

Graduate Academic Council Report
November 8, 2022

1. A new Social work concentration has been established in the Criminal Justice MA, for NYPD and NYSJ cohort members.
 2. The following existing 4 + 1 programs and agreements will transition to the new major
 - Informatics BS and the Digital Forensics and Cybersecurity MS (Risk, Policy & Compliance or Health Security & Privacy concentrations)
 - Information Science Master of Science Degree (MSIS)
 3. Standalone BS in cybersecurity has been established – just changed from Inf BS with Cyber concentration.
- 2 and 3 are FYI, no content or curriculum was changed.
4. Art History BA combined degree with Info Science was approved.
