

Corsi, Loysen, Employees Tussle With DPUI Mess

Feeling was running high this week in the Division of Placement and Unemployment Insurance, as evidence mounted that a figure of 300 layoffs might rise to 400. Affected in the first 300 were 149 temporary employees and 30 permanent assistant interviewers in the NYC field offices, and 131 temporary employees in the Albany headquarters offices. Among the "temps" are many former permanent aides.

Mr. Milton O. Loysen, executive director of the Division, refused this week to estimate precisely how many additional employees would have to be laid off. At a meeting in which he, Industrial Commissioner Edward Corsi, and public employee representatives conferred last Thursday, it was charged that Mr. Loysen had only recently given assurances that such layoffs would not occur.

The meeting, called for the purpose of exploring ways to deal with the recurrent layoff problem, resulted in these suggestions, among others:

1. New York State should supply sufficient moneys out of its general funds to tide over the slack periods, rather than dismiss trained employees.

2. Instead of paid overtime, compensatory time off should be provided, this time to be taken in the form of extended vacations during the slack period. This would allow employees to remain on the payroll.

3. There should be "inter-changeability" between employees in the Placement service and in the Unemployment Insurance service. Thus, instead of dismissing an assistant interviewer, he would be put on claims work.

4. The State should demand a change in the Federal formula which forces recurrent layoffs.

Attacks Formula
Commissioner Corsi expressed sympathy with the views of the employees, stating: "A businessman will keep his organization during a slack period. We should do the same thing. The 'formula' is unreasonable. We've got to break the formula."

He was referring to the formula under which the State receives funds. These grants are related directly to the volume of unemployment benefit claims. When the volume of claims declines, the Division has no option other than to reduce its force, the DPUI holds.

At one point Mr. Loysen referred to the assistant interviewer position as "a bastard title which we have wanted to eliminate." There were strong murmurs of disapproval from his audience.

Corsi Rebukes Loysen

Several times during the hearing, Commissioner Corsi rebuked Mr. Loysen for failure to answer questions directly. One such rebuke came when Mr. Loysen rambled in responding to a question on the "flexibility" of Federal funds, asked by Jerome Wurf, of the American Federation of State, County and Municipal Employees. Mr. Wurf wanted to know whether Federal funds were all earmarked

Industrial Commissioner Edward Corsi heard employees in one of his divisions denounce policies which lead to recurrent layoffs.

or whether they could, in whole or part, be used for various purposes by the Division.

'Emergency'

Charles Culyer, field representative of the Civil Service Employees Association, called the situation an "emergency," and demanded that it be treated on an emergency basis. "It's your duty as commissioner," he told Mr. Corsi, "to take this emergency up with the proper State authorities. Let the Budget appropriate enough funds to tide the Division over until the formula is changed."

The employees indicated that the problem is not new and that a solution should have been found long ago. The department's "brass" was assailed for failing in this quest.

There was evidence at the hearing that "inter-changeability," which has been a controversial issue heretofore, may possibly be resolved. Several speakers on the Placement side indicated that they would accept this rather than continue to witness the array of dismissals.

Mr. Corsi told the group that he would confer with Mr. Loysen, Personnel Director Harry Smith, and NYC Field Director Stephen Mayo.

Dewey, Lehman, Ives

Meanwhile, telegrams went out over the signature of Jesse B. McFarland, CSEA president, to Governor Dewey, Senator Ives, and Senator Lehman, urging immediate action at both State and Federal levels to solve the problem. "A constantly-recurring lay-off situation is an indictment of the employment policies of the Division, as well as an indictment of the Federal-State financing of the program," Mr. McFarland told the officials.

56 Ways to Change State Civil Service Law Confront Group Seeking Better Plan

ALBANY, Sept. 1—Fifty-six suggestions for amending the Civil Service Law have been received by the State Commission on Revision of the Civil Service Law from all sources, exclusive of those received in answer to the questionnaires sent out. Nineteen were received from various commissions, seventeen from organizations and twenty from individuals. The Commission is meeting this week.

Following is a summary of these suggestions, broken down according to topics:

1. Constitution

(a) Amend the Constitution making it unnecessary to have smaller units of government such as 3rd and 4th class villages and special districts controlled by the Civil Service Law.

2. Jurisdictional Classification

(a) Decision of local commissions in classifying positions in the exempt and non-competitive classes should be final and not subject to review by the State Commission if the action of the local commission is by a unanimous vote.

(b) Increase salary limit of positions in the exempt class in the county service from \$700.00 to \$900.00 per annum.

(c) Positions paying less than \$500.00 per annum should not be subject to civil service jurisdiction.

(d) All town employees should be placed in the exempt class.

(e) When a subdivision of government has less than five employees they should be placed in the unclassified service.

(f) Simplify classification into two categories: classified and unclassified service.

(g) Abolish the labor class and place such employees in the competitive class or non-competitive class.

(h) Term appointments should be abolished.

(i) All exempt positions should be enumerated in the law. Authority to place positions in the exempt class should be removed from the Civil Service Commission.

(j) The labor class should be placed in the non-competitive class or in a separate labor class to be established for the State service.

(k) The provision of law that empowers the Civil Service Commission to make special exceptions in order to fill positions which require peculiar and exceptional qualifications should be repealed.

3. Promotional Examinations

(a) Such examinations should be limited to departments, bureaus, office and institutions when the local civil service deems it advisable.

(b) No written examinations should be required; an evaluation of training and experience and seniority and service rating should be sufficient.

(c) No examination should be held where there are three or less in line for promotion.

(d) No examination should be required; nominations by department head, provided the employee has had three years satisfactory service in the lower grade and if approved by the local commission.

(e) Eliminate promotional examinations where deemed impracticable by Civil Service Commission. If non-competitive promotion examination is authorized it should be limited to examination of experience and training.

4. Probationary Appointments

(a) Service ratings and reports should be required to be filed before the appointment becomes permanent.

(b) Department head to have authority to dismiss employee during probationary period on the ground of unsatisfactory service.

(c) Extend probationary period to six months.

(d) Such appointments should be for not less than three nor more

than six months, with the right to the commission to extend such period beyond six months.

(e) Probation should be extended in cases of promotion and transfer and to those in the non-competitive class.

5. Provisional Appointments

(a) Such appointees should be continued in office until a list is established, provided an examination has been requested or held.

(b) Such appointments should be for nine months, with power to extend same for three additional months.

(c) Such appointments should be for longer periods than now provided for.

(d) Provisionals should be retained beyond six months where examinations result in an inadequate list.

6. Fees and Examinations

(a) Eliminate all fees.

(b) Eliminate fees for promotional examinations.

(c) Fees should be retained as at the present time.

(d) Local option should be granted as to fees for examinations.

7. Transfers

(a) Permit transfers of personnel to the same or a similar position in various levels of government within the State.

8. Payroll Certification

(a) Payrolls of villages paying a few hundred dollars per annum and having less than six employees should not be subject to certification.

(b) Payrolls of towns, villages and county highway employees should not be subject to certification.

(c) Payrolls of towns and villages where payroll is less than \$500 per annum should not be subject to certification.

(d) Require all payrolls of local subdivision to be certified each payroll period.

9. Powers of Local Commission

(a) Give more power to enforce civil service law.

(b) Give more power to decide how far civil service should be extended in towns and villages.

(c) Public hearings should not be necessary to change rules. Approval by the State Commission should be sufficient.

(d) Members of local commissions should be appointed by the chairman of the Board of Supervisors rather than by the Board as a whole.

(e) The personnel officer form of administration should be extended to cities.

(f) Personnel officers should have the power to prepare and mark examinations.

10. Removals and Appeals

(a) Amend law to provide that where the penalty is a limited suspension or a small fine, the removal process should not be necessary.

(b) Give the right of appeal to the State Commission from all jurisdictions.

(c) Hearings should be granted in all removal proceedings as a

WANTED: MAN WHO KNOWS HIS CLAMS AND OYSTERS

ALBANY, Sept. 1—Tastier table fare is in the offing for oyster and clam connoisseurs if New York State can find a shellfish sanitarian.

The job is in the Conservation Department's Bureau of Marine Fisheries at Freeport, L. I., and pays from \$6,562 to \$7,992. The Bureau's sanitarian makes bacteriological studies of shellfish waters, keeps an eye on sewage treatment plants, and checks shell-

Apply by mail to the State Department of Civil Service, State Office Building, Albany, N. Y., or visit a local office of the State Employment Service.

matter of right to those in the competitive class.

11. Lists

(a) The life of a list should be for one year, with the right of the Commission to extend the same each year for one additional year not exceeding four years in all.

(b) Towns and villages should have power to request certification of town and village residents from county-wide list.

12. Veterans' Rights

(a) Abolish veteran's preference in retention.

(b) Retention rights of veterans should be strengthened and made part of the Constitution.

(c) Section 14-a, Civil Service Law

Repeat this section giving World War I veterans "experience" and "training" credits in an original competitive examination when it is rated as a subject.

(d) Section 16-b, Civil Service Law

Repeat this section, which grants credit in promotional examinations under the subjects "record and seniority," "training" or "experience" to those who served in the Armed Forces in times of war.

14. Extra Salary or Compensation Prohibited

(a) Amend Section 42 so that employees receiving meals as a part of their employment should not be required to pay for such meals on a monthly basis but only for meals actually consumed; or, as an alternative, provision should be made for a refund for meals not consumed.

15. Miscellaneous

(a) Repeat the Condon-Wadlin Law (Sec. 20-a), prohibiting strikes by public employees.

(b) Provision should be made to permit public employees to bargain collectively.

(c) Reorganize the State Civil Service Commission to provide for 3-member non-political commission with advisory and quasi-judicial functions, and a Personnel Director who shall be the administrative officer of the Civil Service Department.

(d) Provisions of the Civil Service Law restricting political activities should be strengthened.

(e) Provision should be made to create regional civil service commissions to have jurisdiction over counties, cities and other political sub-divisions within specific geographical areas, financed by proportionate assessments on the counties, etc., serviced.

Anti-Glare Glasses Please Subscribers

The demand for the remarkable Rayer glasses, which stop headlight glare, has been so heavy that The LEADER cannot assure that they will be available very much longer.

Pleased comments are coming in from all parts of the State as civil service employees are finding, for the first time, an effective answer to the headlight menace. The Rayex glare-reducing safety glasses virtually eliminate headlamp blindness and dangerous night-driving headaches.

Through arrangement with the manufacturer, The LEADER has been able to bring the sensational glasses to its readers at the low price of \$2 per pair, which is approximately wholesale cost. It represents another in the list of quality-products - at - low-cost which The LEADER has been hunting up for its readers, in its campaign to increase circulation.

If you haven't ordered your pair of Rayex glasses, it's good advice to get them now. The supply is limited. They're going fast. You'll find all the details on page 16.

Buffalo State Hospital Opens New Building

ALBANY, Sept. 1 — The first 200 patients are being moved into the newly completed 617-bed medical-surgical building at Buffalo State Hospital.

Dr. Newton Bigelow, Commissioner of Mental Hygiene, announced that formal dedication of the building is scheduled for October 14.

The building cost \$4,747,000 under the State's \$178,000,000 construction program to provide 14,-

000 new beds in 17 institutions. Completion of the Buffalo facility will relieve overcrowding.

Second One Completed

The building is the second of several similar buildings in the department's program. The first to be completed was a 960-bed facility dedicated last June at Hudson River State Hospital, Poughkeepsie. Nearing completion is a 768-bed medical-surgical building at Binghamton State Hospital.

3,600 Expected to Try For 400 Jobs Sept. 5, 6

ALBANY, Sept. 1 — More than 3,600 persons are expected to compete Sept. 5 and 6 in 51 state open competitive and promotion exams.

Approximately 400 jobs, ranging from top to bottom of the State pay scale, await the successful candidates.

Friday, Sept. 5, the State will examine 67 candidates vying for promotion to corporal, park patrol, and sergeant, park patrol, Long Island State Park Commission. There are 61 and 6 candidates respectively, and only one present vacancy in each category.

200 in Weighing Job
Of these the most popular in point of applicants is the new job of truck weigher, for which there are 200 vacancies. The post will pay \$2,611 to \$3,411 annually, and 725 persons have been approved for the exam.

Toughest competition for jobs is also expected in new supervisory posts in the truck weighing business. Civil Service has approved 168 candidates for the single job of assistant supervising truck weigher at \$3,731 to \$4,532. One hundred thirty seven persons have been approved for the supervising truck weigher job at \$4,814 to \$5,938.

One candidate who seems assured of success is trying a promotion exam for assistant valuation engineer in the Department of Public Service. He is the sole contender and there are two vacancies.

In a few other categories there are as many vacancies as there are competitors. The top paying post is district engineer, Public Works, at \$11,925 to \$14,223 annually. With one vacancy there are 40 candidates.

The exams, listed below are grouped according to the date on which they will be held, the section into which they fall, and the type of examination to be held, promotion or open-competitive, State or County.

The identifying number of the exam, the division or department, and the salary range are listed. The number after the salary indicates the number of candidates for the position. Where another number follows this one, it indicates the number of openings at present.

FEDERAL JOBS IN THE NEW YORK AREA

Here is a list of exams for U. S. jobs in the Metropolitan District, and one update job. Age limits are 18 to 62, but do not apply to veterans. Starting salaries are given. Each notice tells where to apply. No closing dates have been announced.

ENGINEER, \$5,060 to \$7,040. Openings in aeronautical, aeronautical research, development and design, architectural, automotive, chemical, civil, construction, electrical, electronics, general, hydraulic, industrial, internal combustion power plant research, development and design, maintenance, marine, materials, mechanical, naval architecture, ordnance, ordnance design, safety, structural, and welding. Jobs located in New York and New Jersey. Requirements: Completion of four years' professional engineering curriculum or four years' professional engineering experience, plus 1½ to 3½ years of progressive, specialized engineering experience. U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y.

SHIPFITTER, \$14.64 to \$15.92 a day. Jobs at Brooklyn and Bayonne. Requirements: Completion of four-year apprenticeship or four years' practical experience in the shipfitter trade. Apply to Recorder, Board of U. S. Civil Service Examiners, New York Naval Shipyard, Brooklyn, N. Y., or U. S. Naval Supply Depot, Bayonne, N. J.

SUPPLY CATALOGER, \$3,410 to \$5,060. Jobs in Brooklyn. Requirements: From three to five years' appropriate experience which must show technical knowledge of material or items of property, including the ability to read and interpret blueprints, schematic diagrams, manufacturers' catalogs or specifications. Experience must have been in one or more of the following commodity areas: electronic equipment and component parts; electrical equipment and component parts; building and construction materials; metals and alloys; plumbing material and equipment; marine hardware; deck and hull fittings; chemicals; paints and varnishes; tools and machinery; general hardware and metallic

WANTED! MEN — WOMEN

to prepare now for U. S. Civil Service jobs in and around New York. During the next twelve months there will be over 39,000 appointments to U. S. Government jobs in this area.

These will be jobs paying as high as \$316.00 a month to start. They are better paid than the same kind of jobs in private industry. They offer far more security than private employment. Most of these jobs require little or no experience or specialized education.

BUT in order to get one of these jobs, you must pass a Civil Service test. The competition in these tests is intense. In some cases as few as one out of five applicants pass! Anything you can do to increase your chances of passing is well worth your while.

Franklin Institute is a privately-owned firm which helps thousands pass these tests each year. The Institute is the largest and oldest organization of this kind and it is not connected with the Government.

To get full information free of charge on these Government jobs fill out and mail the coupon at once today. The Institute will also show you how you can qualify yourself to pass these tests. Don't delay—act now!

