtain call. Make-up fell down, too, in not glibbing with Henderson's Vion about shaving off his mistake.

Frosh Select Leaders For Rivalry Activities

Nominations for a Senior to replace Edmund Leigh '52, who has resigned as Vice-President of the class, were opened yesterday at a meeting of the Senior Class, according to Robert Donnelly '52, President. Yesterday the freshman class elected Donna Hughes and Robert DeMichieil to head its rivalry sports activities. Robert Lundergan, President has stated. The number of students needed to comprise a quorum at class meetings has been announced by the presidents of the Senior, Junior, and Sophomore classes.

Nominations for a Senior to replace Leigh will close this afternoon at 4:30 p. m. Declinations must be in by Tuesday at 4:30 p. m., and voting will take place in assembly Friday, November 16, Donnelly has disclosed.

The quorums of the upper classes are as follows: Seniors, 25; Juniors 40; and Sophomores, 60. Students are urged to attend class meetings as no elections or voting on any motion can be carried on unless the required quorum is attained.

Students To Offer Aid At Neighborhood House

The names of tryouts who have volunteered to work at the Clinton Square Neighborhood House have been announced by Joseph Lombardi '53, Chairman of Inter-Group Council.

Sophomores who will act as instructors at the Neighborhood House are Eleanor Balskis, stories and elementary cooking; Marie Morletell, elementary cooking; Mary Lavery and Susan Stewart, Leader of recreation; and Henry Feuerbach, athletics. Arlene Pettit '55, will lead the Saturday morning activities. Victoria Baldino '52, and Henry Koszewski '53, will direct the Teen Center Friday evenings.

Hossfield To Explain Typewriting Technique

George L. Hossfield, World's Professional Typewriting Champion, will speak Monday at 1:30 p. m. in Room 247 in new Draper. This lecture is part of Hossfield's extensive nationwide lecture-demonstration tour.

Potter Celebrates Twentieth Year; Men Recall Remarkable Founder

Potter Club was established in 1931 by twelve Statesmen as a living memorial to Edward Eldred Potter, a former student at State College. The basic element of this club is friendship to all. Quoting from its constitution: "... that the members show toward one another a strength and willingness to sacrifice and a cordial enthusiasm for the friendship exchanged by membership in the organization as well as a real interest in the institution which has brought us together ..."

Eldred Eldred Potter was born in Windfall, New York, as a youth. Potter used to walk three miles to obtain his early education at a country school house. He received his high school education in manual training at Plattsburgh Normal High School.

When Edward Eldred Potter was a Junior at State College, the first World War broke out. He enlisted in the army and while serving as a first lieutenant in the air force, was killed in a plane crash in France. Potter had been active at State, and according to those who remember him, was a truly remarkable person. How remarkable he must have been is shown by this anecdote. Be-

Campus Interviews on Cigarette Tests

No. 27...THE LYNX

This sporty student really teed off on a long tirade when he found himself stymied on the "single puff" and "one sniff" cigarette tests. "They're strictly for the birdies!" said he. He realized that cigarette mildness requires more deliberation than a cursory inhale or exhale. Millions of smokers concur — there's only one true test of mildness and flavor in a cigarette.

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests... **Camel leads all other brands by billions**

As I See It

By DON BURNS

If those two "wondering" personalities who edit a rather impish column in this sparsely read tabloid had bothered to look beyond their noses they could have filled their "hash" last week with something more constructive than a take off on the publicity of athletics.

In the first place the downtown boys have been plagued by members of this sports staff with data and news about our various activities. Abe Blattman '53, has kept up steady contacts with both the local papers and it's not his, or our fault that they fail to respond cooperatively.

Under the guidance of Julie Korba '53, a new Sports Press Release Bureau has been set up to handle sports contacts with hometown papers, competing colleges, and local outlets. The Class of '53 has contributed much to this new and important function through the efforts of Tom Hogue, Bob Ingles, Walt Lawder, and Bob Ashfield. The new office has already made its initial contacts and is ready to send a steeper flow of information to the points where it will do the most good.

