

STATE UNIVERSITY OF NEW YORK AT ALBANY

Albany, New York 12203

DATE: 24 April, 1968

FROM: Walter M. Tisdale

TO: President Evan R. Collins

SUBJECT: Progress Report No. 123 - Land Acquisition Map #22

As of this date, the Property Acquisition Office of State University Central Office requested the Comptroller, Arthur Leavitt, to make payment of \$18,800., with interest, to the Faculty Student Association of SUNYA, Inc. for the two residences on Ontario Street which had been omitted from the earlier appropriation of Sayles and Pierce Halls. This means that as of now, the titles pass to State University from FASUNY.

We had earlier signified that we intended to see to the demolition of these houses as they were useless eyesores, but before we took the property, this step had been taken and the houses have now been razed and the grounds levelled. That saves us from having to do this task now.

In addition, I had secured agreement that our grounds force could plant grass seed where the houses had been and this has now been accomplished by the Plant Department.
