Subject: Combined Bachelors - Master's Program Pathways
Attachments: UAlbany BSMS multi-award proposals

Dean Jason Lane and School of Education colleagues (please distribute as warranted):

In 2018, the School of Education proposed and secured campus endorsement for three BS/MS “programs,” coupling the B.S. in Human Development with M.S. programs as follows:

1. Special Education and Literacy II (certification qualifying)
2. Mental Health Counseling (licensure qualifying)
3. Educational Psychology and Methodology

All three of the proposals were approved on campus and sent to SUNY for further review. Two of the three proposals were subsequently withdrawn from SUNY review when we were advised that SUNY/NYSED review and approval was not required. The third and final proposal has now been resolved (confirmation below) in the same manner, after SUNY consultation with NYSED. UAlbany and the School of Ed are authorized, therefore, to implement all three of the combined BS/MS program pathways listed above.

The proposals as originally submitted in April 2018 are attached for your reference.

I ask that responsible colleagues receiving this notice, as appropriate to responsibilities, take actions as warranted to update listings in the Undergraduate and Graduate Bulletins; and University administrative systems as necessary. Thank you and successful implementation to all involved.

Ann –

We would not need to see a full proposal and we do not have any concerns with what Albany is proposing.

Mei,

Albany has sent the program charts for your review in determining whether OP needs to see a full proposal for this combined program.

Thank you for being willing to review them.

Ann:

The "charts" showing each of the programs and the specific courses in the MS that can double count toward the BS are attached. Thank you.

Ann,

Would the MS credits count toward both the BS portion and the MS portion? If yes, could we see the side by side comparison of the existing BS and MS program of study and the combined BS/MS program of study?

Thank you,

Mei

Subject: QY: linking licensure programs (without change) to other programs

Mei,

Would OP need to review a combined program at UAlbany, linking the Human Development BS major with an MS in Mental Health Counseling (licensure qualifying)?

There would be no change to the licensure aspects of the MS program.
