

## Counsel's Report On Legislature Session Describes CSEA Wins

By HARRY W. ALBRIGHT, JR.  
CSEA Associate Counsel

(NOTE: Each year following the close of the 30-day bill period, Counsel for the Civil Service Employees Association, Inc., reports on civil service measures and other bills of particular interest to public employees that were considered by the State Legislature. The Civil Service Leader annually publishes this report for the information of its members. The report is continued from last week.

### SALARY ADJUSTMENT—ARMORY EMPLOYEES

In 1956 all the employees of the Division of Military and Naval Affairs whose salaries had been fixed by subdivision 4 of the Military Law fell behind their counterparts in the state service by three hundred dollars. From 1956 to 1961, these state employees had irretrievably lost the benefits of the three hundred dollars for five fiscal years. This Association has introduced during this entire period measures which would have eliminated this salary inequity and restored the \$300.00. This year, through the direct intervention of Major General O'Hara, the commanding general of the Division of Military and Naval Affairs, our efforts to restore the \$300.00 deficiency came to fruition. The bill also provides for the establishment of new salary grades and further provides for salary adjustments under the administration's salary bill. This law has become Chapter 559 of the Laws of 1961 and was introduced as a budget bill, Intro. in the Senate 2095, Print 2191.

### CONTINUATION INCREASED TAKE-HOME PAY

When it comes to legislative matters public employees have learned to take nothing for granted. Thus, it is that our Association sponsored legislation calling for the continuation of the five percentage points reduction of each employee's contribution rate to the State Retirement System. The Governor had stated in his original message to the '61 Legislature:

"I recommend extending for another year the five percentage point program adopted last year which will continue the increase in take home pay of public employees. I shall also recommend the extension and liberalization of other retirement benefits in accordance with our policy of strength, the economic security of our dedicated civil servants."

The Administration supported bill introduced by Senator VanLare and Assemblyman Wilcox—Senate Intro. 2969, Print 3172. (Continued on Page 14)

## Nassau CSEA Charting Ways To Equalize Non-Teaching Aides' Pay and Vacation

(From Our Long Island Correspondent)

MINEOLA, June 12—The Nassau Chapter of the Civil Service Employees Association today began to prepare its 1961-62 chart of comparative salaries and fringe benefits received by non-teaching employees in the maze of Nassau County school districts.

The chart, which has been compiled in five previous years, has been instrumental in raising the salary schedule of the non-teaching workers by an average of \$1,000, according to an estimate by Irving Flaumenbaum, Nassau chapter president. CSEA representatives in the local school districts have found the chart—with its wide disparities in pay levels—useful in convincing school officials to match the higher salary programs in force in other areas.

The chart was first developed, Flaumenbaum said, to determine the relative pay levels in Nassau—which has 62 independent school districts—with each board adopting its own program. A questionnaire was prepared by Flaumenbaum and Edward Perrott, president of the non-teaching section of the Nassau chapter. The chapter has a present membership of 1,000 workers out of the 7,500 nonteaching employees in the county.

### Fight Disparities

The CSEA's information gathering has improved each year, as its membership among custodial and cafeteria and other non-teaching personnel spreads through the county. The 1960-61 chart contained reports from 37 of the county's school districts.

Significantly, although some of the gaps have been narrowed, great disparities still exist in pay levels and fringe benefits. The Carle Place School District has a \$4,300 to \$5,400 five-step range for a head custodian in a high school. However, the Plainedge

School District has a range for the same employee which starts at \$5,600 and goes to \$7,000 in eight steps.

In the area of vacation pay, similar disparities affect the non-teaching workers. The Roslyn School District gives an employee one week vacation after one year and two weeks after five years. The Herricks district provides two weeks after one year, three weeks after five years while Farmingdale gives three weeks vacation after one year.

### Reasons Not Discernible

There is usually no discernible reason for the great variations in pay scales and fringe benefits. (Continued on Page 3)

## Central Conference Lists Speakers For Meeting in Massena

MASSENA, N. Y.—A meeting has been planned for the Central New York Conference and Workshop, Civil Service Employees Assn., at Massena, on Saturday, June 17. Final plans were announced by Mrs. Florence A. Drew, Binghamton, president of the Conference.

Four CSEA Chapters will act as hosts; Potsdam State Teachers College Chapter, St. Lawrence County Chapter, Ray Brook Chapter and St. Lawrence State Hospital Chapter.

All meetings of the Conference will take place at the Schine Inn.

The agenda calls for a tour of the Seaway and the St. Lawrence Power Dam starting at 10 a.m.; 1 p.m. lunch at the Schine Inn; 2 p.m. Conference delegates meeting and County Workshop meeting; 4 p.m. joint meeting of State and County delegates; 6:30 p.m. social hour; 7 p.m. dinner, and entertainment and dancing.

The annual meeting of the Central New York Conference will be coordinated by Mrs. Drew. A highlight of the confab will be elections for the 1961-1962 term and all Conference committees will present goal reports.

At the same time, the County Workshop will convene under the direction of President S. Samuel Boreilly.

Toastmaster at the dinner will be Melvin A. Ferns, State Veterans Counselor of Malone, a member of the Ray Brook CSEA Chapter. Among the invited guests are Sen. Robert C. McEwen, Ogdensburg Assemblyman Cerner M. Ingram, Potsdam; Dr. Herman B. Snow, Director of the St. Lawrence State Hospital; John Devlin, chairman of the board of Ter Bush & (Continued on Page 16)

## Metro Conf. Meet Offers Free Use of Jones Beach, Specially-Priced Show

Free use of the entire facilities of Jones Beach State Park is only one of the lures drawing attendance for the annual Jones Beach outing of the Metropolitan Conference, Civil Service Employees Assn., on July 1.

Solomon Bendet, Conference president, announced that two other attractions are making this year's affair a big drawing card. They are:

1. A fillet of beef dinner that is selling for only \$4, with a special half-price plate for children.
2. Reduced tickets to the big Jones Beach outdoor theater production of "Paradise Island." Conference members may purchase tickets for only \$3.

Starting at 10 a. m., arriving guests can register at the Boardwalk Restaurant on the North Patio. Use parking field 4 when arriving. After registration the beach's locker rooms, swimming pools, beach, games, etc., are at the visitors' disposal without cost.

Because of the July 4 holiday, tickets are limited and those wishing to attend are urged to contact their Chapter Presidents at once

for tickets by contacting Mrs. Ruth Bickel, Creedmoor State Hospital, Queens Village, HOllis 4-7500, or Yoland Palumbo, State Racing Commission Laboratory, 148-07 Hillside Ave., Jamaica, JA 3-8300. Deadline for reservations is June 26.

So hurry!

LOCKPORT, June 12—Arnold C. James has been appointed chief of the North Tonawanda office of the Niagara County Motor Vehicle Bureau, effective June 16. Mr. James, a former North Tonawanda alderman, had placed first on a Civil Service list for the \$4130 post.

NEW ROCHESTER OFFICERS: Shown above are the newly installed officers of the Rochester State Hospital chapter, Civil Service Employees Association. From left to right are: Archie Graham, delegate; Pearl Miles, corresponding secretary; Edna McNair, first vice president; Frank Barnish, president; Iris Jackson, Treasurer; Katherine Moynihan, second vice president; and Margaret Nolan, recording secretary.

# Thurs. Ends Police Filing

June 15 is the filing deadline for New York City's June 17 patrolman test. The mailed in application deadline was June 9.

As of June 5, a total of 1,717 candidates had filed applications.

All U.S. citizens, regardless of residency local can apply. However, on appointment, a policeman must live either in New York City, Westchester or Nassau County.

The current starting salary for patrolmen is \$5,200 a year reaching a maximum of \$6,561 a year. A \$200 increase will be granted on July 1, followed by another \$200 on Jan. 1, 1961.

## Requirements

Candidates who take one written test for this position will not be permitted to take another test for at least one year.

At the time of filing, the following requirements must be met. Candidates must be at least 20 and not more than 29 years of age. Candidates must be 21 at the time of appointment. Veteran's preference is granted in determining eligibility as to age. Candidates should check Section 243 of the Military Law to see if they can deduct from their actual age.

Candidates must be U.S. citizens and must be at least five feet, eight inches tall, and have approximately normal weight for height. Vision must be 20/30 in each eye without glasses.

Candidates must have a high

school diploma or its equivalent. A driver's license must be presented at the time of investigation.

Proof of good character is a prerequisite to appointment. Persons convicted of a felony, petty larceny or who have been dishonorably discharged from the armed forces are not eligible for a position as a patrolman. At the time of appointment candidates must live in New York City or in Nassau or Westchester counties.

All candidates who pass the written test will be required to pass a qualifying medical test and physical test. Candidates shall be rejected for any deficiency, abnormality or disease that tends to impair health or fitness.

Applications can be obtained at the Application Section of the Department of Personnel, 96 Duane St., New York 7, N. Y. The deadline for filing applications is July 31.