* Estimate based on official U. S. Government figures.

NEWS Letter

ALBANY real estate circles are buzzing over the manner in which an astute Elmira auto dealer and real estate investor picked up a \$39,500 profit in a recent transaction with the Thruway Authority.

The Thruway announced last week that, after failing to find suitable office space available for rental in Albany, it had managed to buy the former private mansion it occupied for \$140,000.

What interests enlightened real estate men in Albany is the fact that property prices as judged by the Thruway deal have suddenly boomed in Albany.

When the Elting estate, owners of the old mansion, offered the building for sale, one Joseph Carroll of Elmira obtained the property for a reported price of \$100,500. Now, after renting it to Thruway and investing little if any new money in the structure, he sold it to the occupants at \$140,000. Everything Carroll did was perfectly proper. He invested money and made a profit.

However, Capitol observers are wondering whether the Thruway Authority didn't toss its money around somewhat arbitrarily. The price paid for the space was higher than the State has paid for any similar property locally.

Further, in buying the building, Thruway contradicted itself. Questioned by local newspapers at the time office rental space was being sought, Holden Evans, Jr., executive assistant to the Chairman, stated that the Authority was looking for "about 7,000 or 8,000 square feet of space."

All it got was 6,000 square feet. Thruway Authority can act in all these matters as it sees fit. It does not go through the office of the Commissioner of Standards and Purchase nor does it require Budget approval.

DO EMPLOYEES have ideas? And how? The Navy's suggestion plan has paid off like this: Every \$1 to an employee as an incentive award has paid a dividend of \$23. Maybe this information will help put zip into the new NYC suggestion program and provide a helpful argument for setting up such programs in all government units around the State.

LOOK FOR attempt by NYC to borrow from the pension reserves of the NYC Employees Retirement System, to ease the financial strain. Similar borrowings have long been the practice in regard to the Police Pension Fund.

NYC FIRE DEPARTMENT report on the recommendations of the outside experts is going to be unfavorable, and the Board of Fire Underwriters, whose opinion has also been solicited by the department, will have some pointed comments. The Underwriters made two complete surveys for NYC, without charge, in previous years, and the City is wondering why it had to spend \$75,000 or so on the experts' report that itself isn't going to receive acceptance.

EMPLOYMENT PROSPECTS: Accountancy will be a good field until the mid-fifties. . . . Rapidly-expanding industries, expected to provide jobs into the hundreds of thousands, include the chemical industry: chemists, technicians, bacteriologists, pharmacologists, skilled workmen, and salesmen. Young people who begin training now will have no difficulty finding jobs when they're ready. . . . Fuel industry will mushroom in next decade. . . . Big increase foreseen in electrical engineers, power plant operators, production men, draftsmen, chemists, metallurgists, physicists, tool designers, maintenance men, patternmakers, sheet metal workers, electroplaters. . . . Transportation another soaring field. Coming needs: accountants, engineers, draftsmen, economists, safety inspectors, engine and aircraft mechanics, passenger agents, traffic and sales agents.

LEGAL EXPERTS aren't predicting the results of a major test that will have an effect on loyalty oaths for public employees. The controversial Pennsylvania loyalty oath is headed for a court test. A suit challenging the statute's constitutionality was assured after the Civil Service Commission dismissed an appeal filed by Mrs. Marie S. Fitzgerald, a nurse, who was discharged by Philadelphia General Hospital for refusing to take the oath. The Pa. law requires oaths of state and city employees. The court decision will have ramification all over the U. S.

BIG STORIES in NYC papers about new investigative unit in State Motor Vehicles Bureau didn't have much solidity. New special section no great revamping of bureau. So far, it consists of one man, George LoPresti, a former assistant attorney general, plus two clerks. Much inside debate as to final form plans will take. . . . Nothing has jelled as yet, and won't for many months.

Last Opportunity to Join Liberalized Age-55 Plan

ALBANY, Sept. 1 — Jesse B. McFarland, president of The Civil Service Employees Association, advised all civil servants contemplating changing to the 55-year retirement plan, do so at once. Sept. 30 is the last day.

"Governor Dewey," said President McFarland, "has signed a bill extending the time of changing to this plan to September 30, 1952. This is the second extension which the employees of the State have succeeded in obtaining through efforts of the Association. However, this may well be the last extension.

"Those eligible to participate in this plan have had ample time in the past few years to make the change. It is not reasonable to expect the Comptroller to keep open this opportunity for conversion for an unlimited period. Therefore, I strongly advise all those employees who wish to convert to the 55-year plan to do so by September 30, 1952. If they don't do it, they may be sorry."

Ivan Flood Chooses Not To Run

ALBANY, Sept. 1 — The name of Ivan Flood will not appear on the ballot in the coming elections of the Civil Service Employees Association. Mr. Flood had been nominated to run for Treasurer in competition with the incumbent, Harry Fox.

Association delegates had voted that there must be two candidates for all Association offices. However, says Mrs. Mildred Meskil, the nominating committee performed its assigned duty, and in view of Mr. Flood's declination his name will not be brought before the members. This does not preclude one or more other competitors. Mrs. Meskil is chairman of the nominating committee.

Independent Nominations

She reminded all CSEA members that independent nominations for any of the top offices may be made on or before September 15. Such nominations must be by petition and signed by not less than five percent of the total membership of the Association. Independent nominations for members of the State executive committee may also be made by petition, signed by not less than 10 percent of the members of the department making such nominations.

It was reported that two candidates running for election for the State executive board had declined the nominations; but no letters of declination had reached the Nominating Committee by press-time.

Reports from chapters around the State indicate that interest in the election this year is high, and a large vote is expected.

Parole Membership Group

Membership committee of the Division of Parole (Albany) chapter, CSEA. Left to right, seated: Mrs. Margaret Connell, Helene Leahey, chairman; standing, Vivian Weissblum, Hazel Delancy.

What Will Happen to You When It's Time to Retire?

ALBANY, Sept. 1—What do you know about retirement? How much do you understand about your own pension? Are you ready for retirement when it comes?

Henrietta F. Rabe, of the Bureau of Adult Education, State Department of Education, has devised a set of questions which every public employee should try to answer. Here is the retirement blueprint: test yourself.

1. Do you know all the features of the pension plan to which you subscribe, including what your retirement income will be?
Reasonably sure
Vague notion No idea
2. Have you a pretty good notion what your financial needs will be following retirement?
Reasonably sure
Vague notion No idea
3. Have you figured out a way of adding to your retirement income, if necessary or desirable?
Reasonably sure
Vague notion No idea
4. Have you some interests and skills which will provide adequate activity following retirement?
Reasonably sure
Vague notion No idea
5. Have you a good picture of how you are going to fill those 37 hours of added leisure each week?
Reasonably sure
Vague notion No idea
6. Have you plans for upgrading the quality of your living and guarding against retrogression?
Reasonably sure
Vague notion No idea
7. Does it look as if you will have all the human companionship you need when you no longer can depend upon your daily associates on the job?
Reasonably sure
Vague notion No idea
8. Are you doing all you can to help preserve good health in later years?
Reasonably sure
Vague notion No idea
9. If you've been toying with the notion of settling elsewhere following your retirement, are you getting all the facts or giving it a try during vacations?
Reasonably sure
Vague notion No idea
10. Are you sounding yourself out and keeping your eyes open for opportunities to work for the common good in services to the community which will give greater meaning to your retirement living?
Reasonably sure

Vague notion No idea Are you satisfied with the sum total? How many times have you checked "vague notion" or "no idea"? Unless the results show that

you are reasonably sure of your goal, and are working toward it as represented by your own check marks, you are wasting precious time.

CSEA Telegrams On DPUI Situation

ALBANY, Sept. 1 — The telegram sent by the Civil Service Employees Association to Senators Ives and Lehman, anent the dismissal problem in the Division of Placement and Unemployment Insurance Division, follow:

"Over 100 employees have already been laid off from the Division of Placement and Unemployment Insurance. Present indications are that an additional 300 lay-offs will take place next week. We are advised that the lay-offs will necessitate the closing of many of the local unemployment insurance offices with consequent loss of service to the public.

"Almost two years ago to the day, an identical situation occurred in the Division of Placement and Unemployment Insurance which resulted in the lay-off of hundreds of permanent employees. A constantly recurring lay-off situation is an indictment of the employment policies in this division, as well as an indictment of the Federal-State financing of this program.

"Unless Federal financial adjustments are made immediately, the unemployment insurance program in this State will suffer irreparable harm through the lay-off of hundreds of experience career employees and the closing of many local offices maintained for serving the public in this State. The existing system for financing the unemployment insurance program is ridiculous, unrealistic and an utter failure. The present system fails completely to provide for the wholly predictable fluctuation in the number of unemployed during the calendar year.

"The 55,000 members of the Civil Service Employees Association respectfully urge your immediate attention to this matter to prevent the impending lay-off and to insure a stable, efficient, experienced working force of ca-

reer employees to administer the unemployment insurance program in this State."

Another telegram indicating the State's responsibility in the matter was sent to Governor Dewey. Both telegrams were signed by Jesse B. McFarland, CSEA president.

Metropolitan Conference Meeting Set

A meeting of the Metropolitan New York Conference, Civil Service Employees Association, will be held at Creedmoor State Hospital on Saturday, September 13, beginning at 1:30 p.m. All chapter officers, delegates and executive board are invited to attend.

Invited guests include William F. McDonough, executive assistant to the president of the CSEA; John F. Powers, first vice president; Harold L. Herzstein, regional attorney; and Charles R. Culyer, field representative. Dr. Harry LaBurt, senior director of Creedmoor, is also expected to attend.

In addition to regular business and a forecast of the coming season's activities, new committees will be appointed by Conference chairman Thomas Conkling.

NO SUCCESSOR YET TO KAPLAN'S POST

ALBANY, Sept. 1 — The LEADER has learned that all rumors concerning possible successors to H. Eliot Kaplan as deputy comptroller in charge of the State Retirement System are without foundation. No selection is as yet contemplated for the post.

Activities of Civil Service Employees in N.Y. State

Fort Stanwix

MEMBERSHIP Committee, Ft. Stanwix Chapter, C.S.E.A., 1952-53:

- Staff: Dr. Panfiloff.
- Social Service: Dorothy Brown, C. Meany.
- Office: H. Sawyer, N. Wojnas.
- Supervisors: B. Neiman, Lila Larabee
- Food Service: N. Fifield, M. Pad-dock
- School Dept.: R. Peters, J. Levi-son
- Laundry: A. Sprague, H. Hicock
- Maintenance: G. Schonbachler, F. French
- Powerhouse: H. Jones, S. Lloyd
- Farm: H. VanScoy, J. Riley
- O.T. & Recreation: C. Blum
- Patrolmen & Firemen: K. Barr, L. Flannigan
- Greenhouse: F. Arnold, F. Swain
- B. Bldg.: J. McLaughlin, E. Anson
- D. Bldg.: E. Patterson, Chas. Carroll
- E. Bldg.: J. McLaughlin, E. Hyatt
- F. Bldg.: I. Jennison, Mary Burns
- H. Bldg.: W. Kunes, E. Farns-worth
- I. Bldg.: A. Anderson, J. Van Benschoten
- O. Bldg.: M. Simser, D. Brady.

R. Bldg.: E. Kunes, M. MacDon-ald
 X. Bldg.: O. Benn, C. Patterson
Chauffeurs & Mechanics: S. Jen-nison, A. Bendrosky
Colonies: L. Swanson, M. Henry
Storehouse: R. Rushlow, R. Pat-terson

Metropolitan Public Service

THE FIRST FALL meeting of the Metropolitan Public Service Chapter, CSEA, will take place on Thurs., September 11, in the hearing room of the Commission, 8th floor, 233 Broadway, NYC at 5:30 P.M.

- The agenda:
1. Election of delegates to attend the Association's annual meeting to be held in Albany, Oct. 14 and 15.
 2. Discussion of choice of officers for Association election and departmental representative on Board of Directors.
 3. Appointment of nominating committee to select a new slate of officers for the chapter and representatives of the various bureaus.
 4. New committees to be appointed.
 5. Chapter's program for this en-suing year.
- Charles Culyer, Association field

representative, will be guest speaker. There will also be a representa-tive from the Health Insurance Plan to speak on HIP for State employees. All members are urged to attend.

Psychiatric Institute

FROM Psychiatric Institute comes this news:

Dr. Leon and Mrs. Roizin of the Neuropathology Dept. left for Rome on the "Ile de France" on August 20.

The mother and brother of Bertha Feigenson, Social Service Dept., are in N. Y. on a visit.

Minnie Gold, Social Service Dept., is on vacation and will re-turn on Sept. 8. Her son, Richard, will be married soon.

Mrs. Gibson, Social Service Dept., has left the Institute to assume duties at the N. Y. School of Social Service.

Allyn H. Wright, Animal Care Dept., was elected Alternate Di-rector at the Convention-Exhibit of the Society of Philatelic Amer-icans, held August 14 at Hotel Astor, NYC. He was also re-appointed Chairman of the So-ciety's publicity committee.

On vacation are: Lenore E. Bauer, Business Office; Hannah Donnelly, Laundry; and Sal But-ero, Engineering Dept.

Applications for membership in the Blue Cross Plan will be ac-cepted by Miss Neubart and Mrs. Schwob, Personnel Clinic Nurse. Blue Cross payments will be taken up by Psychiatric Institute Chapter representatives on and after September 4.

Melvin Davis, Housekeeping Dept., and his wife, Katherine, are the parents of a girl, Diana.

The Chapter membership ex-tends expression of sympathy to Florence Brand, Chemistry Dept., on the recent death of her brother.

James V. McKeon Jr., Food Ser-vice Dept., has resigned from State service to take a position in private industry.

On vacation at present are: Walter Ahrendt, Food Service Dept.; Alice Short, Housekeeping Dept.; Jessie Gary, Food Service Dept.; Alfred Boykin, Housekeep-ing Dept.; Fred Romagnoli, Photo-graphy Dept.; and Charles Morley, Chapter President.

Just back from vacation is Helen Wolfe, Telephone Dept., who vis-ited her daughter in Baton Rouge, La.

In sick bay are James Jackson, Elevator Dept., and Percy Whar-ton, Safety Dept.

Katherine McAleer has been promoted to the position of Senior Stenographer.

Sincere sympathy is expressed to Nora Shanks, Laundry Dept. on the loss of her brother.

James E. Christian Memorial

THE PERSONNEL of the Office of Business Administration ex-tended a fond farewell and good wishes to its first director, Clifford C. Shoro, who is retiring from State service on October 1, after 35 years in the Health Department. An in-formal party was held in the office on Mr. Shoro's last working day. Following the party an open house period was held in Mr. Shoro's office, where many members of the staff gathered. A steak roast was held in his honor on August 21 at Picard's Grove, New Salem, with Mrs. Shoro as a co-guest of honor. Gifts were presented to both by the employees.

The annual clambake sponsored jointly by the Health Department and the Division of Laboratories and Research, to be held at Uhl's Grove, Clarksville, on September 11, will climax the summer social activities of the chapter.

Irving Goldberg, chairman of the social committee, expects one of the largest crowds ever to attend the popular bake.

Dinner is at 5 P.M. After dinner, dancing will be enjoyed to music by the Twilight Trio. Bill Lenahan will be at the organ.

The deadline for tickets is Sep-tember 4th. The price of member tickets is \$3.50, and for guests, \$4.

