video of Alvin Ford's funeral -)

Mr. Wallen

James said he was  
doing this for the first time,  
so it's not all the way, but  
I think he did a wonderful  
job.

Hope everything is going  
well with you and your family.  
Greetings to all your associates.  
May this new year bring  
new breakthroughs in all  
you set out to do.

God bless you all, and  
give you good health, also  
cover you always in his blood.  
Love in Christ  
Counce
