

## GRECIAN GAMBOLS

Just as we said, it wasn't the spring. For here it is practically the middle of winter once more, and what a week-end for sorority guests! Phi Delta had Elizabeth Lapp; A E Phi, Rose Koren; and E B Phi, Helen Cowen, Jessie MacAvoy, and Blanche Van Buren. At Psi Gam, they entertained Bertha Buhl, and Ennie Kinney. B Z had as guests Elizabeth Johnson, Kathryn Wilkins, Beatrice Coe, Marion Odwell, and Evelyn Dudden. And to quote the Statesman, Quote: that ain't all. Unquote. E B Phi has been getting a few smacks in. They have received Laura Bane and Naomi Hammy into pledge membership. Sig Alph also came through with two additions: Florence Ringrose and Margaret Winn, frosh.

## '37 To Conduct Dinner Meeting Wednesday Night

The sophomore class will conduct its first dinner of the year in the Cafeteria of Husted hall on Wednesday at 5:30 o'clock, according to Elsa Smith, chairman of the event. The motif of the dinner will be April Fool's Day. Guests expected to attend include: Dr. A. R. Brubacher, president, Dr. M. G. Nelson, dean, Miss Helen H. Moreland, dean of women, Mr. and Mrs. D. C. Bryant, instructors in English, and Kenneth Christian and Wilfred Allard, Myskania class guardians. Dean Nelson and Mr. Bryant are the guest speakers.

The committees for the dinner are as follows: menu, Anne Rand; decorations, Marion Shultes and Isabelle Mansfield; finances, Charles Morris; program, Laurita Seld and Alonzo DuMont; faculty guests and speakers, Virginia Stoel; programs, Kathleen Strevell; and cleanup, Josephine Kirby.

## G. A. A. Will Present 'Farmer In The Dell'

The Girls' Athletic association will present "The Farmer in the Dell", an original musical comedy, next Saturday night, (April 6), in the auditorium of Page hall, according to Frances Studebaker, '36, co-author and co-director of the production.

The words, lyrics, and musical score for this presentation were written in collaboration by Miss Studebaker and her sister Elizabeth Studebaker, '37.

The cast includes: John Bills, Kenneth Christian and William Nelson, seniors; William Baker, Barbara Clark, Frank Hardmeyer, and Vera Shimmers, juniors; and Mary Lam and James Zubon, sophomores, as well as the mysterious Isabella.

Committees assisting in the production are: sets, Helen Rich, '35; props, Elisabeth Hobbie, '36; costumes, Elaine Baird, '36; advertising, Sally Logan, '35; house, Charlotte Rockow, '36.

## Assembly To Have Discussions Today

Student Body Will Discuss Budget and Constitutional Revisions, Vote on Spanish Queen

The program in the 11:10 student assembly this morning in Page hall auditorium includes discussion of the contents of next year's student budget, discussion of the amendments proposed by the Constitutional Investigation committee, and balloting for Spanish Queen, according to Clifford Rall, '35, president of the Student association.

On March 1, upon the recommendation of the Finance board, a resolution was passed by the Student association providing for an investigation of the compulsory student tax for State college. The following week, Dr. A. R. Brubacher, president, pointed out to the Student association the defects of the compulsory plan, and urged that the present cooperative system be continued. In order that greater cooperation may be secured in the future, Dr. Brubacher proposed that only those activities which eighty percent of the student body pledge to support should be continued in next year's budget. This morning the assembly will discuss and vote on the activities which should be included in the budget.

The amendments to the constitution proposed by the Constitutional Investigating committee, which are explained elsewhere in today's News, are as follows:

## G. A. A. To Conduct Alumnae Dinner, Present Comedy

The Girls' Athletic association will conduct its annual alumnae day Saturday, according to Janet Norris, '35, general chairman of the program. Graduates who were prominent in athletics while in college will return for the basketball games, winter award dinner meeting and the presentation of an original musical comedy, "The Farmer in the Dell."

The basketball games Saturday afternoon under the supervision of Elisabeth Hobbie, '36, include a contest between the varsity and alumnae teams and another between the freshmen and a visiting team. Saturday night at the dinner-meeting Miss Isabelle Johnston, instructor in physical education, will present the awards earned for participation in winter sports. The musical comedy will conclude the program.

Committees include: general chairman, Janet Norris, '35; announcements, Elsa Smith, '37; business manager, Sally Logan, '35; reception, Emily Hurlbut, '35; basketball games, Elisabeth Hobbie, '36.