## Army Ordnance Needs Electronic Engineer

The New York Ordnance District, U. S. Army, 770 Broadway, is urgently in need of an electronic engineer (general) at the grade 12 level of \$8,955 a year. A degree in electronic engineering plus three years of professional experience is required. For further information contact Mrs. Vogel at OREGON 7-3030, Ext. 395.

# Mechanical Engr. Test Closes Soon

Applications will be accepted until June 30 for New York City's assistant mechanical engineer test. The salary for this position ranges from \$6,400 to \$8,200 a year.

Candidates for this test must have a baccalaureate degree in mechanical engineering and three years of satisfactory practical experience. Graduation from a senior high school and seven years of experience or a satisfactory equivalent combination of education is also acceptable.

Assistant mechanical engineers are eligible for promotion to the title of mechanical engineer with a salary range of \$7,800 to \$9,600 a year.

The written test will count for all of the total grade. A mark of 60 percent is required for passing. The test is expected to consist of 100 short answer multiple choice questions.

Applications can be obtained at the Applications Section of the Department of Personnel, 96 Duane St., New York 7, N. Y. up to June 30. Applications must be filed in person between 9 a.m. and 11 a.m.

The written test will be given on any week day from 9 a.m. to 11 a.m. when requested by a candidate who has the required experience, provided he has not failed a previous test in the title within a period of six months preceding the date of application.

The test will be given in one session of about four and a half hours. Candidates should come prepared with a slide rule and lunch when they present their application for filing.

## Mayor Authorizes Short-Day Periods, Or Equal-Time Off

Mayor Robert F. Wagner has authorized extension of the shortened work day for the periods from June 19 to and including June 30, and from Sept. 1 to and including Sept. 15, on a skeleton staff basis.

This authorization for shortened work day applies to those City employees who work a short work day during July and August, under the provisions of Section B-40-12.0 of the Administrative Code.

All installations and offices must be kept open and vital operations adequately manned. Theodore H. Lang, Personnel Director, said in announcing the Mayor's directive. Mr. Lang said that in cases where employees cannot be released, compensatory time off on an equal-time basis is authorized.

## CORRECTION CORNER

By JACK SOLOD

(The views expressed in this column are those of the writer and do not necessarily constitute the views of this newspaper or of any organization).

### A Valentine

DOWN THROUGH THE YEARS I have met and known many people. Janitors, doctors, politicians, millionaire business men, lawyers, civil servants, and just average working stiffs like myself. One of the nicest guys I remember was a street cleaner employed by the city of New York, who during the depression years on a \$40 week take-home pay, used to spread around 10 bucks a week to kids in my old Brooklyn neighborhood who were scrounging for a buck.

I AM NOT A WORSHIPPER of guys who made it big; and then forgot the little fellow. The fellow that makes me tip my hat is the one that never forgets those less fortunate than himself. My respect goes to those people who are ready to go out on a precarious limb to right an obvious injustice or help some poor sucker in need of a lift. A man may be in high position, or loaded with folding green but unless he has "heart" he leaves me cold.

THIS COLUMN IS dedicated to three people with "heart." H. Elliot Kaplan, President of the State Civil Service Commission and Commissioners of Civil Service Al Falk and Mary Goode Krone.

WORKING IN ONE OF our state Correctional Institutions are three attendants who for the past 20 years have been performing the same work as Correction Officers. Due to an oversight in the 1940's when the attendants at Dannemora State Hospital and Matteawan were reclassified these men continued to work and receive pay equal to attendants in the Mental Hygiene Institutions.

SIX YEARS AGO as a Civil Service Employees Assn. delegate I first filed an appeal to correct this inequality.

WITH THE HELP OF HENRY GALPIN, C.S.E.A. research analyst, we have filed for reclassification, title change, etc. and been rebuffed time and again.

THREE MONTHS AGO, we filed an appeal with the Civil Service Commission and on May 18, 1961 finally came the decision. The Commission had sustained the appeal, these titles will be changed to correctional attendants and these men will go from grade 5 to grade 11.

SO WITH a warm feeling in my heart, on behalf of these concerned and everyone interested in the true administration of Civil Service, hats off to the three Commissioners who saw their duty and had the "heart" to follow through.

### News, Notes and Thoughts

CORRECTION CONFERENCE will meet in Albany, June 26, 27, 1961. Meetings will be held with Commissioner McGinnis and the legislative program for the next session will be formulated . . . Sanitation workers in N. Y. City hailing new 37½ hour week. They will now work a straight eight hour day with a lunch break of 30 minutes. Most state prisons have been working this way for years . . . State Controller Levitt says that between six and seven million dollars a year above the cost of the present 5 percent plan will make possible a non-contributory pension system for state employees.

NEW YORK STATE has given its employees four raises (1956, 1957, 1959, 1961) in the past five years, but State Correction officers have gained exclusive of longevity increments the big sum of \$214.00 in all this time.

JOE CARLINO, speaker of the State Assembly has recommended a raise of \$900 at the entrance level for Nassau County Police. This will bring the minimum salary to \$5,600 a year . . . New York City salary appeals board will rule on appeals effecting 150 titles during June, eight million dollars has been set aside for these reallocations.

WASHINGTON GRAPEVINE: President Kennedy will sign bill giving greatly increased pension benefits to Federal Employees . . . New labor party will shortly be launched in New York City. Unions are behind this move and will go all out for Mayor Wagner.

AUBURN PRISON still having a tough time with personal leave time off. Most prisons have this problem licked. Some administrations feel they are giving you money out of their personal allowance when they approve a P.B. day. This time off should be made mandatory.

NEW YORK CITY Civil Service plumbers to get \$4.65 per hour plus \$3.00 a day toward a union supplemental retirement benefit . . . What's cooking in the Southern Conference CSEA coming elections this month? . . . That employee who benefitted by \$14 a year gross from the last state raise gained exactly one cent a week net increase . . . Special session of State legislature will be held after November elections.

REAPPORTIONMENT OF Congressional districts will be set up. Word is that the big judgeship fight is all set and will also be passed. N.Y. City political leaders say that Republican Mayorality candidate will be lured with Supreme Court judgeship if defeated . . . 25 year half-pay retirement for uniformed personnel will have top priority of Correction Conference at next legislative session (with no deficiency payments similar to state police).

## NASSAU NON-TEACHING AIDES

(Continued from Page 1)

Aside from providing unequal levels for workers doing the same type of jobs, the disparities have created an employee "raiding" problem between districts, similar to the "raiding" problem faced by the districts with teachers, who also get different salary levels.

The 1961-62 questionnaire, now being filled in from the recently-adopted 1961-62 school budgets,

will be completed during the next few months and sent to all non-teaching employees, for use in negotiations with school board when they begin, next winter to make up 1962-63 budgets.

"Our effort," commented Mr. Flaumenbaum, "has been to make the schools aware that the custodians are, in fact, as important to the operations of their systems, as are the teachers."

## Teachers Seek 5-Point Plan

(From Our Rochester Correspondent)

ROCHESTER, June 12—Another attempt will be made in the State Legislature to obtain a 5 per cent increase in take-home pay for teachers here.

Permissive legislation will be introduced which would allow the Board of Education to pay the first 5 per cent of employees state pension contributions.

In effect, this would give the teachers the pay hike. State, city and county workers are now benefiting from a similar plan.

Gov. Rockefeller vetoed a bill this year which would have granted municipalities authority to make the change. Sen. Frank E. Van Lare of Rochester, who co-sponsored the bill with Assemblyman Paul B. Hanks Jr. of Brockport, said he will introduce a revised bill in 1962.

The New York State Teachers Association reportedly is lukewarm to the proposal, although the organization supported the plan at its last state convention. The Rochester Teachers Association gave its support during the 1961 legislative session and the Van Lare-Hanks bill passed the Assembly on closing day.

## Mrs. Frank Cook Retires Next Week

WATERTOWN, June 12—Mrs. Frank O. Cook, 116 South Pleasant Street, senior typist in the office of City Engineer, Harold R. Dwyer, has resigned her municipal post, effective June 17, it was announced today.

Mrs. Cook has been a civil service employee of the city for twelve years, first serving as a typist in the water department.

## Schenectady Pay Hopes Go Up; CSEA Vacation Proposals Are Adopted

SCHENECTADY, June 12—The Civil Service Employees Association, bolstered by the success of its new vacation schedule for Schenectady city employees and a promise by Mayor Malcolm Ellis that he will "advocate strongly" that pay raises be given this year, this week resumed negotiations on a revision of the city's salary plan.

CSEA Salary Research Analyst F. Henry Galpin and Field Representative Patrick G. Rogers were to meet tonight with Schenectady City Manager Arthur Blessing to discuss the plan.

Mr. Galpin was to present further data on Schenectady's salary ranges as compared with those in comparable cities across the state. The CSEA representatives were to advocate at least a 10 per cent general salary hike in the revision plan.

### Vacation Plan Adopted

The CSEA vacation proposal, the same as that won by the Association for county employees, was adopted by the City Council early this month. The CSEA plan was endorsed by the Council's Finance, Laws and Ordinances Committee. They said that with the adoption of this plan, rather than one proposed by the union, salary increases were feasible this year.