Ann Williams, publicity commit-tee reporter for MCH Division, gathered the following: Margaret Manning (MCH) vacationing at Saratoga. Angie Baebler spent a week at Cape Cod, Mass. Marilyn

Curtin (Med. Service) spent two weeks at New Haven and in the Adirondacks. Nina Carroll (Med. Services) journeyed to Detroit. Margaret Foley (Med. Rehabil.) enjoyed a vacation at Hudson Falls and visited Saratoga. Betty Hick-man also spent her vacation at Saratoga. Mrs. Frances Hager went to Lake Placid and Saratoga. Lo-retta McKenna enjoyed her vaca-tion at Atlantic City and NYC. Claire Dunn (Nutrition Bureau) and Sarah Kramer (TBC) spent a week at the Berkshire Club at Windale. Mary Ryan (VD) has returned from Hampton Beach. Charlotte Clapper (Executive Of-fices) is enjoying the ocean breezes at Wells Beach. Me. George Smith (Planning & Procedure) has re-turned from Marblehead, Mass. Carl Berger and wife, Helen, have returned from Lake George. Char-lie Rosch (Medical Services) back from a vacation spent at Summer Cottage in the Catskills. . . . The chapter thanks Ray Keebler, for "sweet sentiments" to the gang in Mail & Reproduction, OBA.

St. Lawrence State Hospital

MORE THAN 1,400 patients, staff members and employees par-ticipated in the annual field day at the St. Lawrence State Hospital on August 23.

A parade of colorful floats con-

structed by the patients and em-ployees opened the activities. Led by members of the hospital police department and the St. Joseph's Boy Scout Band, the floats were deployed on the field where all the spectators applauded the work the employees of the various buildings had produced.

Edwin Dobisky and Carlton Gebo, Ogdensburg businessmen, formed the judging committee to pick the best entry. Because, as Mr. Dobisky said, "they're all so wonderful," the decision was left to the applause of the spectators. Letchworth Building was acclaimed the winner.

The Letchworth float was built around a large truck and showed an elderly man and woman enjoy-ing a garden spot. The truck car-ried signs reading, "Letchworth, Where Life Begins at 90."

Following the judging, the floats were driven around the hospital grounds so that the shut-in pa-tients could see them.

Dr. George F. Eting, director of the hospital, complimented the em-ployees on their entries. He thanked the St. Joseph's Band and the Legion of Guardsmen Drum Corps for their participation.

Fred Erwin, recreation super-visor, was in charge of arrange-ments and acted as master of cere-monies.

Irene Cunningham and Mrs. Janet Brainard formed the prize committee.

Following the field events, the Food Service Department, headed by Edgar Costigan, served a picnic supper.

Dr. Harry Mintzer and Robert Kinch were field judges, with Mary Howard, William Murray, and George Baxter in charge of field events and games.

Decorations and seating ar-rangements were handled by oc-cupational therapy personnel. The buildings showing floats were the West Side, East Side, Flower Building, Letchworth Building, Community Store, Gar-den Cottage, Farm Cottage and the Fire Department.

Matthew Roshirt, chief safety supervisor, acted as parade mas-hal.

Dr. Eting said it requires the cooperation of patients, hospital personnel and outside organiza-tions to produce a successful field day.

Tax & Finance, Albany

SUE LONG, president of the Tax Chapter, CSEA, announces happily that the flourishing monthly paper, "The Tax Depart-ment News" is now legal. At the regular monthly meeting of the Tax Chapter, held August 21, the Executive Council approved the budget for the fiscal year ending March 31, 1953 and the budget contained an appropriation for the "News." The entire chapter mem-bership has reacted favorably to the paper which has been in pub-lication since May. All work is strictly voluntary. The reporters are the hardest working lot, they say, but have they ever been on the collating crew? Now, that is a job—assembling eight pages of a paper with a circulation of 1500 is no pushover, and stapling them is worse. And Sue has been in on every session—really a neat hand with a stapler. The paper is her baby — no wonder she's happy it's legal.

John W. Donnan, District Tax Supervisor of the Bureau of Re-search and Statistics, died sud-denly on August 21. The Tax Chapter of the CSEA extends deepest sympathy to Mrs. Donnan and Sally.

Special Assignments Section of the Income Tax Department will entertain George B. Kelley, senior income tax examiner, whose resignation becomes effective Sep-tember 1st. Sue Long is chairman of the party which will be held September 4th at Hogarty's Hotel on Burden Lake.

St. Lawrence County

THE FIFTH annual dinner-meeting of the St. Lawrence chapter, CSEA, will be held Thurs-day, September 18, at 7 P. M. at Gran-View restaurant, Riverside Drive, it was announced by Miss Welthia B. Kip, chairman of the social committee.

Nominations for officers were closed. The election will be con-ducted by mail early in Septem-ber and the results will be an-nounced at the dinner.

Activities of Civil Service Employees in N. Y. State

Dannemora State Hospital

DANNEMORA State Hospital chapter, CSEA, reports:

The two weeks training period of three Army reservists from Dannemora, is over, John Lagree, Morris Martin and George Waddy, Jr. are back on the job.

Everyone at the institution was sorry to learn of the death of Mrs. James Hyland, mother of Rev. Father Hyland, Catholic Chaplain. Chapter officers and employees expressed their sympathy with gifts of flowers and masses. The Chapter was represented at the funeral by chapter President Howard J. St. Clair, Edward Beauchemin and Everett Peno.

The recent earthquakes in California were more than just news items in the papers to Mrs. John Bigelow, mother of Attendants Roger and John Bigelow. Mrs. Bigelow was in the immediate area when the first quake came, and she has told of her frightening experience and reaction during the tremors.

Death has taken the mother of senior attendant James Thornton. Mrs. Thornton died as a result of an accident suffered at the home of her son. Heartfelt sympathy goes out to Jim and his family.

The latest civil service list for criminal hospital chief attendant included the names of the following employees: Owen Brooks, Edward White, Wesley Laporte, Edward Beauchemin, Harry Lavarnway, Lawrence Fitzpatrick and Stephen Mullady. Congratulations to all on the fine ratings attained.

The stork's most recent visit in this locale left new arrivals for the William Pollocks, Wilmer Hacketts, and Norman Goulds. Congratulations!

The uniformed staff is reduced by the illness of James Collins and Edward Beauchemin. Both men are hospitalized. A personal accident has kept Vincent Boswell at home. Welcome back to Charles Barber and Bernard O'Connell, who have been off on sick-leave.

The list of men retiring includes the names of Anthony Andreoli and Fred Gratto. Fred had 43 years experience in the hospital, the latter part spent in the key-office. Tony has been here 33 years, and during this time covered a multitude of positions, the latest being that of X-ray technician. We understand that he has signed to play as a violinist with the Charlestown, W. Va. symphony orchestra. The well wishes of all the personnel and The LEADER goes to both of these men.

The latest county meeting of the volunteer firemen held at Rouses Point saw Walter Davey and Arthur Tacy represent D.S.H. as part of the local group. These men as well as the other firemen can be justifiably proud of the town's latest fire truck.

The athletic prowess of the attendants showed up recently at their first try for the year at softball. They held the inmate team to a 1-1 tie. We hear from both sides that the next encounter will be entirely different and each group boasts that it will be the winner. Time will tell.

Pilgrim State Hospital

THE SECOND ANNUAL summer party was held by Pilgrim State Hospital chapter, CSEA, last

'Know Your Civil Service Employee Week' Proposed By Western N.Y. Conference

BUFFALO, Sept. 1 — "Know Your Civil Service Employee Week" is being fostered by the Western Conference of the Civil Service Employees Association.

In an endeavor to help erase erroneous public impressions about civil servants, and to create a more sympathetic view toward their work and activities, the Conference has proposed to the State-wide organization that such a week be established.

The Conference resolution on the subject reads:

"Resolved, that the Western New York Conference recommend to the Civil Service Employees Association one week be set aside and designated Know Your Civil Service Employee Week to begin favorable publicity on the varied work and resultant public benefit therefrom of civil service employees;

Thursday at the Lake View Inn. More than 400 members and friends enjoyed a chicken dinner and dancing.

President and Mrs. Ralph Currier worked out the details of the affair, assisted by a ticket committee consisting of Geraldine Schaeffer, Genevieve Poynter, Julia McCullom, Mary Davis, Kathleen Elliott, Ercelia Schilling, Hazel Levesque and Neva Schoonover.

Inez Campbell and Virginia Troy gave up their pass time to help make the party a success. Charles R. Culyer, field representative, representing the CSEA and Jack Scanlon, of Ter Bush & Powell, also attended.

Willard State Hospital

THE WILLARD State Hospital chapter, CSEA, extends its congratulations to Tennie Lee Daniel, employee at Willard, and George L. Green of Clifton Springs, who were married in Ovid.

The ceremony was performed by the Rev. Clarence J. Luther, assisted by the Rev. Allen Barrett. The bride was given in marriage by B. C. Woledge. Others who assisted at the wedding were Barbara French, Mr. and Mrs. John Woledge, Ethel Niyison, Kay Limmer, Merton Page, Ralph Hall Jr., Leslie Whitney, Helen Stanpleton and Ronald D. Woledge.

The couple will live in Willard. Mrs. Fred Packer is enjoying a ten days' vacation.

Sympathy is extended to the family of James Weeks, who died on August 17.

Mrs. Robert Elliott, wife of former superintendent Dr. Robert Elliott, passed away at her home in Canandaigua on August 17.

Mrs. Chloe Brewer, of Detroit, Michigan, sister of Miss Cornelia Smith, is visiting at the hospital for several days. Miss Smith still remains ill in the hospital ward.

Dr. Kenneth Keill, Director, and Mr. Samuel H. Peltz, Sr., Business

Officer, attended funeral services for Dr. Clarence H. Bellinger at Brooklyn State Hospital on August 14.

Dr. Oscar K. Diamond has been enjoying a week's vacation.

Sally J. Bachman and Mrs. Barbara J. Hagadorn have accepted positions at the hospital.

Miss Patricia Pemberton was entertained at a variety shower by the office employees on Monday evening, August 18.

Mr. and Mrs. Frank Peltz and Mr. and Mrs. Webb Ganoung have returned to work after enjoying a week's vacation.

Mr. and Mrs. Raymond McGrain are enjoying a two weeks' vacation, touring in the Adirondack region and the southern States.

Mr. and Mrs. Louis Rizzieri have moved to their new apartment in Seneca Falls.

Dr. and Mrs. Charles Russell have returned after enjoying a two weeks' vacation.

Mr. and Mrs. David Peltz and family of Utica were week-end guests of Mr. and Mrs. Samuel H. Peltz.

Public Service Commission

THE EMPLOYEES of the Public Service Commission, New York office, extend to Kenneth A. Valentine, their representative on the Board of Directors, CSEA, best wishes for a rapid recovery from his recent illness. The LEADER staff sends its best to Ken, too.

Artists: Not Much Time Left to Enter Your Art Works

ALBANY, Sept. 1 — With substantial cash prizes announced, the Second Annual Art Show of the Civil Service Employees Association is approaching with every assurance that it will exceed last year's Albany show in quality and brilliance. The Art Show Committee reports that entries which have come in so far have an unexpectedly high quality. The Committee urges all artists in the area to make certain their exhibits are in before Saturday, September 13, the last day on which entries will be received.

The prizes are:
Oils: first prize, \$75; second prize, \$50; third prize, \$20; fourth prize, \$10.

Watercolors: first prize, \$50; second prize, \$25.

Sculpture-Ceramics: first prize, \$25.

In addition, there will be one honorable mention in each class. The Art Show Committee has

BALDWIN APPOINTED AS HUGHES' SUCCESSOR

ALBANY, Sept. 1—Paul G. Baldwin of Binghamton has been named director of the Bureau of Rights of Way and Claims, State Department of Public Works, effective September 11, at \$12,500 a year. Superintendent Bertram D. Tallamy announced.

Mr. Baldwin succeeds E. Burton Hughes of Albany, who was appointed Deputy Superintendent of Public Works. An employee of the department for more than a quarter of a century, Mr. Baldwin is senior land and claims adjuster in District 9, Binghamton.

Mr. Baldwin was graduated from the Cortland Central Highway School and attended the University of Michigan and Syracuse University.

asked Association chapters in the area covered to make contributions toward the total amount needed for prizes.

Who Is Eligible

Artists eligible: State, county and municipal employees (and their spouses) residing in the following counties: Albany, Clinton, Columbia, Dutchess, Essex, Franklin, Fulton, Greene, Hamilton, Herkimer, Montgomery, Oneida, Otsego, Rennselaer, St. Lawrence, Schoharie, Ulster, Warren, Washington.

Works eligible: Oils, water color, etchings (suitably framed), sculpture, ceramics. Three original works may be submitted by each artist, but only two by any artist may be selected.

Artists should clearly mark their works, attaching to each entry name, government agency in which employed, and address.

Works should be addressed to the Albany Institute of History and Art, Albany, N. Y., and will be received by the Institute until 5 p.m., Saturday, September 13. The artist must arrange for transportation of his entries.

All inquiries should be addressed to Joseph Rothman, chairman, Art Show Committee, Civil Service Employees Association, 8 Elk Street, Albany, N. Y.

Sing Sing Man Graduates in Criminology

Joseph Sherry of Sing Sing Prison graduated from the New York Institute of Criminology on August 20. The graduation exercises were held at the Ansonia Hotel, in New York City.

Officer Sherry has had a wide, varied background in penal, police and military operations. He served as a commissioned officer during the Civil War in Ireland, and as a member of the Dublin Police Force before coming to the United States.

He has been a member of the custodial force of the New York State Department of Correction for the past 20 years, part of which was served at the New York State Vocational School at West Coxsackie, New York.

He enlisted in the U.S. Navy as a petty officer during World War II and served more than four years in the Pacific area.

Subjects covered by Officer Sherry included Criminology, Criminal Law, Investigation, Laboratory and Photographic Techniques and Fingerprint Identification.

PERSONNEL RELATIONS BOARD ISN'T BUSY

ALBANY, Sept. 1 — No grievances are before the State Public Employees Personnel Relations Board, nor have there been for many months. The agency qualifies for the title of least active of all State bodies. Important

Government Workers: A Dozen Fables and Facts

IN the next coming two months, as the fever of election campaigning grows hotter, public employees will become increasingly the targets of men vying for public office. The trend is already showing itself. It is therefore important to keep the facts separated from the fables.

United States Senator Harvey Kilgore has collected and analyzed the most prevalent of these fables and knocked them over the head with hard facts. They make the best possible editorial on the subject.

1. FABLE: Government workers loaf all the time.

FACT: The average government employee takes only 78.5 percent of the vacation time that is due him, according to a recent Congressional Committee report. That is not the way loafers behave.

Last year, over 400,000 Federal employees voluntarily quit, the great bulk of them leaving government service entirely. If a government job is such a soft touch, compared with business or industry, then why didn't they stay? (The government quit-rate, however, is lower than that of private industry.)

2. FABLE: By firing the loafers on the Federal payroll, our taxes could be greatly lowered.

Fact: If every single Federal civil employee, from President to charwoman, were fired tomorrow, the Federal budget would be reduced only 13 percent.

3. FABLE: The government is utterly inefficient.

FACT: Our government is among the most efficient large business in the world. The Treasury in the 1951 fiscal year collected \$50.4 billion in taxes, at a cost of less than half a cent per dollar.

The Post Office picked up, transported and delivered 46.9 billion pieces of mail (including packages) at a cost per piece of 4.42 cents.

