

1844

The building, a such part of it as  
was necessary for the school, in order.

3

The Executive Committee adjourned to  
examine said building.

Francis Dwight, Secy.

On the 13<sup>th</sup> of August the Executive  
Committee met at the office of the  
Secretary of State. Messrs. Young, Hauley,  
Potter and Dwight were present.

Col Young in the Chair.

After some informal  
deliberation in relation to the proposition  
from the city, without absolutely deciding  
upon taking the Dept Building it was  
Resolved.

That the State Superintendent  
be requested to prepare and issue a Circular,  
explaining the general object and plan  
of the Normal School.

Resolved. That Messrs Dwight and Hauley  
be a Committee on repairs, and that  
they advertise for proposals for fitting up the  
school rooms, subject to the future action  
of this Board.

Resolved.

That Mr Dwight prepare a list of  
the necessary apparatus for the Normal  
school and report the same at some  
subsequent meeting.

At a preceding informal meeting  
of the Board, Mr Dwight, made a  
report marked A. on file - in relation to the  
Lexington Normal School.

adjourned.

F. Dwight Secy.