Following the passage of the new vacation schedule, Mayor Ellis said "I will advocate strongly

## Rochester Installs New Officers at Dinner Meet

The Rochester State Hospital chapter, Civil Service Employees Association, held its tenth annual dinner dance last month.

The newly elected chapter officers were installed. They are Frank Barnish, president; Edna McNair, First vice - president; Katherine Moynihan, second vice-president; Margaret Nolan, recording secretary; Pearl Miles, corresponding secretary; Iris Jackson, treasurer; and Archie Graham, delegate. The installing officer was Dr. Theodore Wenzl, treasurer of the CSEA.

Invited guests attending the

dinner included: Dr. C. F. Terrence, director of the hospital, and Mrs. Terrence; P. J. McCormack, business officer of the hospital, and Mrs. McCormack; Robert J. Benedict, president of the board of visitors, and Mrs. Benedict; Raymond G. Castle, second vice-president, CSEA, and Mrs. Castle; Claude E. ## Western Armory Aides Honor General O'Hara

(From Our Buffalo Correspondent)

BUFFALO, June 12—Maj. Gen. A. C. O'Hara, commanding general of the New York National Guard, was signally honored here June 1 when he received a plaque for aiding state armory employees to attain wage scales at "respectable levels."

General O'Hara was guest of honor at the annual dinner of Chapter 135 Western New York Armory Employees. Members noted he had been instrumental in obtaining two recent wage increases for armory employees.

The general said the National Guard nationwide now has approximately \$100,000,000 invested in armories. New wage scales, he said, should make it possible to hire enough men to keep New York State's armory investment in

excellent shape.

Gen. O'Hara was cited for helping the workers obtain a wage increase denied them in 1956 and for helping to bring about reclassification qualifying them for this year's general state employees wage increase.

Joseph F. Kenney was elected chapter president, succeeding Henry E. Petersen. Other officers are: vice president, Paul W. Smith; secretary, Lawrence H. Vogel; treasurer, Charles F. Getman. Elmer H. Martin of North Tonawanda was chosen CSEA delegate.

The following received longevity pins: Howard C. Atkinson, Jamestown, and Clifton A. Huff, Olean, 25 years; Joseph A. Wilbur, Jamestown, 15 years; Mr. Smith 10 years.

The following directions tell where to apply for public jobs, and how to reach destinations in New York City on the transit system.

**NEW YORK CITY**—The Applications Section of the New York City Department of Personnel is located at 96 Duane St., New York 7, N.Y. (Manhattan). It is two blocks north of City Hall, just west of Broadway, across from The Leader Office.

Hours are 9 A.M. to 4 P.M. closed Saturdays except to answer inquiries from 9 to 12 A.M. Telephone COrtland 7-8880.

Mailed requests for application blanks must include a stamped self-addressed business-size envelope. Mailed application forms must be sent to the Personnel Department, including the specified filing fee in the form of a check or money-order, at least five days before the closing date for filing applications. This is to allow time for handling and for the Department to contact the applicant in case his application is incomplete.

The Applications Section of the Personnel Department is near the Chambers Street stop of the main subway lines that go through the area. These are the IRT 7th Avenue Line and the IND 8th Avenue Line. The IRT Lexington Avenue Line stop to use is the Brooklyn Bridge stop and the BMT Brighton Local's stop is City Hall. All these are but a few blocks from the Personnel Department.

**STATE** — First floor at 270 Broadway, New York 7, N. Y. corner of Chambers St., telephone BAclay 7-1616; Governor Alfred E. Smith State Office Building and The State Campus, Albany; State Office Building, Buffalo; Room 400 at 155 West Main Street, Rochester (Wednesdays only); and 141 James St., Syracuse (first and third Tuesdays of each month).

Any of these addresses may be used for jobs with the State. The State's New York City Office is two blocks south of Broadway from the City Personnel Department's Broadway entrance, so the same transportation instructions apply. Mailed applications need not include return envelopes.

Candidates may obtain applications for State jobs from local offices of the New York State Employment Service.

**FEDERAL** — Second U.S. Civil Service Region Office, News Building 220 East 42d Street (at 2d Ave.), New York 17, N. Y., just west of the United Nations building. Take the IRT Lexington Ave. line to Grand Central and walk two blocks east, or take the shuttle from Times Square to Grand Central or the IRT Queens-Flushing train from any point on the line to the Grand Central stop.

Hours are 8:30 A.M. to 5 P.M. Monday through Friday. Telephone number is YU 6-2626.

Applications are also obtainable at main post offices, except the New York, N. Y., Post Office. Boards of examiners at the particular installations offering the tests also may be applied to for further information and application forms. No return envelopes are required with named requests for application forms.

### Macy Outlines Goals Of a Public Personnel System Based on Merit

Civil Service Commission chairman John W. Macy, Jr., set out what he considered "the goals of a public personnel system, based on the merit principle" in a recent speech before the annual conference of the Society of Personnel Administration.

Mr. Macy's specific recommendations follow: "seek out, attract, and select competitively the men and women of highest possible quality to staff essential public activities; preserve political neutrality and to eliminate any real or apparent personal patronage or favoritism in all personnel actions; assure equal opportunity to all groups for entry and advancement by rejecting discriminatory standards such as race, creed, color, sex, or other non-quality measures; provide training programs to enhance performance on present jobs and to prepare the better employee for more difficult and more responsible work.

Assure advancement in the service only on merit and through demonstrated ability, not through seniority or conformity; provide pay based on importance, difficulty, and responsibility of the job and the qualifications and achievements of the individuals; offer pay and benefit plans reasonably related to those of progressive private employers, adequate to support a decent standard of living, and proper in terms of the Government's social objectives for the total population; develop a climate for high quality, productive effort dedicated to the public interest, and with respect for the individual worth and dignity of every man and woman rendering such service."

### Replacing Civilians By Army Knocked

Vaux Owen, president of the National Federation of Federal Employees, together with James Campbell, president of the American Federation of Government Employees, appeared before the House's manpower subcommittee last week to protest the replacement of Defense Dept. civilians with military employees.

Both Republican and Democratic members asked that the Defense policy forbidding military personnel in civilian jobs be enforced. The means of effective enforcement, however, was not decided on.

Owen and Campbell both cited cases where civilians had been replaced by the military. They agreed that the cost of a military man was double that of a civilian.

### Commission Changes Suggestion Program

Last week the Civil Service Commission approved several changes in the suggestion program. These changes are effective July 1. They were made by the Commission following a thorough study of the six year old program and consultation with representatives of Federal departments and agencies. The minimum cash award will be increased from \$10 to \$15; but after July 1, such awards will be given only when the measurable benefit to the Government amounts to at least \$50. Under this system the savings will gen-

erally be greater than the cost of processing a suggestion.

The new awards scale permits agencies to make cash awards of as much as five percent of measurable benefits up to a ceiling of \$10,000 in benefits, instead of the lower sliding scale previously authorized. However, agencies still may make awards of up to \$5,000 without the prior approval of the Commission, and up to \$25,000 with the Commission's approval.

In the year ending last June 30, employees submitted about 412,000 suggestions, of which some 113,000 were approved. This resulted in measurable savings totaling some \$58.6 million and earned about \$2.8 million for employees.

### Agriculture Gets 1,500 Jobs Out of 2,000

The House Appropriations Committee approved 1,500 new jobs for the Department of Agriculture. The Department had requested 2,000.

The new jobs will be allotted to soil conservation and other research activities. Around 100 new people will be put on the meat inspection staff.

### Key Bill Gives VA Employees Pay Raises

Representative Elizabeth Key is sponsoring a bill which would give pay raises to Veterans' Administration doctors, dentists, nurses and top administrative staff. If the bill receives approval from the Kennedy Administration, it will

## Federal Officers Wanted By U. S.

The United States Civil Service Commission has announced a closing date of June 27 for its correction officer test. Both men and women are wanted for these jobs which pay \$4,830 a year. Jobs are in Federal correctional and penal institutions throughout the country.

Candidates must have at least three and a half years of experience in dealing with individuals or groups of people. The level of experience must equal, in difficulty and responsibility, to at least that gained by a skilled craftsman, clerk or a technician.

probably be supported by the House Veterans Committee and V.A. officials.

The present pay for doctors and dentists ranges from \$6,995 to \$15,030 a year. Under the Key bill, their pay would jump to \$8,720 to \$18,090 a year. The starting salary for nurses would be upped by \$185 and the maximum by \$510.

The V.A. administrator would get \$25,000 instead of \$22,000; the deputy \$24,000; the chief medical director \$22,000 and the area medical directors \$20,000.

### Reclassification Hearing

The New York City Civil Service Commission is holding a public hearing today (June 13) on the request to classify legal secretary to the Chief Magistrate in the exempt class, under Rule X, for City Magistrates' Court.

Such experience may have been gained in the Army, or in selling, teaching.

One year of study in a resident school above high school level may be substituted for nine months of experience to a maximum of three years of experience. One year of study in a resident vocational school at high school level may be substituted for six months of experience for a maximum of two years of experience.