The Social Security administration had over 83,000,000 current accounts last year. The annual cost of servicing these people was less than a dollar per person. Administrative costs amounted to less than two and a half cents out of each dollar collected.

In 1950, a business efficiency organization sponsored a contest "for the best productive ideas." Government employees took the top honors. Their proven ingenuity and initiative had saved the taxpayer \$22,000,000 in one year alone.

4. FABLE: Government inefficiency gets worse and worse.

FACT: Government managerial techniques are constantly improving.

The cost of collecting each tax dollar has dropped from 1.13 cents in fiscal year 1930 to .49 cents in fiscal year 1951. Postal efficiency has increased from 41.6 pieces of mail per man-hour in 1938 to 51.5 pieces in 1951.

In Social Security, the work done per employee has more than doubled since 1941, even though the system's 1941 methods were considered highly efficient by insurance companies at the time.

Some of the annual savings from recent managerial improvements include: \$26 million from better buying of supplies; \$3.7 million from better use of space; \$1.5 million from new money-order forms.

(This doesn't mean that there isn't still room for a lot more efficiency.)

5. FABLE: The government payroll goes up but never down.

FACT: The number of Federal civil employees declined from 3,560,000 in 1945 to 1,966,448 in 1950, thanks to reduced employment in defense activities.

In the first eighteen months since Korea, employment in government agencies not directly charged with

defense or with emergency controls (NPA, OPS, etc.) showed these changes: Post Office, up 11,000 workers; all other agencies, down 12,000 workers.

In this same period, of course, the defense agencies have greatly increased their staffs.

In February 1952, all the New Deal and Fair Deal agencies (plus the RFC) employed less than 60,000 out of the 2,548,000 Federal employees.

6. FABLE: The government is full of grafters.

FACT: "The vast majority of public servants . . . are honest and conscientious . . ." (D. A. Hulcey, in 1951, when President of the U. S. Chamber of Commerce.)

Since January 1, 1951, 90 Internal Revenue Bureau officials and employees have had to be dismissed for faithlessness to their trust. This is 90 more faithless employees than there should have been. But this represents one sixth of one percent of all Bureau employees. On a percentage basis, the Bureau has proved so far 99 and 84/100 percent clean—purer than Ivory Soap.

7. FABLE: The government is full of political hacks.

FACT: Ninety-nine percent of all government employees in the U. S. are merit system employees.

Ninety-three percent are under the civil service merit system, and six percent additional work for agencies that have their own merit systems, such as T.V.A., the Atomic Energy Commission, the Central Intelligence Agency and the F. B. I.

In 1952, tax-collecting positions in the Bureau of Internal Revenue were brought under the merit system. In addition the President has proposed—in his three reorganization plans of April 10, 1952 — to bring customs officials and U. S. marshals under the merit system and to bring 21,000 postmaster positions wholly within the merit system by doing away with the requirement of Senate confirmation of appointments.

8. FABLE: Government workers form one vast political machine.

FACT: The two Hatch Acts of 1939 and 1940, as amended in 1950, forbid Federal employees from taking an active part in politics or holding state or local offices under penalty of losing or being suspended from their jobs. The Maryland and Virginia counties adjacent to Washington — where a higher proportion of government workers live than in any other three counties in the country — went for Dewey in 1948.

9. FABLE: The government is full of Communists.

FACT: Since 1947 the loyalty of every single government employee has been carefully checked by the F. B. I. Only nine one-thousandths of one percent of all those checked had to be discharged because of doubts as to their loyalty. It seems doubtful that any other large group in the country could match this record of ninety-nine and ninety-nine hundredths percent loyalty.

10. FABLE: You can't fire anyone from a government job.

FACT: A total of 22,978 government employees were fired during the last calendar year.

11. FABLE: Government employees are all desk workers.

FACT: A third of all Federal employees are industrial-type workers. Most of these work for the armed services, building ships and guns, constructing and working at air, navy and army bases and elsewhere.

A fifth of all Federal employees work in the postal service.

Seven percent work for the Veterans Administration, nearly all in hospitals.

Among the other 22 percent there are county agents, food inspectors, scientists, customs officers, dam builders, FBI men, foresters and men and women with 15,000 other different basic skills.

12. FABLE: The government pays more than other employers.

FACT: Government industrial workers are paid by law approximately the same hourly wages that private employers in the same trade and the same area pay to their employees.

Federal workers in the lower-grade jobs — for example, clerks, typists and stenographers — draw somewhat more than they would in private business, because Congress has felt a responsibility to pay a living wage.

In the middle pay brackets, business and government salaries are about the same. In the top brackets, business pays far more than any civil servant receives for comparable work.

Comment

**VETS CONFUSED OVER
REDUCED VACATIONS**

Editor, The LEADER:

A recent article in The LEADER, told of the State granting four weeks' vacation to returning Korean veterans.

This law has been in effect since World War II. After that war, veterans were given four weeks' vacation regardless of how much time they spent in service or at what time they were reinstated in State service. In some State institutions the director is still following that policy. In others the argument is put forth that the State fiscal year begins in April, so if a veteran is reinstated in State service in May, he has 3½ days due him; if reinstated in October, two weeks; if in December, 16 days; if in April, the beginning of the fiscal year, no military vacation.

Several men in our post are affected. They are confused about the law. What did the Legislature really intend the returning veterans to have? Was not the four-week provision intended to be absolute?

F. J. SHAW

Commander, Poughkeepsie Post, Veterans of Foreign Wars.

**INTERESTED
IN SPORTS**

Editor, The LEADER:

I am writing to request your help in the project I am about to propose. Within the service there are many bowling and softball teams but no basketball teams that I know of. I believe there are many young men in the Service who are very much interested in this sport as I am, and would like to form a league such as the other sports I mentioned. Bowling is a wonderful sport, but does not appeal to many active young men such as I. So this is why I am appealing to you for any help you can give me towards joining or starting such an activity. It would help very much if you could print this letter in the next edition of the LEADER so that anyone who is interested, could write to me.

Thanking you very much for your consideration, I am,

GEORGE WILLIAMS

State Athletic Commission

Suggestion: All interested persons should communicate with Mr. George Williams, State Athletic Commission, 226 West 47th Street, New York 36, N. Y.

**AGREES INEPT CAN'T
KEEP THEIR PUBLIC JOBS**

Editor, The LEADER:

I was happy to see the article in last week's LEADER which showed that public employees have to live up to the same standards as found in private industry, not only to get ahead, but to hold their jobs.

There has been altogether too much cheap sneering about public employees having "easy jobs" and being kept on the payroll without doing much, if any, work, and even after they have proved unfit.

Any public employee will reveal the truth about this situation to anybody who cares to know the answer.

Public employees have been slandered and libeled enough.

I agree with Chairman Robert Ramspeck, of the U.S. Civil Service Commission, that a halt must be called to this loose talk, and that public employees should not hesitate to do their full share in killing this canard.

I'd been waiting to see an article of that kind in some paper, somewhere, some time, and was overjoyed to find it in my favorite civil service paper.

—CLEMMENT V. OSGOOD

New York City

**SICK LEAVE LOSS IRKS
PER DIEM EMPLOYEES**

Editor, The LEADER:

We are per diem employees of the NYC Department of Water Supply, Gas & Electricity, and we feel that we have received a raw deal in being notified that the 15 days' annual sick leave is cancelled. Moreover, the order is effective retroactive to July 1, although issued on August 15. We'd like to know why we're being treated this way.

Recreation leader (arts and crafts—female), \$3,795. Recreation leader (female), \$3,410. Library assistant (female), \$3,410.

OKINAWA

One year; free housing; post differential, 25 percent of base salary; meals cost an employee about \$45 a month. Budget administrator, \$5,940. Safety director, \$5,060. Safety inspector, \$4,620. Recreation leader (female), \$3,410.

PANAMA

Two years, housing allowance granted, besides pay; meals cost an employee about \$100 a month; post differential, 25 percent of base salary. Position classifier, \$5,060.

90,000 U.S. Employees To Lose Jobs

WASHINGTON, Sept. 1 — If you're a Federal employee, this item of information may be a socko between the eyes. A breakdown of the budget cuts forced by Congress in the President's budget shows that 90,000 full-time jobs will have to be liquidated.

Some of the statistics: Defense Department loses 55,000 jobs; Economic Stabilization Agency, 15,000; Treasury (mainly Internal Revenue), 8,500; Veterans Administration, 6,500; State Department, 3,000; Post Office, 2,500; General Services, 2,500; National Production, 4,000; Housing and Home Finance, 1,500; National Advisory Committee for Aeronautics, 1,000; Labor, 500.

TVA got 2,500 additional posts; and the Civil Service Commission 1,500 new jobs to take care of investigations formerly handled by FBI.

News: 1,000 lay-off notices go out this week to employees of the National Production Authority.

12 WOMEN NAMED TO SUBWAY POLICE POSITIONS

Twelve young women were appointed provisional policewomen in the NYC Transit System at \$3,725 a year. They will serve until a list of civil service eligibles is ready.

Sanitation Group Acts On 40-Hr. Wk.

At a meeting of the executive committee of the Uniformed Sanitationmen's Association, held in NYC last Wednesday night, pleas were made by spokesmen for members of the union for "strong action" toward getting a 40-hour week.

The NYC administration proposal for a staggered system of finally arriving at the 40-hour week was rejected by the union recently, and a counter-proposal made for a 42-hour week by October 1, with the 40-hour week by June 30. The City Administration showed no signs of accepting the counter-proposal. The men's spokesmen then told the executive committee that only "doing something strong" would bring any real results.

The union does not intend to violate the Condon-Wadlin anti-strike law, a spokesman said, but it will abide by all the customs and traditions of the labor movement. No explanation was made of this veiled remark.

Picketing should be practical, some men suggested. The committee promised that a final decision would be made by Wednesday, September 3.

John J. DeLury is president of the association, Local 831 of the Teamsters Union, AFL.

8 NYC Actions On Jobs Get State Approval

ALBANY, Sept. 1 — The State Civil Service Commission has approved the following eight resolutions adopted by the NYC Civil Service Commission, and they have thereby gone into effect:

Including the position of public relations adviser in the Non-Competitive Class for the Department of Sanitation.

Including jobs in the Competitive Class Part 44, the Dental Service.

Permitting employees to receive the cost of living adjustment where such adjustments bring total salaries above the grade.

Changing grade salary limits for the positions of special inspector, assistant supervisor (special inspection), and supervisor (special inspection) in the Rapid Transit Railroad Service.

Including under Part 35, the Dietitian Service, the titles of dietitian, senior dietitian, head dietitian and chief dietitian (approved specialty: school lunch).

Amending the Exempt Class by changing the title of 82 Assistants to the Corporation Counsel to "82 Assistant Corporations Counsels with salary of not less than \$3,500 per annum each."

Including in Part 39, the Rapid Transit Railroad Service, the titles of assistant supervisor (structures—group C) and supervisor (structures—group C) and of reclassifying three employees into these titles.

Amending Rule V, Section VII, paragraph 6, relative to seasonal parkman.

Have you been reading the LEADER's interesting new column, Civil Service Newsletter? You'll find it on page 3. Make it MUST reading every week.

Mitchel and Bennett Fields Offer Aircraft Trade Jobs

Civilian aircraft maintenance and repair jobs in 10 titles are offered by the Air Force at Mitchel Field and Floyd Bennett Naval Air Base, L. I. The jobs, hourly rates, and required experience follow:

Aircraft engine installer, aircraft mechanic, aircraft hydraulic repairer, aircraft propeller repairer, and aircraft servicing electrician, \$1.80; 4 years. Some mechanic jobs pay \$1.85 an hour.

Aircraft radio and electronic repairer and installer, and aircraft sheet metal manufacturer and repairer, \$1.85; 2½ and 4 years, respectively.

Parachute and leather inspector and repairer, and aircraft instrument servicer, \$1.73; 2 and 4 years, respectively.

Aircraft fabric, paint and dope worker, \$1.73; 2 years.

Apply in person to first- and second-class post offices in Nassau County as far east as Hempstead; the Director, Second U.S. Civil Service Region, 641 Washington Street, New York 14, N. Y.; or Martin T. Walsh, executive secretary, Board of U.S. Civil Service Examiners, Hempstead, N. Y.

Age limits are 18 to 62 but do not apply to veterans. No closing date has been announced.

Substitution for Experience For some positions completion of courses in CAA approved aircraft schools, Armed Forces Technical Schools, and trade schools may be substitute for some of the experience.

Sandblaster, Rigger Jobs

Applications will be received until further notice for rigger, helper rigger and sandblaster jobs at the New York Naval Shipyard, Brooklyn, and other naval installations in NYC. The exam is No. 2-1-14 (52).

No written test will be held. A performance test may be given.

Rigger pay is \$14.24 to \$16 a day, helper rigger, \$11.36 to \$12.80, and sandblaster, \$12.08 to \$13.60.

Experience in the respective trade is required as follows: Rigger, 4 years; helper rigger, 6 months; sandblaster, 3 months.

Apply to Second U. S. Civil Service Region, 641 Washington Street, New York 14, N. Y., or Board of U. S. Civil Service Examiners, New York Naval Shipyard, Naval Base, Brooklyn 1, N. Y.

Physical Ability Required Persons with physical handicaps are invited to apply; but applicants must be physically capable of performing the duties of the position efficiently, must be free from such defects or diseases as would constitute a hazard to themselves or others.

PHOTO by Con Edison

Houtskoolijzer. That jawbreaker means "charcoal iron" in Dutch. This 18th-century iron was filled with glowing charcoal embers. Today's lightweight, automatic electric irons are certainly a lot handier and cost so little to use. For 1¢ of electricity from Con Edison you can iron 2 rayon blouses and 5 rayon slips. Electricity is your biggest household bargain!

NYC School Clerk Test Closes September 29

Applications will be received until Monday, September 29, by the NYC Board of Education, 110 Livingston Street, Brooklyn 2, N. Y., for school clerk and substitute school clerk jobs. No college degree is required.

Regular school clerk jobs start at \$2,650 a year, or \$51 a week, and rise to \$3,850, or \$74 a week, through \$100 annual increments.

Substitute school clerks get \$10 a day.

Applicants may take both tests, but must file separate applications and pay separate fees.

The written tests will be held during the week of October 13 and will deal with oral English, dictation and mimeographing. The four tests are expected to be completed by June 30, 1953.

The date by which candidates must meet all eligibility requirements is February 15, 1953, except that on special application an extension of three years may be allowed for completing two years of required approved study.

The application fees are: school clerk, \$5.25; substitute school clerk, \$3.

Age Limits

The age limits for regular school clerk candidates are 20 to 45 and for substitute school clerk applicant, 19 to 55. Men and women may apply for either or both jobs.

The official statement of requirements follows:

"Preparation: Graduation from a high school, and in addition, two years of approved study of college grade or appropriate post-high school training. The said preparation shall include a total of 6 semester hours in approved courses in education and in school records and accounts. (An equivalency high school diploma or matriculation for a baccalaureate degree will be accepted in lieu of high school graduation.)

"Experience: Four years in approved office clerical work; or two years in school clerical work under

an appropriate license; or an equivalent combination of the aforesaid types of experience.

"Substitution: (a) two additional years in approved office work or one additional year in school clerical work under an appropriate license may be offered in lieu of four semester hours of courses in education other than the required course in school records and accounts.

"Substitution: (b) A baccalaureate degree may be offered in lieu of one-half of the experience requirement."