### DEAN ISSUES NOTICE

Application blanks for rooms in the new Alumni Residence hall are now ready in the office of the Dean of Women. Rooms will be assigned in order of application.

## Survivors Make Statements As Smoke of Battle Clears

A NEWS reporter ferreted out the following impressions of the banner rivalry fight after the sophomore dinner Wednesday night:

**Marion Bisnett, '38:** We'll be good when we're sophs, too!

**Chiselers' Inn:** We enjoyed being a relief station.

**Christine Dersheimer, '38:** I really enjoyed it an awful lot.

**Fred Dexter, '37:** There ought to be a law against the women picking on the men.

**Leslie Knox, '38:** Murphy gets all the breaks!

**Betty Meury, '37:** It was a ripping fight.

**William McGraw, '37:** Wait till I get hold of that hussy that pulled my hair!

**Carol Mires, '37:** They asked for it and they got it.

**Jack Murphy, '37** (issuing directions to the sophomore men not to touch the banner): Remember, if the freshmen women throw themselves upon us, we can't help it. Men, don't raise your hands!

**Mildred Nightingale, '38:** Why be ladies when you have to fight cannibals?

## Mathematicians Plan Series Of Meetings

A regular meeting of the mathematics club will be conducted Thursday night at 7:45 o'clock, according to Loraine Loder, '35, president of the club.

At this meeting Dr. R. A. Wilson, astronomer at the Dudley observatory in Albany, will speak on the topic, "The Structure of the Universe." He will illustrate his talk with lantern slides. All students are invited to attend this meeting.

## Committee Proposes Amendments To Curtail Powers Of Myskania

The Constitutional Investigation committee moved five amendments to the Student association constitution and by-laws in its first report to the association Friday morning. The proposed amendments would result in a more accurate definition of certain powers of Myskania, the judicial department of the Student association, and in the transfer of certain duties from Myskania to the Student council, the executive department.

The Constitutional Investigation committee was appointed at the suggestion of Jayne Buckley, '36, upon her return from the convention of the National Student Federation of America at Boston last December. Miss Buckley felt that while "State stands pretty near the top as far as student government is concerned," still the college was not reaping full advantage from its governmental plan. She terminated her convention report to the student body therefore, by moving to appoint a committee to investigate the Student association constitution for the purpose of making possible recommendations for changes for the better.

State's student government is modeled after the United States government with a division of powers among the

### ANNOUNCES PLEDGES

Edward Eldred Potter club announces the acceptance of the following men into pledge membership: Ellis Lyke, '36, Norman Gunderson, '37, and Joseph LaGraff and Attil Pasquini, freshmen.

Gilbert and Sullivan Operetta is Third Annual Production of Operatic Society

The final performance of the third annual production of the College Operatic society will take place tonight in Page hall auditorium at 8:30 o'clock, with the presentation of the Gilbert and Sullivan operetta, "The Mikado." This is the first year in which the production has been incorporated into a course which carries credit. In previous years, the production has been presented by a cast composed of members of the Troubadours, the men's association of the college, and the Girls' Athletic association. Marjorie Wheaton, '36, is the student director, working in conjunction with Dr. Frederick Candy, head of the music department. Miss Wheaton announces that students will be admitted on presentation of student tax tickets.

The cast includes: Nanki-Pooh, son of the Mikado, William Jones, '35; Ko-Ko, Lord High Executioner of Tripu, William Baker, '36; Pooh-Bah, Lord High Everything Else, David Kroman, '35; Pish-Tush, a Noble Lord, George Taylor, '35; The Mikado, James Vanderpool, '37; Yum-Yum, Alice Owen, graduate student; Pitti-Sing, Frances Studebaker, '36; Peep-Bo, Alice Allard, '37; and Kattisha, Lucille Hirsch, '35.

The chorus is as follows: Helen H. Smith, Carla Nielsen, Lydia Fisher, Sylvia Freedman, Genevieve Sennott, Ruth Wright, Susan Smith, Helen Rich, Katherine Crowell, Carlton Coulter, Edward Bernholz, Thurston Paul, John Hawes, and Wilfred Allard, seniors; Doris Stone, Ernest Milano, Philip Carlson, and Evan Pritchard, juniors; Alice Kemp, Jane Smith, Ann Service, Elizabeth Studebaker, Elisabeth Meury, Mary Lam, Mary Marchetta, Fred Dexter, Martin Reed and Irwin Stinger, sophomores; and Sophia Wolzok, Gladys Finster, and Helen Moore, freshmen.

## 1938 Wins Debate With Colgate Team

The freshman debate team was victorious over the Colgate squad Tuesday night by a 3-0 decision in the debate in the Lounge of Richardson hall.

