State College Will Play Host To 3rd Annual Press Conference

By GENE PETRIE
State College will play host to the third annual conference of the New York State Teachers' Colleges Press Association, October 21 and 22, according to Bernadette Freeland '50, President.

The association was started two years ago to aid the eleven Teachers' Colleges of New York State in the improvement of production plans of the college newspapers and yearbooks. Although the association is in its infancy, it has accomplished a great deal in fostering better relations between the colleges and in procuring speakers, founding discussions and lending helpful ideas in the planning and publishing technique of publications.

Miss Freeland has planned several talks and discussions for the two days. She has obtained the well-known Mr. David Denker, now of Yale University and formerly of the New York Times, to address the group on "Readability of a College Newspaper."

Also slated is Dr. Edwin Van Kleeck, Assistant Commissioner of Education, Former Editor of the

News, who will address the conference following a banquet at Herbert's, October 22.

Each college is expected to bring an issue of its yearbook and newspaper which will be studied, reviewed, and given a rating. Constructive criticism as to how it can be improved and its finer points will be illustrated.

There will be a discussion of photography for the yearbooks, and this study will include a visit to the Hague studio. Methods of financing for both yearbooks and newspapers will be discussed.

Besides the instructive portion of the program, Miss Freeland plans to entertain the group by taking them to the Playhouse Friday evening to see "First Lady."

Poll Poses Problem Of Tuition In State-Supported Schools; Consensus Of Opinion Reveals Definite Negative Attitude

By VIRGINIA ADAMS

As attention is drawn to the consideration of tuition fees by the State University, charge between college students protest with an immediate personal reaction of "No, I can't afford it" or "I might as well go to a private college," and then stop to consider just what the proposal entails.

"Shall all or some or none of the state supported institutions charge tuition fees?" This is the question under consideration by the trustees. The medical centers on Long Island and at Syracuse University, which are being taken over by the State University, charge between \$700 and \$750 annually. Students at the eleven state teachers colleges and at the colleges of Ceramics, Forestry, Agriculture, and Home Economics, as well as the five technical institutions, do not pay tuition.

Indications are that an annual

Suspenders Nip SLS, Beavers Trample Lovers

Potter Tops Bulls Varsity Keglers To Widen Lead Edge R.P.I. 2-1, McDonald Stars

Going into the final weeks of the intramural football season the league races have narrowed down to two teams in each league. The Suspenders and KDR are fighting it out for the top honors in the American League with the Finks having an outside chance. Potter seems to be racing to another championship with the Angels giving them a run for their money in action in the other league.

Tuesday saw the Suspenders take SLS in their closest game of the year, 7-6. It was the first time this scored upon and left EEP as the only unscored upon team in either loop. Scoring early in the opening quarter the Suspenders seemed as if they were going to have a fairly easy time, however, SLS fought back and fought hard almost gaining a tie in the last 30 seconds of the game.

George Vectors
The victors kicked off to start the game and held SLS, forcing them to punt in their own territory. George advanced the ball to enemy grounds and on the first play from scrimmage he took the ball on a reverse and raced into the end zone for the Suspenders' touchdown. George ran for the extra point and on a close play made the try good.

Kicking off, the "Spenders", again took control as they intercepted a pass. However SLS held and gained possession of the ball. The game then developed into a slow moving but hard fighting contest. Twice more the Suspenders threatened to score but once inside the SLS 15 yard line they failed to gain the necessary yardage. Outside of the last minute of play SLS approached the paydirt only once but a stubborn line forced them back. By far the outstanding play of the game was pulled by the Suspenders when Tom O'Brien taking the ball on an end-around found the SLS line coming in too fast to go around. The only thing he could do was to retreat and look for an opening. Meanwhile, Owens, who had gone out for a pass as a decoy, was left alone when a run was started. O'Brien spotted Owens who took a twenty yard pass and lateraled to Bayer who ran another five yards before he was forced out of bounds.