Forecast of Written Test

The written test may cover English, including spelling, composition, letter writing, penmanship; also arithmetic, payroll, student and teacher personnel accounting, student records, graphic representation of tabulated information, preparation of requisitions and inventories of supplies and equipment, distribution of supplies and filing. Applicants are expected to show satisfactory penmanship and use of English. Failure to reach either standard will, constitute ground for rejection.

Steno-Typist Skill Needed

The performance tests may include a dictation test at not more than 80 words per minute (to be taken in Gregg or Pitman shorthand), and transcription by touch typewriting. A problem covering the typewritten arrangement of unarranged material may be included.

There may be, also, a test in mimeographing techniques; touch typewriting a stencil from edited copy, duplicating a specific number of copies by hand-operating a mimeograph machine, and cleaning and filing a used stencil.

Failure, when summoned, to report for or to take a performance test for any reason whatsoever will result in denial of license. No applicant failing to obtain a passing grade in a performance test, will be entitled to a second performance test.

Good English Essential

Applicants will be tested in oral English and will be expected to speak idiomatically and correctly. Their speech must be free from serious defects, foreignisms, and provincial pronunciation.

An interview test may be included to ascertain the applicant's fitness with respect to certain factors of personality (appearance, bearing, manners, animation, poise, etc.) and his mental responsiveness.

Inquiries for additional information should be addressed to Abraham Kroil, chairman of the committee in charge of the license. If the pages setting forth the eligibility requirements and the general regulations are not attached hereto, persons interested in taking an exam should apply to the Board of Examiners for the complete announcement circular.

EXAM STUDY BOOKS

Excellent study books by Arco, in preparation for current and coming exams for public jobs, are on sale at the LEADER Bookstore, 97 Duane Street, two blocks north of City Hall, just west of Broadway, opposite the application bureau of the NYC Civil Service Commission.

Hospital Clerk Exam to Open In October

Because of the acute shortage of clerks in the NYC Department of Hospitals, a special exam will be held to fill 350 jobs now vacant. This exam is for hospital jobs only. Applications will be accepted during October by the Civil Service Commission.

Men and women from 18 to 70 may apply. Pay is \$2,110 to start. There are no educational or experience requirements. The written exam will not contain difficult questions.

The Commission denied a request from the Hospitals Department that specific educational requirements be imposed.

Motorman Seeks To Be Reinstated

Local 100, Transport Workers Union, has appealed to the NYC Civil Service Commission to overrule the Board of Transportation's dismissal of a motorman.

Michael Murphy, a BMT motorman, was dismissed from his job following an accident near the Nassau-Fulton Street station. The union charges that the accident was more the fault of equipment than of the motorman, and that his 23 years of perfect service should have been considered.

A spokesman for the Commission explained that the appeal would normally be placed on the Commission's calendar but that the Commission has no power to reverse the Board's ruling. The Commission could modify the dismissal ruling if made in violation of Civil Service Law.

VA Hospitals In NYC Offer Attendant Jobs

Applications will be received from now until Monday, September 22 for the exam for hospital attendant (mental), GS-1, at the veterans' hospitals in the Bronx, Brooklyn and Manhattan. These jobs are restricted to veterans. There will be a written test.

Salary is \$2,500 a year. File form 5000-AB with the Executive Secretary, Board of U. S. Civil Service Examiners, Veterans' Hospital, 130 West Kingsbridge Road, Bronx 68, N. Y. Announcement 2-66-4 (1952), for this exam, and applications may be obtained from this same address, or from the Second Regional Office, U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y.

Applicants must take a written test designed to measure aptitude. Included are measurements of emotional stability.

Exams will be held at Manhattan, Brooklyn, Flushing, Jamaica and Long Island City. Candidates will be notified when and where to appear.

Competitors will be given numerical ratings on the basis of the written test only.

Medical Physical Requirements

Good distant vision in each eye, and ability to read without strain printed material the size of typewritten characters, are required, glasses permitted in both instances. Ability to hear the conversational voice, without the use of a hearing aid, is required. Person who lost an arm, hand, leg, or foot should not apply.

Those eligibles living in the immediate locality or within convenient commuting distance of the jobs may be certified first. There are no age limits.

Senate Unit Dislikes U. S. Promotion Plan

WASHINGTON, Sept. 1 — The Senate Post Office and Civil Service Committee, after studying the method of choosing supervisors in the Federal Government, submitted a report recommending that more attention be paid to a person's ability in leadership and gift for getting along well with people, rather than mere technical proficiency.

Those who do their own work best at lower levels are not necessarily best qualified for promotion, the committee observed.

The absence of a promotion reservoir was noted. This was taken as an intimation that there should be competitive promotion exams, just as there are in State and local governments, with rosters of eligibles. The committee opposed close restriction of promotions to those in a particular unit, where the same type jobs are filled in many departments.

Too much stress on seniority, strong effect of personal acquaintance with an aspirant, and lack of "procedural method to determine the ability of candidates not personally known" were other complaints.

At present U. S. promotions are mostly on a non-competitive basis.

100 Helper Jobs At Navy Yard To \$12.80 a Day

Jobs as general helper, \$11.35 to \$12.80 a day, will be filled at the Naval Shipyard, Brooklyn 1, N. Y., and in other naval installations in NYC. The last day to apply to the U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y., or to the Board of Civil Service Examiners at the shipyard, is Wednesday, September 3. There are more than 100 vacancies.

Requirements Listed

Requirements follow:
(a) Six months' training or experience, which may include apprenticeship, in a recognized mechanical trade, or in a skilled occupation not necessarily a recognized mechanical trade, but which requires the use of tools, machines, or processes common to skilled occupations, or common to industrial production processes; or

(b) One year of a mechanical course in a vocational school; or

(c) At least six months in day class attendance, or nine months in evening class in a resident trade school such as automotive, electrical, radio, diesel, etc.; or

(d) A course of at least six months in classroom and shop instruction, in any aircraft school or in any mechanical field of aircraft (flying instruction is not qualifying for the purpose of this examination); or

(e) A certificate of completion of a course under the training program of the Federal Office of Education in any of the metalworking or woodworking trades or skilled occupations (including operation of production machines such as lathes, punch presses, drill presses, boring mills or power woodworking machines).

Minimum Age Is 18

Age limit is 18 minimum, no maximum.

Appointing officers will not be required to consider for appointment any persons who on the date of filing application, have passed their 62nd birthday, except those entitled to veteran preference.

There will be no written test; candidates will be rated on their training and experience. Veteran preference applies.

CHIEFS BACK PERLMAN SUIT
The Fire Chiefs Association is reported to have submitted to the Supreme Court an affidavit supporting a petition for reinstatement filed by Deputy Fire Chief Nathan Perlman, who was dismissed from the Fire Department last April.

U. S. Stresses Need for 12,000 Public Nurses

WASHINGTON, Sept. 1 — The U. S. Government admitted with regret that it is hard pressed to fill jobs as public health nurses. From 12,000 to 15,000 are needed, the Public Health Service said.

A tally made by the Service shows that the same type of shortage exists in all the States, even though 25,000 persons are engaged in public health nurse work.

There are rural areas in the U. S., in more than 650 counties, that lack full-time public health nurse service, and 13 towns of more than 10,000 population that have no public health nurse service, the survey revealed.

From time to time exams are announced for filling public health nurse jobs. At present such jobs, at \$4,250 a year, with the Bureau of Indian Affairs, are on reservations west of the Mississippi and in Alaska. The exam is No. 243. Nurses interested in these jobs or similar ones located elsewhere, should address the U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y., or the U. S. Public Health Service, Washington, D. C.

PROMOTION — CLERK GRADE 5

Our classes for this examination will commence on Monday, September 8th, 6:30 to 8:30 p.m. Moderate fee.

Requirements: (1) graduation from medical school; (2) State license to practice medicine; (3) one year's internship; and (4) either (a) two years of residency in psychiatry and two years as a member of the psychiatric staff of an approved hospital, or (b) satisfactory equivalent of such experience. Fee \$5. (Friday, October 3.)

6169. ASSOCIATE CLINICAL PSYCHIATRIST, \$8,350 to \$10,138. Two vacancies at Psychiatric Institute, NYC. Requirements: (1) graduation from medical school; (2) State license to practice medicine; (3) three years of residency in approved psychiatric hospitals, and (4) two years of psychiatric experience including a teaching assignment on a regular medical school faculty. Fee \$5. (Friday, October 3.)

6170. SENIOR CLINICAL PSYCHIATRIST, \$6,801 to \$8,231. One vacancy at Psychiatric Institute, NYC. Requirements: (1) graduation from medical school; (2) State license to practice medicine; and (3) three years of residency in approved psychiatric hospitals. Fee \$5. (Friday, October 3.)

6171. ASSISTANT MILK SANITARIAN, \$4,053 to \$4,889. One vacancy in the Department of Health. Requirements: (1) college degree in sanitation, dairy science, agriculture, engineering, public health, or veterinary medicine; and (2) either (a) two years of experience in milk sanitary work, or (b) one year of graduate study in public health and one year of the above experience. Fee \$3. (Friday, October 3.)

6172. DISEASE CONTROL VETERINARIAN, \$4,512 to \$5,339. Two vacancies in the Department of Agriculture and Markets. Requirements: (1) graduation from a school of veterinary medicine; (2) accreditation by the U. S. Bureau of Animal Industry; (3) State license to practice veterinary medicine; and (4) one year of experience in the practice of veterinary medicine. Fee \$3. (Friday, October 3.)

6173. LABORATORY TECHNICIAN, \$2,771 to \$3,571. Vacancies, 11 in Syracuse, 12 in Brooklyn, 12 in Albany, and one at Freeport, L. I. Requirements: (1) high school graduation or equivalent; and (2) either (a) two years' experience performing technical laboratory procedures, or (b) two year course in laboratory technology, or (c) equivalent of such training and experience. Fee \$2. (Friday, October 3.)

6162. JUNIOR PHARMACIST, \$3,571 to \$4,052. Vacancies, 14 in mental hygiene institutions throughout the State. Requirements: (1) graduation from an approved school of pharmacy, and (2) State license to practice pharmacy. Fee \$2. (Friday, October 10.)

6174. SENIOR ARCHITECT,

\$6,088 to \$7,421. 18 vacancies in Albany, 3 in NYC. Requirements: NYS Architect's license, high school graduation and 4 years' professional experience in architecture plus a bachelor's degree in architecture and one more year of experience or equivalent training and/or experience. Fee \$5. (Friday, October 3.)

6175. SHELLFISH SANITARIAN, \$6,562 to \$7,992. One vacancy at Freeport, L. I. Requirements: bachelor's degree in civil, sanitary, or public health engineering and 3 years' experience in public health or sanitary engineering involving work in shellfish sanitation plus 3 more years of above experience or equivalent training and/or experience. Fee \$5. (Friday, October 3.)

6176. HYDRO-ELECTRIC OP-

ERATOR, \$3,091 to \$3,891. One vacancy in Albany. One more expected. Requirements: 1 year of experience in installation, operation and repair of hydro-electric power plant plus 1 year of mechanical or electrical experience or 1 year of college course in electrical or mechanical engineering or equivalent training and/or experience. Fee \$2. (Friday, October 3.)

6177. BOTTLING PLANT ASSISTANT FOREMAN, \$3,091 to \$3,891. One vacancy at Saratoga Springs. Requirements: 3 years' experience in operation and maintenance of bottling machinery, with at least 1 year in a supervisory capacity in the bottling of naturally carbonated mineral waters. Fee \$2. (Friday, October 3.)

6178. SENIOR STATISTICIAN,

\$5,414 to \$6,537. One vacancy in NYC. Requirements: bachelor's degree with 15 credit hours in math, and statistics (at least 6 hours in statistics) plus 4 years' professional statistical work or Ph.D. with at least 20 hours in math, and/or statistics or equivalent training and/or experience. Fee \$4. (Friday, October 3.)

6180. TOLL COLLECTOR, NYS Bridge Authority, \$2,770 to \$3,263. 11 vacancies at Bear Mountain and Mid-Hudson Bridges. Requirements: experience in cashing, ticket selling or similar work desirable. Fee \$2. This examination is open only to residents of the Third and Ninth Judicial Districts. It is expected that males only will be appointed to these positions. (Friday, October 3.)

40-Hour Week to Require Hundreds More Firemen; Exam Reopens Sept. 9

From Tuesday, September 9 to Wednesday, September 24, young men will have another opportunity to apply in the NYC fireman (F.D.) exam. The application period is being reopened to induce broader recruitment at a time when prospective candidates have returned from their vacation.

Apply, but not until September 9, in person or by representative at the Municipal Civil Service Commission, 96 Duane Street, NYC, two blocks north of City Hall, just west of Broadway, opposite The LEADER office. Hours are 9 to 4, Saturdays, 9 to noon.

During June, when the applications were first received, 4,863 applied. It is expected that at least a couple of thousand more applications will be received this month.

Good Job Prospects
Job prospects are heightened because of the ultimate introduction of the 40-hour week, which will require about 900 more firemen. The present work-week is 45.8 hours. Plans looking toward the introduction of the 40-hour week are now in the discussion stage. Long before appointments are made from the new list, the 40-hour week in the department is considered a certainty.

The starting pay is \$3,725 and rises after three years to \$4,785. Firemen receive 30-day vacations, paid sick leave under a policy of no limitation as to time, promotion opportunities, and half-pay retirement after 20 years' service. The City pays 75 percent of the pension cost, the employee the remaining 25. Those who stay after 20 years' service get \$50 a

year more, for each additional year up to 10, a maximum retirement allowance of half pay plus \$500 a year.

Minimum Requirements
Requirements include 5 feet 6 1/2 inches minimum height, 20-20 vision in each eye separately, without glasses; age, 20 to 29 at time of application, but veterans 29 or over may subtract from their actual age the length of time spent in the armed forces.

There are no educational or experience requirements, but the exam has not been easy in recent years, and thorough preparation is advised. This should include study physical training. The physical test, like the written one, is competitive.

Those who pass the written test will be given a medical test—condition of heart, eyes, lungs, teeth, etc.—and those who pass the medical will be admitted to the physical. The medical will be held in the winter and the physical in Van Cortland Park in the summer.

Public Health Nurse Jobs Obtained Fast

Provisional public health nurses are being sought by the NYC Health Department. Salary starts at \$2,930 and increases to \$3,410. There will be no exam to pass for these jobs. Provisionals may later take the exam for public health nurse which will be opened in September for receipt of applications.

To qualify for the provisional jobs nurses must be nursing school graduates and have had courses in medical, surgical, obstetrical and pediatric nursing, and must have a State license as a registered nurse.

Apply to the NYC Health Department, Room 928, 125 Worth Street, New York, N. Y.

Condon-Wadlin Under New and Wider Attack

Legislative representatives of various NYC employees groups are preparing to seek again the repeal of the Condon-Wadlin bill, which prohibits strikes by public employees and imposes severe penalties.

At the last session of the State Legislature, a bill to repeal the law was supported by all the employee organizations, but was defeated.

Medical Librarian Jobs Offered by U. S.

The U. S. Civil Service Commission has announced an exam for medical record librarians, grades GS-5 to GS-12, \$3,410 to \$7,040 a year. Positions in Washington and throughout the country will be filled.

The exam is open to citizens between 18 and 61 years of age. There will be no written test. Educational and experience requirements vary with salary grade.

Apply to Second Regional Office, U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y.

The organizations will try again for repeal.

There has been some discussion of a joint committee of employee organizations, to concentrate effort on repeal, but so far no progress has been made.

