## History Group Offers Award

The New York State Historical Association has released its plans for a third annual competition in which papers on the history of New York State may be submitted. Any graduate student or college senior may compete in this contest in which the winner will receive a \$100 prize.

Students are invited to write on any phase of New York State's history—political, social, cultural, economic, military, or biographical. Judgment of the papers will be made on the basis of the author's originality of approach, calibre or research, quality of expression, and historical insight.

The 1952 Committee on Award consists of Carlton J. H. Hayes, Seth Low Professor of History, Emeritus, at Columbia University, honorary president of the New York State Historical Association; Walter D. Edmonds, author; and Sidney I. Pomerantz, Professor of History at the City College, New York.

The winning paper in this competition will be published in the Association's quarterly magazine, NEW YORK HISTORY.

Contestant's papers should be approximately 3,000 words in length, should be typed, double-spaced, and submitted not later than June 1, 1952, to Marjorie Cunningham, Associate in Publications and Education, New York State Historical Association, Cooperstown, New York. For further information, students are to see Dr. Theodore Standing, Professor of Sociology.

## Versatile Box Goes Berserk

A box, a box, my kingdom for a box. This is a box. Journalistically, a box is short, perky and of interest to all. This is short.

A box is also a receptacle for things, dead things. This is a preburial box in commemoration of all who left this world to struggle with the brutalities of other worlds (exams). They have courage. Let us hope that their efforts will not have been in vain.

A box is also defined as a blow, mortal or otherwise. This is not that kind of a box, we hope.

In baseball, a box is where the pitcher stands. Such a position may be dangerous to the pitcher. This box has a few such characteristics.

This is a news box. This is a box? Give me a horse any day!

## SA To Discuss Insignia Change, Recorder Motion

At Student Council meeting Wednesday, various committee reports were given several motions were passed. The agenda for assembly was also approved.

The assembly agenda includes discussions and voting on the Radio Council motion and debate on changing the State College insignia from "S" to "A", or from "S" to "AS," or to leave the emblem as it is now.

Only upperclassmen will be eligible to nominate a new Song Leader to replace Mary Marks '52, who has resigned. Nominations will be made today at the class meetings, and will be open until Monday at 4:30 p.m. Declinations will be accepted until 4:30 p.m. Wednesday.

A proposed Student Council budget was passed, and Student Council was made an advisory group to the faculty in discussions concerning admissions. An announcement was made that students may write suggestions concerning Student-Faculty relationships to any member of the Student-Faculty Committee.

Proceeds from State Fair will go towards starting a new foreign student scholarship fund, and an endorsement was made of a proposal to hold the annual Regional Debate Tournament here in March.

## Men To Compete In Chess Tourney

Seven State College chess players will compete tomorrow in a tournament with a chess club from Utica College. The players from State are competing in the contest as the result of a challenge made by Utica College chess players in a letter several weeks ago. Angelo Tiberio '52, Director of the Tournament, has announced.

The Commons will be the scene of the noon hour contest with Utica tomorrow. Attempting to checkmate the Utica College team in the contest, along with Tiberio, will be George Elmendorf '52; Richard Cowin, John Spenard, Juniors; Marvin Chernoff '54; Ralph Wesselman '55; and Alfred Forstall, Grad.

## Hershey Defines Changes In Law On Draft Status

Information concerning student enlistments in the service after the end of their academic year has been released by Major General Lewis B. Hershey, Director of Selective Service. General Hershey explained that as a result of the 1951 amendments to the Selective Service law students are henceforth to be deferred instead of having their induction postponed. This procedure will give students the opportunity to enlist in the service of their choice.

The new law provides for the deferment of students, who have been ordered for induction but who have never been deferred before as a student, to the end of the academic year. In addition the law gives the President authority to prescribe regulations governing deferment of students in such numbers as he deems necessary. The President prescribed a second student deferment program. Students may be placed in this classification of II-S at the discretion of their local boards. At present students who are in the prescribed upper portion of the male members of their class or who made a score of 70 or better on the Selective Service Test are eligible for this classification.

## Marines Land On State Campus To Recruit Eligible College Men

The Marines have landed on the State College campus to make a reconnaissance before launching a drive toward enrollment of "ideal junior officer" material. If students want to know what makes an ideal Leatherneck junior officer, here's the recipe given a State College News reporter by Lt. Duncan of the Marines' combat experience, college diploma or passing of a college equivalent test, required leadership qualities, and above all, desire to be a Marine more than anything else in the world.

Lt. Duncan visited the State College campus to discuss the Marines' Officer training programs for college men, with the administration. He will return Monday at 9 a.m. to interview interested students in regard to the Marine Corps' Officer Candidate Course for Seniors and college graduates, and the Platoon Leader Class for freshmen, Sophomores and Juniors. College Seniors are eligible to enroll in the Officer Candidate Course if they are between the ages of 20 and 27 and meet the other requirements.

