This traditional ceremony represents one acknowledgment of academic achievement. It is an important day for all concerned, and we look forward with you to its full enjoyment. On behalf of the faculty and administration of the University, I congratulate you and extend our good wishes.

Cordially,

Vincent O'Leary
President

Graduating students can become active members of the Association at the special first-year rate of \$10.00. This low dues rate has been established to aid recent graduates who are continuing their studies or just getting started in the job market. The offer allows graduates who join now to take advantage of the Association's many benefits and services for a full 15 months, through August 31, 1985. There is, in addition, a Life Membership program at \$250.00 payable over an 18-month period, a very viable option for young alumni.

The Alumni Association sponsors exciting activities and events on campus and in cities throughout the state and nation. Dinners, receptions, seminars, and reunions are only a few of the ongoing programs offered to alumni. The Association provides low-cost insurance options, travel opportunities, and continuing education services. Plus, active members can continue to enjoy use of campus facilities — library, physical education, films, theatre, bowling. We keep alumni in touch with each other as well as with the University through up-to-date records on 40,000 graduates, *The Carillon*, the highly acclaimed alumni newspaper, the Alumni Directory, and class correspondence and newsletters.
