USE LEISURE WISELY

A window was broken in Milne recently by a group of people who had nothing to occupy their leisure time. It cost about \$5.20 to replace this window. A good book from the library would have cost nothing.

The average person has about twenty-eight hours of leisure time a week. There are many ways for people to keep occupied during this time. Some are reading, studying, movies, and participating in sports, hobbies, and music. Libraries, tennis courts, swimming pools, playgrounds, Girl Scouts, and Boy Scouts also help us to use our leisure wisely. Wise use of leisure may help us to prepare for our future vocations.

WHAT HAPPENS TO THE STUDENT TAX ?

The student tax money is used to finance many school projects and organizations. Among them are the Johnson and White newspaper, the Johnson and White magazine, the school excursion, the orchestra, and clubs. Students who have paid their student tax are admitted to parties and baseball games which are paid for out of the tax money.

CLUBS WILL HAVE DANCE

Hi-Y and the Girls' Athletic Club will have a dance in the Page Hall gymnasium, November 29 from nine to twelve o'clock.

BROKEN WINDOWS

Several windows have been broken in the school due to carelessness. Door windows were broken in rooms 228 and 229 by slamming them and pushing on them too hard. The doors are equipped with automatic door-checks, so that they close by themselves quietly and easily. It is unnecessary to slam them.

QUESTION BOX

Question:
Should we have more joint assemblies ?

Answers:
Barbara Soper: Yes, because it shows the Senior High what we can do.

Damia Winhurst: Yes. It helps us to make new acquaintances.

Billy Saunders: Yes, because it gives us a good opportunity to associate with Senior High.

PETS IN JUNIOR HIGH SCHOOL

Milne students seem to have a decided liking for dogs and cats. Sylvia Rypins' cat, "Lady Aggie" is grey and eats mice out of the mouse trap. Well, well, "Jet", Betty Rudiman's black cat, has a tail like a powder puff. And last but not least, here's "Tippy", Virginia Mitchell's black cat, which she says is just like his name.

Let's see who the dog owners are. Janet Crowley's black and white bulldog plays with white mice. Here's a little cocker spaniel which plays with a great dane twenty-seven times his size. The cocker spaniel's name is "Clipper", and his owner is Herbert Marx.

There are a few other pets, such as Robert Wilke's green turtles, which are called "Bell and Tink". These pets can do many unusual stunts.

The Club has planned to go to the Knickerboker Press and Albany Evening News office November 22.