## Finance Board Holds Hearings On Budgets

The Student Board of Finance has begun budget hearings, according to Joseph Dolan '52 Auditor. The hearings are being held every Tuesday and Thursday, until March 7 from noon until 12:30 p.m. in Draper 301, excluding examination period.

Campus organizations will be notified of the exact times of their hearings. The treasurer of each organization will be required to bring the financial records to the appointment. Because of the rising cost of materials they are asked to keep their budgets for 1952-1953 within the limits of last year's appropriations.

## NEWMAN CLUB PLANS DANCE

### ED Members Will Produce Three Dramas

"One-Act Plays of Three Nations" will be presented by the Elementary Dramatics class in Page Hall, Friday, January 18 at 8:30 p.m., according to Dr. Paul Bruce Pettit, Professor of Dramatics. Dr. Pettit, assisted by Frances Hopkins and Madeleine Payne, Sophomores, and Marietta Wiles '53, is director of the plays.

"Sunday Costs Five Pesos" by Josephine Niggli will be the first feature on the evening's program. This play is a spirited comedy of Mexican folk life, an expression of the Latin temperament.

Second on the bill is "Just Off Picadilly" by James Parish. The melodrama is a British mystery set in a deserted house in London. The weird effects are accentuated by the distant toll of Big Ben.

The last presentation is "Pullman Car Hiawatha" by Thornton Wilder. This play by the Pulitzer prize winner has a serious theme with comical overtones. Typical Wilder devices such as personification, including characters entitled "Parkersburg, Ohio" and "Twelve o'Clock," and unconventional settings are employed.

## Gelbond Slates Payment Of Fees

Procedure for registration and payment of fees for the second semester has been released by Ainar Gelbond, Financial Secretary of the College. Registration will take place Wednesday, Thursday and Friday, January 23, 24, 25.

In paying fees, the following schedule is to be followed: Freshmen Wednesday, January 23; upperclassmen and graduate students whose names begin with A to L, Thursday, January 24, and upperclassmen and graduate students whose names begin with M to Z, Friday, January 25.

Students are to obtain a registration fee form at the table in the Rotunda, and pay fees as indicated on the form in the Business Office. Veterans are to go to Room 109, Draper, fill in the fee form, then go to the Business Office. After paying fees, students are to show the receipt and secure class cards in the Registrar's Office.

## Chairmen To Discuss Fair Concessions

State Fair concession chairmen will hold their first general meeting this noon in Room 101, Draper. The purpose of the meeting is to give several organizations an opportunity to begin work on their preferences for concessions, announces Francis Hodge '53, Chairman. All chairmen are requested to be present or send a representative to speak for them.

Each group has been asked to submit three suggestions in the order of preference. This list must be turned in to Hodge through Student Mail by 2:30 p.m. Friday, January 18.

Several projects which have been proposed in the past have become established. Some of these are a gambling den, favor selling, and a variety Thursday, January 24 production.

## Winter Hop To Feature Highlights From Big-4's

The Mid-Winter Hop, sponsored by Newman Club, will take place tomorrow night in the Brubacher Hall dining room, Beverly Prantis '53, President of Newman Club, has announced. The dance will be held from 9 p.m. to midnight.

Decorations Denote Winter Theme. The decorations will feature a winter theme. Snowflakes and a snowman will dominate the scene.

All State students, not only Newman Club members, are invited, according to Miss Prantis. The highlight of the evening will be feature shows from the past Big 4's. Co-chairmen of the dance are Thomas Hughes '53 and Barbara Cumber '54. Music will be furnished by Don Burt's Orchestra.

Admission will be 50 cents per person. Advance ticket sales will take place outside the Commons today. Tickets will also be sold at the door.

List Entertainers For Dance. Entertainers will begin at 10:30 p.m. Henry Smith, Jeanne Seymour, Seniors; Rose Mary Keller, Richard Scott, Louise Petfield, Richard Jacobson, William Hawkins, Juniors; Frank Giannone, Donald Duclas, and Neil Brown, Sophomores, will participate in the entertainment. A preview of the acts will be given in assembly today.

List Chairmen. The chaperones are Frank Carrino, Instructor in Modern Languages, and Mrs. Carrino, Instructor in English. Corrine Valenti and Ruth Rooney, Sophomores, are in charge of the chaperone committee.

Publicity is under the direction of Nancy Hazzard; tickets, Patricia Zylko, Sophomores. Angela Kavanagh and Jeanette Katz, freshmen, are in charge of decorations.

## Kohn To Speak On Near East

Members of Forum will hold a special meeting Thursday at 3:30 p.m., announces Glenn Armitage '53, Speaker Hans Kohn, an authority on nationalism in the Near East, will speak on this topic.