Dolan Takes a Hand

The Uniformed Firemen's Association of NYC, along with other AFL organizations, has been importuning legislators to favor repeal of the bill. Terence P. Dolan, vice president of both the UFA and the State AFL, speaking for the AFL civil service committee of which he is chairman, said that the aim of the law was frankly union-busting. He referred to Section 22-A of the Civil Service Law (known as the Condon-Wadlin Act) as a monstrosity.

He complained that there is nothing to prevent public officials from even refusing to meet with employee representatives, and that the officials sometimes so refuse.

"There is no remedy when an employee is faced with such tactics," he said.

Even when the employer refuses to discuss a grievance, if employ-

ees, after having exhausted every other means, strike or effect a slowdown, they shall automatically lose their jobs, the law provides. If rehired or reinstated, they shall not receive any pay increase for three years. Also, they are put on probation for five years. If taken back. That means they may be discharged at any time within those five years, without cause.

"Even if there is a change of management, or if management changes its mind, the disciplines imposed may not be lifted, because the law specifically prohibits any such concessions."

HIGHER PENSIONS SOUGHT FOR POLICE WIDOWS

Pointing out that widows of men killed in line of duty would often do better on relief than the retirement benefits provide, the NYC Patrolmen's Benevolent Association is campaigning to grant half-pay pensions to widows and orphans of police killed in the line of duty.

A bill introduced into the Council by Councilman Stanley M. Isaacs would provide a half-pay pension based on maximum salary rather than on wages paid at the time of death. PBA President John E. Carton urged the Board of Estimate to approve the bill.

Call to NYC Job Interviews

The names of persons on the following NYC eligible lists have been submitted by NYC departments for possible appointment. More names usually are submitted than there are job vacancies, so not all certified are called to job interviews. The title of the position, the number of the last eligible certified, and the department or departments to which certified, are given. "Y" means that the investigation of the eligible has not been completed. "V" means non-disabled veteran and "D", disabled veteran.

OPEN-COMPETITIVE

Assistant civil engineer (building construction), Education; Housing Authority; Housing and Buildings; 16.

Attendant (male), grade 1, appropriate, Office of the Comptroller, 170 Y; Queens College, 1215 Y.

SPECIAL MILITARY

Laborer, Sanitation; Welfare; 2124 Y.

Key Answers in Promotion To Clerk and Other Tests

Final key answers for four NYC promotion exams and tentative key answers for two special military promotion exams were released last week by the Municipal Civil Service Commission.

The final key answers are for promotion to clerk, grade 3, held May 24, promotion to clerk, grade 4, held May 24, and promotion to mate (ferry service) and mate (tugboat), held June 28. The answers have been modified wherever the Commission has allowed the protests of candidates.

The tentative key answers may be protested until September 8 by those who took the other exams for promotion to power distribution maintainer, NYCTS, and power maintainer, group B, NYCTS, both held August 15.

Where to Apply for Jobs In Government Service

U. S.—Second Regional Office, U. S. Civil Service Commission, 641 Washington Street, New York 14, N. Y. (Manhattan) Hours 8:30 to 5, Monday through Friday; closed Saturday. Tel. WATkins 4-1000. Applications also obtainable at post offices except in the New York post office.

STATE—Room 2301 at 270 Broadway, New York 7, N. Y., Tel. BARclay 7-1616; lobby of State Office Building, and 39 Columbia Street, Albany, N. Y.; Room 302, State Office Building, Buffalo 2, N. Y., Hours 8:30 to 5, excepting Saturdays, 9 to 12. Also, Room 400 at 155 West Main Street, Rochester, N. Y., Thursdays and Fridays, 9 to 5. Same applies to exams for county jobs.

NYC—NYC Civil Service Commission, 96 Duane Street, New York 7, N. Y. (Manhattan) Opposite Civil Service LEADER office. Hours 9 to 4, excepting Saturday, 9 to 12. Tel. COrtlandt 7-8880.

NYC Education (Teaching Jobs Only)—Personnel Director, Board of Education, 110 Livingston Street, Brooklyn 2, N. Y. Hours 9 to 3:30; closed Saturdays. Tel. MAIn 4-2800.

NYC Travel Directions

Rapid transit lines that may be used for reaching the U. S., State and NYC Civil Service Commission offices in NYC follow:

State Civil Service Commission, NYC Civil Service Commission—IND trains A, C, D, AA or CC to Chambers Street; IRT Lexington Avenue line to Brooklyn Bridge; BMT Fourth Avenue local or Brighton local to City Hall.

U. S. Civil Service Commission—IRT Seventh Avenue local to Christopher Street station.

Data on Applications by Mail

Both the U. S. and the State issue application blanks and receive filled-out forms by mail. In applying by mail for U. S. jobs, do not enclose return postage. If applying for State jobs, enclose 6-cent stamped, self-addressed 9" or larger envelope. The State accepts postmarks as of the closing date. The U. S. does not, but requires that the mail be in its office by 5 p.m. of the closing date. Because of curtailed collections, NYC residents should actually do their mailing no later than 6:30 p.m. to obtain a postmark of that date.

NYC does not issue blanks by mail or receive them by mail, except for nationwide tests, and then only when the exam notice so states.

The U. S. charges no application fees. The State and the local Civil Service Commissions charge fees, and at the same rate fixed by law.

QUESTIONS ANSWERED

The following answers are to questions on U. S. annual leave.

Q. I expect to enter military service shortly, and understand the leave rider won't apply to the leave I have earned this year. How will it apply when I come back?

A. If you return before July 1, 1953, you will be able to keep only the amount of 1952 leave which your military service prevents you from using before July 1. Any leave you earn after coming back will be subject to the rider each year just as other employees' leave is.

Q. Does the rider have any effect on leave which was accumulated from years before 1952?

A. No. As long as you don't use such accumulation, that is, as long as you have an equal amount at the end of each leave year, you can keep it indefinitely.

LEGAL NOTICE

RENEWING ROOFS BROADWAY OFFICE BUILDING 270 BROADWAY NEW YORK CITY

NOTICE TO BIDDERS Sealed proposals for Renewing Roof of Penthouse and Roof at Penthouse Level, Broadway Office Building, 270 Broadway, New York City, in accordance with Specification No. 17408 and accompanying drawing, will be received by Henry A. Cohen, Director, Bureau of Contracts and Accounts, Department of Public Works, 14th Floor, The Governor A. E. Smith State Office Building, Albany, N. Y., until 2:00 o'clock P. M., Advanced Standard Time, which is 1:00 o'clock P. M., Eastern Standard Time, on Thursday, September 25, 1952, when they will be publicly opened and read.

Each proposal must be made upon the form and submitted in the envelope provided therefor and shall be accompanied by a certified check made payable to the State of New York, Commissioner of Taxation and Finance, of 5% of the amount of the bid as a guaranty that the bidder will enter into the contract if it be awarded to him. The specification number must be written on the front of the envelope. The blank spaces in the proposal must be filled in, and no change shall be made in the phraseology of the proposal. Proposals that carry any omissions, erasures, alterations or additions may be rejected as informal. Successful bidder will be required to give a bond conditioned for the faithful performance of the contract and a separate bond for the payment of laborers and materialmen, each bond in the sum of 100% of the amount of the contract. Corporations submitting proposals shall be authorized to do business in the State of New York. Drawing and specification may be examined free of charge at the following offices:

- State Architect, 270 Broadway, New York City.
State Architect, The Gov. A. E. Smith State Office Bldg., Albany, N. Y.
District Engineer, 109 N. Genesee St., Utica, N. Y.

ROBINSON, ISABEL. - CITATION. - P 2288/1952. - The People of the State of New York By the Grace of God Free and Independent To ATTORNEY GENERAL OF THE STATE OF NEW YORK, PUBLIC ADMINISTRATOR OF THE COUNTY OF NEW YORK, "JOHN" (first name being unknown) PITNEY, if living, divorced first husband of decedent Isabel Robinson, and to THOMAS D. DALLMEYER if living, divorced second husband of said decedent, and if either predeceased said decedent, to his respective heirs at law, next of kin and distributees; and if either of said named persons died subsequent to the decedent herein, to his respective executors, administrators, legatees, devisees and successors in interest; and to any and all DISTRIBUTUTES, HEIRS AT LAW AND NEXT OF KIN OF SAID ISABEL ROBINSON, DECEASED, if living, and if any of them be dead, to his or her legal representatives, distributees, legatees, devisees, grantees, assignees or successors in interest; the names and places of residence and post office addresses of all of the foregoing being unknown and being impossible to ascertain after diligent inquiry, send greeting:

WHEREAS VERNON R. Y. LYNN, who resides at 400 East 58 Street, the City of New York, has lately applied to the Surrogate's Court of our County of New York to have a certain instrument in writing, bearing date March 12, 1949, relating to both real and personal property duly proved as the last will and testament of Isabel Robinson, deceased, who was at the time of her death a resident of 210 East 73 Street, the County of New York.

THEREFORE, you and each of you are cited to show cause before the Surrogate's Court of our County of New York at the Hall of Records in the County of New York, on the 29th day of September, one thousand nine hundred and fifty-two, at half past ten o'clock in the forenoon, of that day, why the said will and testament should not be admitted to probate as a will of real and personal property.

IN TESTIMONY WHEREOF, we have caused the seal of the Surrogate's Court of the said County of New York to be hereunto affixed. WITNESS Honorable GEORGE FRANKENTHALER, a [Seal] Surrogate of our said County of New York, at said County, the 18th day of August, in the year of our Lord one thousand nine hundred and fifty-two.

PHILIP A. DONAHUE, Clerk of the Surrogate's Court

NYC Issues Seven New Eligible Lists

Four open-competitive and three promotion eligible lists were announced last week by the NYC Civil Service Commission. The open-competitive lists are maintainer's helper, group E, pathologist, housing community activities coordinator and dental hygienist. The promotion lists are for captain (P.D.), foreman of laborers, grade 3, Department of Water Supply, Gas and Electricity, NYC Division and Croton Division.

There are 282 names on the maintainer's helper list; 7 on the pathologist list (exam of December 18, 1951); 20 on the housing community activities coordinator roster (exam of May 19, 1951); and seven names on the dental hygienist (9th filing period) list, exam of July 24.

Twenty-five men in the NYC Division and one man in the Croton Division, Department of Water Supply, Gas and Electricity, passed the promotion exam taken on May 26, while the police captain eligibles total 202.

The NYC eligible lists not published in The LEADER may be

Civil Service Job Open—Bottling H2O

ALBANY, Sept. 1 — The Saratoga Springs Reservation needs an assistant foreman to work at its mineral water bottling plant.

A State civil service examination will be held November 8 to fill the Conservation Department job which pays from \$2,931 to \$3,731 in five annual salary increases. Applications will be accepted until October 3.

Candidates must have three years of experience in the operation and maintenance of bottling machinery and auxiliary equipment. One year of the experience must have been in a supervisory capacity in the bottling of naturally carbonated mineral waters.

Details on the examination may be obtained by writing to the State Department of Civil Service, State Office Building, Albany, or by visiting local offices of the State Employment Service.

consulted at the offices of The LEADER, 97 Duane Street, Manhattan, just north of City Hall, until two weeks after date of establishment.

450 State Clerk Jobs To Be Filled This Week

ALBANY, Sept. 1 —About 450 jobs for clerks in State service in Albany and New York City are expected to be filled through placement pools scheduled for this week, the State Civil Service Commission has announced.

Persons successful in an open competitive examination held earlier this year will be eligible for

the vacancies. The salary for the job starts at \$2,180 and rises to \$2,984 in five annual increases.

In Albany, the placement pool will be held Wednesday, September 3, in the Assembly Chambers of the State Capitol. There are almost 350 permanent vacancies to be filled. Some 500 successful candidates have been sent notices to appear at the pool.

In New York City, the pool is scheduled for Thursday, September 4, at 270 Broadway in hearing room E, 23rd floor. Slightly more than 100 jobs are open. Notices have gone to 150 eligible candidates to appear.

Training Is Approved for Korean Vets

Veterans with service anywhere in the world since the start of the Korean conflict, June 27, 1950, now may apply for education and training under the new Korean GI Bill, Veterans Administration announced last week.

Application forms are available at all VA regional offices.

Care Advised

VA advises veterans to take great care in planning and outlining the program of education and training.

After VA approves an application, it will issue a "Certificate For Education and Training" to the veteran which he can present to the educational institution or training establishment to show approval of his program.

Veterans should make sure that the school or business establishment is approved by the appropriate state agency for training under the Korean GI Bill.

No Hobby Training

The Korean GI Bill prohibits VA from approving a program of education or training leading to an educational, professional or vocational objective for a veteran who is already qualified for such objective. It also prohibits the approval of avocational and recreational programs.

The new Korean GI Bill provides up to 36 months of training to veterans who were on active duty on or after June 27, 1950—the date of the outbreak of fighting in Korea—regardless of where they served.

While in training, these veterans may receive an allowance from the Government to cover part of their expenses.

RIEDEL RE-HIRED
The Board of Estimate has voted to retain the services of John C. Riedel as consulting engineer for a two-year period at \$15,000 a year. Mr. Riedel, a LEADER Merit Man, recently retired as chief engineer of the Board of Estimate. His services had been extended beyond the statutory retirement age of 70.

NYC Cash-for-Ideas Program Under Way, But Employees Fee the Amounts Too Low

Nineteen N.Y.C. departments already have notified the Employees Suggestion Program who will have charge of the programs.

None of the authorities or other independent agencies, such as the Board of Education and the Board of Higher Education, has designed a "coordinator." The Board conducting the program will write to these, asking if they want to come in, but will exert no pressure.

The remaining departments will send in the names of their coordinators by the middle of this month.

The Board has announced that cash prizes will run from \$10 to \$100, which struck employees as being too low, lower even than the

scale of the State Merit Award Board.

The U.S. Senate Post Office and Civil Service Committee recently commented on the low scales obtaining in the Federal suggestion programs, though these are higher than the State and NYC ones. The committee noted that private industry figures the awards on a percentage of the savings that the ideas will produce.

Forms Are Ready
NYC has issued suggestion forms on sheets 8 1/2 x 14 inches, to be used for sending in ideas.

Each idea gets a suggestion number, and the submissions are treated anonymously. The Board members do not know the identity of the person submitting an idea. When a winner is selected, reference is made to the numbered cards used for indexing entries, and his identity disclosed.

The stated objectives are listed, and the employee is to check off boxes to which his idea applies: save time, save material, improve methods, improve safety, simplify work, improve service, improve public relations, increase production and improve quality of production, with a box next to a blank line in which the employee writes in any other objective.

List of Coordinators

- The coordinators so far are: Board of Assessors — Mary E. Flynn.
- Housing & Buildings — Joseph Conroy.
- Correction — William A. Adams.
- City Planning — John W. Allen.
- City Clerk — Thomas F. McLaughlin.
- Sanitation — Dominick R. Todaro.
- Traffic — Victor Ross.
- Sheriff — James L. Anderson.
- President Queens — Charles O. Lawson.

- Parole — John J. Devitt.

Six Submit Ideas
The Board members are John Reed Kilpatrick, president of the Madison Square Garden Corporation, Chairman; Comptroller Lazarus Joseph, Budget Director Abraham D. Beame and President Paul P. Brennan of the Municipal Civil Service Commission.

NYC To Offer \$70 Trackman Jobs In Oct. or Nov.

The NYC Civil Service Commission will soon accept applications for more than 900 trackman jobs with the NYC Transit System. Pay starts at \$1.74 an hour, or \$69.60 for a 40-hour week.

The exam is open to men up to 45 years of age who can pass the physical test. There are no educational or experience requirements. Ability to understand simple English will be required.

