MILNE BASEBALL TEAM LOSES TO EAST GREENBUSH

by Fred Detwiler

The Milne baseball nine, approaching the end of its season, was defeated by the boys from Columbia Central School in East Greenbush last Tuesday afternoon at Ridgefield by a 6-2 score.

Robert Austin did mound duty until relieved in the 6th inning by Chuck Lock. Milne's up and coming catcher, "Dutch" Ball, has been the only member of the team who has been hitting consistently. In the Schuyler game he had two hits for four trips to the plate, and Tuesday he had one for three. "Dutch" certainly deserves a lot of credit for his remarkably good work on the team. He is only a freshman.

Milne has only two more games left to play this season. Next Tuesday, the 27th of May, the squad will travel to Lincoln Park where they will meet the Schuyler "Falcons" in a seven inning contest. In their final contest, the "Red Raiders" will play host to the Roessleville High nine at Ridgefield on Monday, June 2, at 4:00 p.m. Every Loyal Milnite should turn out to see these last two games. If the team had had a little support earlier in the season, they might have won a few games. Let's go, baseball fans and show the team that we are really interested in having a winning team!

PHI SIGMA TO HOLD BANQUET

The annual banquet of Phi Sigma Society will take place Friday evening June 20, at Keeler's Restaurant. Election of officers will be a feature.

STUDENT COUNCIL PRESIDENTS TO BE ELECTED IN ASSEMBLY

CANDIDATES ARE GOLDING, PLUNKETT, POOLE, WILSON

The election of the President of the Senior High Student Council will take place in a joint assembly of the junior and senior high classes on Wednesday, May 28, at 1:30 p. m. Also at this time, the Junior High Student Council President will be elected.

WE ASK YOU FOR A PRINTED CRIMSON & WHITE

The symbol of a good school is progress. Milne has taken some of the most progressive strides of the schools of New York State. In keeping with this policy of going forward, we have long been contemplating a printed Crimson and White in place of the present process of mimeographing. By having the paper printed we could improve its content and its appearance immeasurably. We could give you a paper every week that you would be proud and eager to read---a paper with photographs, features, sports, and news, written and produced in an attractive, really legible style.

But to do this, we need your support. We need more money, and in assembly, this Wednesday, you will be asked on whether or not you desire to have your student tax raised from between fifty cents to a dollar more than it is now. Remember of course, that your tuition is now five dollars less than what it has been.

All we ask is a fair trial. We assure you that your added investment will be far from being "a waste of money."

Give us a chance, won't you? Let us really "go to town" with a printed Crimson and White!

Dr. Robert W. Frederick principal, will open the assembly. He will then introduce the present presidents of Junior and Senior Councils, Arden Flint and Edward Langwig, respectively. They, in turn, will introduce the candidates and their managers, who will speak.

The candidates for Senior High are Charles Golding, Gerald Plunkett, John Poole, and Alton Wilson. Their respective managers are David Conlin and Bernard Golding, Charles Kosbob, John Jansing, Robert Ostrander and Philip Snare.

Barbara Mahan, Samuel Falls, John Douglas, and John McGrath are the candidates to be voted on by the Junior High.

After the speeches of each candidate and his manager, an open discussion will follow in the absence of the candidates as to their respective merits. Edward Langwig, Senior High President, will preside over this part of the program.

When the discussion ceases, the assembly will adjourn to the various homerooms where the secret balloting will be conducted by the student council members.

The results will be tabulated by members of the faculty and will be announced that afternoon after school.

OFFICERS TO BE DISCLOSED AT ANNUAL HI-Y BANQUET

Hi-Y Officers for the coming season will be announced at Hi-Y's annual Father and Son's Banquet which will take place at 6:30 p.m. on Wednesday, May 28 at Howard Johnson's East Greenbush Restaurant.

KINGSTON EXCURSION SLATED FOR JUNE 7

SPORTSMANSHIP ?

We, of the Crimson and White take this opportunity to extend our congratulations to the four candidates running for the office of president of the Student Council.

A matter concerning the campaign has come to our attention, which we feel must be mentioned, although it is a matter rather unpleasant. Various candidates have posted campaign posters and other signs around the halls of Milne and many members of the opposition have been showing an extreme lack of good taste and sportsmanship in tearing and defacing these posters.

We all have a right to vote for the candidate whom we feel best suited for the position, but why not give every candidate a fair chance for publicity?

