CRIMSON AND WHITE

The Milne High School Junior basketball team opened the season last Saturday night when they played the first game. Their opponent was the basketball team representing School 19.

The game with School 19 was an overwhelming victory. With Carr scoring the first point for Milne in the first few minutes of play, the team kept up an endless stream of scoring. Both Blockside and Kuhn played exceptionally good games. Masterson showed up very well too.

The game was fast and exciting, and closed with the score 24 to 7 in favor of Milne.

In the senior game with the Troy Country Day School, Troy was victorious with a score 22 to 17 in their favor.

Tomorrow afternoon at one o'clock the Junior High School team will play a team representing the freshmen from Albany Academy.

We are looking forward for a lot of good work from the Juniors. Come out and root for our team!

STUDENTS FINISH FURNITURE FOR PRINCIPAL'S OFFICE USE

The boys who were working in shop on a cabinet for Dr. Frederick's office have completed it. The cabinet has a finish to match the other furniture in the office. It is now in use, and is being used for keeping newspapers and important materials in it.

The boys are now considering making a cabinet for the office of Miss Nicos, who is Professor's Sayles' secretary. This will replace the old cabinet now in use there.

LIBRARY TO FEATURE SPECIAL DISPLAY FOR CHRISTMAS WEEK WITH PLAYS, POEMS, & STORIES

As a part of the Christmas celebration, the High School library will feature a display of books of plays, poems, and stories of Christmas on the display rack. These books will only be able to be taken out overnight while on display, Miss Betsey Keene, Librarian, announced.

There are no new books which have been added to the library recently, but Miss Keene hopes to have about fifty dollars worth of new books ready by January. These will be mostly of fiction and travel. Just before they will be ready, an announcement will appear in this paper. Miss Keene received much new information from Mrs. Becker's lecture last week.

RETURN BOOKS PROMPTLY

In almost every class it seems that little white slips have been brought saying that one of the students in that class has failed to return a book to the library on time. That particular student has to leave the classroom to see about it, missing some of the period's work, of which every bit is valuable, especially at this time of the year, when we are nearing the January examinations.

Not returning books promptly deprives some one else who needs the book of the privilege of using it.

It also makes more work for the librarian who has extra duty of making out white slips to call students to her.

When you don't return books on time, you are very apt to misplace it, and in that way you may lose that book. Since it belongs to the library of the school you are responsible for it and must pay if it is lost.

It is hoped that everyone hereafter will try to return their borrowed library books more promptly.

Keep Annex Clean

Again we call attention to the throwing of waste papers on the floor of the annex. It has been decided that this has gone too far. Some people throw their papers at the basket, and if they miss fail to pick them up.

Others kick the basket, thus causing some of the

papers to fall out. These are not picked up.

It is impossible to eat your lunches when the place is dirty with waste papers. It is for the benefit of those students who do eat in the annex that the plea is made to "Keep Annex Clean"

We hope everyone will cooperate with this motto in regard to the annex.

Newspaper Club will Make Visit To Albany Evening News Plant Tomorrow Morning; Sponsors Say

The Junior High school Newspaper Club which meets on Thursday afternoon from 2:00 to 3:00 o'clock will take a trip to the Albany Evening Newspaper plant tomorrow morning at 10:00 o'clock. The members will meet at school at ten o'clock and will proceed to the plant where they will see the inside or the "back stage" of a real newspaper office.

They will see how the paper is printed, how pictures are made, and how type is set.

Miss Halter has invited to accompany the club on its excursion tomorrow.

cussion very much.

Home Room 320 has not yet de-
cided if they want a Christmas
party and if they want to fix a
box for a poor family.

They have certain days they
study and sometimes Mr. Moose
gives talks. Mr. Moose is the
critic for room 320. Before tests
they review and this helps them
very much. The members hope for a
successful year and hope to do
much to make it one.

Home Room 130 has planned to
give a Christmas basket to some
poor family. They have drawn
lots to bring presents to each
other. Furthermore they have de-

iness meeting.

Home Room 123 is going to
give a Christmas box to some
Orphan Asylum. The boys are
going to make the box during
shop periods. They are also
planning to have a Christmas
tree and give presents to each
other.

On Monday, Tuesday and Friday
the girls of Home Room 121 have
hygiene. The boys go to the li-
brary. On Thursday they have a
business meeting and either work
on their newspaper or have a

Science is giving a play, "A Sess-
ion of the World Court."

The ninth grades are studying
about Russia. The seventh grades
are studying about the industrial
revolution. They make maps, cart-
oons, pictures, graphs and write
stories, plays, and conversations
between people in 1700-1900 and
people of today to show the dif-
ferences between them.

LATIN CLUB PLANS ROMAN BANQUET.

The Latin Club is planning
the most important event of the
year in their club. They would
like to have a Roman banquet just
as the Romans used to have. They
have had many suggestions as to
what kind of an event it would
be. Most are in favor of a ban-
quet. Let's all hope it will be
a success.

ENGLISH CLASSES PRESENT
RADIO PROGRAM AND PLAYS.

During the past week the sev-
enth and eighth grade English
classes have been giving drama-
tizations of "The Courtship of
Miles Standish" and "Evangeline".
One exceptionally fine presenta-
tion was one given by the 1:00
o'clock class of the eighth grade
under the direction of Miss Rober
in Room 135. They gave a real
radio program over station HWL,
Henry Adsworth Longfellow, in
Acadia. Weather and stock reports
were given along with a play on
"Evangeline" written by Barbara
Birchough. One interesting thing
about this was the fact that
the whole broadcast was heard in
the faculty room through earphones.

Another program was given by
the 8:00 o'clock class of seventh
graders also in room 135. They
gave the "Courtship of Miles Stan-
dish and used a progressive cast.
Costumes and stage property were
used.

139 STUDENTS PAY THEIR T.X.

About 139 members of the school
have paid their tax, and on behalf

GIRLS WILL HAVE BASKETBALL.

Miss Hitchcock said that the
girls basketball program will be
planned before Christmas.