The group will have a Faculty Tea for Kohn at 1 p.m. at the home of Dr. Matthew Elbow, Assistant Professor. There will also be a student reception for the speaker Thursday at 3 p.m. in the Lounge.

Regular trips will be made to the state legislature Monday evenings while it is in session. Students should consult the Forum bulletin board for information concerning the time of departure. A sign-up sheet will also be posted. Armitage states.

At the first open meeting in February, four senators and four alternates will be chosen to attend the Mock Intercollegiate Legislature. For the first time in its history the Legislature will be a state-wide function.

Also for the first time since the idea was inaugurated, the Speaker will give a "State of Forum" address. The address will contain the accomplishments, the present program and projects, and recommendations for the future.

An arrangement committee has been contacting speakers. Co-chairmen of this committee are Lillian Weller and Richard Wood, Juniors.

### Exam Schedule . . .

Since the announcements of various examinations in classes by the faculty, the schedule for the examination period has been changed. The schedule which has been arranged now is almost comparable to the ones followed previously at this institution.

As originally scheduled in the catalog of the college, examinations were to begin Thursday, January 24 and terminate Monday, February 4. Second semester classes were to be resumed the following day after the closing of the examination period.

Unless the schedule had been changed Seniors and other students taking conflict examinations would have had to return to classes the following day. Also, the Seniors scheduled for second semester practice teaching would have been taking examinations during the same period in which they were attending teaching conferences. The period between the conflict day and the resumption of classes will now provide for this.

During the past, examinations usually began on Saturday and continued for a ten day period with conflict day falling on Wednesday. This year in order to provide time for students to prepare for examinations the test period will begin on a Monday instead of a Saturday, the day following the closing of classes for the semester. Due to this change, conflict day falls one day later and thereby shortens the vacation period one day. The new schedule will also enable students in doubt of passing courses to secure their marks by leaving a self-addressed post card, noting the course concerned, in the Registrar's Office.

With the examinations scheduled three days earlier, no course will miss more than two recitation periods. At the most, only one-half of the courses in the college are missing two classes. If examinations were to begin on the Thursday following the final class session, as was originally planned, it is doubtful that the Wednesday class meeting would be of value.

This past vacation, I came across a book which some of you may have read. The title is "The Catcher in the Rye," by J. D. Salinger. It is the story of a boy of 16 who has been dropped from two private schools and when the story opens, is being dropped from a third.

He goes to New York City and for three days, tries vainly to find someone in the world who is not a "phony."

In one of the last chapters of this book, there is a paragraph which to me seemed the answer to some of the charges which have been leveled at us. It occurred to me that this paragraph is an answer to those who tell us we waste our time because we are not, at a times, trying to do something constructive. It seems to be an answer to all the critics of all the younger generations; those critics who wrote us and our predecessors off as dreamers. And finally I think this paragraph is something for us to keep in mind as we grow older, and it becomes our turn to judge those younger than we, who will stand in the place we have vacated.

Something else an academic education can do for you. Go along with it any considerable distance it will begin to give you an idea of what size mind you have. What it is and what it won't. After a while, you'll have an idea what kind of thoughts your particular size mind should be wearing. For one thing it may save you an extraordinary amount of time trying on ideas that don't suit you, aren't becoming to you. You'll begin to know your true measurements, and dress your mind accordingly."

"I've done my best to cheer him up, Doctor, always telling him to forget losing his job . . . forget the bills piling up . . . forget the threat of ill health . . . forget . . ."

### The Size Of Your Mind

By FRED CRUMB

There has been a lot of discussion in this space and elsewhere, about what the college students of the present generation are doing with themselves. It has been said that we are wasting our time and creative energy on things which either are no concern of ours, or are so trivial as to be beneath our notice. This criticism has come from those older than we and from our own ranks as well. Do we deserve it?

This past vacation, I came across a book which some of you may have read. The title is "The Catcher in the Rye," by J. D. Salinger. It is the story of a boy of 16 who has been dropped from two private schools and when the story opens, is being dropped from a third.

### Twin' In The Town

By JEAN RASEY

As the new year unfolds, it is time once again to pause and remind you that it is under the sponsorship of Radio Council that this count of events in the Albany area is broadcast to you.

Among the changes made this past year is the moving of the Bob Snyder show, "America's Greatest Bananas," over the N.B.C. network to the Carole Inn at the Latam Theatre. Charlie Spivak and his orchestra will be on hand to furnish the rhythm January 13. There will be dancing from 7:30 till 12 p.m. and Bob will broadcast from 11:30 till 12 p.m. Tickets are \$1.50, including tax.

