

Council on Research
Report to the University Senate
Wednesday November 10 2021
Brian Rose, CoR Chair 2021-22

- The Council on Research met on 11/3/2021.
- We welcomed prospective new CoR member Jianwei Zhang from the School of Education.
 - We expect that the Senate will confirm Dr. Zhang's membership on the Council at the meeting on 11/10/2021.
- CoR voted to approve an updated slate of subcommittee rosters.
- CoR chair Rose noted that we currently have no representative from the Professional faculty. Senate leadership is aware of this gap and may find a new member for CoR.
- CoR subcommittees will be reviewing proposals for FRAP-A and Benevolent awards over the next month.
- CoR had a brief discussion about proposed revisions to the FRAP-A program that were drafted in Spring 2021. We hope to deliver these recommendations to the new incoming VPRED (timing still uncertain).
- CoR is scheduled to meet again on 12/1/2021.