The question under discussion was "Resolved: That the federal government should grant aid to public education for the equalization of educational opportunities in elementary and secondary public schools."

The State team, coached by Mr. Louis A. Jones, instructor in English, upheld the affirmative side of the issue. The members of the team are: Gar Arthur, William Bradt, Herbert Drooz, and Warren Densmore. Judges were Mr. John Walsh, debate coach at the College of St. Rose, Rev. Samuel Skevington of the First Baptist church, and Dr. Charles Mosher, of the New York State Department of Education.

Wednesday afternoon, the two constructive speakers for each team presented their arguments over station W.A.B.Y. State was represented by Arthur and Densmore.

## OUTSIDE THE SPHERE?

It is definitely not "outside the sphere" of State College students, as one of the student speakers in last week's assembly would have had us believe, to show interest in national or even world affairs. The interest evidenced by the presentation of the resolution to send a petition to the President is a step, however elementary, however futile it may prove to be, in the right direction.

The petition as originally worded would make a request of the President not to allow the proposed maneuvers of the United States Navy in the waters of the Aleutian Islands. It is felt by the proponents of the resolution that any such maneuvers will arouse the suspicion, and possibly the hatred, of the Japanese,—if not of the Japanese government, at least of certain misguided Japanese patriots.

It is indeed true that any move of the United States Navy in Pacific waters might be so interpreted; great care must be taken to prevent the Japanese from thinking the United States is taking any offensive warlike measures. However, it seems logical and necessary that our Navy should be familiar with the Pacific waters, even those so unfortunately near Japan, in case of defensive warfare.

The best wording of the petition, then, would seem to be such that the President is requested to keep the Navy from performing any maneuvers which might be considered a threat to the safety of Japan. In other words, let us change the President's telegram to the effect that he be asked to allow the fleet to practice only such maneuvers as are necessary to familiarize the Navy with the Aleutian waters and can not be resented by Japan as threatening her rights.

The possible defect of this plan is, of course, that it is left to the President to decide what will or will not be construed as malevolent by Japan. This should be a very difficult decision; but the point is, that measures of this kind show student interest in national affairs, and desire to cooperate with those who govern us. It is neither rash and thoughtless, nor is it sensational; but is a sane proposition reached by reasoning and forethought.

## THE STATESMAN

Ho! Spring is here! A sure indication is the fact that the Eta Phi's are no longer wearing ski shoes. Bouquet for Lew Rider and his band, introduced to State college by the Troubadours. The Troubadours don't need any sendoff. They got theirs by way of coppers last Saturday. I hear that the winsome Bill Allard and Miss Helen Danahy were announced as engaged at the Club Edgewood last Friday. These Edgewood people have a misplaced sense of humor. They are not knotted. "Besides," says Allard, "I've got a date at Skidmore next week."

I have it on good faith that Fred Dexter is gone again on another KD. At this point I beg pardon for calling a DO a DO pledge in last week's column. Psi Gamma's Jayne Buckley asserts that she is not in love, weather or no weather. It must then be a case of love unrequited as far as two senior men are concerned. Ah, there must be a "nigger in the woodpile." Chi Sig and Phi Delta are competing for the athletic male dates in the district. They both have ping pong sets installed. Ed Kramer is acquiring quite a feminine following; just notice him in the gym at noon. That Western avenue group house (sorority) has a new theme song, "Each Day is Union Day at KD."

I hear on good report that the poetic senior has given up the rhythmic idea. He's sublimating by collecting stamps, a barbarous occupation, but better than standing in balls. Junior theme song (one junior): "The Warren of the Green." Ho! not so good. Well, with Spring getting well under way, I ought to have some good dope next week. Oh, by the way, Nelson, (Wm.), is running a gigolo agency for Sophomore Soiree. Sign up now. Yours till Mikados home.

## BOOKS: Essays of Interest

E. A. R.

(For Sale in the Co-op)

Dreamthorp, by Alexander Smith, 298 pages. Garden City: Doubleday, Doran and Company. \$2.00.

In the rush of modern existence, most of us feel that we have "no time" to dream through the thoughts of a nineteenth-century essayist. Yet it is surprisingly worth while!

Here is a new 1934 edition of Smith's charming old essays with a sprightly introduction by Christopher Morley. (When did he ever write anything that wasn't sprightly?) We feel from the introduction that we are about to taste something delicious, and we are not disappointed.

