

SA To Nominate New Member To Finance Board

(Continued from Page 1, Column 2) will be installed today. Mrs. Frank Carrino, Instructor in Speech, will introduce the members. If time permits the bowling appropriation will be discussed. An appropriation of \$138 has been asked from the Student Association Budget for a mens' varsity bowling team.

Douglas Thorne '53 has resigned from the Student Board of Finance because of a conflict with practice teaching hours. Nominations will be made in assembly today for a replacement of Thorne. Nominations will also be made to fill the position on Myskania caused by the resignation of Mary Marks '52 who has graduated.

The bulletin boards will be moved from lower Draper Hall to lower Husted within two weeks. All organizations have been asked to clear their bulletin boards by Friday, February 15.

Prong Over The Exchange

An intellectual at the University of Illinois has decided that current cheers should be revised. His plans include these changes:

"Get on the ball—Obtain the oblate sphere.
Hold the line—Impede the foe's forward thrust along the two dimensional entity.
Go team go—Proceed, oh valiant, proceed, hey!"

Harvardites have found a new profit making occupation: brewing. Students involved have denied selling their product, and claim that no illness has resulted from drinking the stuff.

A history professor at the University of Hawaii went through a whole lecture complete with jokes, and wondered why the class didn't pay attention. No wonder. He had repeated the lecture of the previous day.

A new book entitled "Going Places" has been published by some enterprising Yale students. The purpose of the book is to help men date college women on "a sounder, smoother basis." Twenty women's

colleges are discussed in detail with inclusion of the following: maps of each campus, important telephone numbers, and information about curfews. Hmm!

Careful, this could happen to you! A freshman at the University of Colorado "cracked up" as a result of too much studying. He robbed a cab driver, stole the cab, got chased by the cops, crashed the cab into a curb, got shot in the leg by police, and to top it all, was arrested.

Commission Reiterates Violated Campus Rules

Campus Commission would like to call the attention of State College students to several of the Campus Commission rules, Kathleen Ryan '52, Grand Marshal, has announced. Two rules are being broken frequently.

It is against the rules to smoke in the corridors and classrooms, Al- in the cafeteria, not the Commons, is the place for eating lunch, Miss Ryan states.

Faculty, Students Imbibe Together

They've got an awful lot of coffee in Brazil, but not as much as they had in the Lower Lounge of Brubacher Hall during the Sunday afternoon Coffee Hour.

A glance around the Lounge revealed that the usual lidyness was replaced by coffee cup upon coffee cup. Of course, a few loyal Britishers stuck to their tea bags. There were also lots of cookies within easy reach, that is, if you once lived in a boarding house.

Amid pleasant conversation and precarious balancing of cups, the food was quickly absorbed by the faculty and the students. The cloud of smoke did not interfere with the good fellowship that prevailed the atmosphere.

The very near future will see an encore of this successful social affair. Everyone had a good time, including us.

Sororities, Frats Induct Pledges; Schedule Events

Alpha Epsilon Phi sorority is raising money for a charity benefit by selling perfume on campus. Two sororities are having date parties tonight, and Kappa Delta Rho will have a rush party tonight. Several fraternities held formal initiations last Sunday.

Rivalry Debate Will Highlight SA Assembly

Resolved: that Moscow Mules should be tried for subversive activity in assembly. The Sophomores will argue against this resolution; the freshmen will argue in favor of it.

In addition to the assembly agenda, Student Council at its meeting Wednesday evening also considered a poll sponsored by Inter-Collegiate Association. The poll concerns the possibility of organizing all the state teachers' colleges into a basketball league.

Sophomores and freshmen will be competing for two rivalry points in the assembly debate. Representing the Sophomores will be Beverly Winer and Marvin Chernoff, Robert Coan, Robert Lundergan, and Betty Miller will represent the freshmen by arguing the positive side of the resolution.

Student Council suggested the formation of a nine team league including all the state teachers' colleges except Brockport and Cortland. The purpose of such a league, if it is formed, will be to promote closer relationships among the state colleges.

Sophomores Tie Rivalry Score

Rivalry swimming and basketball have been scheduled, according to Robert Donnelly '52, Chairman of Rivalry Committee. The Sophomores have tied the rivalry score.

