Drive For Long Alumni Lists For Larger Paper On Today

PROMISE MORE EDITIONS

Every senior is asked to subscribe to the State College News for next year, this week and next, as the opening gun of an alumni circulation campaign to be extended later, to previously graduated classes.

Seniors are asked to fill out subscription blanks giving their addresses for next fall and agreeing to send three dollars for a year's subscription to the News on receipt of the first number in September.

It is estimated that 150 of the present senior class will take advantage of the offer which will allow them to get every copy of next year's paper.

There will be no advance in the subscription price, which has prevailed for about eight years, despite the fact that a sixty per cent increase in the size of the News will be made next year.

A minimum of thirty-seven issues, more than ever before published by the News in one year, is planned for 1926-27. This is about four more editions than appear this year.

The class of 1926 will be the first to establish the custom of subscribing at graduation to the News, a custom which it is intended will continue until several hundred alumni are on the subscription lists.

The News board's belief is that a graduate subscription list can be developed which will compare favorably in size with those enjoyed by papers of other colleges. This field of alumni subscription promotion has been formerly almost entirely passed over.

To additionally stimulate alumni subscriptions, the News will publish more alumni news next year.

Hundreds of alumni, it is believed, would be glad to receive weekly, a good-sized newspaper recounting news of themselves, of other alumni and of college affairs.

300 FAIL TO REDEEM VERSE BOOK PLEDGES

Of about 550 persons who signed for the Book of Student Verse last December, more than 300 have not yet redeemed their pledges and received their books, Sara Barkley, '27, business chairman, announced today. An intensive campaign for payment is being carried on this week and next. "The immediate and hearty cooperation of the students who signed for books is necessary to keep the book from complete financial failure," Miss Barkley said. Books may be secured in the rotunda at any time.

Forty State Students To Attend Silver Bay Conference; Will Award Ten Dollars to Composer of Original Song

At Silver Bay on Lake George, the Easter Student Conference for young women will take place June 18-28. "Here social and religious problems vital to every college girl are discussed and clarified," Ethel Dullois, 1927 president of Y. W., said. "Twenty-seven countries were last year represented, all meeting together with a common purpose, common interests, in a common body, with a common spirit of fellowship."

Expenses are approximately \$40 per person, part or all of which may be borrowed from the loan fund of Y. W. C. A.

It is expected about forty students from State will attend. Most of the incoming Y. W. C. A. cabinet will be among that number. Students wishing to attend may sign up this coming week, seniors included. A meeting of delegates was held Thursday, to elect delegation leader and song leader. A prize song contest is being conducted. Ten dollars will be awarded the composer of a Silver Bay song with original words with or without original music. All compositions entered in the contest must be given to Ruth Lane, '28, on or before Friday, June 4.

NON-PAYERS NAMES TO APPEAR IN BIG ISSUE

The finance board will next week in the big issue of the News, publish in addition to the appended "No Tax" list, a list of students whose names have previously been withheld because of their promise to pay. In some cases the board has even written promises of payment which have not been kept. The big issue, containing the list and the new and old lists, will be sent to the high schools of the state from which the students come.

MUSIC CLUB APPOINTS 1926-27 COUNCILLORS

At a recent meeting of Music Club, the 1926-27 councillors for the Music association were appointed. Willard Retalick and Nettie Gilbert, '27, retain their positions, and Ann Holroyd, '28, Mary Wentawowicz, Louise Gunn, '27, are the new members. Helen Arthur, Thyra BeVier and Marion O'Connor, '26, are the outgoing councillors. Officers for Music Club will be elected at the next meeting.

SPECULATION RUNS HIGHER DAY TO DAY

To Choose Eleven, Twelve Or Thirteen Juniors For Honor

TAPPING IS IMPRESSIVE

With Moving-up Day, biggest event in State College's annual calendar, a week off, interest is running higher every day in the identity of the juniors who will be picked then for membership on Myskania, honorary council of seniors. The elaborate all-day activities which continue from early morning until midnight, center around the simple and impressive ceremonies in the morning when the incoming Myskania is "tapped."

Speculation as to who will be honored always begins months in advance of the day, and as the time grows nearer it heightens. The class, club, sorority, and other elections which have been progressing at the college for several weeks now, have furnished additional material for guesses concerning the juniors to be chosen.

The council, organized in 1917, governs all undergraduate activities. Members are selected for leadership in "scholarship, literary effort, debate, dramatics, athletics, and in undergraduate affairs generally." Eleven, twelve, or thirteen juniors are chosen. Two are elected by secret ballot by the student body. A third is the president-elect of the student association. The remainder are selected by the retiring Myskania at its discretion.

The tapping ceremony will take place at the conclusion of the morning indoor program in the auditorium, following the speeches by class representatives and the "moving-up" of the classes. The outgoing Myskania are ranged on the platform and one by one go down into the group of juniors, tap them in alphabetical order, pin on them the purple and gold pledge ribbons and lead them to the platform.

