Mr. James P. Doellefeld
Vice President for Student Affairs
Mr. Carl Carlucci
Vice President for Finance and Business
University at Albany
Administration 129
Albany, NY 12222

Dear Mr. Doellefeld and Mr. Carlucci:

Thank you for your recent letter regarding the University at Albany hosting the 1997 Empire State Games.

We, too, are excited about returning the Games to Albany and to the University. And we certainly realize the changing budgetary realities for all state funded and related activities - including this very popular program.

I am glad that you had mentioned that you will be developing precise costs as early as possible as this will enable our Games' staff to analyze those areas of budgetary concern and work with you and with the Local Organizing Committee on developing solutions. And, certainly, you have my support in working together to keep costs down (for all concerned) while providing benefits to the Games and to your campus.

We understand that there is a mutual benefit to this situation and we are confident that together we can come up with some creative ways to address these issues.

We look forward to working with you on the Empire State Games.

Most sincerely,

Bernadette Castro

FOREWORD

Welcome to Syracuse for the thirteenth annual Empire State Games.

The New York State Office of Parks, Recreation, and Historic Preservation, sponsor of the Games, is eager to showcase the many talented amateur athletes who participate in the Games. This year we return to our "Home", Syracuse, where the Games began in 1978.

We urge you to completely familiarize yourself with the contents of the Games Plan, the handbook of the Empire State Games. It will provide you with virtually all of the information you need for your stay in Syracuse, including a Code of Conduct, bus schedules, dining hall hours, and the competition program. Any changes in the Games Plan information will be posted in the dorms and your regional office.

Since the Games began in 1978, we have been proud of the many achievements that have been accomplished, as well as the exemplary behavior exhibited by the thousands who have performed. By reading the Games Plan and observing its regulations, abiding by the Games Code Of Conduct and keeping abreast of new information, we can return the favor by making the 1990 Games the most successful amateur athletic event ever held in New York State.

By qualifying for the Empire State Games you have established yourself as winners. Now, enjoy the competition, and your stay in Syracuse, and return to your communities with pride.

Sincerely,

Brendan McCann Executive Director Dear Athlete,

By virtue of having qualified for the Empire State Games, you have established yourself as one of the outstanding amateur athletes in New York State. You are following in the footsteps of many others who have eventually gone on to greater fame as Olympians, World Champions, professional athletes, coaches, and role models in their communities.

Unfortunately, we read about the small percentage of athletes who have succumbed to the false lure of steroids and other drugs as a means of achieving success. As they ultimately learned, and most of your already know, there is no substitute for hard work, dedication, and many hours of practice if one is to attain, and sustain, a reputation as an outstanding athlete.

One of our objectives is to assist in the development of athletes who will go back to their communities as role models - models not only of athletic prowess, but of strength of character and discipline worthy of being recognized as one of the finest athletes in this Empire State.

Sincerely,

Orin Lehman Commissioner NY State Parks

ID CARDS, KEYS AND CHECK-IN

When registering at their residence halls, athletes, coaches and officials will be given Empire State Games ID Cards and keys to their rooms. To receive these items the athlete's ticket must be presented at the registration table. The "key' portion of the ticket will be retained in exchange for a room key and ID card. Room keys should be attached to the ID cards right away.

The ID card, which should be worn around the neck, is necessary for admission to University housing, recreational facilities, and shuttle buses to competition sites. It also serves as a meal ticket to the dining centers.

People who lose their ID cards or keys should report to their residence hall main desk with a coach or with a Games representative. People who lose their keys will be charged \$21.50 for a replacement, since the lock must be changed.

If a card or key is found, it should be taken to the Syracuse University Housing Headquarters, 108 Lehman Hall, 606 University Ave., between

the hours of 8:30 a.m. and 4 p.m.

MEDICAL AID

If an athlete suffers injury or illness, first aid can be provided by one of the more than 70 trainers here for the Games. A trainer will be on hand at most events and will be available daily between 9:00 p.m. (after the orthopedic clinics are completed) and 12:00 midnight at each region's living quarters. Ice for the treatment of athletic injuries can be obtained from trainers at these sites:

Adirondack: Flint 171 New York City: Dellplain 130
Hudson Valley: Haven 120 Central: Nelligan Lounge
Long Island: Watson 103 West Western: Boland 102
Doctors will be at at the competition sites for most sports.