Applicants must be U.S. citizens and at least 18 years old. Good character is required. There are no height or weight limits, but height must be in proportion to weight. Applicants must be physically able to perform the duties of the position, and be free from defects or disease.

Vision required is 20/100 in each eye without glasses or at least 20/30, corrected. Hearing must be normal.

All candidates will take a written test designed to measure verbal abilities, judgment and ability to make decisions on the basis of information given orally. An investigation will be required of all candidates.

Application Form 5000 AB may be obtained at the regional office of the U.S. Civil Service Commission in the News Building, 220 E. 42nd St., New York 17, N.Y. The announcement is No. 9-14-2 (1958). Applications must be filed with the Board of U.S. Civil Service Examiners, U.S. Penitentiary, Leavenworth, Kansas, postmarked no later than June 27.

Of course  
you would—for  
as large an amount  
as you could buy.

Have you ever stopped to think that in everyday life your earning power is really the source that produces golden nuggets. These "golden eggs" in terms of dollars and cents provide the food, clothing, shelter and the other things you have, and do, to make your family comfortable and happy.

Are you protecting your earning power? Would you receive an income if an accident or sickness kept you away from work?

The C.S.E.A. Plan of Accident and Sickness Insurance, which covers over 37,000 members, will pay you an income each month if you are totally disabled from covered sickness or injury. You receive your check even though you are still getting sick leave pay or benefits from other insurance.

## Local Labor Bureau Needs Clerk-Steno

The U.S. Department of Labor, Bureau of Labor Statistics, in New York City is in need of a clerk-stenographer. The position is a temporary one for a period not to exceed six months, grade GS-4, with an entrance salary of \$4,040 a year.

The applicant must pass the required Civil Service examination and have had one year of stenographic experience.

College study with a major in commercial, business or secretarial subjects or a sufficiently high score on the Civil Service examination may be submitted for the required experience.

Applicants for the position should contact Esther Hackner at LW 4-1300, extension 493 or 495, and arrange for an interview.

**CORTLAND COUNTY OFFICERS:** Shown above are the newly installed officers of the Cortland County chapter, Civil Service Employees Association. From left to right are: Mrs. Mildred Mills, treasurer; Martha Lawrence, corresponding secretary; Franklin Pierce, first vice president; Harry Cooper, president; Verne Tapper, third vice president of the Civil Service Employees' Association who installed the officers; and Mrs. Clara Hebert, recording secretary. Helen Lucy, second vice president, was absent when the picture was taken. Former County Judge, Morse E. Ames, was toastmaster at the annual dinner and installation. The former executive secretary of the Cortland County Civil Service Commission, Jesse L. Graham, gave the invocation. Ben Roberts, C.S.E.A. field representative, was a guest. Charlene Hemrick headed the dinner committee. She was assisted by Martha Lawrence and Mary O'Hearn. Mrs. Edith Phelps provided the music.

## Two Promotions Added to June List

Two new exams have been added by New York City to the list for the June filing period. Both of these tests are promotional. One is for promotion to

mechanical maintainer, group B, paying \$2.85 to \$2.91 an hour. The other is for promotion to assistant supervisor (ventilation and drainage). These jobs pay \$7,380 to \$7,893 a year.

The mechanical maintainer, group B, test is open to Transit Authority employees who have been employed as maintainer's helpers, group B, for at least six months immediately preceding Nov. 27.

Transit Authority employees who have worked as a foreman (ventilation and drainage) or foreman (line equipment) for at least one year immediately preceding Dec. 1 are eligible for the assistant supervisor test.

For the mechanical maintainer jobs, performance and seniority count for half of the total grade and a practical test for the other half. Practical testing will begin Nov. 27.

Performance and seniority also count for half of the total grade in the assistant supervisor test. A written test counts for the other half of the total grade. December 1 is the test date.

A single list will be established from each of these tests which will be used to fill vacancies throughout the Transit Authority.

Both of these tests will remain open until June 21. Application forms can be obtained at the Applications Section of the Department of Personnel, 96 Duane St., New York 7, N. Y.

## Welfare Puts Med-Care For Aged Into Operation

Medical Care for the Aged has been put into operation by the Dept. of Welfare, Commissioner James R. Dumpson said, and applications from persons 65-years-old and over, are now being accepted at 14 different New York City Welfare Centers.

Those persons in the over 65-year-old category not now on public assistance in need of medical care and unable to provide this care for themselves, are eligible.

### Where to Apply

Applications for medical care under the program fostered by Mayor Robert F. Wagner are available at the following WELFARE CENTERS:

Manhattan: 330 East 5th St.; 154 East 68th St.; 309 East 108th St.; 260 West 30th St.; 149 West 124th St.; 1951 Park Ave.

Queens: 29-28 41st Ave., Long Island City.

Brooklyn: 330 Jay St.; 163 Bradford St.; 147 Prince St.; 749 Atlantic Ave.

Bronx: 266 East 161st St.; 1918 Arthur Ave.

Richmond: 95 Central Ave., St. George, Staten Island.

Commissioner Dumpson said that under the State law this medical care is a public assistance program and that eligibility is based on need.

Allowable income and resources which do not disqualify an applicant:

1. Income of \$1,800 for main-

tenance, if single; \$2,600 if married and living with spouse.

2. Other liquid resources up to \$900, allowed as reserve, if single; \$1,300, if married and living with spouse.

3. Payment for annual premiums on health insurance covering care and other medical expenses provided under the MAA program, which shall not exceed \$150 if single, or \$250 if married, and the policy covers the spouse. However, if the health insurance policy is already paid up, an additional reserve shall be allowed of \$150 or \$250 respectively.

The program provides eligibles, following an extensive investigation, for physicians' services; care, treatment, maintenance and nursing services in hospitals, nursing homes, infirmaries or other medical institutions; outpatient hospital or clinic services; home nursing services; drugs, sickroom supplies, prosthetic appliances, and physical therapy.

Under State regulations, it is required that eligibility for Medical Assistance for the Aged be redetermined every three months with medical certification for continued need for such care.

### Establish Earnings

Approval of a salary increment scale 18, has been asked for secretary to the commissioner of Marine and Aviation. The wage range is \$6,400 to \$8,200. The request was made of the Board of Estimate.

## HOW TO PREPARE FOR CIVIL SERVICE EXAMS

Some individuals, learning that an examination is about to be held for a position for which they feel that they are qualified, make further inquiries, file an application, enroll at a Civil Service School of established reputation and diligently apply themselves to this specialized preparation. In their case there is considerable prospect for eventual success.

Unfortunately, others content themselves with filing an application, visiting libraries, and obtaining books which are usually out-dated and of doubtful value. They often study intensively but their haphazard approach to preparation brings them to their exam with little or no hope of success.

### ADVANTAGES OF CIVIL SERVICE

Appointments are strictly on a merit basis. Duties are interesting and offer good chances of promotion plus job security, liberal vacations, sick leave and social security benefits in addition to pensions.

## An Answer to Recruiting

THE New York City Civil Service Commission in its extensive recruiting programs to fill job vacancies, may very well be overlooking a large segment of people that would be the answer to difficulties encountered in recruiting.

There are many men and women who due to an illness, are no longer able to perform normal physical work, but do have the mental capabilities to fill other jobs. These people do not turn to Civil Service. It is likely they do not do so, due to the lack of information relative to jobs of the non-physical type, that they can hold.

It would be wise for the Commission to determine which jobs under their jurisdiction require more of the mental talents of a person. Once making this determination, promotion for these Civil Service positions can be geared to those people limited to non-physical exertions. Thus a great service can be performed by the Commission to a segment of the population that still has something to offer if informed where to apply.

## Non-Teaching Aides

IN that vast complex called our "education system," the spotlight of attention is focused most frequently on the problems of teachers and building programs.

We do not decry the importance of either one nor the need to constantly pursue these two aspects of the system.

We are amazed, however, at how little attention is given to the maintenance, clerical and other help employed by our school districts under the general title of non-teaching employees.

For teachers, there is usually some equal standard applying in adjoining districts. To look at the pay and vacation plans for most non-teaching employees, one would think they were drawn up with no regard at all.

For example: The Leader learned this week that three adjacent school districts treat their employees (non-teaching) this way: School 1 gives a week's vacation, School 2 gives two weeks and School 3 hasn't yet figured out a formula yet.

The pay scales—for the same work—vary in all three. And in all three districts the pay, vacation and working benefits are archaic. Yet, no school could operate without non-teaching workers.

The 98,000-member Civil Service Employees Assn. has been busy exposing this poor employment situation and, in many areas, has not only introduced a standard of employment but has also increased salaries and work benefits.

Non-teaching employees throughout the State owe it to themselves to be aligned with this movement. There is no greater example of the value of "belonging" and in gaining strength through unity. The Employees Association is bringing the non-teaching employee more into the spotlight and the public is being made more aware.

Local school district officials are urged to pay more proper attention in this area. And they will pay more attention if voices are focused into one, loud shout.

## Questions Answered On Social Security

Below are questions on Social Security problems sent in by our readers and answered by a legal expert in the field. Anyone with a question on Social Security should write it out and send it to the Social Security Editor, Civil Service Leader, 97 Duane St., New York 7, N. Y.

