BE SURE TO ATTEND GYM

Seventh and eighth grade pupils are urged to attend gym for the rest of the year as accurate check on attendance is now being taken.

Gym is the foundation of the school. If you are not active in this field, you probably are not very good in school. If you build up your physical energy against sickness, it is a good guess that you will be absent from school less. So come to gym, even just to be a better all around fellow if nothing else.

STUDENT COUNCIL REPORTS

At a recent meeting of the Council, it was suggested that the "Crimson and White" print an accurate report of each meeting of the Student Council. Today appears the first of such reports in this issue.

If you have any further opinions to make concerning this new form of report, use the file drawer in Miss Moore's office marked "Crimson and White" for your suggestions.