The twelve present members are: Marjorie T. Bellows, Albany, president of Psi Gamma sorority; Margaret Benjamin, Thiells, vice-president of the Y. W. C. A. and chief copy reader of the News; Marion Chesbrough, Greenwich, president of intersorority council and of Eta Phi sorority, business manager of the Quarterly; Helen E. Elliott, Binghamton, business manager of the News; Mary E. Flanagan, Schenectady, president of the Dramatic and Art association; Harry S. Godfrey, Cohocton, editor-in-chief of the News; S. Niles Haight, Albany, president of the senior class; Elizabeth Milmine, Ticonderoga, senior councillor of the Girls' Athletic association and senior representative on the finance board; Marion M. O'Connor, Albany, president of Newman Club; Lorena M. Shaffer, Albany, president of the Girls' Athletic association; Miriam B. Snow, Albany, president of the Y. W. C. A.; Muriel S. Wenzel, Albany, president of the student association.

QUARTERLY AND NEWS CLUB TO HAVE DINNER

The News club, social organization of News staff members, and the Quarterly board will have a dinner and program Thursday evening from 5 to 7 o'clock in the cafeteria.

President A. R. Brubacher, Dr. Harry W. Hastings, Julia Fay, '27, and Edwin Van Kleeck, '27, will speak. Katherine Saxton, '28, president of the News club, will be toastmistress. Harry S. Godfrey, editor-in-chief of the News, will have charge of music. College and other songs will be sung.

Dr. Hastings is faculty advisor to both the News and Quarterly boards. Miss Fay is editor-in-chief-elect of the Quarterly and senior associate editor-elect of the News. Van Kleeck is editor-in-chief-elect of the News.

Committees are: arrangements, Margaret Stoutenburgh, '28, and Helen Zimmerman, '27, business managers-elect of the Quarterly and News, respectively; publicity, Thelma L. Brezce, '27, Dorothy Watts, '28, William M. French, '29, and Sara Barkley, '27; speakers, Katherine Saxton, '28, and Olga A. Hampel, '26, editor-in-chief of the Quarterly.

Miss Saxton today urged all members of both staffs to sign up for the dinner. Fifty are expected to attend. The charge, she said, will not be more than forty cents per person.

FAY, STOUTENBERG TO HEAD '26-27 QUARTERLY

Julia Fay has been elected editor-in-chief of the Quarterly Board for 1926-27. Margaret Stoutenburgh will be business manager. Other members of the board are: assistant editors, Dorothy Wardell, Harold Perry, Beatrice Wright, Grace Woolford, Dorothy Watts; advertising managers, Helen Maunson, Mary Langdon, Margaret Provost.

The June issue of the Quarterly will be out for Moving-up Day. The Quarterly prize will be awarded at commencement time.

TELLING THE ALUMNI

Announcement in this issue of the beginning by the News of a campaign by the paper to obtain subscriptions for next year from the class of 1926 is an interesting commentary on the development of the News, now nearing the close of its ninth year.

The present senior class, the News hopes, will be the class to establish the new custom of subscribing at graduation, which will continue from year to year with succeeding classes.

The benefits to any college of an informed and interested alumni are obvious. Such an alumni group cannot easily be formed or maintained without the existence of some close link between undergraduate life and that of the graduate. Such a link the News hopes in future years to become.

Ten years will have passed on October 4, next, since the day the first News was published. Much copy has gone over the News office desk in those years. Hundreds of seniors have gone from State to swell the ranks of teachers. In the twilight year of its first decade the News plans to bring itself before these hundreds of recent graduates. The present senior class will be the first solicited. Indications point to an encouraging response.

It is fortunate that the effort to obtain alumni subscribers comes at a time when the News can offer more than has been possible in the past. Through the vote of the entire student body a few weeks ago, a larger, more complete paper for next year becomes assured. The Alumni Quarterly, under the capable editing of Mrs. Claude Bashford, is performing a laudable service in keeping alumni informed and interested among themselves. The News hopes to supplement and add to that service by keeping alumni informed and interested from week to week in the college and the undergraduate body.

INDIVIDUAL HONORS

AT TRACK MEET WON BY ETHEL DUBOIS '27

Ethel DuBois, '27, carried off individual honor in the girls' track meet, held on campus last Saturday, with a total of 16 points. Gertrude Swettmann, '27, took second place with 10½ points, and Lorena Shaffer, '26, third with 9 points.

Two records were broken. Ethel DuBois made running broad jump at 14 feet, exceeding Emily Belding's record of 13 feet, 9 inches in 1924 and her own of 13 feet, 8½ inches in 1925. Leah Cohen, '28, made 4 feet, 8 inches in running high jump but only after missing 4 feet, 7 inches three times. Hence the record cannot be recorded in the track meet records.