We do not even feel like "skipping" a practice all too common among youthful readers, but are caught in the spell of the phraseology, the vocabulary, which are the main charms of the essays. Indeed, there are few thoughts contained herein which may be considered trappings, or even new, in most cases; but the charm of the style is something to be relished and is actually fascinating even to the hurried modern reader, product of the machine age though he be.

On page 65, we run across the often-quoted, and, indeed, very quotable, passage in the essay, "On Death and the Fear of Dying." "The black plumes will be stripped off our hearse within the hour; tears will dry, hurt hearts close again, our graves grow level with the churchyard, and although we are away, the world goes on."

What is there in this idea which is new to any one of us? Yet how many of us could have caught the idea in such striking style? It is passages like this which endear Smith's work to the reader, be he scholarly student or "just reader."

An interesting point in conjunction with this book is the fact that Miss Helen T. Fay, manager of the Co-op, is in possession of the original letter written by Mr. Morley to Mr. Frank C. Henry as an introduction to the new edition of "Dreamthorp." This interesting and valuable letter is now on display in the Co-op.

## STATE'S STAGE

The last production of the advanced dramatics class was well suited to the assembly period. The well-cast characters seemed to thrive on the laughter of their appreciative audience.

Mr. Walker could have been excellent, but was a bit too conscious of his own humor. Mr. Bills was his usual appoplectic self,—well cast, but a bit shaky on lines.

The best moment of the play, however, was carried by a veteran. Mr. Christian's lesson to "Miss Ivory" was superb!

Miss Ivory needed a bit of lipstick. She was a bit too "white." The entire cast must be congratulated on an ability to hold poses till the laughs were over.

Mr. Allard was more animated than we've seen him in years; and Miss Shoor was certainly the villainess, although she forgot her accent at times. There remains Mr. Densmore who, it pleased playgoers to notice, kept in part—and never seemed conscious of the audience behind him.

On the whole, a rather excellent repertoire of plays this year. We look forward to your last big production.

—THE PLAYGOER.

## Debaters' Program Will Be May 10, 11

The Assembly of Debaters of the New York State colleges and universities will conduct its third annual meeting in Albany as the guest of State college, Friday and Saturday, May 10 and 11. The meeting will be under the auspices of the New York State Conference of Coaches of Debate.

The subjects for debate are chosen from Governor Lehman's message to the legislature and are as follows: (1) What should the State of New York do about the problem of old age pensions? (2) What should the policy of this state be with regard to the control of milk prices? (3) How should the legislative and congressional districts of this state be reapportioned?

Debaters from State college will take an active part in the meeting, which will be conducted in the Assembly Chamber of the New York State legislature in the Capitol.

## Men's Societies To Dine Wednesday

Kappa Delta Rho Fraternity and Edward Eldred Potter Club Plan Joint Banquet

A joint dinner meeting of the Kappa Delta Rho fraternity and the Edward Eldred Potter club will be conducted Wednesday night at 5:30 o'clock in the Cafeteria in Husted hall. This is the first inter-group meeting of the two men's organizations since their founding at State college.

Dr. A. R. Brubacher, president, will be the guest of honor at the dinner.

Dr. Donald V. Smith, assistant professor of history, and Dr. Harold W. Thompson, professor of English, will speak to the fraternities after the banquet.

Later, a basketball game between the two organizations will be played in the Page hall gymnasium.

Frank Hartmeyer and William Baker, members of Kappa Delta Rho, and Edward Kramer and Harry Gumaer, members of Edward Eldred Potter club, are acting chairmen for the event.

## TO CONDUCT MEETING

Commerce club will conduct its next meeting Thursday afternoon at 4:15 o'clock in room 301 of Draper hall, according to Alexander Judick, '35, president. Mr. C. H. Moore of the Southwestern Publishing company will speak, and officers for the next year will be elected.

## PRESENT EXHIBITIONS

A series of exhibitions will be presented by the physics and chemistry clubs Thursday afternoon from 3:00 to 5:00 o'clock and from 7:00 to 10:00 o'clock. The doors will be closed at 7:45 o'clock while Dr. Wilson of Dudley observatory will speak on the mathematics of astronomy. The entire program is free and open to non-members.

## Soiree, Debate Will Share College Interest April 12

Collegiate interest will be centered around two major events that will take place on Friday, April 12. They are the annual Frosh-Soph debate, part of the inter-class rivalry in which the two classes are so cheerfully competing, to be conducted in the 11:10 assembly period, and the Sophomore Soiree, to be held that night at the Aurania club. The class that is victorious in the debate will be awarded 2½ rivalry points.