Another point for our two noted "crusaders," you publicize an athletic event... you never advertise. Aren't sports commercialized enough without casting their lot in the same boat as a bar of soap or a bottle of beer?

The deserved jibe of the "dig" thrown towards the sports publicists directly within the MAA. They have a Publicity Director and a Manager of Athletics who should be on the ball in relation to making the Home Dates known on campus; come, come boys.

As for predictions, I could take a whirl at predicting when the IM plakin championship will be played. If I did, George would be sure to change it, just like Kazmaier did to the Cornell game last week!

The two foes will line up as follows:

Potter Club	E	Indians	F
Burns	F	Fox	G
Ward	G	Berleth	H
Egert	C	J. Stevenson	I
Singleton	G	K. Stevenson	J
Johnson	E	Button	K

Potter Subs: J. Persico, Sonberg, Carlo, Gibb, Lewis, Jacobson, Fay.
Indian Subs: D. Persico, Young, Sloth.

Referees: Wiley, Kaehn, Goodell. The Indians have lost several men originally on the roster because of the new ruling which prohibits basketball players from playing intramural football. Potter, with the exception of Tom Yole, who fractured two ribs in his last game, will be at full strength.

As we stressed last week, the tussle promises to feature a battle between the Potter offense and the Indian defense. Whatever the outcome, the fray shapes up as being the best of the year.

We're sure the long-awaited game will be a good one, so see you this afternoon at Dorm Field.

IM Bowling Basketball, To Start, Announced By League Managers

George Smalling, Manager of the Intramural Bowling League, announced today that bowling will commence next Tuesday. He stated that fourteen teams have signed up for competition, to be divided into leagues of equal strength.

Basketball will also start in the near future, according to Don Burns, Intramural Manager. He requests that all teams interested sign up as soon as possible so that he can divide them up into leagues.

All men interested should check the MAA bulletin board in lower Draper for schedules and other details of intramural play.

5. No credit will be given for participation in a general practice of a particular sport unless there is actual participation in the sport.

Varsity Club Elects Stella

Tuesday evening Varsity Club had an organizational meeting and elected a full slate of officers for the coming year. The first president of the new organization is Joe Stella '54. The Vice President will be Al Cannon '53, and Secretary, Tom Hoppey '54. Their Treasurer and Sergeant-at-Arms are, respectively, Bill Adams and Bill "Red" McCormick, Juniors.

President Stella took over the reins from Bob Brown, temporary chairman, and led the discussion on plans for the coming year. Al Cannon, Bob Brown and Doug Adamson were appointed to look into the matter of changing State's varsity letter award from S to A. It was decided to table discussion on a faculty advisor until next week.

Stella announced that the next meeting will be held on Tuesday, November 6, at 7:30. He urges all members and all others eligible for membership to attend.

Pedagogue Girls Oppose Skidmore In Initial Field Hockey Encounter

During the past week, the women's field hockey team has been hard at work on dorm field practicing for tomorrow's game at Skidmore College. In their first trip, the Stateswomen dropped four games, two each to Sage and Skidmore. Emphasis has been placed upon the development of techniques, offensive and defensive plays. Seriously handicapped in the last game by lack of practice as a team, the present squad shows promise for tomorrow.

The forward wall of State's team will consist of five of the following: Knapp, Liddell, Zylko, D. Hughes, B. Burke, L. Zoe, and Murphy. The center forward slot has not been definitely picked.

Anna Apostolides will fill the goalie position. At fullback will be Haggerty and Titterton, a strong defensive duo. Fuller and Wittschien will fill two of the halfback places, with McCain and M. Burke to start in the other place.

Next week the team will play Green Mountain and Russell College. The following week they will travel to Green Mountain for their second out of town game.

Tumbling Club Being Organized

Tumbling Club is being organized again this year. This year trampoline work will not be included. Practices will begin next Wednesday and Thursday in the foyer of the Brubacher Dining Room. Practices are at 7:30 and, as in the past, co-educational.