"Lady in the Dark," famous Broadway musical, will be playing at the Playhouse until January 12. This musical is the most extensive effort of the Playhouse to date. There is a cast of forty, including sixteen principals, a full chorus, ballet team, and orchestra. Production costs are reported at \$15,000. In two acts of seven sequences, 16 changes are made possible by a revolving stage and a series of multi-eristic reversible rolling platform sets. Evening shows open at 8:30 p.m. and if you present your tax card, admission is only \$1.20.

The Colonial is showing two British films, "Kind Hearts and Coronets" starring Alec Guinness and "The Winslow Boy" with Robert Donat. Thursday, Friday and Saturday nights, there will be an added attraction of eight vaudeville acts. These include the Sensational Divers, a knife throwing act which just arrived from England. They will be tossing around long bladed knives, hatchets and flaming tomahawks. Sounds thrilling, doesn't it? And then there is Globetrotter, an educated dog out NYSCPT, fresh from the Music Hall in New York City. He performs his act on stage minus any humans around to confuse him or give him cues. Besides these, there are six other acts in the singing, dancing, comedy and instrumental line. All in all, you're getting your money's worth; which is, by the way, \$45. The evening show begins at 8:30 p.m.

### Communications

To the Editor:  
Radio Council has been on the campus of State College for five years and is, therefore, a comparatively young organization. As in any organization, the need is great for the successful operation and future development of the group, to obtain some necessary equipment. It appears that a tape recorder is the quickest and least expensive way, at the present, for carrying on our radio and school publicity work.

The amount we are asking from Student Association is \$300 to cover the cost of the recorder and five tapes. The tung to remember, however, is the fact that this is not a recurring expense. The machine we wish to buy, from the school and Dr. Henrickson to be the best and most used at the definite times that we would need one.

The English Department here does own a tape recorder as does Dr. Henrickson, however, they cannot be removed from the school and could not be given to us as many times and at the definite times that we would need one.

Think these points over and come to assembly with any questions you might have. Our other reasons for wanting a tape recorder will be addressed there. The passing of this motion is important to us and to the entire school, so come and join in the discussion.

Jeannine Burke '52,  
President of Radio Council

### Common-Stater

By R. DUNN and FEENE

**THANK YOU**  
To the students of New Paltz, Plattsburg, and Potsdam for their thoughtfulness in sending us Christmas cards. Let's continue this fine idea, Council.

**ALL OVER THE PLACE**  
Committees! A new committee! Conference Investigation Committee. It seems that Council leans that State contributes to but receives little out of ICA conference. Evidently it isn't necessary for us to attend. Eastern States Association conference is strictly an academic gathering not designed for social or extra-curricular activities but many people feel that we need not attend an academic conference . . . thus, the new and important group, the Conference Investigation Committee. Anybody who has any other idea or any other kinds of committees be sure and get in touch with Student Council.

**ONE SUGGESTION . . .**  
However received from the ICA conference was an investigation of health insurance each school is receiving and an attempt for all the colleges who are members of ICA to obtain the cheapest insurance with the most benefits.

**AT LAST . . .**  
The bulletin boards are being moved as soon as possible. The class boards will be in residence just around the Commons while the organization bulletin board will be located across from the Commons.

**RELATIONS . . .**  
Student Council voted Wednesday night to back Debate Council in their plan to hold a conference here March 21, and 22 with the Eastern Coast Colleges. When it was suggested that some social activity be scheduled for the evening of the twenty-first, President Wiley stated that Mrs. Frank Carano volunteered the fact that the debate people are different and are content to sit around with coffee, doughnuts and arguments.

**HOW ABOUT?**  
Someone looking into the possibility of an exemption system at the beginning of second semester. This has been hashed and rehashed for quite a few years and it is time someone threw it into the fire. The system has been proven in schools all over the country and we think it would be a definite asset to State's program.

**SCHOLARSHIP LATEST . . .**  
Art Kapner has come up with the idea on the scholarship issue. The suggestion is to have the graduating Seniors take out insurance policies and donate the yearly dividends to a scholarship fund.

Another alternative is to have each graduated Senior, possibly starting with this year's class give an annual donation of approximately five dollars toward a scholarship fund.

**YIPPEE**  
Friday in assembly we have a long awaited discussion coming up. Finally—at last—the "AS" and the "SS" mix with the beanie. Rumor has it that the "AS" are going to wear sky-blue-pink beanies and sit on the "SS".

**PRESIDENT OF S.A.**  
Stated Wednesday night that President Collins announced the appointment of Mr. Arthur Jones and Mr. John Tibbets to the new Athletic Council. As Wiley said, "Mr. Tibbets is from the Milne Guidance Department and Mr. Jones from Physics." Student Council is scheduled for TV next week, by the way.