Applications probably will be accepted in October or November, and the written, medical and physical tests will be held next year.

The present eligible list of about 100 names will expire in January, 1953. The list resulting from the tests to be held next year will not appear for some time. Provisionals will be hired to fill trackman jobs which become vacant during the time when no list will be available.

HALLEY ASKS UNIFIED INSPECTION SERVICE AND TRAINING COURSE

An interim report on inspection of housing was made by Council President Rudolph Halley, after an inquiry in which he was aided by various representatives of civic, welfare and other organizations.

Mr. Halley recommends the coordination of all inspection services in NYC and a Central Complaint Bureau. He adds:

"A single inspector once on the premises should make a report on all violations, which would be forwarded to all proper departments. Inspectors of all departments should be given a training course to qualify them to detect at least major violations in all fields.

"Whenever an inspection is made by any department it should be required to report to the Central Complaint Bureau, the Department of Housing and Buildings and to the other departments which may be involved. Liaison can be achieved through the Central Complaint Bureau."

POLICEWOMAN MEDICALS

Medical tests were held on Thursday and Friday of last week for the 167 who passed the NYC policewoman test.

NYC Investigates Outside Jobs On City Time

Charges that NYC employees in several departments are working on outside jobs during City-job hours are being sifted by Investigation Commissioner James H. Sheils. The Commissioner is trying to complete the inquiry so a preliminary report can be submitted to Mayor Vincent R. Impellitteri in a "short time." This was construed to mean within two weeks.

It is not an investigation into the practice of holding outside jobs on non-City time, the Commissioner said, in answer to a question by The LEADER. "Duplicated hours" are what are being investigated.

The inquiry developed a surprising number of facts, the Investigations Department found, and required more time and study than the charges would indicate.

During the LaGuardia administration the holding of outside jobs was prohibited under any conditions, but when William O'Dwyer became Mayor he rescinded that executive order, and Mayor Vin-

cent R. Impellitteri has continued the policy which Mr. O'Dwyer reinstated. The outside jobs have to be on the employee's own time.

LEGAL NOTICE

CITY COURT: NEW YORK COUNTY

In the matter of the Petition of EDWARD F. PISKULE, and FRANCES L. PISKULE, for themselves and in behalf of their infant son, EDWARD PISKULE, for leave to change their respective names to EDWARD F. PALMER, FRANCES L. PALMER and EDWARD PALMER. Petition.

To the City Court of the City of New York: County of New York.

The petition of EDWARD F. PISKULE and FRANCES L. PISKULE for themselves and in behalf of their infant son, EDWARD PISKULE, respectfully shows:

- Your petitioners are husband and wife, citizens of the United States and reside at 2061 27th Street, Astoria, L. I., N. Y. C.
- Your petitioner, EDWARD F. PISKULE, is 44 years of age; was born on the 29th day of June, 1908, in New York City.
- Petitioner EDWARD F. PISKULE is a bank guard and is employed by THE DRY DOCK SAVINGS BANK at Lexington Avenue and 59th Street, New York City.
- Petitioner FRANCES L. PISKULE is 41 years of age; was born on the 1st day of December, 1910, in New York City.
- Petitioner FRANCES L. PISKULE is a housewife.
- The petitioners EDWARD F. PISKULE and FRANCES L. PISKULE were married in New York City on the 15th day of May, 1932, at the Church of Mount Carmel, Astoria, New York City.
- EDWARD PISKULE is the infant son of your petitioners and resides with them at 2061 27th Street, Astoria, L. I., New York City.
- EDWARD PISKULE is an infant aged eight; born in New York City on the 18th day of March, 1944.
- That there are no judgments or liens against your petitioners or their infant son or proceedings pending wherein your petitioners or their infant son are parties.
- That there are no outstanding bonds or commercial paper made, endorsed or accepted by your petitioners or their infant son in the name they wish to abandon, or in any other name.
- That no petition in bankruptcy was filed by or against your petitioners or their infant son, nor have they ever made any assignments for the benefit of creditors, nor have they been adjudicated bankrupt.
- That your petitioners or their infant son have never been arrested or convicted of any crime in this state, in the United States or elsewhere, and that no criminal action is now pending against petitioners.
- Your petitioners desire to change their names and that of their infant son EDWARD for the reason that the name PISKULE has constantly been misspelled and mispronounced, causing embarrassment to your petitioners and their infant son.
- That no previous application for relief sought herein has been made.

WHEREFORE, your petitioners respectfully ask leave of this court to assume respectively the following names:
EDWARD F. PALMER in place and stead of EDWARD F. PISKULE,
FRANCES L. PALMER in place and stead of FRANCES L. PISKULE,
EDWARD PALMER in place and stead of EDWARD PISKULE.

STATE OF NEW YORK, COUNTY OF NEW YORK, ss:
EDWARD F. PISKULE and FRANCES L. PISKULE, being duly sworn, depose and say: we are the petitioners herein; we have read and know the contents of the foregoing petition; and that the same is true to our own knowledge except as to the matters therein stated to be alleged on information and belief, and that as to those matters we believe it to be true.

Police Captain List Issued; Early Promotions in Doubt

The NYC Civil Service Commission established the eligible list for promotion to captain (P.D.) last week. The list consists of 202 names.

First on the list is Lieutenant Thomas G. Renaghan, 89.17 percent, with no veteran preference claim. Second is Lieutenant John W. Gleason, a non-disabled veteran, with 88.73 percent, which includes 5 points' veteran preference. Third is Lieutenant William J. Lock, who has 88.73, including 10 points for disabled veteran preference.

There are 19 veterans on the list, three of whom are disabled, and 183 non-veterans. Nos. 116 to 202, inclusive, the last 87 names, are of non-veterans only.

Analysis of List

Of the first 10 names, half are those of veterans, one being the disabled veteran. The other list positions of disabled veterans are 11 and 40. The last non-disabled veteran is No. 48.

Thus the list comprises 1 1/2 percent disabled veterans, 8 percent non-disabled veterans and 90 1/2 percent non-veterans.

Promotion Prospects

Prospects of early promotions are uncertain, a spokesman at Police Headquarters said. He pointed out that 29 promotions to captain were made recently. Police Commissioner George P. Monaghan will decide whether to request certificates from Budget Director Abraham D. Beame to make any more captain promotions soon.

The total pay of a police captain is \$6,880 a year.

History of Exam

The written test was given on August 25, 1951, or two days more than a year before the list was released. The idea was to keep the

old list alive until all eligibles could be promoted, if possible. The recent promotions were timely to issue the new list now. Originally, 493 applied, but 39

failed to show up. Of the 454 remaining, 39 failed Part I of the written test and 200 Part II. Thirteen others were eliminated for various reasons.

VanName Calls on NYC To Stop Stalling and Raise Pensions Under \$1,200

NYC is remiss in its duty to its former employees, now recipients of pittance pensions.

That is the tenor of a letter sent to Councilman Edward Vogel by Ralph L. Van Name, ex-secretary of the NYC Employees Retirement System, himself now retired. Mr. Van Name asks concerted effort to bring out of committee Mr. Vogel's bill to raise those pensions. In a letter to Mr. Vogel the former administrator of the retirement system points out that the City officials, because the voters expressed themselves emphatically on the subject last November, are obligated to raise the lesser pensions. Mr. Van Name hastily adds that his own pension would not be increased.

Not Good Humanity

Mr. Van Name's letter: "If recently published stories are correct, City Hall is letting it be known that it does not intend to increase the pensions of the lowest-paid NYC staff pensioners. Such a decision will be neither good humanity nor good politics nor even 'doing as the Romans do.'"

"Our great corporations, one after another, as they have contracted to increase future wages and future pensions, have voluntarily increased benefits to the existing pensioners as well.

"To the \$250 increase of a few years ago to pensioners on its existing civil pension roll, the U. S. Government, through Congress and President Truman, has just added a further increase up to \$324 a year affecting pensions up to \$2,160.

NYC Voters Strongly For It "Last year, the New York State Legislature passed a \$900 temporary measure and authorized a referendum to determine whether pensions shall be legally increased in New York State.

"The voters of NYC last November voted 4 to 1 and upstate voters 2 to 1 to legalize increased civil pensions, and the Legislature at its last session increased up to \$1,200 pensions of New York State employees and State teachers and authorized the cities of that State,

including NYC, to make similar provision. The State has begun making increased payments under this authorization.

Calls Bill Fair

"You introduced a bill to provide increases up to \$300, but in no case to increase any pension of retired NYC employees to bring it beyond \$1,200. The bill makes no pretense of equalling newly granted pensions. It merely would provide a small payment on account to compensate these poor souls for lost purchasing value.

"That your bill is fair is attested by the fact that it is assailed on the one hand by employee groups as providing too little and by City officials as being too costly. Possibly, the total cost may run to \$2,400,000 a year, diminishing rapidly to \$300,000 a year 10 or 12 years from now as these aged unfortunates pass rapidly off the pension roll.

Sees a Disparity

"There could be some offset in reduced Welfare allowance to the same individuals, as the State intended in its authorizing legislation.

"Does any taxpayer or voter know why the City is willing to spend \$200,000,000 a year for Welfare relief of one kind and another, that to many families far exceeds the \$1,200 top limit of your bill, and increase the rate of these Relief checks from time to time to persons never employed by the City, while former City employees now retired, 10,000 of them, continue to eke out an existence on munificent NYC staff pensions of \$960, \$800, \$600 a year and less?"

Political Effect

"I wonder what the voters of November, 1953, will say when they choose the members of the City Council and of the Board of Estimate if the record says then that the Board of Estimate and City Council have flouted the will of the taxpayers and voters expressed 4 to 1. Since when have these bodies been unwilling to spend money which the people want spent and are willing to provide?"

The New York Joint Board, Government and Civic Employees Organizing Committee, CIO, has voted to conduct "operation buttonhole" at the next meeting of the Council to put on pressure for favorable action on the Vogel measure now in the Committee on Finance.

The union plans a mass delegation, consisting of representatives, members and retired employees, in the Council chamber and a personal request to each Councilman to declare himself.

No date has been set for the next Council meeting.

Thousands of Laborers Are Better Off—on Paper

Thousands of NYC laborers are rich on paper—but are cashing pay checks at the same pay they were receiving back in 1950.

Here's their sad story. On June 30, this year the Board of Estimate granted the city's laborers an increase in rate retroactive back to July 1, 1951, plus a cost-of-living bonus as of July, 1952. In addition, hundreds of laborers won appeals on prevailing wage rates which granted them further increases and back pay adjustments, running in some cases back as far as 1943.

All this adds up to a tidy sum, but so far, it's on paper. Most laborers are looking at the same sums on their checks as they did before all this happened.

Big Clerical Job

The explanation is given by the City Finance Department which says: "This is the biggest clerical job we ever faced with and it takes time." No one at the Finance office will even venture a guess as to when the clerical job of straightening out the laborers' payrolls will be completed.

To complicate the situation further, each laborer's line in the City Budget must be changed before his paychecks can be adjusted, and there are only two people in the whole city who have authority to change budget lines, and they've been taking summer vacations. Over 5,000 budget changes will have to be made.

Back Pay Coming

Even after the paychecks have been adjusted to the proper amount the laborers will still be in line for three supplemental paychecks: one for last year's cost-of-living bonus; one for back pay.

But when all this will happen, no one knows. Meanwhile, Jerry

Wurf, regional director of the American Federation of State, County and Municipal Employees can only tell his members, "Don't worry boys, the money's yours, just wait."

LEGAL NOTICE

AT A SPECIAL TERM, PART 2, OF THE Supreme Court of the State of New York, held in and for the County of New York, at the Courthouse thereof, Centre and Pearl Streets, in the Borough of Manhattan, City of New York, on the 30th day of July, 1952. PRESENT: HON. CHARLES D. BREITEL, Justice.

In the Matter of the Application for the Dissolution of VISIONETTE OPTICAL CORPORATION, a Corporation, Pursuant to Section 103 of General Corporation Law.

Upon reading and filing the Petition of FAYE LEVINE and SAM LEVINE, a director and party in interest of VISIONETTE OPTICAL CORPORATION, a corporation organized under the Stock Corporation Law of the State of New York, and having its principal office at 43 East 20th Street, in the City of New York, New York, duly verified on July 28, 1952, and the Schedule thereto annexed, from which Petition it appears that the case is one of those specified in Section 103 of the General Corporation Law; and it further appearing to the satisfaction of the Court from said Petition that the said corporation is not liquid; and after hearing HERMAN L. WASSERMAN, Esq., of counsel for the Petitioners, and the Attorney General having waived notice of the presentation of this application:

NOW, on motion of HERMAN L. WASSERMAN, attorney for the Petitioners, it is ORDERED, that all persons interested in said Corporation, the Director of Internal Revenue, the New York State Department of Taxation and Finance, the Comptroller of the City of New York, and the Corporation Counsel of the City of New York, show cause at a Special Term, Part I of this Court, at the Courthouse thereof, Centre and Pearl Streets, Manhattan Borough, City, County and State of New York on the 24th day of September, 1952, at 10 o'clock in the forenoon of said day, or as soon thereafter as counsel can be heard why the said corporation should not be dissolved; and it is

FURTHER ORDERED, that a copy of this order be published at least once in each of the three weeks immediately preceding the time fixed herein for showing cause, in the New York Law Journal and in The Civil Service Leader which newspapers are published in the County of New York, and that a copy of this order be served upon each of the persons, specified in the Schedule as a creditor or stockholder of the Corporation, or as a person with whom the Corporation has an unfulfilled contract except a person whose residence is stated to be unknown, and that service be made either personally at least ten days before the time appointed before the hearing, or by depositing a copy of the order, at least twenty days before the time so appointed in the Post Office, enclosed in a postpaid wrapper, addressed to the person to be served at his residence, as stated in the Schedule.

LEGAL NOTICE

At a Special Term, Part II of the City Court of the City of New York, held in and for the County of New York, in the Court House, 52 Chambers Street, Borough of Manhattan, City of New York, on the 28th day of August, 1952.

PRESENT: HONORABLE JOHN A. BYRNES, Chief Justice.

In the Matter of the Petition of EDWARD F. PISKULE and FRANCES L. PISKULE, for themselves and in behalf of their infant son, EDWARD PISKULE, for leave to change their respective names to EDWARD F. PALMER, FRANCES L. PALMER and EDWARD PALMER: Order.

On reading and filing the petition of EDWARD F. PISKULE and FRANCES L. PISKULE, duly verified the 25th day of August, 1952, and the court being satisfied that the petition is true and there is no reasonable objection to the change of name proposed.

NOW, THEREFORE, on motion of JAMES D. WALSH, attorney for said petitioners, it is

ORDERED, that the said EDWARD F. PISKULE, born in New York City on the 29th day of June, 1908, FRANCES L. PISKULE, born FRANCES McADAMS in New York City on the 1st day of December, 1910, and EDWARD PISKULE, born in New York City on the 18th day of March, 1944, be and they hereby are authorized to assume the names of EDWARD F. PALMER, FRANCES L. PALMER, and EDWARD PALMER respectively in place and stead of their present names and on and after the 7th day of October, 1952, upon compliance with the provisions of Article 6 of the Civil Rights Law and of this order, namely that this order be entered and the said petition upon which it was granted be filed within ten (10) days from the date hereof in the office of the Clerk of the City Court of New York in New York County; that, within ten (10) days from the date of entry hereof a copy of this order shall be published in the Civil Service Leader, a newspaper published in the County of New York; and that within forty (40) days after the making of this order proof of such publication by affidavit shall be filed with the Clerk of the City Court of the City of New York in New York County and it is further

ORDERED, that upon compliance with the provisions herein contained, the petitioners EDWARD F. PISKULE, FRANCES L. PISKULE and their infant son EDWARD PISKULE, shall on and after the 7th day of October, 1952, be known by the names of EDWARD F. PALMER, FRANCES L. PALMER and EDWARD PALMER, respectively, which they are hereby authorized to assume and by no other names.

