

Antisemitism

From time to time appear in the press news about riots against Jewish students in the universities - describe

Recent in Austria, Germany, Poland, Hungary & Rumania i.e. countries of Jewish Agitation -
Tion (Vienna more than the whole of France)

Causes

1) Economic competition

peculiar proportional stratification of the Jewish people - intellectual, small craft people - commerce-wise

2) Political - Poland - Hungary

uprooted Jews

socialism & Communism

Germany, Austria

3) Cultural development - mental development of national civilization
Rumania

4) Religious - Roman Catholic countries

5) Racial - Jew is different, inborn qualities which differentiate him from his surroundings -

many cases - pogroms (dumped after war migration)

~~rape - protest~~

2 things speaking against that:

1) assimilation in western countries

2) study of history of Jews

6) make the Jews rape - protest

Crusade measures

World Union

Difficulties within Jewish groups

- a) mostly Zionist - hardly any assimilationists
- b) lack of support from North American Jews

N.P.P. Go away with red tape & agitation
establish facts

fierville - studies

study groups

Publications

Relief

Keep calm away with agitation - look for
solutions

a) Assimilation

b) preparatory to this more even distribution
over profession - industrial & agricult.
work

c) building up of a national consciousness:
Palestine - Jews become a minority

Longman - patience - be patient in
the knowledge that in spite of all persecutions, Juda
has persevered for over 2000 years ^{in history} - that
it has given to the world some of its greatest
leaders - be patient in the certainty that
the Jewish people's day is bound to come when
ignorance & prejudice will give way to
a) - appreciation of the greatness of the Jewish
Nation.