**A WORTHY CAUSE . . .**  
This week it's hats off to the faculty for one of the best ideas we've heard in a long time. This year under the able direction of Dr. Vivian Hopkins and Dr. Caroline Lester the faculty will present the opening show at State Fair. They will charge twenty-five cents admission and the proceeds will go toward a scholarship to bring a foreign student here to State. To go along with this plan, Student Council voted to turn all the proceeds of State Fair over to the fund this year.

**QUESTION OF THE WEEK?**  
Who pays for Dr. Kenny's correspondence?

### Why Change?

Today in assembly a discussion will be held concerning the changing of the college letter from the present "S" to an "A". Early in the year, the Varsity Club requested a clarification as to the official letter for the college. This year the soccer uniforms had an "A" on them.

Since the request for a change in the letter, arguments have centered around such things as an increase in college spirit and more tactfulness as far as the other State Teachers Colleges are concerned.

Actually are any of the arguments valid? Some students feel that since we are not the only college which is a state school, we should refrain from using an "S" and use an "A" as the official college letter. It was however noted at the ICA conference this year that we are not the only school which calls itself "State." We are, however, the only school which has the official title of New York State College for Teachers. Let's not destroy the prestige of the school by changing insignificant traditions as far as SA is concerned. Let's leave the letter as it was originally established for this college and spend our assembly time in a more worthwhile manner by discussing other important business regarding SA.

## EXAMINATION SCHEDULE

Editor's note: It is important that each student check his exam schedule. Many schedules for various exams were handed out in classes. Since that time the schedule has been changed with the result that exams will begin on Monday, January 21 rather than Thursday January 24.

**MONDAY, JANUARY 21**

### Religious Clubs Schedule Service, Skating, Chapel

IVCF is sponsoring roller skating at Hoffman's with Union and RPI students. Hill and SCA are planning religious services for this week. IVCF will sponsor a roller skating party tomorrow night, according to Jean Welch '52, Social Chairman. Students from RPI and Union will meet with State students in front of Pierce Hall at 7 p.m. and leave from there for Hoffman's Skateland.

A Friday evening service dedicated to Hill has been announced by Sandra Cohen '53, acting President of Hill. The service will take place Friday at 8:30 p.m. in the Washington Avenue Synagogue. A social hour will follow the service. Reverend Arthur Jennings will be the speaker during the social hour. Student Christian Association will hold Chapel Wednesday noon in the Park United Presbyterian Church, located at the corner of South Lake and Western Avenue, according to Priscilla Jones '53 and Paul Ward '53, Co-directors of Chapel. Roderick Hillsinger '53 will be the leader. The speaker will be Rev. Lloyd Beebe, Chaplain at the Albany Hospital.

### Stations To Broadcast College Polio Program

The Polio Story, an original radio script on an Albany polio victim, has been transcribed by State College students, according to Dr. Floyd E. Henriksen, Professor of Education. The program will be broadcast during the day, January 26, over all local stations.

Participating in the drama are: Edward Kyle, Dorothea Harding, Henry Smith, and Joan Titus. Seniors: Ruth Dunn and Thomas Hughes, Juniors: and Richard Hannis '54. Dr. Henriksen did the electrical transcription; Mrs. Frank G. Carrino, Instructor in English directed the program; and Walter Schneller '53 was in charge of musical background.

### Spring Over the Exchange

It seems that the University of Tennessee has a gripe about time they feel that the system of camping late coeds is a bit stiff, and it does seem stiffer than ours. At Tennessee five minutes late means one campus; 15 minutes late means a week's campus.

Office clerks at Otterbein College in Ohio had their little fling. Invitations to attend High School Day were sent to Barney Googie, Jane Russell, and Gypsy Rose Lee.

Now here's a brilliant idea! The University of Miami has established a new organization called the Cabbage Patch. The purpose is to give five dollar loans to students in distress. These loans must be paid in 14 days, and five cents a day is charged for overtime. "On your guard! Touche!" Such are the pass words on German campuses where dueling has become a common practice, and the scarred cheek is a mark of honor. Fraternity men have been ordered by their alumni officers to practice dueling once a week to prepare for possible challenges. Debating at the University of Toronto has taken a facetious, political turn. In their debate at West Point they took the affirmative of the topic: "Resolved: that the United States should become a part of Canada."

### Art Exhibit Includes Landscapes, Portraits

The Art Department is now featuring an exhibit of eight paintings of the contemporary painter Paul Hurd, according to Ruth Hutchins, Assistant Professor of Art. The exhibit, located on the second floor of Draper Hall, includes landscapes and portraits.

Hurd is an American master in both watercolor and tempera. He paints landscapes and portraits of the American Southwest, particularly New Mexico. Hurd is represented in many collections at the Metropolitan Museum of Art, Chicago Art Institute, Roswell Museum and the Canajoharie Art Center.

### Smiles Plans Party For Home Children

A skating party for children from the Albany Home for Children is scheduled for tomorrow afternoon. The party, sponsored by SMILES, will be held at Hoffman's Skateland, according to Mitchell Burkowsky '52, who is in charge of the event.