The Public Bath at the corner of Ontario Street and Central Avenue will be the scene of the rivalry swimming event, Thursday. Rivalry basketball will be played March 3 through 5. Cheering will be counted at the latter event.

The Sophomore chess, having won rivalry lowering Thursday night, February 6, and rivalry ping pong last Wednesday night in the Student Union at Brubacher, has tied the rivalry scores at 12 to 12.

University Players Will Present Shakespeare, Moliere Comedies

"Both plays are racy, bawdy, and hilariously funny," says D&A President Henry Smith of the two dramas to be presented by the Catholic University Players next Friday.

Friday's appearance will be the second the Players have made at State. They will present "Twelfth Night" and "School for Wives."

Last year the Players presented Shakespeare's "Much Ado About Nothing" and Shaw's "Arms and the Man" to an enthusiastic audience in Page Hall. In May the group completed a 17,000-mile tour in which they played before 177,000 persons.

Members of the troupe, a non-profit, cooperative organization founded in 1949, are students in the dramatics department of Catholic University of America at Washington, D. C. This department is reported to be one of the most up-to-

Council Stresses Curiosity Leads Inquiring Reporter To Interview Bewildered 'Hopefuls'

By RICHARD SHANDS

Brotherhood Week will be inaugurated in the United States and in many foreign countries Sunday. This year the observance will be focused on the need for donating civilian blood to the armed forces. The fundamental purposes of the week are the enlistment of more people in year-round activities to build brotherhood, a reeducation of each person to the ideals of respect for people and human rights, and the demonstration of practical things people can do to promote these ideals.

Brotherhood Week, sponsored by the National Conference of Christians and Jews, was established in 1934 at the suggestion of Monsignor Hugh McManamin, a priest of Denver, Colorado. Since then, the President of the United States has served as honorary chairman of the United States observance. Eric Johnson is serving as General Chairman this year. Brotherhood Week 1952 will be observed in more than 6,000 towns and cities in the United States and in many cities of Canada and Europe, according to the sponsoring group.

Communications

To the Editor: We hate to blast a usually hard-working and intelligent group like the Student Board of Finance, but they finally outdid themselves. Seems that the Varsity Club wanted to make a benefit game out of the State-Willie game to be played Monday night. The plan of the Varsity Club was to more or less request a "donation" of 25c as an admission charge at the door. The money thus collected, plus the profit realized by the sale of refreshments, was all to be turned over to the Knick-News Polio Benefit. Not only would this have been serving an excellent charity but also would have resulted in about a week of free newspaper publicity for our athletic department. However, the Student Board of Finance decided that putting a sort of moral obligation on students attending this game to contribute a quarter, was unfair since student tax had already been paid for the game and suggested that passing the hat for donations would be sufficient. Since this is an impractical and non-nucleative way of collecting money, and since the title benefit game could not be attached to the ensuing contest, the whole excellent idea was quashed.

To the Editor: Last week an editorial appeared in the State College News which was devoted to the unpleasant and unwholesome condition of the Commons. We congratulate the editorial writer for his insight in bringing this matter to the student body. But—as in the past—when a correctable situation has been presented, the students have not taken upon themselves the interest and responsibility necessary to remedy the matter. We believe that it is the job of every student in this college to cooperate in keeping the Commons from looking like a pig sty. However, it is not the role of the individual student to provide an adequate number of ash trays, waste receptacles, and coke and milk bottle cases. Whose job is it? Does the fault lie in the management of the cafeteria? What is the role of the Campus Commission in reference to the Commons? If it is the job of the Campus Commission to promote cleanliness in the Commons, why doesn't that organization either do its job or resign? We as individuals do not have the power to obtain the necessary allocation of funds to provide the implements of cleanliness. Therefore, we suggest to the members of Campus Commission that they ask the proper authorities for the money to provide the items we feel are needed. We are sure that the student body will show more cooperation when given "something to work with."