I understand that a recent change in the law allows a parent working for a son or daughter in

a trade or business to get social security credit for his work. I am working for my stepson. Does it make any difference that he is my stepson, rather than my son?

No. The family relationship can be that of a parent and a natural, adopted, step, or foster son or daughter. The important thing is that the parent be working as a bona fide employee in the business or trade operation of the son or daughter.

## LETTERS TO THE EDITOR

### Welfare Patrolman Wants Action Now To Upgrade Status

Editor, The Leader:

As you probably know by now our Peace Officer Bill was squashed and again shelved till next year. This does not mean however that we are through fighting for the status and salary we rightfully deserve.

We will not relent until this City faces up to its responsibility and accords us the respect given the other Police agencies. For quite some time the inequities and injustices heaped upon the WELFARE PATROLMAN have been known to some of the public. Lately an attempt at progress toward improving our lot has been made, however nothing has come to pass.

This is largely due to the Mayor's hesitation to take a strong stand on the recommendations made by Commissioner Dumpson. These recommendations which are; STATE Peace Officer status, official title change, promotional opportunities to Sergeant, Lieutenant, and Captain, pay parity to Housing Police, and uniform allowance of \$95.00 per year were made in September 1960.

Since then nothing has happened except, a uniform allowance change from \$40 to \$75 a year. Our benevolent association is told we are not recognized bargaining agents, and our President is harassed at every possible occasion.

At the starting pay a married man with 2 children takes home \$57 a week.

We must cry out. We will continue to cry out until we are finally heard.

### Sanitation Widows Hit Low Pension

Editor, The Leader:

Speaking about the fireman's and policeman widows, of getting a raise in pension, what about the old street cleaning Sanitation widows? Are they forgetting we only get \$50 a month.

How can we get along on this, with the high cost of living, and most of us are too old to work. I wrote to the Mayor about it but he don't seem to care, as long as they get there's.

### Take-Home Pay Cut Questioned By State Worker

Editor, The Leader:

The writer is a building guard in the capitol district area. We, my associate guards, and hundreds of other employees in State institutions who are similarly affected, wonder if your organization is aware that the above people are now taking home less pay than before the "raise" was passed.

Many of us who worked 48 hours per week about five years ago, were reduced to 40 hours at

### Public Retirees' Taxes

THIS INSTALLMENT IS a continuation of last week's on the same subject. Once again I express my gratitude to Thomas F. Wehmeyer of the New York State Employees' Retirement System for his assistance in the preparation of the columns.

#### Pensioner Notification

ALL RETIREES of the State System receive a letter within a month after receipt of the first retirement check which, if their allowance is \$600.00 or more, will advise of their tax category. The New York City System gives the employees information for them to take to Internal Revenue for a tax computation.

THOSE IN THE "Cost recovery within three years" group will be given the amount of cost in such letter and those under the "Exclusion ratio basis" are advised that the elements needed to compute their taxable income will be forwarded before March 1 of the year following retirement.

THE RETIREMENT systems are obligated to file Federal form 1099 with the Treasury Department in instances where payments are greater than \$600 and a copy is forwarded to the retiree. For the first year only, a card showing the first three items of Schedule E Part I accompanies the 1099 copy. Such card is to be kept for annual tax reference for it is issued only once because, as mentioned last week these elements are constant.

#### Lump Sum Payments

LUMP SUM PAYMENTS are also subject to Federal tax and the taxable income of such payments is treated as a long term capital gain.

ACCORDINGLY, MEMBERS resigning their employment who obtain a withdrawal of their account incur taxable income in the interest credited to their accounts.

THE TAXABLE INCOME for beneficiaries of retired members is the amount determined by subtracting from lump sum received, the cost not recovered by the retiree and the statutory deduction of \$5,000.00 which is permitted due to a payment on account of death.

THE TAX TREATMENT for beneficiaries of active members was presented in an article appearing in the December 13th issue of the Leader but is reiterated. The taxable income of the "Big Death Benefit," which consists of the member's actual contributions, the interest credited to his account and the ordinary death benefit provided by the Systems, is the result of subtracting the actual contributions made by the deceased, the pre-1939 employer contributions and the \$5,000.00 statutory deduction from the payment.

FEDERAL FORM 1099 is also prepared for lump sum payments of \$600.00 or more and the item shown is the taxable income which the taxpayer is to further treat as a long term capital gain.

#### Estate Taxes

THE PAYMENTS MADE to beneficiaries of deceased members who either retired or died in service are subject to Estate tax provisions both Federal and State and the amount to be considered is identical. Note, the State imposes an Estate tax, too.

IN THE CASE OF the "Big Death Benefit" the item for Estate tax is known as the Accumulated Contributions, consisting of actual contributions by the deceased and interest credited to his account.

LUMP SUM PAYMENTS after retirement are in two categories: option one-half which is the return of the balance of the deceased's account used for retirement, and option one which is the balance of both the deceased's account and the Systems' or Employer's account.

THE BALANCE OF THE deceased's account returned under Option one-half is the amount includable for Estate tax purposes. This is not the entire payment received by the beneficiary as the portionate monthly employer benefit is included and has to be deducted from the payment received to arrive at the proper figure.

THE DETERMINATION for option one payments is accomplished by multiplying the payment to the beneficiary by the balance of the deceased's account at retirement and dividing the result by the total reserves of retirement. Total reserves of retirement consist of the amount of the deceased's account and the amount of reserve created by the Systems or employers, both at the time of retirement.

FOR CONTINUED annuities, the present value of the reserve necessary to continue payment is determined by the tax authorities to which they multiply the deceased's account at retirement and divide the result by the total reserves created for the deceased.

(Conclusion)

that time, and did receive a "guaranteed" amount to cover "no less in take home pay."

However, on March 31, 1961 our State comptroller sent a letter to all State personnel officers, devoting that all guaranteed monies were reduced to zero, effective immediately.

Since the term "guaranteed" was used, we challenge the legality of the above decree. We ask that you publish an account regarding the above, if your organization is sincerely interested in the welfare of the nominal salary earners.

# TA Subway-Bus Openings Close June 21; Start at \$2.33

Maintainers' helpers are needed by New York City to fill jobs in the Transit Authority. Two open-competitive tests are now set, maintainer's helper, group B, and maintainer's helper group D.

In the first two days of filing, June 1 and 2, 43 people filed for the group B test and 13 for the group D exam.

Deadline for filing to take the written test scheduled for Sept. 15 is June 21. Passing grade for each of the tests is 70 percent.

Written tests will be given for Maintainer's Helper B on Sept. 30, and for Maintainer's Helper D on Sept. 23. In each a passing grade of 70 per cent is required.

There are 50 vacancies now for the Group D job and hundreds are expected to become vacant during the life of the eligible list for Group B jobs.

Group B and D salary ranges are \$2.33 to \$2.40 per hour.

Minimum requirements for Group B and D are three years experience as a helper or mechanic in maintenance-repair or

construction in carpentry, iron work, masonry, plumbing, sheet metal, or graduate of a trade or technical high school. June graduates will be admitted to the test, but at the time of investigation must fully meet the minimum requirements.

The written examination to be given for the Group B and D jobs will test judgment ability of the candidate, and know how relative to the job.

There will also be a medical test given following successful completion of the written exam. And before appointment, a physical examination will be required

covering strength, ability, ability to broad jump not less than four feet, and ability to lift a 40 pound dumbbell with one hand, and a 35-pound dumbbell with the other hand, at full arm's length above the head.

Appointments in the Group D or B jobs can be to any one of the Transit Authority operations — subways, or bus line services in car shops, bus shops, air brake section and ventilation and rain-age. A promotion test for these titles is also open.

## Attorneys May Fill Welfare Dept. Need For Investigators

A public hearing is being held today (June 13) by the New York City Civil Service on a proposal to selectively certify the eligible

list for assistant attorney, exam No. 8664, to the position of social investigator.

The Dept. of Welfare has 417 social investigator jobs open. The proposal to name those on the assistant attorney list, asks that those having a four year baccalaureate degree be named.

# All-State Properties Takes Control of Terminal Barber Shops Group Throughout USA

NEW YORK, June 12 — An-  
nouncement was made here today  
of an agreement to sell all the  
shares of the Terminal Barber  
Shops, Inc., 53-year-old company  
operating barber shops and beauty  
salons in major metropolitan  
areas of the United States, to All-  
State Properties, Inc.

The announcement came joint-  
ly from Jerry Finkelstein, chair-  
man of the board, and Herbert  
Sadkin, president, of All-State;  
and Jay S. Baumann, president,  
and Larry Mathews, vice-presi-  
dent, of The Terminal Barber  
Shops.

The purchase price will be paid  
by an exchange of shares.

"Our agreement to become a  
part of All-State Properties," Mr.  
Mathews said, "is an important  
move in our program of extending  
our operations, both barber shops  
and beauty salons, into more areas,  
and for more intensive coverage of  
areas we now serve."