The topic which will be debated is, "Resolved: That this assembly should pity its grandchildren." The sophomores will uphold the opinion that the unfortunate grandchildren justly deserve the sympathy. The names of the members who will make up the teams will not be disclosed, it was announced, because of possible complications that might arise. Judges have been granted complete immunity.

Robert Benedict is chairman of the sophomore debate committee, and Herbert Drooz is chairman of the freshman committee. That does not necessarily mean, however, that they will participate in the debate, and both have gone on record as expressly disapproving of any villainous attempts on their personal safety and freedom of movement. The auditorium stage, of necessity, has been declared neutral territory.

## SPORT SHOTS

The Indian Summer for basketball has arrived. Now that the last echoes of the clumping sounds made by varsity feet have died down, the lesser fry are having their innings.

The prime attraction in the near future is the KDR-Potter club basketball brawl, scheduled for Wednesday. The Page hall battle arena should be steeped in gore before the boys finish with their good clean fun. Our imaginative mind pictures a large non-partisan group urging the combatants on to new heights of nastiness by blithely chanting the refrain to "Anything Goes." Some fun!

After a grueling dose of the good old third degree, George Decker, '36,—our own tennis manager—finally was persuaded to confess that the 1935 schedule includes road games with Keene, Middlebury, Seth Low, Drew, St. Stephens, and R. P. I. Whether we are drifting?

The racqueteers (having, as yet, no place to practice) will probably round into shape by battering old rubber chunks against the side wall of Draper. The lads will no doubt perform capably this season. Even if they don't win many, they'll still look very good. The clean, heavily-starched white ducks do it.

(Editor's note: It has been heard that certain games scheduled for May 10 have had to be cancelled because some of the boys are expecting to go to Intersorority ball. Such optimism.)

## Students To Decide Amendments Today

(Continued from page 1, column 1)

The Constitutional Investigating committee moves:

To amend the constitution by transferring sections (b) and (c) of Article VIII to Article V as sections (g) and (h) respectively.

To amend section (d) of Article VIII by striking out the word *superise* after the word *To* and the words *nominations* and before the word *elections* and by inserting the words *to act as tellers* before the words *student association*.

To amend section 1 of the By-Laws by striking out the words *under the supervision of Myskania* and inserting the words *with Myskania acting as tellers*.

To amend section 3 of the amendments by striking out the words *shall be supervised by Myskania* and inserting the words *Myskania shall be invited to explain college traditions*.

Candidates for Spanish queen to be voted on today are: Evelyn Anderson, Ruth Brooks, Ruth Crutcheley, Aileen Dexter, and Julia Reil, seniors.

## Youngest Members Of Senior Class Achieve "Signum Laudis" Rank

Four members of Signum Laudis, senior honorary society, will graduate this June at the age of nineteen years. Dr. Harold W. Thompson, professor of English and a faculty member of this organization, recently told a representative of the STATE COLLEGE NEWS, Edna Wright, the youngest member, was born in January, 1916.

This year Signum Laudis has six men as members, the greatest number of men ever on record, Dr. Thompson finds. Five men were chosen this semester in addition to William Torpey in the fall.

The French department and the social science department which includes history, social science, and economics, have the greatest number of members registered as majors or minors with a total of ten for the entire year. Other departments leading in their field include mathematics with nine members, English with six, and Latin with five.

The mathematics department is first in the number of majors for this semester's draw. The five chosen are, Janet Brown, David Kroman, Emma Tenblad, Dorothy Van Steenburgh and Lucy Wing. Other department listing majors are: Latin, Evelyn Allan, Mary Riley and Ruth Vergin; French, Pearl Hamelin and Donald Packard; chemistry, David Dickerman and Alfred Lucas; commerce, Marguerite Liseher and George Story; social science, Lois Odwell; general science, Mrs. Esther Carpenter; English, Ruth Madden. The social science department ranks first in the number of both majors and minors in the second draw with six; five are registered in mathematics. The Latin, French and English departments have four each and there are three each in chemistry, biology, commerce and history.

From the registrar's records, Dr. Thompson finds that Mr. Richmond H. Kirtland, former professor in education, used shrewd judgment in giving out marks in his freshmen "Ed 9" course back in 1931-1932. He gave twelve A's, six B's, six C's, and one D.

Members of Pi Gamma Mu will "explore" the Saratoga battlefield this spring. William Torpey, '35, president announced.

Miss Elisabeth Van Denburgh, registrar, is now compiling the list of members of the class of 1936 who will be eligible for the fraternity at the spring election. The basic requirements consist of twenty hours of social studies with a B average.

Members of Pi Gamma Mu will "explore" the Saratoga battlefield this spring. William Torpey, '35, president announced.