We might add that Student Council was for the idea (unofficially) but there is a faction on Council that was wholeheartedly against the plan. This faction is the one that never attends any games anyway. When the matter was brought before the Student Board of Finance it seems that a few on the Board were of the same opinion and thus insisted that Varsity Club be restricted in its collection manner. It's time that such people realized that in gaining athletic prestige, State College as a whole benefits, and that to blindly fight such progress means to hurt our institution. Dr. Ellen C. Stokes, Dean of Women; Dr. Mattie E. Green, professor of health; Edward J. Sano, Coordinator of Field Services; Mrs. Merilyn Hathaway, Director of Brubacher Hall; and John R. Bridge Teams Enter Tourney

The first elimination round for State College representatives to the National Intercollegiate Bridge Tournament was held at Brubacher Tuesday evening. Six teams of two men each participated, according to Phyllis Penny '53.

First round winners were: George Smalling and William Adams, score 23; Charles Button and Henry Berleth, score 18½; James Conway and Norman Keeter, score 16½; Charles Grunstein and Robert Cerwonka, score 13. Eliminated were: William Quinn and Howard Penenback, score 10½; and Herbert Egert and Francis Schatzle, score 8½.

The elimination round consisted of fifteen hands played, with the theoretical high score set at thirty. Under this setup, a score of fifteen would be considered average in national tournaments. Next week, the preliminary winners will play against prepared hands which will be sent from Chicago. These same prepared hands will also be played in other colleges throughout the country. The scores of our representatives will be sent to Chicago, and if computed among the top in the country the teams will be sent to Chicago, expenses paid, for the final hands.

Mr. David Price of the Alban YMCA provided the materials for the preliminary round and acted as supervisor. George Dicks and Harry Johnson, Grads, aided in the scoring.

As I See It Fakers Romp; Bode, McDowell Hit Twenty

Once again, we find those noble and esteemed Student Representatives of ours making mockery out of one of the few worthwhile things that SA has attempted to put across this year.

Varsity Club represents a good portion of the members of SA and they came up with what everyone concerned with the Varsity Basketball Team and athletics in general consider to be a fine gesture. The basketball game with William Monday night, was to be played for the benefit of the "Kid around the Corner" and all that was needed was the OK of Student Board of Finance. Do you think this calloused group of amateur financiers could see their way clear to put their stamp of approval on the benefit game? No, they couldn't! It seems as though the SA budget allows all holders of a Student Tax Ticket free admission to all Home athletic contests, and that is the crux of their rejection.

Charity for the needy was not included in the budget last Spring so a Benefit Game is postponed. Where's the logic? It seems to me that we elected intelligent, individuals and they should have the mental, if not emotional, capacities to use some kind of judgment in dealing with a case like this. We all appreciate their care in looking out for our benefit, but how many students are there in this college who wouldn't be willing to donate "two bits" as the price of admission to see the varsity play. A goodly number of those in attendance would toss a lot more than that away in some gin mill afterwards.

All available plans for Monday night's charity all had to be abandoned for the present because of the rash action of the Board of Pursestrings. In order to stage a similar contest in the near future, the men in the Varsity Club will be forced to bring their plea for a chance to give this College a decent name and to give a few hundred unfortunate kids a chance at healthful activity, before you, the Student Body.

When this "legislative charity" is presented, I hope that you will be a bit more human and rational than were your duly elected counterparts. As it stands now, every college in the Capitol District area has promoted a game for the Kid around the Corner; are we clumps? Let's not delay the plans any longer!

Brubacher E, F Interest Needed Tops Gamma Kap In 'Grun' Game

Tuesday evening saw three games played in the women's IM loop. Gamma Kappa Phi, led by the outstanding play and scoring of Gwen Gullivan, was defeated 25-19 by a strong Brubacher E and F team. Marge Liddell, Donna Hughes, and Olga Komanoski, hoopling nine, six and eight points respectively sparked the Brubacher team.

In the following game, Beta Zeta returned to the ranks of the victors, defeating Phi Delta 14-9. Rejuvenated by the return of key player, Evie Kamke who scored 12 of BZ's 14 points, the marcom Maroon and Gray held Ruth Poole and Evie Erdle, Phi Delta's Sparkers to four and six points.

Potter remained in the undefeated class and retained undisputed possession of first place as they fought the Pinks into a 35-34 submission. Goldin of the Pinks took scoring laurels with ten markers, while Wood led EEP with 9.

