

**TRANSFER ARTICULATION AGREEMENT**  
**FULTON-MONGOMERY COMMUNITY COLLEGE**  
**AND**  
**THE UNIVERSITY AT ALBANY**

This transfer articulation agreement is the result of thoughtful cooperation between the faculty and staff of the University at Albany and Fulton-Montgomery Community College.

Academic programs at Fulton-Montgomery Community College provide strong preparation for and ready access to baccalaureate programs at the University at Albany. Therefore, we have developed an agreement with Fulton-Montgomery Community College that will provide the maximum number of transfer credits applied to select bachelor degree programs at the University at Albany. We strongly believe that many students in a two-year program of study at Fulton-Montgomery Community College will benefit from the information, guidance and transfer course equivalencies this agreement provides.

The University at Albany is delighted to continue our longstanding, close relationship with Fulton-Montgomery Community College and we are proud to offer each student the opportunity to earn both an Associate's degree and baccalaureate degree within the State University of New York system.

A handwritten signature in black ink, appearing to read "Susan D. Phillips". The signature is fluid and cursive, with a large initial "S" and "P".

# UNIVERSITY AT ALBANY

State University of New York

The attached University at Albany and Fulton-Montgomery Community College transfer equivalency tables represents the required and suggested elective courses that are similar and parallel to those completed by degree-seeking students at the University at Albany. Fulton-Montgomery Community College students who complete the programs as outlined in these arrays will be awarded full transfer credit and afforded the opportunity to complete the Bachelor's degree in four additional semesters of study at UAlbany.

Fulton-Montgomery Community College students pursuing programs that do not conform to those specified herein will be considered for admission on an individual basis. The transfer course equivalency tables in this agreement will be amended or expanded with mutual consent through an annual review by both institutions.

**Initial Admission of Transfers with Sophomore Standing or Above to the School of Business:**

All students admitted to the University whose basis of admission is "TRANSFER" can be admitted to the School of Business by declaring their major as either Accounting or Business Administration at the time of their application to the University as long as they will have met the following criteria:

Students must have completed at least 32 applicable credits by the end of the spring semester preceding their summer or fall admission to the University, or by the end of the fall semester preceding their spring admission to the University. They must also have a final cumulative average of 3.25 or higher and have completed elsewhere a minimum of four of the designated admission core courses with at least a 3.00 average prior to matriculation.

To remain a School of Business major, students must achieve a minimum overall average at the University at Albany of at least a 3.25 and a minimum 3.00 average for the admission core courses. The core courses for admission to UAlbany's School of Business are:

*Students are also advised that only one of RCRJ 203 and ASOC 203 may be taken for credit.*

**Criminal Justice is a restricted major at the University at Albany.** Thus, all students must apply for admission to the major. Transfer students have two avenues through which they can be admitted to the undergraduate criminal justice major.

1. Transfer students may apply to the major upon admittance to the University if they have achieved a grade of B or better in RCRJ 201, RCRJ 202 or RCRJ 203 (equivalent courses at their prior college will be recognized as meeting this requirement if they received a B or better in those courses). Their application will be evaluated and compared to other applicants by the Associate and Assistant Deans. The evaluation will primarily focus on their overall GPA and the required essay. The best applicants will be admitted until we have reached our targeted number of majors.
2. Students transferring to the University of Albany become eligible for guaranteed admission to the Criminal Justice major under the same guidelines for native-students. Specifically, to qualify for guaranteed admission transfer students must have:
  - Achieved a cumulative GPA of 3.20 or higher following completion of at least 56 credits (of which 30 credit hours must be taken at the University at Albany)
  - Earned a grade of B or better in two of the following courses - RCRJ 201, 202 or 203 or equivalents
  - Completed the statistics and research methods classes required of majors (RCRJ 281 and 282, or equivalents) with a grade of B or better.

UNIVERSITY AT ALBANY

**Admission Requirements for the Major in Social Welfare:**

Students interested in the social welfare major must complete an application process. Admission to the program is competitive. Applications are accepted in the spring semester of the student's sophomore year for entrance into the fall semester of the junior year. *Transfer students* who will have completed 56 credits should apply during the spring of the year for which they are seeking fall admission. Information on the admissions deadline and application process is available on the School of Social Welfare's website (<http://www.albany.edu/ssw/>).

It is strongly recommended that those wishing to enter the major complete as much of the required elementary base and advanced base as possible prior to entrance into the program in the junior year.

Admissions decisions are based on the following criteria:

- Adequacy of the liberal arts base
- Application essay
- Progress toward completion of elementary and advanced base requirements or their equivalents
- Grade point average
- Personal/professional references
- Social welfare/human service experience

The relative merit of any one criterion is considered in light of all others when admissions decisions are made. The overall quality of the application will provide the basis for admissions.

**B. A. Degree Requirements for the Major in Sociology at UAlbany**

The major in sociology requires a minimum of 36 credits distributed as follows:

ASOC 115: Introduction to Sociology	3 Credits
ASOC 220: Introduction to Social Research	3 Credits
ASOC 221: Statistics for Sociologists	3 Credits
ASOC 235: Sociological Theory	3 Credits
One 400-level Sociology course	3 Credits
Twenty-one additional sociology course credits, with a minimum of 12 credits at the 300-level	21 Credits
<u>Total</u>	<u>36 Credits</u>

Transfer students who plan to major in sociology but have not completed A SOC 220 or A SOC 235 or their equivalents with grades of C or better may declare their intention to major in sociology however; they will not be formally admitted to the major when they enter the University. Students who declare their intention to major in sociology will be advised by the Sociology Department. Upon successful completion of the two courses with a grade of C or better in each, students will be admitted to the major. Most entering transfer students have completed A SOC 115 (Introduction to Sociology). Those who have not taken A SOC 115 must take it their first semester. Students to whom this applies may take A SOC 115, A SOC 220, and A SOC 235 concurrently during their first semester.