The Jewish Community Center is available to women interested in swimming on Tuesdays between 7 and 8:30. The first 17 State women will be admitted. The women's hours at the Public Bath at the corner of Ontario and Quail have also been announced. They are: Mondays, Wednesdays, Thursdays, and Saturdays from 9-12 and Tuesdays and Fridays from 2-6.

Albany Pharmacy Bowling Team Defeats State College 3-0; Become New Pace-Setters In Intercollegiate Bowling League

The State varsity quintet gave way to a powerful Albany Pharmacy five allowing them first place in the Intercollegiate Bowling League when they suffered a three-game defeat at the hands of this five.

The varsity bowlers had to spot the Drugists 83 pins per game which proved too much of a handicap for State to overcome. The opponents racked up a total pinnage of 2405 against 2180 piled up by the State legiers.

Varsity Hoopsters Grooming For Opener

The basketball team is rapidly rounding into shape and the entire squad looks ready to go. Johnny Centra, star of last year's JV team, has been looking especially good. He has an excellent shot and has been using it effectively in recent practice scrimmages. A dismal note was added, however, when it was discovered that the health of Al Peachy makes it doubtful as to whether he can play or not. Al had been looking good in practice and it was hoped his 6 foot 4 inch frame would help to correct State's weakness under the boards, a real problem in recent years.

Carmen Corsi and Bob Sinkledam shared the spotlight as Corsi hit a roaring 605 triple in the team event with "Sink" hitting a 263 single in the two-man event. Last year's champions deserve a great deal of credit for the fine exhibition displayed at the New York State Tournament. This quintet did much to further the reputation of Albany State Teachers' College.

Cannon, Adams Defensive Stars At West Point

On Wednesday, the Statesmen traveled to West Point for their fourth road game out of six played thus far this season and succumbed to a powerful onslaught at the hands of the Black Knights JV by the score of 3-0.

Hindered greatly by the loss of Raoul Nunez, the team's leading scorer and playmaker, due to a throat condition, the State forward wall seemed unable to set a consistent offensive pattern, and coupled with Army's superlative wall of defense netted a goose-egg for the Purple and Gold.

Telfer Slips... Army Scores

The initial Army goal came late in the first quarter, when Pete Telfer lost his footing on the mud in what would have been an ordinary save for him. The score was bootered across by Karns at 13:30. For the second quarter the Peds more than held their own, and turned in their best showing of the game with the half ending with Albany on the short end of a 1-0 count. In the third and fourth quarters State's passing was way below par and in spite of excellent defensive play on the parts of Ralph Adams, Al Cannon, and Dean Strickland, the offensive didn't materialize. This loss brings the Booters' record to a 2-3-1 count for the season.

On Wednesday the Garclamen will entertain a powerful Union College aggregation on Beverwyck Field at 2:30. This will mark the first official encounter for the Peds against another Capital District college for this season, and should prove interesting.

JV Loses 2-0

Last Tuesday the JV journeyed to Massachusetts to take on the Darrell Prep School. Playing on small, rough, unfamiliar field, the boys were out-done 2-0. Darrell scored a goal in each of the first two 10-minute quarters and then held on to win despite several determined scoring threats by State.

The Darrell outfit was a very well-coordinated and extremely aggressive bunch of kids. State played well but was unable to get the extra punch required to score.

For State College, Danny Joy played especially well at center forward. Really hustling, Dan gave a good account of himself as he strived desperately to lead his team to victory; however it was not to be, and so their current record stands at 1 and 1.

State Beats Plattsburgh

On Saturday the soccer team paid a visit to Plattsburgh and trounced their hosts 4-2. Raoul Nunez scored two goals for State and Red McCormick and Tom King each tallied once. Strangely enough, these were the same men who scored in the last encounter with Plattsburgh. A bit of excitement occurred when Ben Batton, ordinarily one of the mildest men on the soccer team, was ejected from the playing field for exhibiting his anger at a Plattsburgh player who was also removed from the contest. It was a good trip and the whole team played well to bring home the victory, their second of the season.
