Dear Mr. Baez,

Thank you for your request to conduct your online survey with the Society of Indian Psychologists on our listserv. We are pleased to be able to grant you permission to do so this year. We are excited to hear about your outcomes next year. Remember you will be expected to present your project at the SIP convention.

If you have any additional questions please feel free to contact me at 518-956-3098 or [morseg@sage.edu](mailto:morseg@sage.edu). We hope it goes smoothly.

Blessings,