Terminal now operates 19 bar-  
ber shops in major hotels and  
office buildings in New York, Pitts-  
burgh and Baltimore, and a chain  
of 13 beauty salons in Manhattan  
and Brooklyn. In addition, Larry  
Mathews Franchises, Inc., wholly-  
owned Terminal subsidiary of  
which Mr. Mathews is president,  
franchises the operation of beauty  
salons under the Mathews name

in the Bronx and Queens, New  
York City; on Long Island, in  
Jersey City and Paramus, New  
Jersey; and in Miami Beach.

**Finkelstein Sees Expansion**

Mr. Baumann and Mr. Mathews  
will continue, under the All-State  
ownership, as executives of the  
Terminal and Larry Mathews  
operations, as will John R.  
Brown, vice-president for the bar-  
bering operation and a familiar  
figure in the industry for 38 years.

"We join fully in the expecta-  
tion of a vast further expansion  
in the hair-dressing field," said  
Mr. Finkelstein. "That is what  
first brought All-State's and Ter-  
minal's managements together.  
The business of making women  
more beautiful is growing, and we  
expect to be a major factor in  
that business."

"We shall move aggressively to  
meet the rising demand for beauty  
treatments, and to promote the  
many improvements that are  
being made today in beauty salon  
equipment and techniques. Within  
a short time we hope to have a  
nationwide chain of owned and  
franchised salons, all the most  
modern the industry contains."

"Certainly the 700 employees of  
Terminal can all expect to find  
new opportunities in the expan-  
sion we have in mind."

Mr. Finkelstein is also chair-  
man of the board of Struthers  
Wells Corp. of Titusville, Pa., and  
a director of Commercial Bank of  
North America. He is consulting  
publisher of The Civil Service  
Leader.

**This Is No. 23** — David Hurwitz, senior unemployment insurance claim examiner, Division of Employment, N.Y. State Dept. of Labor, receives his 23rd Certificate of Merit from Edward J. Mallin, administrative assistant to the executive director of the Division. Mr. Hurwitz has won more certificates than any state employee.

## David Hurwitz Has the Most: 23 Citations

David Hurwitz has added an-  
other merit award to his vast  
collection. He was presented with  
his 23rd last week, and if past  
performance is any gauge, this  
will not be the last Mr. Hurwitz  
will earn.

Mr. Hurwitz is a senior unem-  
ployment insurance claims exam-  
iner in the Division of Employ-  
ment, Dept. of Labor for New  
York State. His most recent Cer-  
tificate of Merit was presented by  
Edward Mallin, administrative as-  
sistant to the executive director  
of the division.

He entered State Civil Service  
employment in 1939 as junior  
clerk in the Division of Employ-  
ment. In subsequent years he  
steadily progressed up the ladder  
of success to the interpretation  
and review section in 1957, as  
senior claims examiner.

Mr. Hurwitz won his first award  
in 1952 and has kept at it even  
since.

A Ninth Infantry combatman in  
World War II, he is married and  
the father of two daughters. In  
addition to making suggestions,  
he refers to himself as a "gadget  
man" and is a student of music  
appreciation.

He was admitted to the bar  
to practice law in 1951 after ob-  
taining his degree from St. John's  
University, and also holds a mas-  
ter's degree in law from New York  
University.

## Knowledge is Security...

"As a teacher, I recognize the strength of knowledge and the security that results from that strength.

For example, I know that my family and I are adequately protected against the costs of unexpected hospital and medical care through the *Statewide Plan*. I know the importance of this because I'm aware of the fact that one person in eight will require hospital service in the next twelve months.

Because I know that the *Statewide Plan* is a combination of Blue Cross, Blue Shield and Major Medical that offers the most liberal benefits at the lowest possible cost, I find security in that knowledge. It is the only plan that provides uniform coverage for all New York State employees, active or when they retire.

If you don't know about the *Statewide Plan*, I suggest that you consult with your Payroll or Personnel Officer and get the facts. Do it now."

## Readies Measure

# Solon Raps Firms Using Lie Detector

(Leader Correspondent)  
ROCHESTER, June 12—State Sen. Thomas Laverne will resubmit legislation designed to outlaw the lie detector test as a condition of employment.

Laverne said he is preparing a bill for the 1962 legislature which will be broader in scope and at the same time more palatable to the law makers.

The senator said he favors a measure which would protect all types of employees. His bill this year would have been limited by the state labor law, he said.

"Actually, it would have applied only to laborers," said Laverne. Bank tellers, office workers and employees of that kind would have been excluded.

The bill did pass the State Senate.

The companion bill died in committee in the Assembly where it was sponsored by S. William Rosenberg of Rochester.

An employer requiring employees to take a lie detector test in order to obtain a job or to hold one would be guilty of a misdemeanor under the Laverne measure.

Punishment for the misdemeanor would be a fine of up to \$500, imprisonment for 30 days or both.

A strong lobby led by firms engaged in providing the lie de-

tector service fought the bill.

Laverne has called the lie detector "a mechanical monster." He said its widespread use in industry is "offensive to labor and to people generally."

It could lead to the "blacklisting of a large section of the labor force because tests appeared to make them guilty of faults they did not possess," Laverne said. "At best it is unreliable."

The Rochester Republican said his bill would not affect the use of medical examinations—including psychiatric tests—and other tests to screen applicants.

At least five Rochester firms have used the lie detectors, according to Laverne. The practice is much wider than the public suspects, he said. The drug and transportation industries, he said, have opposed the legislation.

One drug firm claims it has statistics proving that their loss from theft dropped after lie detectors were introduced, Laverne reported. And a company providing school bus transportation has contended that lie detector has kept out sexual deviates.

The lawyer-legislator said he would prefile his new bill "in broad form" after Nov. 15. Early in the 1962 Legislative session Laverne said, he will seek a public hearing on the proposal.

# Civil Service Forum Holds Convention

The Civil Service Forum of New York State held its 50th annual convention at the Schine Queensberry Hotel, Glens Falls, N. Y., on June 8 through June 11.

The convention opened on Thursday evening, June 8, with a meeting of the executive committee at which time the various convention committees were appointed.

Following the executive committee meeting the resolutions committee considered the several hundred resolutions which have been submitted to date.

Two of the main resolutions forwarded by the New York City delegates were adoption of: (1) Sudden death benefit to apply to all other civil service employees in the same manner as now applied to teachers and (2) Amend Lyons Residence Law to provide for residence outside the city for present employees.

The convention session on Saturday, June 10, opened at 9 a. m. with an address of welcome by Mayor Ward Russell of Glens Falls, N. Y. The afternoon session Saturday elected new officers for the ensuing year and took action on the balance of the agenda. The annual convention dinner was held in the ballroom of the Schine Queensberry Hotel on Saturday evening. Dancing followed.

The president of the Civil Service Forum is John J. Dempsey of Yonkers, and the secretary is Timothy F. Dinan of New York City. Vice presidents are: Joseph F. Browne of Binghamton; Arthur L. Donohue of Yonkers; Donald Jones, Rochester; John Hilliard, John Duke of Niagara Falls, and Maurice Fitzgerald, Binghamton. Daniel P. Cronin of New York City was the chairman of the convention committee.

## Set Eligible Lists Effective June 14

The New York City Civil Service Commission has scheduled the filing period for the batteryman examination to open Feb. 1, 1962. The practical test is scheduled for May 23, 1962. Batteryman earn a starting salary of \$5,265 a year.

Candidates must have had five years of experience in the repair and maintenance of batteries to qualify for this test.

A practical test will count for all of the total grade. In this test, candidates will be required to demonstrate their knowledge of a competence in the building of a wet type storage battery as well as their ability to mix acids and use test and charging equipment. Candidates may have to pass a qualifying written test.

A batteryman assembles battery components in the building of storage batteries. He also burns

lead connectors and makes electrolytic acid solutions. Other duties are to regulate battery charging equipment and seal battery cells with hot pitch.

During the filing period, applications will be available at the Applications Section of the Department of Personnel, 96 Duane St., New York 7, N. Y. Do not try to apply now as application forms are not available.

We don't know who the first man on the moon will be... but we've heard bets that an early arrival will be a tax collector. It just might happen, because the money that operates our Federal, State and City governments must come from taxes... taxes we all pay.

Last year Con Edison's share of these was \$159 million. A hefty \$91 million of this went to New York City — making Con Edison the City's biggest taxpayer.

All the money for these taxes can come only from what you pay us for electricity, gas or steam. For example, out of every dollar you paid Con Edison last year, 24 cents went to the tax collector.

Assembly Intro. 4162 — became Chapter 333 of the Laws of 1961.

## Separate Local Bill

Last year a separate bill was introduced making it possible on a permissive basis for the political subdivisions of the state to provide the reduction of five percentage points for their employees. This year Chapter 333 continues the authority for the political subdivisions to provide similar benefits. It has been the stated policy of the New York State Retirement System, however, that it will not require the enactment of new resolutions on the part of the political subdivision to continue these benefits for those units of government which had previously elected to come under the plan.

A second bill introduced by Senator Brydges, Intro. 3170, Print 3432 and Assemblyman Johnson, Intro. 4163, Print 4397, extends the five percentage points to members of the teaching profession who are employed by the state and who are members of the State Teachers Retirement System. This bill is now Chapter 334 of the Laws of 1961.