Rifle Club Gets Year Underway With Record Breaking Sign-Up

Left to right—Wait Thompson, Herb Van Glubt, Joan Collins, Don Smith.

Your new, improved rifle club is off to a bang-up start this year. Encouraged by a record sign-up of almost forty on Activities Day, the officers have scheduled a very active program. Although formally limited largely to local shoulder-to-shoulder matches, they intend to hold, in addition, a good many postal and telegraph matches this year.

By virtue of its membership in the National Rifle Association the squad is able to shoot with any other college, school, or group so sponsored. This includes almost every notable squad in the country. N. R. A. membership also makes available the various prizes and honors which the Association awards its worthies; and, incidentally, interesting items of military surplus such as Springfield rifles.

After many tears and much gnashing of teeth they find themselves realizing a much sought after goal; included in the proposed addition to the College will be a shiny new rifle range complete in every detail. With this added facility they will be in a position to give our new members and anyone interested all the instruction he or she can absorb.

The club is currently meeting in Room 101, Thursday at noon, and the welcome mat is out to all.

Waa-Hoo
By FAT JAI

The first item that we would like to speak of this week is that of the change in the WAA constitution. From now on every girl nominated for either WAA manager or representatives shall be voted on by each member of her respective class. The voting list has been posted on the bulletin board and all upperclassmen should check the list to see that their name has not been omitted.

Volleyball Begins
Intramural Volleyball is off to a flying start. Wednesday night showed that the volleyball league will really be a success. Games are played between 7:30 and 9:30 and this provides a good opportunity to get practice for the rivalry game. If we can build up our other sports as much as this, WAA will really have a worthwhile year!

General practice for volleyball is held every Tuesday and Thursday from 3:30 to 5:30. League games are played every Wednesday evening at Page gym. To date the Pushovers have no losses and are leading in the league while the Pierce Ladies are in second place. WAA credit is given for participation in these games. Also, girls who wish to get their credit for tennis and riding should keep track of their hours and hand them in to the girls who are in charge of the various committees. For tennis, girls should contact Plo Paris '51, or Mary Lou Reed '51; for riding, Lois Prescott '51.

Camp Johnston Ready
Last week Camp Johnston received a cleaning and oiling so that it is now in good condition for campers. Any time that a group of girls wish to go to camp, they should sign up on the bulletin board so that a member of the camp can plan to be at the camp during the weekend. Hiking credit may be earned while at the camp and the number of hours should be handed to Evie Erdle '52.

Ride, Don't Walk
Are you tired of taking a train, bus, or car? WAA has something DIFFERENT to offer you. A HAY RIDE! Tonight WAA is having its annual hayride out to Slingerlands. For the small sum of 25c anyone can go on the ride which will end up at Miss Johnston's farm. We will meet at Pierce Hall at 6:45 and from there will catch the bus out to Slingerlands where the wagons will be waiting. After the hayride games and refreshments will be offered at the farm. Here is a good chance for WAA members to get together and have a good time talking and singing. Don't let the weather frighten you—come out and have some fun.

Soccer Team, On Eve Of First Game, To Prep With New Plays

State College's newly organized Varsity Soccer team faces its first test next Wednesday when it meets the Albany Business College booters at 3:00 p.m. The site of the game will be Blecker Stadium, home field of the Washington Avenue school.

If but little is known about the capabilities of the State College team, less is known about the ABC club.

While many of the players on the Owl eleven are from South America, where boys learn to play soccer as soon as they can walk, they have yet to be proved in a college game. In a scrimmage last week the ABC team beat the Albany Academy Varsity, 3-0.

edagogic uniforms, which have been ordered from New York, as well as shoes and shinguards, essential equipment in this fast-moving game, are expected to be issued in time for the first game. No injuries have been reported, and the team should be in good shape for Wednesday's contest.