### Spring And Poetry Frolic Over The Campus Of State

In June  
The moon  
Hangs over the lake.  
I hear a loon,  
I'm on the make!

Oh, no it isn't the spring! For fall and summer also seem to affect the budding young poets of State. But spring has brought an added zest and a desire for comradeship among the dreamers.

With Dr. Harold W. Thompson, professor of English, as sponsor, about fifteen members of last semester's English 26 class in poetry have formed a club which will meet every other week the rest of the semester to read and discuss not only their own efforts but also modern poets. Some of these meetings will be held at Dr. Thompson's home and others at his office in Richardson hall.

Romantic ditties a la Dorothy Parker, epitaphs and groups of poems on a central theme are current favorites of the young artists. However, we expect to find soon a second Vachel Lindsay, as well as a miniature Edna St. Vincent Millay.

### Council Names New Commons Committee

Student council has recently appointed a temporary Commons committee of ten to take charge of student activities in the Commons. The committee is as follows: Edward Kramer, '36, chairman, Edward Hullihan, '36, Evelyn Hamann, Isabel Mansfield, Carol Mires, Virginia Steel, Charles Matthews, James Vanderpoel, and John Ryan, sophomores, and Virginia Travis, '38.

The duties of the committee include care of the ping-pong table and regulation of smoking and social activities.

### TO CONDUCT WEEK-END

The Lotta Bunkers, the hiking club, of the Girls' Athletic association, will conduct a week-end at Camp Johnston starting at 3:15 o'clock today, according to Harriet Ten Eyck, '35, president. The committees in charge of the week-end are: food, Martha Martin, '36, chairman, Elizabeth Scott, '37, and Margaret Winn, '38; publicity, Kathleen Strevell, '37, Elizabeth Strong, '37, Jean Edgecombe, '38 and transportation, Mary Elmendorf, '36.

### Palmer To Head Summer Session

Dr. James B. Palmer, professor of education, will direct the nineteenth summer session of New York State College for Teachers this summer from July 1 to August 13.

Thirty-four members of the resident faculty and twenty-two visiting faculty members will present the courses.

Students of this college should secure permission to attend the summer session from Dean Nelson.

WHEN YOU FEEL "FED UP"...

**"I'M SPECIALIZING IN HISTORY**—French and English history," says Laurence Brewer. "In addition, I have a job in the library for four hours a day, and I also work up data and material for the debating team. I'll tell you—it keeps me going hard. I've got more work than time. When I'm hard pressed, smoking Camels is not only a pleasure—it's a help, too. For when I feel 'fed up'—and it seems as though my energy were all used up—I smoke a Camel and get a lift in energy. Camels have a swell, rich flavor; due, I presume, to the use of choicer tobaccos. I smoke as many as I want to—for Camels don't ruffle my nerves."

(Signed) LAURENCE ALFRED BREWER, '37

GET A LIFT WITH A CAMEL!

**"I'M AN ENGINEER**—working on the San Francisco-Oakland Bridge. Before that, six years in the army taught me the value of smoking a Camel when 'below par.' I smoke all the Camels I want, too, without getting jumpy nerves. And Camels are mild and gentle to the throat." (Signed) RALPH A. TUDOR

**"EVERY WOMAN** prefers a milder cigarette. For years I've been smoking Camels because they are mild—and at the same time have a delightful rich flavor. I know these things don't just happen in a cigarette. There must be a reason, and I think it lies in the fact that Camels use finer tobaccos." (Signed) HELENE BRADSHAW

**A New Contest for Collegiate Digest Readers**

**The Picture of the Week**

Each week Collegiate Digest will feature one picture that its editors believe to be outstanding from the standpoint of photography, composition, subject, and the story it tells. Still life as well as action photos will be eligible for the contest—and there are no subject restrictions beyond those of libel and decency.

Five dollars will be paid to the winner of each week's contest. The editors reserve the right to use any photo submitted in Collegiate Digest at their regular rate of one dollar—payment to be made upon publication.

**RULES**

1. Each entry must be made by an amateur photographer who is now a member of the faculty or student body of a college or university.
2. The name, address, and college of each contestant, together with any information about the photograph, must be printed on the back of each photo submitted. No limitation is made upon the number of entries each contestant may submit, nor upon the size of the photographs submitted.
3. No pictures will be returned unless accompanied by return postage.
4. Address all entries to: Picture of the Week, COLLEGIATE DIGEST, P. O. Box 472, Madison, Wis.