A third bill extends the benefits of the plan to a small number of employees of the State Mental Hygiene Department who are members of the closed state hospital retirement system. This bill introduced by Senator Cornell and Assemblyman Huntington has become Chapter 335 of the Laws of 1961.

A final bill in this area, introduced by Senator Barrett, Intro. 1704 and Assemblyman Bonom, Intro. 2515, sponsored by the Joint Legislative Committee for the study of the Retirement System, amends certain provisions of the Suffolk County Police Law and incorporates therein provisions for the five percentage points increase in take-home pay.

## MOVING EXPENSES—EMPLOYEES TRANSFERRED OR PROMOTED

This measure represents a substantial gain for all members of the public service. Our Association through the sponsorship of Senator Hatfield and Assemblyman Hanks had introduced over these many years legislation which would authorize the Comptroller to pay the expenses of moving should an employee be transferred or promoted to a place in excess of 25 miles from his former place of employment. We urged recognition of a policy generally followed in private employment and in many public jurisdictions that an employee transferred or promoted is entitled to reasonable expenses for moving to the new location.

Subdivision 1 will allow reimbursement of travel and moving expenses upon transfer or reassignment made for the convenience of the state. Transfer for disciplinary reasons and temporary transfers or reassignments, including assignments for training purposes are excluded.

Subdivision 2 permits reimbursement of moving expenses upon promotion to a technical, scientific, educational, professional, or administrative position if the Budget Director finds that there is a general shortage of qualified persons available for re-

cruitment, and that the reimbursement is reasonably necessary as an inducement for promotion or retaining qualified personnel in such class or position.

Subdivision 3 provides that an employee receiving reimbursement must agree to return the same if he voluntarily leaves his position within one year.

Subdivision 4 provides that the reimbursement of travel and moving expenses shall be payable only from sums specifically appropriated for that purpose.

Subdivision 5 authorizes the Budget Director to adopt regulations to carry out the provisions of the new section.

We have been advised that the Division of the Budget is presently promulgating rules designed to implement the benefits provided under this measure. This year the state appropriated fifty thousand dollars for the coming fiscal year. The effective date of this legislation is July 1, 1961.

## HALF PAY RETIREMENT FOR STATE POLICE

Last year it was necessary to report on this measure with considerable misgivings. Our bill of last year was introduced by Senator Hatfield and Assemblyman Drumm and was drawn as a result of a resolution requesting that the Association sponsor legislation that would permit uniformed members of the BCI and the State Police to retire after completion of 25 years of serviceable service at one-fifth of the final average salary for each year rendered with the state paying additional costs.

In 1960, the Governor vetoed the Association-sponsored measure. He said in his veto message, however:

"I greatly regret that I am constrained to disapprove the present measure. I am assured, however, that the study of retirement problems being conducted by the Division of the Budget will provide a basis for proper action at the next session of the Legislature."

This year the Administration sponsored and supported a bill, introduced by the chairmen of the civil service committees in both the Senate and Assembly to provide a true half pay retirement after 25 years. This bill provides a new section 81-A creating a new retirement option to members of the State Police guaranteeing a retirement allowance of 50% of final average salary after 25 years of service. This bill has now been signed into law and is chapter 557 of the laws of 1961.

Chapter 557 establishes an important principle. It provides for the first time the principle of a half-pay retirement guarantee by the state regardless of the vagaries of inflation in state salaries. At the present time an employee finds it difficult, not only to plan but even to compute in advance his final retirement allowance. Applying the principle of this new option to all state employees, either in the 55-year plan or in the 60-year plan, presages one of the most important advances which can be made in the area of retirement.

State employees through this Association will find it necessary to evaluate the benefits under an

## Form State Golf League

ALBANY, June 12—State Department of Health employees have organized a golf league, officially known as the N.Y.S.H.D. Golf League.

The officers elected to direct the activities are: Earl Strickland, president; Art Coppennoll, vice-president; Ray Bartoli, secretary-treasurer; Richard Bolton, handicapper official. Members include the following: Dr. Dudley Hargrove, Dr. Joseph Fenton, John Coffey, William Hoffman, Joseph Vita, George (hole-in-one) Fisher, Jack Parker Jack O'Neill, William Kramer, Joseph Steringer, Jack Gieckel, Ronnie Boulteris, Robert Spohr, Alex Prokop, Tom Gallagher, Al Motta, Larry Patricca, Jerry Mealey, Steve Krill, Ed Sikora, Paul Victor, Dave Clark, Don MacDonald, Roy Cramer.

The league opened officially on May 11 and will continue to play every Thursday for sixteen weeks.

## Harlem Valley Installs Officers, Plans Picnic & Bids Diminick Goodby

The Harlem Valley State Hospital chapter, Civil Service Employees Association, held its regular meeting last month. After the business meeting the new officers were installed.

We were privileged to have with us on this occasion Thomas Lupisello, field representative, and James Anderson, president of the Southern Conference. Mr. Lupisella installed the new officers who are as follows: Merton Gamble, president; William Diminick, vice-president; Mrs. Anne Bessett, secretary and treasurer (re-elected); and Mrs. Helen Sahle, Emerson Grant, and Richard Strewe, trustees.

Mr. Lupisello and Mr. Anderson each gave an interesting talk, brought us up to date as to the

gains that had been made by the Association during the past year, and stressed the goals of our organization.

At this time we wish to express our appreciation to Peter Garamone, the outgoing president, who has served for four years. He has been faithful and conscientious in the performance of his duties and worked diligently in behalf of his fellow members for increase in salaries and other benefits. Our thanks are also expressed to all the other outgoing officers.

Plans are being formulated by this chapter to hold a picnic for members on the second Saturday of July. A nominal admission will be charged to help defray expenses. Posters will be placed in conspicuous places at a later date, giving full details regarding this affair.

On Tuesday evening, May 16, 1961, approximately 40 friends and co-workers gathered for a farewell dinner party at Kingsley's Restaurant, Dover Plains, in honor of William Diminick. He was employed in the business office in the capacity of senior account clerk and has passed the promotion examination for principal account clerk. His new position is with the Division of Veterans Affairs and he will be stationed in Albany.

During the one and a half years Bill has been with us, he has made many friends because of his personality and thorough knowledge of his job.

Samuel Cohen, business officer, was master of ceremonies and he together with the director, Dr. Leo P. O'Donnell; assistant directors, Drs. Sullivan, Rizzolo, Francis; and chief account clerk, Mrs. Brown, gave recognition to the splendid job that Bill did here. He was presented with several gifts. He was touched and pleased regarding the tributes and gifts.

extension of this principle, namely a guaranteed half-pay retirement, as opposed to a possible non-contributory retirement system.

Governor Rockefeller in signing the bill stated:

"Under the provisions of the bill, all members or officers will be covered under the new retirement plan. In addition, members and officers of the State Police who are enrolled in the present retirement plan have the privilege of transferring into the new plan on or before December 31, 1961. Such employees will continue to make payments into the pension system at their present rate of contribution. Upon completion of twenty-five years of service, members of the service will discontinue contributing toward retirement. Members who retire at age 60 without having completed twenty-five years of service will receive a retirement allowance which is computed on the same basis as members who have served twentyfive years even though their retirement allowance, because of their shorter service, may not equal one-half of their final average salary. Such members, however, will receive additional credit toward retirement for any other service as members of the State Retirement System, for prior service in the State Police, and for military service during wartime. In no event, however, will a member's final retirement allowance be in excess of one-half of his final average salary."

## MENTAL HYGIENE MEMO

By WILLIAM ROSSITER  
CSEA Mental Hygiene Representative

(The views expressed in this column are those of the writer and do not necessarily constitute the views of this newspaper or of any organization).

## Nominating Mental Hygiene Delegates

AT THE MENTAL Hygiene Delegates meeting in Albany on March 1, 1961, the mental hygiene delegates decided that the candidates for election to the State Executive Committee and Board of Directors, CSEA, to represent the Mental Hygiene Department, should come — one from the Metropolitan Conference area — one from the Southern Conference and one from the remaining upstate conference areas.

A CONSTITUTIONAL AMENDMENT allowing the election of three mental hygiene representatives was approved at the March meeting by the assembled delegates. However, the manner in which to elect, geographically or by other means, was not acted upon and will have to be decided at future meetings.

UNTIL SUCH ACTION is taken, we in mental hygiene can only make recommendations to the State Nominating Committee and Board of Canvassers.

WE HAVE BEEN INFORMED that Harry Albright, CSEA attorney, will study the State Constitution and By-Laws for voting interpretations.

A STUDY AND OPINION will have to be made regarding limitation of voting eligibility as to Conference areas.

WE URGE ALL MENTAL hygiene chapters to make nomination recommendations for mental hygiene representative. Because this is the first time that three mental hygiene representatives will be elected, we hope that at least six candidates will be nominated.

ALL NOMINATIONS should be sent to Edward G. Sorenson, Chairman, Nominating Committee, CSEA, 8 Elk Street, Albany, New York.

