Subject: Nominees for Advisory Committee on Campus Security

Date: July 27, 2004

The campus has recently received final notice from the NY State Education Department of requirements regarding compliance with Article 129-A of Education Law. This article requires the establishment of an advisory committee on campus security. One-third of committee membership will be appointed by the President from a list of faculty members proposed by the Senate that contains twice the number to be appointed (a total of 10 names must be submitted to the President).

We are thus requesting that you identify any faculty in your unit who would be willing to have their names put forward to the President for membership on this committee. The President must submit a certificate of institutional compliance before August 1. We apologize for the short notice but would be very grateful if you would be able to respond within the next few days to [s.messner@albany.edu](mailto:s.messner@albany.edu).

Thank you for your assistance.
