JUNIOR NEWS

FRESHMAN PARTY HELD TONIGHT

The Freshman party will be held tonight in the old gymnasium from 8 to 11 o'clock. Only members of the ninth grade may attend the party. The decorations will be carried out in the color-scheme of white and red. The refreshments will consist of ice-cream, cookies, and punch. Walter Bates is general chairman of the party.

THOMAS PARRAN HEADS NEXT YEAR'S TRAFFIC CLUB

At the traffic club's recent election of next year's traffic club officers, Thomas Parran was made captain. Deris Shultes was the campaign manager for Betty Ross; Ralph Norvell, for Mitchell Ford; James Nesbitt, for Arthur Smith; Virginia Sipperly, for Barbara Knox; and Walter Simmons, for Thomas Farran. Each campaign manager told the good points of his candidate.

Arthur Smith was chosen secretary of the club.

SOCIAL SCIENCE CLASS TAKES TRIP

The ninth grade social science class that meets at 1:00 P. M. every Monday, Tuesday, and Wednesday took a trip to the State Office Building. The class visited many of the state departments, but the one that seemed the most interesting was the Department of Correction. The pupils had their finger prints taken. The trip was taken because the class is studying government in its various phases.

The pupils who attended from the class were Emory Bauer, Jean Graham, Douglas MacHarg, Ralph Norvell, Betty Nichols, Virginia Sanders, Walter Simmons, Ruth Truesdell, Alice Wander, and Gordon Wendell. Miss Service, the class teacher, also attended. Two representatives from the 9 o'clock ninth grade class were present also. They were Jack Chase and Raymond Hotaling.

DANCING CLUB GIVES MAY PARTY

Wednesday, the dancing club will give a party to which the radio club has been invited.

CONGRATULATIONS, FOSTER!

The newspaper wishes to extend sincerest congratulations to Foster Sipperly on his receiving the presidency of the Junior High School Student Council for next year. We are sure that with Foster to guide us we can and will go through another successful year and will enjoy doing it. If Foster carries out his platform promises, we shall certainly have a most wonderful year. The Student Council this year under Barbara Birchenough, has accomplished a great many good things and with a supporting council like the one this year, Foster has hopes of doing many things. However, he needs the support of the students to accomplish anything. And so in closing we wish Foster all sorts of success on his new job.

CORRECTION!

It is called to our attention that an error has been made in the home room charts. Home room 123 had an average of 41 in its last home room chart. This year ranks second, room 121 leading the list with highest percentages.

DOES SPRING DO THIS?

Oh yes, even Milne High is afflicted with Spring Fever. It's really sad to think what this baking weather can do to one. Yes, it's true, for everywhere you go its very plain. A certain 9th grade girl has turned to childhood

days by wearing orchid hair ribbons (imagine!). Others sit in a lonely corner (yes-alone) and talk of the beauties of nature, while others can be found strolling in the park (no names). Some regain lost friendships or flounder with new ones.

While a group of girls indulge in baseball on the lawn, the boys stand by with an air of superiority. If the fielders miss an easy catch, is it lack of judgment or a boy awaiting her at 3:00? The seventh grade girls have another fad---tag. Did you ever hear of anything so silly, as playing tag? (we faintly remember doing something of the sort ourselves -many years ago). Well, as long as we have a good time, what's the difference?

QUESTION BOX

Question: What do you think would be the greatest improvement for Milne Junior High School?

Edgar Miller: I think we should have more and better assemblies for educational purposes.

Roger Orton: I think the school would be improved a great deal if we would make so much noise during lunch period.

Helen Tyndall: I think that Milne would be improved a great deal if we didn't rush to and fro in the halls and if we wouldn't stand in the halls and talk when going to and from classes.

Martha Gordon: I think that the greatest improvement in Milne would be to have more girls' and boys' sports in the school next year.

Gordon Carvell: I think the greatest improvement in Milne would be to make the appearance of the homerooms more cheerful for ourselves as well as our visitors.

Herbert Smith: I think we should have a swimming pool to improve our school.

Jack Beagle: I think we ought to have more good books to fill the shelves in the library.

BOYS NEEDED FOR PRACTICE.

There was a practice game Wednesday and there will be one next week if there are enough boys to make up two nines, Coach Baker announced this week.