Teachers Have Experienced Squad
The Teachers, who have been scrimmaging every afternoon at Beverwyck Park, have a large and experienced squad. The Club was strengthened this week with the addition to the roster of Jim Bonneau, a Sophomore. Bonneau has had three years experience with his high school soccer team.

Boxing Club To Meet Thursdays
The newly formed Boxing Club under MAA will meet every Thursday at 7:30 p.m. in Page Hall gym. Mr. Duncan, of the English Department, is the faculty advisor. All men interested are urged to attend

WAA Votes
Today two very important amendments are to be voted on by WAA members. Do you want only three sport seasons instead of four? The result would be that your sport credit could be earned in only two seasons. Do you think that the men at State should have a vote in electing WAA class managers and representatives? The new proposal would eliminate the male vote and leave it up to the girls in the class to make the elections. Whether you approve or disapprove, vote today outside the Commons between 9 and 4:30.

'50 Accepts Hockey Challenge
Hurray, '50 has accepted the challenge of 1951 to a hockey game. It will be coming up in the near future and both teams are eager for the contest. Why can't other groups get up teams to have similar games? We have been trying to start a hockey league but the interest is certainly lacking. There are enough girls at State who can play hockey to make a good four team league. There is ample opportunity for games and yet there has been no response. The Seniors and Juniors now have teams—how about the Sophs and frosh?

Hathaway Holds First Practice
The first basketball drills of the season were held this week in the Page Hall gymnasium. Coach Merlin Hathaway, anticipating an experienced by young team, has scheduled a week of preliminary light training so he can get a line on his new freshmen and transfer prospects.

Lightning! Flisk, the manager of the Varsity squad held tryouts last week to determine the team for this season. Besides those already mentioned, Bob Demers of the class of '53 has been selected as alternate.

SLS Scores Late
SLS got their score in the last minute of play when they took possession of the ball in Suspender territory after the Suspenders failed to make a first down and did not kick. Completing two short passes SLS then scored on a twenty yard Farmer-to-Dicks pass. The extra point attempt was no good. There was only thirty seconds left and the Suspenders ran the clock out.

In another close game the Beavers beat the Lovers 12-6. All the scoring was done in the first half. The Lovers took the ball on the opening kickoff and marched 35 yards to the Beavers' ten where they were held. Holding the Beavers they forced them to punt and on the first down Jacoby passed to Peene on a play covering about 60 yards and good for six points. Tauroney took the kick off and put on a brilliant display of broken field running as he evaded all the Lovers and raved for a touchdown and tied up the game. The second quarter was coming to an end when the Lovers were forced to kick deep in their own territory. Jacoby took the pass from center and kicked, but Lamama got through and blocked it. Dolan saw the pig-skin rolling loose in the end-zone and fell on it for the winning touchdown.

Lovers Take to Air
The third quarter saw the Lovers take to the air in an attempt to score the tying TD, but the Beavers' pass defense was too much allowing only three of eleven aerials to be completed for only 11 yards.

Debate Selects New Members

On the basis of tryouts held last week Miss Elnora Drafahl, instructor or in English, has announced that seventeen students have been chosen for the debate squad. Charles Grunelsen '52 represented State in their first debate on October 14. From Siena, RPI, Union and State debaters will be at RPI today at 4 p.m.

At last week's debate delegates from Siena, RPI, Union and State College discussed American Foreign Policy in the Far East. The main theme of the first speaker, Edward Wallen of Siena College stressed education of the Chinese and a stronger recognition of China as a nation. Neither Charles Grunelsen of State or Klaus Eppler of Union College considered the Communists a major threat to the Far East. They felt the United States should work with this group. Jesse Ivanhoe of RPI disagreed with these two gentlemen, believing that the solution to the problem is democratizing China.

Cast Of 'Patience' Lacks Dragons, Lovesick Maids

Curtain going up! Wanted: Dragons and Lovesick Maidens. Barbara J. Smith '50, President of Music Council, announces that "twenty Lovesick Maidens" are needed for the operetta "Patience" to be presented in March.