Report all illness or injury to the nearest trainer. If one is not available, the Student Health Center at 111 Waverly Ave., between South Crouse and University Avenues will be open for treatment.

MEDICAL AID (cont'd)

The health center will be open with nurses on duty from 7 a.m. to 11 p.m. Wednesday through Saturday, and from 7 a.m. to 4 p.m. Sunday. Physicians will be there from 9 a.m. to 4:30 p.m. Wednesday through Friday, 9a.m. to 1 p.m. Saturday and Sunday. An orthopedic clinic will be conducted from 2-4 p.m. and 7-9 p.m. Thursday through Saturday.

For treament of serious illness or injury, the health center will refer people to nearby hospitals - Crouse-Irving Memorial, Upstate Medical Center, or St. Josephs. Individuals referred to any hospital are responsible for all bills they may incur. The Empire State Games cannot pay medical bills for treatment of injuries or illness.

After 11 p.m., competitors who need medical care should contact their coaches or regional director who will know who to contact to take care of medical problems.

Transportation is available (cost to be borne by the athlete) from oncampus sites to the hospitals 24 hours a day through SU ambulance, which can be reached at 443-4299. People should not go to the hospital alone.

QUIET HOURS & CURFEW

So that participants can be well rested, people in University housing are expected to observe quiet hours from 10 p.m. to 7 a.m.

All participants must be in their rooms by midnight. Violators will be asked to leave the Games.

SAFETY AND SECURITY

SU Security, the Campus police department, is open 24 hours a day to help with any problems. The office is in the basment of SIMS IV, on the east side of the main campus Quadrangle, on College Place. The phone number is 443-2224. LeMoyne Security can be reached at 445-4444.

The lost and found department is part of the security office.

SU security officers wear uniforms with grey shirts, and drive white cars with orange and blue striping. Officers will be stationed on campus during the Games to help with traffic flow and to answer questions. LeMoyne Security wear blue shirts.

Syracuse City Police work with SU security to patrol the campus. City Police uniforms have blue shirts, and officers drive white and blue cars. After dark the campus is patrolled by a canine corps. People should not try to pet the trained attack dogs.

Thornden Park borders the SU campus. DO NOT go into the park at night, whether accompanied or not.

WEAPONS MUST BE STORED

In general, no firearms, knives, or other weapons are permitted on campus, according to New York State Law and the Games Code of Conduct.

However, people who bring weapons with them for the shooting competitions are to store the weapons in the security office.

It is recommended that the weapons be picked up between 7 and 9 a.m., and returned after the day's competition. Weapons can be cleaned in the fire safety inspector's area in the security department.

Any athlete who violates this regulation risks being expelled from the Games.

CAMPUS TELEPHONES

Almost all of the phones in the corridors of dormitories and other Syracuse University buildings are mechanically restricted, so they can be used only to reach and receive call from other campus extentions.

Using those phones, people can reach other SU phones by dialing the last five digits of the phone number. All SU numbers begin with 443; when dialing form a campus phone, begin with the 3. For example, to call the safety department from a campus phone, instead of dialing 443-2224, just dial 3-2224.

These restricted phones are usually labeled as such, and won't work for off-campus calls. Nearby, usually on the same floor, will be a pay phone to use for both local and long distance calls.

1991 EMPIRE STATE GAMES JULY 24 – 28 ALBANY, NEW YORK

Thomas M. Whalen, III - Mayor, City of Albany Albert W. Lawrence - Chairman, Local Organizing Committee

The Empire State Games, America's first and finest State Games, began in 1978 to provide New York's best amateur athletes opportunities to compete, develop and be seen in Olympic style competition. The New York Empire State Games served as the prototype for all subsequent State Games, which now number forty-four. For the first time in its history, this year's Games will be hosted by the City of Albany.

Nearly 7,500 athletes will gather for the excitement of the opening ceremonies on JULY 24 AT THE UNIVERSITY AT ALBANY, and then compete in 28 sports over the course of the next four days in venues throughout the Capital District.