Sandra Slotkin '52, SMILES President, has announced that there will be a meeting next week. At this meeting permanent committees will be set up, and the activities which the organizations plans to undertake in the future, especially during the second semester, will be discussed.

### Kapner Reveals Offer For Student Insurance

In reply to numerous requests Arthur Kapner is offering a special type of insurance policy for those not covered by insurance now. For \$10.50 this policy offers complete accident and illness coverage up to \$500 from January 28, 1952 until September 23, 1952.

Kapner will be at school during registration for second semester to help students who wish to take out policies. He will be located somewhere near the Business office in Draper Hall from 10 a.m. to 3 p.m. on Wednesday, January 23, Thursday, January 24 and Friday, January 25.

## Campus Interviews on Cigarette Tests

### No. 31...THE MOUNTAIN GOAT

He thought they were trying to make him the butt-end of a joke when he was asked to judge cigarette mildness with a mere puff of one brand and a quick sniff of another. The fancy foot-work didn't dazzle him! He knew that the pinnacle of pleasure comes from steady smoking... and that there is only one test that gives you enough time to permit conclusive proof. Smokers throughout America have made the same decision! It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

### As I See It

By DON BURNS

In the near future a proposal will be brought before the Student Body to OK plans for the adoption of a Varsity Track Team. This action is long overdue due to a money-minded College such as ours. This Inter-collegiate Sport, which embraces more contestants than any other, is managed at very low expense. The variety and keen individual competition of the cinder game draws among the top five spectator sports and allows the small schools to compete and win, with all corners. The material for a good squad is here in the College right now, as the rare Rivalry meet reveals once a year.

Give this plan your full support and the team will give you a successful season in 1953. It's up to the underclassmen to carry this through. If you want a bigger and better sports program at bargain prices here's the chance. There's about \$6,000 in surplus. Are we going to leave that for the Class of '56?"

While in the vein of bargain seeking, may I suggest to you ski enthusiasts that you sharpen up your pens in an effort to secure the free skiing week end offered in the story near the bottom of the page?

Here's another good buy, and it has a double return. On January 14, at the RPI Field House the United States Olympic Hockey team will play the Engineer Pucksters in a game that will benefit the Olympic Winter Game Funds. The Olympians are on a current twelve game exhibition tour to seek funds for defraying the expenses of their team as well as that of the Bob-sled team for the Winter Games in Oslo, Norway. The Bob-sled team has already been forced to drop three men which endangers the U.S. chances of retaining the title won in 1948. You won't see better hockey in this area, so let's get over there and support this game and have a good time to boot.

If the fans have no interest in their basketball league (i.e. six forfeits in eight games), how about calling off the schedule and let the men's league utilize the time... the interest there is high and there is a 153 game schedule to be completed.

### Gamma Kap Vies For League Lead

Gamma Kappa Phi chalked up two more victories in the past week, thus becoming one of the top teams in the IM basketball league.

Last Saturday, Gamma Kap, led by the sharp-shooting Martha Nevelezer and Phoebe Fuller who chipped in eight points apiece, defeated Chi Sig 19 to 14.

Again on Tuesday, Gamma Kap walked over Brubacher E and P 31 to 23. Nevelezer and Smith sparked the Greeks with 14 and 16 points respectively.

With only two weeks left before play-offs, the IM bowling standings are as follows:

Team	Wins	Losses
Gamma Kappa Phi	7	0
Chi Sigma Theta	6	2
Commuters	6	2
Councilers	6	2
Pierce	6	2
Kappa Delta	5	1
Phi Delta	5	3

### Statesmen On Road For Two; Tangle With Maritime, Pratt

In an effort to avenge a sound thumping handed them in the season's openers, the Peds Quintet will face a powerful Maritime Team at Maritime tonight, in the first of a two game weekend trip. The second will be played against Pratt Institute on the later court tomorrow night.

The hoopsters, who have been enjoying a 28 day abstinence from inter-collegiate competition looked "better than they ever have" in a scrimmage against RPI on Tuesday, according to Head Coach McMillin.

Hathaway, employing a man to man defensive with great success, the entire team appeared to be in top form and they will have to be for this week's gruelling trip to the B. City.

Williamantic Game Moved Up  
This long break in the state was caused by the cancellation of the

Williamantic tilt, which was to have been played on Saturday, January 5, but adverse weather conditions upset the travelling plans of the Connecticut college and the contest has been moved up to Monday, February 18 in the Page Hall Gym.

In the last game played before the Christmas recess, the Statesmen swamped Curry College of Boston, 73 to 62. The apparent closeness of the score is a bit deceiving because at no time during the festivities did the Purple and Gold have any trouble thwarting the Curry attack. Mr. Hathaway sprinkled the floor liberally with substitutes, employing many combinations and wisely supplying some of the green youngsters with much needed seasoning.