## Med. Technicians Wanted by U.S. Hospital at \$3,760

The U.S. Public Health Service Hospital on Staten Island, N. Y., is in need of medical technicians. The jobs pay \$3,760 per year.

Candidates for these jobs must have one year of experience in laboratory work on blood counts, hemoglobin estimations, analyzing urine and other related work.

Education may be substituted for experience. However, all applicants must have at least three months experience.

One year of study in a resident school for clinical laboratory technicians can be substituted for one year of the required experience. Also a completed post-graduate clinical laboratory internship can be substituted.

Other acceptable substitutions are education which has included eight semester hours a year in courses in either or any combination of biology, chemistry or bacteriology, completed in a residence school above high school level, on the basis of one academic year of education for nine months of the required experience.

An applicant must be physically able to perform the duties of the position.

More complete information is available through the Board of U.S. Civil Service Examiners, U.S. Public Health Service Hospital, Staten Island 4, N.Y. Applications are being accepted until further notice.

BATH, June 12.—William Burns of Corning is the new president of the Steuben County Civil Service Employees Association. Other officers are: Vice president, Mrs. Phoebe Paul of Bath; secretary, Mrs. Lynn Emerson of Savona; treasurer, Mrs. Cora Kittle of Bath; delegate, William Hamilton of Corning.

## Park Keeper Filing in City Ends June 21

The New York City Park Dept. is looking for two menagerie keepers. Filing for the Sept. 22 scheduled test will continue through June 21.

Salary range is \$3,750 to \$4,830 with annual increments and a longevity increment of \$180 each.

A 70 percent passing grade is required in the written test. The examination scheduled is an essay type and may include questions relative to a menagerie keeper's work.

Prior to appointment, a successful candidate will be required to pass a medical examination.

Minimum requirements for applicants are six months full-time paid experience in handling, feeding, care and breeding animals, and/or poultry, or one-year full-time study in animal husbandry, or related fields.

Applications are available in person or by mail through the Dept. of Personnel, 96 Duane St., New York 7, N.Y. Mailed requests must be received by the Personnel Dept. at least five days prior to closing of filing.

Promotional opportunities are to senior menagerie keeper paying \$4,850 to and including \$6,290.

## Dinner-Dance Held

Honored guests included Vincent M. Albano, Jr., Police Lt. Mario Biaggi, Mrs. Lucille DeGeorge, James Hanrahan, Dr. Louis Longarzo, Lyman Moakly, Nathan Rogers, Darrell Tina, and Darby Gaudia.

## Sweet Slated As Chief PW Engineer

(Special to The Leader)

WATERTOWN, June 12.—Robert W. Sweet, acting chief engineer of the New York state department of public works, is expected to be appointed to the high echelon post by Gov. Nelson A. Rockefeller shortly.

Mr. Sweet, 167 Thompson boulevard, has been north district state D.P.W. engineer since 1952, coming here from the Rochester district where he was assistant division engineer.

It was disclosed today by Attorney Henry W. Lengyel, Antwerp, chairman of the Jefferson county Republican committee, that Mr. Sweet has "received the wholehearted endorsement" for the chief engineer's post from the county committee.

Mr. Sweet has been at the Albany post since late last year, serving as acting chief engineer during the serious illness of Chief Engineer Tenry J. Ten Hagen, who is retiring. He served a similar stint in 1956 during the Harri-man administration.

## Town & County News Roundup

### Londrville New Watertown Prexy

MANNVILLE, June 12—Robert Londrville headed the slate of new officers installed at the annual dinner-meeting of the Watertown chapter of the Civil Service Employees Association, Inc., here Thursday night.

Chapter guests included Assemblyman Orin S. Wilcox, Theresa, chairman of the assembly civil service committee; Vernon Tapper, Syracuse, third vice president of the state association, and Raymond Castle, Syracuse, second vice president of the state group.

Clarence Wright was master of ceremonies.

#### Others Installed

Other new officers installed were: William Osterhaut, first vice president; William Dupee, second vice president; Charles Walsworth, secretary, and Dorothy Dacier, treasurer.

Mildred R. Gnadl served as dinner chairman.

Dorothy Eveleigh and Victoris Brown were in charge of reservations and tickets. A cocktail hour was held at 6 with a buffet dinner starting at 7:15. Dancing was held following the dinner program.

### Nassau to Hear Max Weinstein

Max Weinstein, chief actuary of the State Retirement System, will be the principal speaker at a meeting of the Nassau County chapter, Civil Service Employees Association on June 21 at the Salisbury Club in the Nassau County Park, East Meadow. Mr. Weinstein, who will represent Comptroller Arthur Levitt, will speak on pensions. He is an authority on the subject.

The Board of Directors dinner meeting will be at 6 p.m. and the general membership meeting will be at 8 p.m.

The president, Irving Flaumenbaum, urges everyone to attend this important meeting. There will be a discussion of the new salary scales, effective June 30.

### Onondaga Will Meet on June 14

The annual meeting of the Onondaga Chapter of the Civil Service Employees Association will be held Wednesday, June 14, 1961 at 8 p. m. at Meacham Field House, West Seneca Turnpike and Midland Avenue.

Get well wishes to Mr. Marion Davis, who is employed with the Department of Public Works.

Sympathy is extended to the family of Charles Soulier. Mr. Soulier was employed at the Department of Public Works.

### O'Dwyer Installs New Brooklyn State Officers

Paul O'Dwyer, Wall St. attorney and brother of former New York City Mayor William O'Dwyer, told a group of Mental Hygiene Dept. employees last week that "despite a job that can be extremely thankless, you people have the privilege of exercising a charity which can bring a day of happiness into another person's life. This privilege is something not granted to all us."

Mr. O'Dwyer's remark were made at the annual dinner and installation of officers of the Brooklyn State Hospital chapter, Civil Service Employees Assn.

The attorney also installed the following new officers of the chapter:

William Cunningham, president; Albert Traynor, first vice president; Catherine Collette, second vice president; Bernard Dikeman, treasurer; Josephine Davila, secretary, and Emil Impresa, delegate.

Board of directors members are Josephine Bolus, Joseph Farsetta, Mary Bussing, Christopher Grucel, Paul Lepelletier, Norma Thomas, Eugene Singer, Maurice Portnoy, Jack Bonner and Louise Dana.

Outgoing president Frank Cole was presented with a gift from the Chapter. Presentation was by Emil Impresa.

Toastmaster for the event was

Paul Kyer, editor of The Leader.

A warm tribute to the chapter was paid by Dr. Nathan Beckenstein, director of Brooklyn State Hospital.

### Watertown Police, Fire Press Plans

(Special to The Leader)

WATERTOWN, June 17—Disappointed members of police-fire organizations in this city planned to continue to press for hospitalization benefits another fiscal year since the Watertown city council has rejected their appeals for the benefit in the new city budget, effective July 1.

The council did increase the size of the fire department. It made budget provision for a third battalion chief, necessitating an extra fireman. Civil service appointment lists will be used to fill the two vacancies as of July 1.

Fire Captain Selwyn Perrigo, heading the civil service list, will get the nod as the new department battalion chief. In recent years, the position of deputy fire chief was abolished in favor of creation of battalion chief positions.

## Central Conference Meet Ready for June 17; New Officers Will be Elected

(Continued from Page 1)

Powell; William Conboy of the same firm, and William O'Brien of the Associated Hospital Services of New York.

Invitations have also been sent to all the State Association officers, as well as to the field men from the Association who cover the Central New York area.

The social activities of the Conference will be conducted by chairman Marion Wakin assisted by Al Dexheimer, Binghamton; Georgianna Stenglein, Willard; Irma German, Rome; Gertrude White, Marcy and Joseph Mahaney, Oneonta.

Active committee men from the host chapters are Harold Conant, president and Victor Minotti, Potsdam State Teachers College; John E. Graveline, Fred Kotz and Marty Douglas, St. Lawrence State Hospital chapter; Leo La Beau president, Marion Murray and Mary Manning, St. Lawrence

## Painters, Maintenance Men Painters Plan Pay Appeal

More than 45 painters and maintenance men—painters representing six state departments met at headquarters of the Civil Service Employees Assn. in Albany last week to formulate plans for a salary reclassification campaign.

James Flannery, of Central Islip State Hospital, was elected chairman of the group, which was made up of representatives of the Departments of Public Works and Correction, Office of General Services, Social Welfare Dept., State University and 15 institutions of the Mental Hygiene Dept.

#### Pay Raise Wanted

The painters and maintenance men—painters want their salaries raised at least one grade, to the same level as most other recog-

nized trade positions in the State service.

Thomas Coyle, CSEA salary research assistant, outlined the appeal process and presented salary data on comparable position in other states gathered by the CSEA research department.

A committee of six was elected by the group to help coordinate and formulate the salary appeal program.

They are:

Thomas Miner, Buffalo State Hospital; A. M. Perry, St. Lawrence State Hospital; Philip DeLorenzo, Rockland State Hospital; William Anderson, Pilgrim State Hospital; John Spencer, Willard State Hospital, and William Greene, Hudson River State Hospital.