REPLACEMENT OF STORM SEWER (STORM SEWER FOR GROUP 1) KINGS PARK STATE HOSPITAL KINGS PARK, N. Y.

Sealed proposals for REPLACEMENT OF STORM SEWER (STORM SEWER FOR GROUP 1) KINGS PARK STATE HOSPITAL KINGS PARK, N. Y., in accordance with Specification No. 17180 and accompanying drawings, will be received by Henry A. Cohen, Director, Bureau of Contracts and Accounts, Department of Public Works, 14th Floor, The Governor Alfred E. Smith State Office Building, Albany, N. Y., on behalf of the Department of Mental Hygiene, until 2:00 o'clock P.M. (Advanced Standard Time), which is 1:00 o'clock P. M. Eastern Time, on Thursday, Sept. 18, 1952, when they will be publicly opened and read.

Each proposal must be made upon the form and submitted in the envelope provided therefor and shall be accompanied by a certified check made payable to the State of New York, Commissioner of Tax, and Finance, of 5% of the amount of the bid as a guaranty that the bidder will enter into the contract if it be awarded to him. The specification number must be written on the front of the envelope. The blank spaces in the proposal must be filled in, and no change shall be made in the phraseology of the proposal. Proposals that carry any omissions, erasures, alterations or additions may be rejected as informal. Successful bidder will be required to give a bond conditioned for the faithful performance of the contract and a separate bond for the payment of laborers and materialmen, each bond in the sum of 100% of the amount of the contract on contracts in excess of \$500.00. Corporations submitting proposals shall be authorized to do business in the State of New York. Drawings and specification may be examined free of charge at the following offices:

- State Architect, 270 Broadway, New York, N. Y.
 - State Architect, The Governor Alfred E. Smith State Office Building, Albany, N. Y.
 - District Engineer, 109 N. Genesee St., Utica, N. Y.
 - District Engineer, 301 E. Water St., Syracuse, N. Y.
 - District Engineer, Barge Canal Terminal, Rochester, N. Y.
 - District Engineer, 65 Court St., Buffalo, N. Y.
 - District Engineer, 30 W. Main St., Hornell, N. Y.
 - District Engineer, 444 Van Duzee St., Watertown, N. Y.
 - District Engineer, Pleasant Valley Rd., Poughkeepsie, N. Y.
 - District Engineer, 71 Frederick St., Binghamton, N. Y.
 - District Engineer, Montauk Highway at Little East Neck Road, Babylon, L. I., N. Y.
 - Kings Park State Hospital, Kings Park, N. Y.
- Drawings and specifications may be obtained by calling at the office of the State Architect, The Governor Alfred E. Smith State Office Building, Albany, N. Y., and making deposit of \$30.00 for each set or by mailing such deposit to the Bureau of Contracts and Accounts, Department of Public Works, The Governor Alfred E. Smith State Office Building, Albany, N. Y. Checks shall be made payable to the Department of Public Works. Proposal blanks and envelopes will be furnished without charge.
- ENTERED: August 20, 1952. FBG/bba

Mail and Supply Clerk Eligibles

Following are 450 additional names of eligibles on the State mail and supply clerk list. Nos. 1 to 500 were previously published. Extreme scores in groups of 50 are indicated. More names will appear next week. The standing is given in groups of 50, with extreme percentages stated next.

- Peritz, Alice V.
- Mireault, Winifred
- Grant, Peter J.
- Billick, Ruth F.
- Saloman, Robert G.
- McCauley, Sarah
- Grant, Marian A.
- Liefer, Teresa G.

Union Lists 20 Objectives On State Convention Eve

BUFFALO, Sept. 1.—The Government and Civic Employees Organizing Committee, CIO, announced the resolutions it will introduce at the CIO State convention that opens here Wednesday, September 3. The union functions mainly in NYC. Twenty aims are listed.

The objectives:

1. Repeal of the Condon-Wadlin anti-strike law.
2. Prevailing rates for laborers, workmen and mechanics engaged in public works.
3. Time and a half for all overtime.
4. Additional compensation for night shift work.
5. Payment to building and construction inspectors on public works in cities of 175,000 population and over of not less than the wage received by skilled workmen whose work they inspect.
6. Barring educational or arbitrary experience requirements as grounds for excluding employees from promotion exams.
7. Prohibiting removal of Competitive Class employees with 10 or more years of service without right of counsel at hearings and right of court review.
8. Prohibiting farming-out of design and supervision of public works to private firms.
9. Extending unemployment insurance coverage to all employees.
10. Providing inverse order of layoff for employees in the Labor Class.
11. Reducing the cost of pensions for NYC employees to 25 percent from 50 percent, the City to pay the remaining 75 percent.
12. Making the average annual compensation for retirement purposes cover the consecutive best four years instead of five.
13. Making age 50, after 25 years of service, permissive for retirement, fifth retirement allowance deferrable until attainment of the selected retirement age.
14. Pension service credit up to a maximum of four years for time spent on preferred lists between January 1, 1932 and December 31, 1938, upon payment of matching contribution.
15. Vested pension rights in case of resignation for employees in service more than 20 years.
16. Petition to Congress to exempt civil service pensions from income tax, equal to the absolute amount of exemption accorded Social Security recipients.
17. Pension credit for employment in the Emergency Relief Bureau prior to 1920.
18. Inclusion of New York Botanical Garden employees in the State Pension System.
19. Social Security coverage for civil service employees not eligible to join existing public employee retirement systems.
20. Check-off of union dues.

AT LAST! SCIENCE SHOWS YOU HOW TO...

Stop Headlight Glare! Actually See After Dark!

DO YOU DRIVE YOUR CAR AFTER DARK? Do you know that 4 out of 5 fatal smash-ups are caused at night to SAFE, careful drivers who are trapped... blinded... and killed by the headlights of another man's car?

Here is the first full story of how you can completely avoid that blinding headlight glare... avoid those night driving accidents... how you can actually drive at night with almost full daylight safety!

How many times this month have you been completely blinded by the headlights of another car? How many times have you been blinded when you were driving 30-40-50-miles an hour... when you were in the middle of a dangerous intersection... when you were turning a sharp curve or corner? Yes, how many times this month have you been forced to trust your life—and the lives of your family—to a driver who doesn't even have the sense to dim his headlights?

These Accidents Can Be Avoided

Do you know that now you can avoid all these risks? Do you know that during the last five years over 70,000 drivers have found a new way to protect themselves against this headlight blindness? That these drivers have tested and proved an optical instrument that actually makes the brightest headlights as easy to take as dim!

Five years ago, three of the country's top optical experts decided to tackle this problem of headlight glare. They immediately discovered that all of the common remedies were either useless or actually dangerous. These experts discovered that there was only one sure way to protect yourself against this blinding night glare—a piece of optically colored glass worn by you, yourself—that filters out the glare from these headlights in exactly the same way that a pair of sunglasses filters out the glare of the sun.

These experts discovered that scientists had developed such a glass—that many of the leading automobile manufacturers, such as Buick, Cadillac, Oldsmobile, Lincoln and Chrysler—were equipping their special deluxe models with special glare-resistant windshields. However, the cost of this glass on these special cars was necessarily \$20-\$50.

To avoid these costs these experts took this special glare-resistant glass and built it into a pair of Night Driving Glasses that could be worn by any driver. Since they eliminated all rays of glare, the experts called them RAYEX Night Driving Glasses. Here are some of the amazing results they discovered when they tested them.

This Is How Night Driving Should Be

1. WITH THESE RAYEX Night Driving GLASSES, you can look directly into the brightest headlights. You will see the headlights as pale amber discs—but you will

not see the glare. You could pass an entire line of fifty cars, and not even squint.

2. WITH THESE RAYEX Night Driving GLASSES your eyes will be protected against any intrusion of glare. They will not have to adjust themselves to constant flashes of light. You will actually be able to see better... clearer... and farther with them on than you could see without them. You will see dark objects more quickly. You will react more quickly to the pedestrian who darts out of a side street... to the dark bumps in the road that ruin your tires.

3. SINCE THESE RAYEX Night Driving GLASSES PROTECT YOUR EYES AGAINST STRAIN, you will not suffer from dangerous night driving headaches. You will be able to drive as much as 400 miles in a single night without feeling the slightest strain. You will not be tired after short rides. And, above all, tired, strained eyes will not cause you to fall asleep at the wheel. You may make even the longest trips with absolute confidence. ORDER TODAY! Use coupon below!

Proven By Over 70,000 Drivers

Before these glasses were advertised in this paper, they were distributed to over 70,000 drivers... volunteers who tested them under every possible sort of night driving condition. Here are the actual reactions of these drivers—their own, unsolicited experiences with these glasses. Perhaps they will help solve your night driving problems.

DO YOU EVER DRIVE ON THE OPEN HIGHWAY?

"On my trip to Denver last week, I must have passed at least 50 cars. Not one dimmed down his lights. If I hadn't had your glasses, I would have had to pull over to the shoulder, and wait till they passed by. As it was, I didn't even squint."—Mr. F. M. F., Bremerton, Wash.

DO CHILDREN RIDE IN YOUR CAR?

"I drive my little girl home from a country school, during the twilight hours I was always afraid—either of the blinding lights from the other cars at that hour—or of hitting one of the other little girls in the streets. Now, thank God, I know I can see them. I wouldn't take \$100 for these glasses."—Mrs. L. G., Forest Hills, New York.

DO YOU GET NIGHT-DRIVING SLEEPINESS?

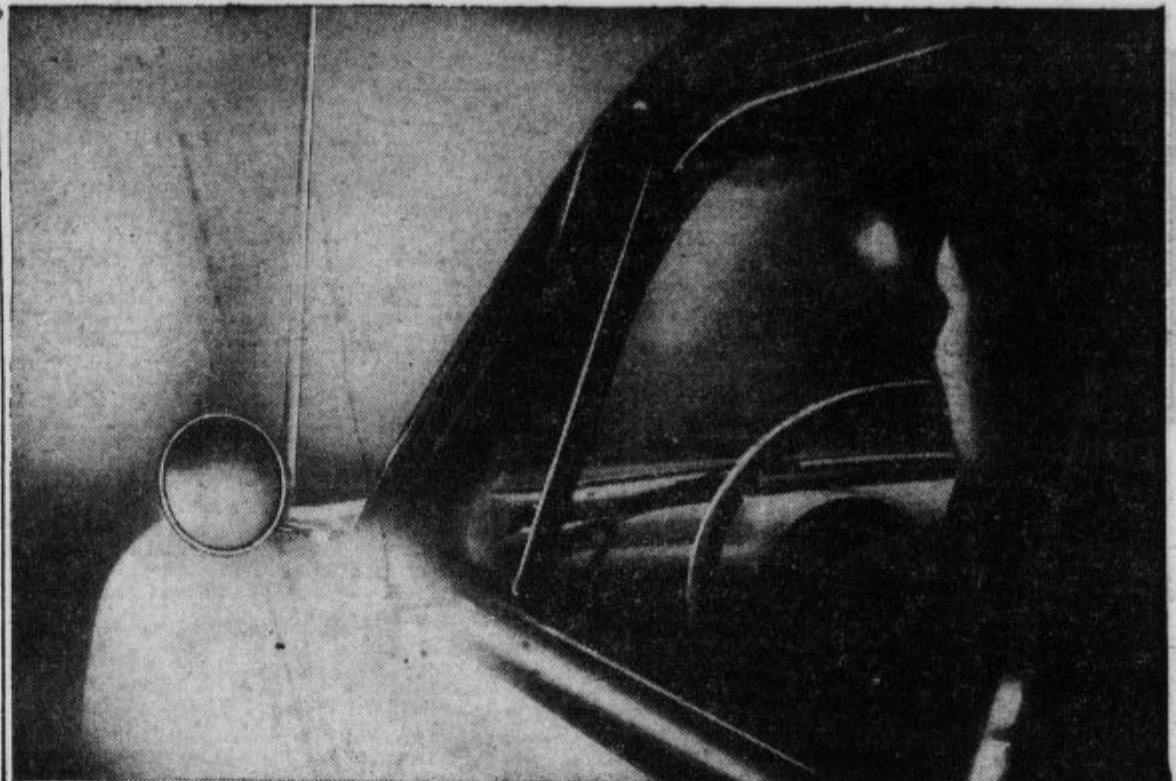

"Drove 112 miles after midnight without the slightest strain. Never felt so relaxed and confident in my life. Thanks."—Mr. D. F., San Antonio, Texas.

DO YOU HAVE WEAK EYES?

"My husband has a cataract on his left eye and could never enjoy driving before

PROVE IT YOURSELF! MAKE THIS CONVINCING "LIGHT-BULB" TEST

When your RAYEX NIGHT GLASSES arrive put them on. Look directly into the strongest electric light in your home. You see the light... the glare is gone! Then test them again in your car. Look at street lights, headlights, under every sort of difficult night driving condition. If they do not do

GONE FOREVER! Blinding Headlight Glare—the number one cause of traffic accidents in New York today! Read this amazing story of how science conquered this "one unpreventable" accident!

He thinks your glasses are wonderful—says they're also good for protection against the sun.—Mrs. L. H., Elizabeth, North Dakota. (NOTE: We do not recommend the use of these glasses as sun glasses. They are as different as night and day. They have only one purpose—to protect you after dark.)

And here is the one fact that all of these drivers agreed upon... this is the way they would affect your night driving.

The very first moment you put on RAYEX Night Driving Glasses you enter into an entirely new world of night driving. There is no more blinding glare. Instead, the headlights of every car... every street light... every window you pass, are a soft amber yellow.

You'll notice immediately, that you are more relaxed... more confident about your driving, because you can actually see better and farther. Test these glasses against the first two or three cars you pass. Prove to yourself that you can see their lights... but there is no blinding glare. After that you will be able to totally disregard the headlights of any car coming toward you on the highway. You will be able to sit back and relax—enjoy your night driving as much as you do in the day.

Mr. Car Owner Study These Pictures See If You Can Spot the HIDDEN ACCIDENT in Each of Them... Before It Could Happen to You!

WHAT YOU SEE WITHOUT PROTECTION FOR YOUR EYES

Glaring headlights completely blind you... set you up for an accident.

WHAT YOU WOULD SEE WITH RAYEX NIGHT GLASSES

RAYEX eliminates blinding glare... you see lights only as pale amber discs.

Can you see the pedestrians stepping out of the grey shadows of this dark street?

RAYEX cuts out grey shadows... makes black objects stand out sharper, clearer.

Fog... snow... sleet... all hide encroaching cars... till they're right on top of you.

With RAYEX you see through fog glare with almost perfect daylight vision.

Eliminate Blinding HEADLIGHT GLARE! See What You Have to See After Dark! Do It with RAYEX Night Driving Glasses! Use Coupon to Order them today!

ACT TODAY! SEND THIS GUARANTEE COUPON NOW BOX 333, CIVIL SERVICE LEADER, 97 Duane St., New York 7, N. Y. Please send me pairs of RAYEX night glasses at \$2.00 a pair, plus 10 cents per pair for postage. () I enclose two coupons, each from a different issue of The LEADER () I am a subscriber, and enclose the name-and-address sticker from my copy of The LEADER.