Starting line-up for tonight's game is Brown, Tabor, Walker, Centra, and either McDonald or Zongrone.

### Win A Contest; Ski For Free

If you are an undergraduate student at State, like to ski or would like to learn, you have an opportunity to win an expense-free trip to famous Vermont resorts, by entering the Third Annual "WHY SKI" Competition sponsored by the State of Vermont.

All you have to do is set down your ideas, whatever they are, on the subject "WHY SKI" 100 words or less, either prose or verse, and mail them before midnight, January 24, to Why Ski Editor, Statehouse, Montpelier, Vermont.

If you are one of the ten winners, you will be Vermont's guest for seven days, February 3-9. The Vermont Winter Sports Council will be your host, and Vermont's famous snow resorts will provide all meals, lodging, skiing and instruction.

### Outcome Will Be Huge Factor In Determining League Cup Victory

With the resumption of league activity in the Intra-Mural hoop league after the holiday layoff, a total of only four of the eighteen and league teams remain undefeated. This total will be reduced even further by games which undoubtedly will be a huge factor in the determination of the winner of the championship cup.

Only Kappa Beta, Potter Club, Kappa Delta Rho and the Finks have unblemished records with five wins apiece. Saturday, Kappa Beta will meet the Finks, and on Monday, Potter will face Kappa Delta Rho.

In action Wednesday night, the Pottermen garnered their fifth win by downing Sigma Lambda Sigma 46-22. Pete Teller led his mates to the win with a total of twelve markers and Al Kaehn gained runnerup honors with 10. The usually high-scoring John Stephenson was held to a mere 7 points which may injure his chances to stay among the leaders for high scoring honors.

The same night the Beavers dumped the Ocelots of Sayles Hall 39-19. High for the victors was Jim Warden who hooped 13 and high for the Ocelots was John Smith with five hoops for a total of 10 points.

### Upsets Mark The Intramural Bowling

#### Finks Ousted From First; Adams Hits High Tripile

The Rice Bowling Alley was the scene of some very fine consistent bowling Tuesday with the majority of games running true to form.

The one major upset was scored by the cellar-dweller 4-1 boys over the Finks. The victors led by the fine bowling of Joe Lombard, Art Golden, and Carroll Judd were in danger all through the match but came through in the tight spots to take three games to their opponents one. High men for the losers were Bob Lanni, and Bob Jacoby.

This upset, coupled with some fine bowling on the part of Chernoff and Wilson was that the Misfits needed to move into first place in the upstairs league. The Misfits found little opposition in the Commuters, except for Charley Lusk's 456 Triple.

The big game in the Downstairs League saw the Potter Grads continue along their winning ways as they defeated the second place Beavers. Better than 400 triples by the entire EPPP squad of Kaehn, Wetherby, Teller, Warden, and Juisto were too much for the fine scores rapped out by Demers and LeViness of the losers.

The other two games in this circuit ended in forfeits, with Sigma Lambda Sigma and Kappa Beta getting the nod over the Ram Dums and KDR respectively.

The afternoon high of 642 was rolled by Ralph Adams as he raised his league leading triple for the season by 98 pins to 642. Ralph is also leading the league with a 184 average. If Adams continues his current "hot" spree he will set an all-time high for IM averages.

The Clowns set back the Party-activity in the Intra-Mural hoop league of the evening. Each hooping 14 points Bill Dunn, Bill Taylor, and Ronnie Ganslow tied for scoring honors. Dunn led the winners while the Ganslow-Taylor total was not enough to thwart the Clown efforts.

After a slow start, Kappa Delta Rho came back strong and trounced the men from Thurlow Hall 58-31 on the Page Hall Court Monday night. Jim "Flash" Fox gained all scoring honors in the settee by chalking up 23 points to keep his game average at 20 points. Fox remains among the top five scorers in the league. For the Thurlowites, Ben Butter and John Eldridge each added 8 but it wasn't enough to stop the undefeated KDR quintet.

Chet Buchanan set a new season's scoring record for a single game and led the Angels to a win as they downed the Fakers 64-35. Buchanan threw in 34 points to account for more than half of his team score. Murray Zweben added 11 for the Angels while Arnie Smith garnered 17 for the losers.

Monday's third game didn't come off as a result of the Commuters forfeit to the Knicks. Three games were played on Saturday, the Finks fifth consecutive win being outstanding. Playing without the high-scoring services of Tom Yole the Finks blasted the Redskins 48-30. Frank Fay dunked in 10 to lead the winners while Mil- an Kirchniak was high for the losers with 9. High scoring Joe Persic was held to 4 points by the winner's defensive maneuvers.