The Beavers ran wild over the Redskins on Monday's first contest by a 63-42 count. Carter of the winners netted 20 points to gain scoring honors for the tilt, and Lil' Ed Bonahue hooked 13 for the vanquished Redskins.

Rousers, Misfits Tied For First

As a result of Tuesday's bowling at the Rice alleys, the downstairs division of the Intramural Bowling League is tied up. The 3-1 victory of the Rousers over the Po 4-1 coupled with the 4-0 defeat of the Pinks by the Misfits, leaves the Rousers and Misfits with identical 21-11 records.

Attempting to bounce back after their 4-game winning streak was snapped last Saturday night, State will journey to Plattsburgh tonight with hopes of starting a new winning streak. The Statesmen will be favored to do just that after the convincing victory they registered over Plattsburgh quintet in Page Hall earlier in the season. Plattsburgh has the potentialities to win with in Bob Garrow and Jim Sears if they can only click. Sears didn't portray his usual form in the earlier game, so it is expected he will be one of the big men to stop in the Burgh's offensive attack. Garrow was a variety of shots and he specializes in the hook shot with either hand. Gus Penn, another mainstay in the line-up, is always a dangerous man. Two regulars, Baldisari and McCarthy, will not see action for Plattsburgh. Baldisari, the lanky center, is still bothered by the broken nose sustained in the earlier clash in Albany. McCarthy played the last game of his college career in the previous Page Hall encounter as he was graduated from school in January. The loss of the services of both these men will definitely detract from the team's effectiveness, but State will have to be on their toes to take this one.

Saturday night State's win streak was stopped at 4 by Potsdam, 56-47. This was the team that should have been easy for the squad, but their failure to come through in the second and fourth quarters enabled Potsdam to gain an uphill battle. State could only tally 6 points in each of those two fatal quarters which definitely spelled doom for the Hathaway men. Potsdam picked up the necessary points to win by scoring 6 more field goals than State. Sullivan, playing his first game for Potsdam, put on a fine showing for the home town folk with his fine all around play. Walker topped State's scoring attack with 12 points.

The previous evening was an entirely different story, as the 57-52 victory recorded over the powerful Oswego squad was definitely a well-played game. State displayed the same brand of ball that had accounted for their three-game winning streak. They grabbed the lead early in the first quarter and never relinquished it the rest of the way. Walker again paced State's attack with 17 points.

Rivalry ping-ping got off to a good start Wednesday night with Rose Steinberger and Bob Coan '55, matched against Nella Berlin and Ralph Adams '54. The frosh got off to a poor start and came out on the low end of a 25-17 score. Though not shown by the score, the teams in Women's Doubles were more closely matched than those in the first match. Cookie Galbraith and Syl Gerstman '55, put up a good fight for the Grenlins, but couldn't cope with the talents of Iz Martin and Ricky Richter '54.

The tournament came to a quick close with the Men's Doubles, the victory Oswego squad was definitely a well-played game. State displayed the same brand of ball that had accounted for their three-game winning streak. They grabbed the lead early in the first quarter and never relinquished it the rest of the way. Walker again paced State's attack with 17 points.

Campus Interviews on Cigarette Tests

No. 33...THE SHEEP

They tried to fool him with the "quick-trick" cigarette mildness tests—but he wouldn't go astray! We know as well as he there's only one fair way to test cigarette mildness. And millions of smokers agree!

It's the sensible test...the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke, on a day-after-day, pack-after-pack basis. No snap judgments. Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests... Camel leads all other brands by billions

Sayles 'Sparkin' Causes Alarm

"Fire! Fire!" someone was yelling, and the Clang! Clang! of a nearby fire engine was in my ears as I pecked out into the hallway. A swift blur of running figures passed my door and compelled my feet to join them.

By the time I found myself at a West Wing window, half Brubacher had joined me. A yell to a Statesman hanging out a back window brought an explanation. Someone burning papers in the incinerator had forgotten to close the flu. Result: chimney sparks!

The Sayles Hall sparkin' was not enough, however, to bring out a whole militia of firemen well, eight anyway—who, with the indispensable aid of Art Lennig, verified that everything was in order. A sigh of relief rippled among the girls and peace and quiet reigned again.