*fashions of the day*

One of the most pleasing shirt-and-tie ensembles that has come to the attention of discriminating dressers is the striped shirt worn with the plain tie, which, incidentally, is usually a knit one. The model shown above is particularly smart because it features the wide-spread, button-down collar which is becoming more and more popular every day.

"Fashions of the Day" this week presents a pre-view of what the well-dressed collegian will wear during the sporty summer days, or what he should be wearing now if he is sporting around the southern beach resorts. What with the plain flannel pants and plain or striped polo shirts, the mode of the summer seems to be one that assures ease of movement and the utmost in comfort. You will notice particularly that the smart golfer will not stick so closely to his knickers as he has in the past, and that he will wear a hat instead of the usual golf cap. The shoes will be of the "comfortable" variety, with crepe soles and soft tops, while socks will range in patterns from the vertical or horizontal stripes to the colorful plaids. We should not forget the off-the-links or off-the-courts moments however, and it is then that you don the easy-fitting sports jacket with the vertical stripings.

Information on the correct fashions for modern collegians may be obtained free by merely addressing any questions you may have to: Fashion Editor, Collegiate Digest, P.O. Box 471, Madison, Wis.

WHEN YOU FACE  
A TOUGH

GET A LIFT  
WITH A CAMEL!

"THERE'S SO MUCH GOING ON in college today," says James Casey, '37, "that an undergraduate can hardly find time to work everything in. I'm studying a business course; am mixed up in several outside activities; and, in my spare time, I'm doing tutoring. So naturally I feel rather weary and 'fed up' at times. To head off fatigue, I always turn to Camels. Smoking a Camel does 'wake up' my energy. It's a delightful experience! And what a great taste Camels have—mild, yet full and rich. I never get tired of Camels. I guess that's why I smoke so many. But steady smoking doesn't bother me—Camels never get on my nerves."

# "Come On, Hy"

By John Bradbury  
University of Georgia  
Athens, Georgia

It all began innocently enough with two well-meaning, education-seeking boys attending the same prep school.

Pete McEver and Hy Nollens arrived at Gainesville on the same train and neither knew the other from the Hawkinsville courthouse. No, neither knew that before they left school on the same train two years later they would be acclaimed as all-state forwards for 1932.

Nor did they know that they would happily share each other's joys and sorrows as roommates for two years. No, neither knew that on the hardwood court they would work as a unit, as one, and that they would play the game for the love of it and not for the newspaper publicity and praise that they got. Neither cared about this kind of praise.

The most praise either could get was the other's razzing about a mistake he had made in the last game. "Come on, Hy!" became a familiar expression during those two years because this was Pete's way of telling Hy that he had eluded his guard and was headed for the basket. Never once did Hy fail to respond to this call.

No, neither knew that all this would happen . . . but it did. Neither hardly realized it at graduation two years later, and surely neither realized just how much their friendship meant when they were accepting scholarships to two different schools—Pete to Georgia and Hy to Georgia Tech.

Pete was starring for Georgia his first year on the varsity and Hy, as he always did, played his regular steady game during the season. Pete was flashy and Hy steady. This probably describes the play of these two basketball players better than any other two words.

Then came the game. The game between Georgia and Tech—and with it came the usual keen rivalry which is present in all Georgia-Tech sports. The game was close, in fact, with only two minutes left, the score was tied, Harold, Bulldog guard, took a long shot and missed. Hy took the ball from the backboard and dribbled out—

"Come on, Hy!"  
It was Pete calling the old familiar expression that had won them fame.

Hy hesitated and looked at Pete, who was "breaking" for the basket. Suddenly he forgot the game, the intense rivalry, and his desire for victory. He only thought of the two happy years he and Pete had spent in prep school and the newspapers the next morning acclaiming Pete as All-American. He suddenly realized how much their friendship had meant to him.

He passed under the basket!

## G. A. A. To Present Musical Comedy

Original Words and Music Lend Interest to Production Tomorrow Night

The Girls' Athletic association will present "The Farmer in the Dell", an original musical comedy, tomorrow night in the auditorium of Page hall, according to Frances Studebaker, '36, co-author and conductor of the production. This will mark the climax and conclusion of the annual Alumnae week-end sponsored by the association. The words, lyrics, and musical score for this production were written by Miss Studebaker in collaboration with her sister, Elizabeth Studebaker, '37.

The theme of the musical comedy concerns a rest cure farm for worn-out professors and students, and is interpreted by the following cast: Hiram Higgins, the proprietor, William Nelson, '35; the Boy, William Baker, '36; the Girl, Hester Price, '38; the jilted night club hostess, Mary Lam, '37; the four errant professors, John Bills and Kenneth Christian, seniors, Frank Hardmeyer, '36, and James Zubon, '37; Toots, Vera Shimmers, '36; and Arabella, played by the mysterious Arabella.

