We are pleased to inform you that on the basis of our review the program detailed in this email and on the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 1, 2025. After that date, registration will be extended annually until the Department's next review is conducted. Please note, this program

must be accredited by an acceptable professional education accrediting association that is approved by the department and is recognized by the United States Department of Education (DOE) or the Council for Higher Education Accreditation (CHEA); or by an acceptable professional education accrediting association that is seeking recognition by the USDoE or CHEA with appropriate notice to the Department, within seven years of the date of this registration.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in the program.

Sincerely,

New York State Education Department  
Office of College & University Evaluation