The results and records follow: 50-yard dash, first place, Cohen, 7 seconds; second place, Lansley, 7.2 seconds; third place, DuBois; basketball throw, first place, Swettmann, 72 feet, 4½ inches; second place, DuBois, 67 feet, 2 inches; third place, Milmine, 65 feet, 2 inches; running high jump, first place, Shaffer, 4 feet, 7 inches; second place, Cohen, 4 feet, 6 inches; third place, DuBois and Milmine, tie, 4 feet, 5 inches; baseball throw, first place, Swettmann, 147 feet, 8 inches; second place, Milmine, 147 feet, 5 inches; third place, DuBois, 113 feet, 2 inches; running broad jump, first place, DuBois, 14 feet; second place, Lansley, 12 feet, 4 inches; third place, Shaffer, 12 feet, 8½ inches; standing broad jump, first place, DuBois, 7 feet, 1 inch; second place, Shaffer, 6 feet, 10 inches; third place, Lansley and Swettmann, tie, 6 feet, 9 inches. The potato relay was won by the seniors with juniors placing second, and freshmen third.

The junior class won the highest number of points, totalling 29½. The seniors were next with 18; the sophomores followed with 8, and the freshmen gained 7½. Re-order, Melrose; measurer, M. Daughy; timer, Elliott.

SOPHOMORES NOW HAVE 15 POINTS IN RIVALRY

By winning the interclass track meet at college Saturday, and the idol hunt recently, the class of 1928 scored ten more points in the sophomore-freshman rivalry contest. With five points won earlier in debating, the sophomores now have fifteen points against the freshmen's nothing.

Thursday night the banner rush will take place between men of the two classes, the winners obtaining three points. Tug of war for women at the same time will yield a like score.

Moving-up Day the banner rivalry will end. At present the freshmen promise to win, since they now have the 1928 banner in their possession. Two points will also be awarded for the best song, sung best, Friday evening.

**Delegates From Syracuse, Sage, R. P. I., Cornell Attend
Last Communion and Breakfast of Year Held by Newman**

Newman Club closed its religious and social activities for the year with the fourth Quarterly Communion and Breakfast, held last Sunday at St. Vincent de Paul's Church and the Academy of the Holy Names. The attendance was greater than at any of the preceding breakfasts. Delegates from Syracuse, Russell Sage, Cornell and Rensselaer Polytechnic Institute, who attended a meeting of the Albany Province of Newman Clubs later in the day at Newman hall, were guests.

Seated at the speakers' table were Rev. Joseph A. Dunney, spiritual director, Marion O'Connor, '26, retiring president; Winifred Carey, '27, president-elect; and Thomas Swain of New York university, president of the national federation of Newman Clubs. Miss O'Connor introduced the speakers.

Dunney welcomed the Province delegates, and commended the officers, members, and alumnae of the Albany club for the work that has been done during the past year. Mr. Swain gave an interesting talk on the work that is being done by the federation, and pleaded for the continued cooperation of the clubs of the Albany Province. He explained two new ventures being undertaken by the organization; the Junior Newman Club for high school students and the foreign students' committee to aid Catholic students who come to America from foreign lands. Grace Chippendale, '29, gave vocal selections, accompanied by Agatha Flick, '27. The breakfast committee, headed by Gertrude Lynch, '26, included Catherine Birmingham, Mary Mellon, Monica Walsh, Eleanor Finn, Helen Zimmerman, Mary Bott, and Marie Lynch.

**"PROGRESS OF WORLD
IS PENDULUM" MAYOR
SAYS AT CUB DINNER**

Mayor John Boyd Thatcher, 2nd, in an informal speech at the Political Science banquet last Thursday in the College cafeteria, declared "The progress of the world has been as definite as the swing of the pendulum of a clock. Even though at times the backward swing brings war, home instability, crime waves, and strikes, the forward swing is always greater than the previous one." Mayor Thatcher concluded, "Courage to do one's duty as one sees it is the finest kind of courage."

Faculty members present were Professor A. W. Risley and Mrs. Risley, Professor A. L. Walker, and Professor and Mrs. Clarence Hildley and their son, Robert. The color scheme for the banquet was green and gold, and on each place card was the club's symbol, an owl. About thirty students were present. The 1926-27 officers of Political Science Club were announced: president, Louise Gunn, '27; first vice-president, Dorothy Watts, '28; second vice-president, Louise Nottingham, '27; secretary-treasurer, Mary Langdon, '28; reporter, Sara Barkley, '27.

Mildred Babcock, who has lost her second semester's work this year because of the illness and death of her mother followed by the illness of her father, has been granted her degree from State College and awarded the honor of a half year's study at the Merrill-Palmer School in Detroit.