NEW BOOK IN MILNE LIBRARY

True life stories of more than 1000 famous men are now compiled into CURRENT BIOGRAPHY 1940, a new book just received in the library, Miss Alzada E. Hall, librarian, announced today.

Detailed biographical facts of 1000 famous personalities and their personality quirks make Current Biography interesting reading for those who like to know "who's news and why", Miss Hall declared.

Little-known items taken at random from the biographies by the librarian include: Dr. Thomas Farren, surgeon General of the United States, once milked a cow on a city street to boost milk consumption; Leon Blum, former premier of France did not abandon journalism and law for politics until the murder of a political friend; Al Jolson, comedian, is the son of a rabbi, and Erskine Caldwell, author of "Tobacco Road" is the son of a minister.

The editors' conscientious research of 96 current magazines and 17 daily newspapers for the past year, plus first-hand information whenever possible assure the newsworthiness of each "headline" in the annual, the librarian explained.

FEATUURES

THE SENIORS IN RHYTHM

Oh Romeo, Romeo, where art thou?
 Leah said and then made her bow,
 She's very dark and rather small,
 And her accomplishments beat us all.

Small and petite describes our Joan,
 and when she leaves the school will moan.
 This year she made her debut,
 As an actress and a speaker, too!

Another actor in our midst,
 Is "Alex" Conlin, the humorist.
 We all admire his initiative,
 And soon, to him a toast we'll give.

Jeanie, Jeanie with the light brown hair,
 And in G.A.C. she has many a care--
 How we'll miss her gay little smile,
 Better look now, she'll be gone in a while.

Jessie is Quin's president,
 and three whole years in Milne she's spent
 We like her fluffy bangs in front,
 Why can't she stay more than a month?

Our star athlete is Charley Locke,
 As for girls, he puts them in dry-dock,
 His big broad shoulders and brawny lean,
 Make every girl think he's keen:

To Ruth the highest laurels we send,
 For being such a good Sigma president.
 In basketball she rates as a star--
 Please, dear Ruth, don't journey far.

Phyllis is our dark eyed Susan,
 With eyes like her's everyone is "swoosin!"
 In Quin we all stand up and hail her,
 Along with Milne's own Bob Taylor.

Cathy is our dietician--
 And homemaking is her ambition--
 She's blonde and fair, rather southern--
 And one of the Queen's court,, she's another

F-i-g-h-t--b-o-y-s--f-i-g-h-t-!
 Mary cried for the team each night,
 In sports she excels over all,
 Whether fat, thin, short or tall.

Elaine is Milne's own jitterbug,
 And my oh my! Can she cut a rug!
 She's always flitting here or there,
 But who wouldn't, if they many cares!

Borden's wit and clever puns--
 Whenever he tells them, he always runs--
 I don't think that you are puzzled,,
 It's simple-- They want him mazzled.

SMATTERINGS

At 8:00 most every morn,
 The third floor landing they adorn.
 Their theme song is "Our Love Affair",
 Now can you guess this little pair?

"Faithful Forever" should be their theme,
 He's a speaker, she's on the tennis team,
 Of course, long ago, they exchanged pins,
 And the cup for endurance they should win.

Two seniors make up this pair,
 And both are rather fair.
 She's a member of good old Quin
 And has his Theta-Nu pin.

They both are blondes and very fair,
 A brother and sisterly looking pair,
 He's just a cut-up in Chemistry,
 Three guesses now who they can be.

We both are Juniors really hep,
 By what we mean we really step.
 The 2 best dancers we were voted,
 And for that I guess we're noted.

She's a junior, he's a senior,
 And he has a brushcut.
 She's a little gal from Sigma
 And just look on his left 4th finger.

That's all there is, there is no more,
 And if there was it would be a bore.
 Please don't strain or wrack your brain,
 But see if you can guess their names!

Marilyn is the lovely miss, who has the
 big brown eyes,
 Whenever she's around, you'll hear a
 lot of sighs.
 She couldn't do much better at the
 bridge she loves to play--
 It's her favorite pastime--both night
 and day.

Bob Austin is the handsome lad, whom
 all the girls adore,
 Whenever you're in his company, he'll
 never be a bore.

He's gentle with the ladies, but tough
 with the boys,
 His favorite sport is baseball, from
 which he gets much joy!

Eddie Langwig is the boy, who has
 rhythm-plus,
 Whenever he is at the drums, the people
 never miss.
 He has the darkest wavy hair that you
 could ever see--
 Gene Krupa's "Drummer Boy" is his
 specialty.