Committees assisting in the production are: sets, Helen Rich, '35; props, Elizabeth Hobbie, '36; costumes, Elaine Baird, '36; advertising, Sarah Logan, '35; house, Charlotte Rockow, '36.

## Administration Formulates Rule for Formal Dances

A new rule for formal dances conducted by State college organizations has been formulated by the Administration. Dr. A. R. Brubacher, president, issues the following statement to the NEWS and to the student body:

**New Rule for Formal Dances**  
"All formal dances will observe the following hours: begin at nine; close at two.  
"The closing hour is to be observed with promptness and finality. 'After dances' cannot be staged under any pretenses whatever."

## Nineteen Students Secure Positions For September

Placements of seniors and graduate students by the Employment Bureau have totaled nineteen since the last publication of those who have secured teaching positions for next year. The list, released by Miss Edna Lowerree, secretary of the personnel bureau, follows:

## Bureau Completes Milk Survey To Aid Farmers In Sale Of Products

"Moo, moo, a thousand times no, I'd rather die than be milked." Sorry folks, but that's the wrong theme song for the cows of New York State; in fact, it's quite the opposite. You see, it's this way—a milk survey in the City of Albany has just been completed by several State College students.

A year ago \$500,000 was appropriated by the State legislature for the purpose of advertising milk as a food and to induce more people to use inexpensive high grade food. Indirectly, the consumption and sale of milk would increase and benefit the farmers who complained of the small market for their dairy products.

The State Department of Agriculture and Markets found it necessary to make a survey of the different classes of people using milk and milk products. In order to carry out its plans, the department selected several cities in which there are institutes of education as victims of the milk and dairy products con-

## HEADS CONFERENCE

Professor John M. Sayles, principal of Milne High school, who is general chairman of the eleventh annual Round Table conference.

## Annual Conference Convenes Tonight

Round Table Meeting To Continue Tomorrow at 10:00 O'clock With Discussions

The eleventh annual Round Table conference will be inaugurated tonight at 8:00 o'clock in the Page hall auditorium with an address by Dr. A. R. Brubacher, president, the subject of which will be "Education—Latest Mode," according to Professor John M. Sayles, principal of the Milne High school, general chairman.

The address by Dr. Brubacher is planned as being especially interesting to parents, and everyone is invited to attend. Personal invitations have been extended to all parents of students at the Milne school.

The conference which will be continued all day tomorrow, will be attended by superintendents and teachers from the Capital district and surrounding country within a radius of about 200 miles. The program will include group discussions covering the various subjects in the high school curriculum. The program of discussions and conferences includes the following departments with their speakers:

At 10:00 o'clock in Room 11 Mr. Harlan W. Raymond will lead the industrial arts conference. Mr. Robert A. Campbell, from the State department of Public Instruction in Trenton, New Jersey, will also speak. Also at 10:00 o'clock, the home economics department of the high school curriculum. The program of discussions and conferences includes the following departments with their speakers:

## Library To Carry N.S.F.A. Publication

The National Student's Federation News Service, a weekly publication issued by the National Student's Federation of America, will be available to all students, according to John Deane, '37, secretary of the student association.

Current issues of the News Service, a weekly publication carrying reports on student life and activities in all parts of the United States and in foreign countries, will be kept on the magazine rack in the library. Old issues will be on file in the student association desk in the Activities office, and may be had upon request.

## TO CONDUCT MEETING

French club will conduct an important business meeting Tuesday afternoon in room 20 of Richardson hall.

## Budget Discussion Will Be Continued In 11:10 Assembly

A continuation of the discussion on the proposed "80% ballot" motion recommended by Myskamin, senior honorary society, in last week's assembly, and voting on the proposed changes in the constitution as submitted by the Constitutional Investigation committee two weeks ago, will take place in this morning's assembly at 11:10 o'clock in the auditorium of Page hall, according to Clifford Rall, '35, president of student association.

The motion now before the assembly would require, if passed, that 80% of the freshmen, sophomores, and juniors pledge themselves to support an activity before it is included in the budget for 1935-36.

Time permitting, discussion and voting on the proposed changes in the constitution as announced in the last issue of the NEWS will take place, Rall added.

**MAY PLACE ORDERS**  
All seniors desiring graduation announcements and personal engraved cards should sign up for them on the main bulletin board, according to Catharine Kearney, '35, chairman of the announcements committee.