### Ted Strauss Takes Title Fourth Consecutive Year

For the fourth consecutive year, Ted Strauss, Grad, won the S.C.F. table tennis championship. He copied the title by beating Al Brown '53, in three games, 21-16, 21-13, and 21-10.

The tourney originated with thirty-two contestants and was narrowed down to the semi-finals. Dick Becket and Marve Chernoff joined the finalists in the semi-finals. Brown bested Becket, while Strauss ousted Chernoff.

The Champ playing his usual steady game, had the upper hand at all times and increased his point spread in each game. Strauss holds singles titles at the YMCA, YMHA, and Siena College. He and his runner-up Brown, share the doubles title at the YMHA.

### Three Grads Receive Positions Through TPB

Elmer C. Mathews, Director of the Teacher's Placement Bureau has announced the placement of three State College graduates. The positions range from grade school to college teaching.

### Students Accept Operetta Parts

Two new members of the cast of the operetta Trial By Jury by Gilbert and Sullivan have been announced by Dr. Charles F. Stokes, Professor of Music. Mitchell Burkhardt has been accepted for the part of Defendant and Donald Duclos '54 will be Counsel for the plaintiff.

### Faculty Footnotes

Dr. Edward P. Shaw, Professor of Modern Languages, was a guest of James H. Hyde at the annual luncheon of the American Members of the Institute de France, held at the University Club, New York City, on December 15, 1951.

Anna Apostolides was the first to tell us she had already broken her resolution. "I guess I really didn't believe in mine," she said with a laugh that was far from regretful. "I broke mine the second day of school," declared Fran Hopkins. "I intended to go to the library instead of the Commons. It doesn't work." Flo Friedman made a typical resolution, to get enough sleep. "I've already broken it. Brubacher's so close, you know."

Dr. Lois Williams, Instructor in Ancient Languages, and Florence E. Raanes, Ancient Languages Supervisor in Milne, attended the joint annual convention of the American Philological Association Institute of America at Princeton University, from December 27 to 29, 1951.

### Dr. William S. Carlson To Succeed Dr. Alvin C. Eurich As New President Of The State University Of New York

Dr. William S. Carlson, formerly President of the University of Vermont, has been appointed President of the State University of New York.

WILLIAM S. CARLSON

Dr. Carlson is on record as being opposed to commercialized college football. In December of 1948, in a speech before the Middle Atlantic States Collegiate Athletic Conference in Philadelphia, he declared that college football was a possible "Frankenstein monster which threatened to obliterate the aims of the college itself."

The announcement of Dr. Carlson's resignation from his former position at the Vermont University came as a surprise even to members of the University's Board of Trustees.

In a press conference last month, Dr. Carlson stated that he regarded the new position as "a challenge to build on a sound foundation which has already been laid."

### State To Enter Bloody Contest

Do you feel sluggish? Are your veins heavy? Is excess blood weighing you down? Don't slit your wrist; get rid of some of the burden by donating to the Red Cross Blood Bank.

The University of Idaho claims to be the bloodiest campus in the U.S.A. Thirty-three per cent of the student body donated blood and the University has challenged any other campus to beat its record.

We can't let Idaho beat the Empire State. Already one hundred and seventy-five State College students have promised to donate.

Sorority Wins Scholarship Cup

The Eta Chapter of Alpha Epsilon Phi, located at State College, has won the Alpha Epsilon Phi Scholarship Cup.

According to Jacqueline Coplon '52, Dean, the Eta Chapter will keep the cup for one year. It will then be awarded to the next winner.

### Board To Hold Coffee Hour At Brubacher

Although this is State's initial Coffee Hour, they have been held in many other colleges throughout the state.

College Acquires Faculty Members

Three new members have been added to the State College faculty, according to Dr. Evan R. Collins, President of the College.

The Education Department now has as an Instructor William K. Louis. Louis received his A.B. and M.A. degrees at Duke University.

### Varsity Players Will Encounter Oswego, Potsdam

Hathawaymen Average 64.8 Points Per Game

Seeking to extend their current win streak to five straight, the State College Varsity Basketball squad will journey to the North Country to vie with Oswego and Potsdam tonight and tomorrow night respectively.

Riding high on the crest of three stunning victories, over Pratt, Marlinton, and Plattsburgh, by 15, 23, and 17 points, the Peds will face a powerful Oswego quintet led by a crew of fledglings.

State Favorites in Potsdam Tilt

On Saturday, the Statesmen should find the going a little easier, as they meet Potsdam on the latter's court.

Peds at Season's Peak

The Hathawaymen, although sizzling hot in their last three outings have had a three week abstinence from intercollegiate competition and might have a little of the luster removed from their otherwise sparkling attack.

College Acquires Faculty Members

Three new members have been added to the State College faculty, according to Dr. Evan R. Collins, President of the College.
