SUMMER EDITION

Summer, 1932

New York State College For Teachers, Albany, N. Y.

July 13, 1932

ACTIVITY PROGRAM BEGINS TONIGHT

Schedule Includes Wednesday Evening and Friday Noon Programs, Lectures

The summer activities program will begin tonight with the presentation of a series of motion pictures in the auditorium of Page Hall, at 8:30 o'clock.

The program tonight includes five motion pictures:

1. "Dynamic Learning," by Dr. William H. Kilpatrick of Teachers College, Columbia University.
2. "Creative Education," by Hugh Mearns of New York University.
3. "Safety Glass," an industrial film.
4. "Slope of the Andes," industrial.
5. "The Fourth Necessity," industrial.

Students will be admitted without charge upon presentation of their receipts showing that fees have been paid. Persons who have lost their receipts will be admitted upon application at the door.

This series of pictures comes to State College highly recommended. Dr. M. G. Nelson, director of the summer session, feels that the program will be of special interest to State College summer session students because of the first two films, which have attracted considerable attention and comment wherever they have been shown.

The activities program this summer will consist of a series of Wednesday evening presentations and a series of Friday noon assemblies, to be called the "Friday Forum."

Friday of this week, Dr. Bernard S. Bronson, professor of chemistry at State College, will give his lecture, "Getting Your Money's Worth." Dr. Bronson has given this lecture several times before clubs and other groups.

Dr. Bronson's lecture will be at 12:30 o'clock, in the auditorium of Page Hall. Classes which ordinarily close at 12:30 will be dismissed in time for students to attend the lecture. Classes which ordinarily begin at 1:30 o'clock, will begin at the conclusion of the lecture. This same plan will be followed each Friday, Dr. Nelson said.

Italian Opera Next Week

Among other activities planned for Wednesday evenings are the following:

Next Wednesday, presentation of the Italian opera sound film, "Fidelio."

July 27. Open date.
August 4. U. S. Public Schools, a not usually known group of contributors from the U. S. Normal and Industrial Institute, U. S. A. They have been heard over the National Broadcasting Company net works.

Telephone Messages

Telephone calls for students will be received in the office of the director, but students will not be called from classes to receive such calls, except in case of emergency. An announcement of receipt of calls will be posted on the Bulletin Board near room 137 in Draper Hall.

Students should answer these telephone calls from one of the pay stations. Pay stations are located at the eastern end of the main floor of Draper Hall, in the office of the State College News, in the basement of Draper Hall (next door to the God-Ph), and on the first floor of Page Hall.

Two Instructors Wed; Both Teaching Here

Mrs. Lenna Osborne, of Fort Wayne, Indiana, announces the marriage of her daughter, Miss Mary Osborne to Donald Cross Bryant, son of Mrs. William A. Bryant of White Plains, on June 25 at Swarthmore, Pa. Mr. and Mrs. Bryant are both members of the English faculty during the regular session as well as this summer.

Mr. Bryant received his A.B. and A.M. degrees at Cornell University; Mrs. Bryant her A.B. at Indiana University and A.M. at the University of Pennsylvania.

Dr. Thompson Gives Courses at Cornell

Dr. Harold W. Thompson, professor of English at State College, is giving courses in the summer session of Cornell University this year. Dr. Thompson is teaching poetry and American literature.

When he was a member of the summer session staff here, Dr. Thompson gave Wednesday afternoon organ recitals, which proved very popular with students. Since he will not be in Albany this summer, this feature of the summer activities will be omitted this year.

Plattsburg Alumni Hold Party Tomorrow

The Plattsburg Normal School graduates will hold their annual get-together party at Van Hook's Grand tomorrow afternoon. Features of the get-together will be a contest, games, and refreshments at Plattsburg Normal.

The Oneonta Normal school alumni are planning their summer get-together. It is expected that plans will be announced soon.

1600 REGISTERED HERE THIS SUMMER

Enrollment Is Nearly Double Number at the First Summer Session

With more than 1,600 students enrolled, the registration of the summer session this year surpasses the registration of all previous summer terms. The registration is nearly double the enrollment for the first year of the summer term here.

The enrollment by years since 1924, when the first summer session was held, is: in 1924, 869; in 1925, 787; in 1926, 828; in 1927, 734; in 1928, 737; in 1929, 822; in 1930, 962; in 1931, 1347. It is expected that the exact count for this year will be announced within a week or two.

Where To Get Mail Here

A mail box for the use of students is located in the basement of Draper Hall, next to the stairs. Letters addressed to students are deposited in this box.

NEWS PUBLISHES LIST OF STUDENTS

Directory Contains Home and Albany Addresses With Phone Numbers

The News today begins publication of a directory of students enrolled in the summer session. Names, home addresses, Albany addresses and local telephone numbers are given.

Since this information was obtained from the student registration cards in the director's office, local addresses can not be given for those students who did not supply this information in registering.

Persons who have moved since supply the information may report changes of address to William M. French in room 109 of Draper Hall. Corrections may be made in a later number of the News.

Addresses supplied in this issue are correct as of last Saturday, according to the office record cards. The directory will be continued in next week's News.

Students May Help Publish

State College Summer News

THE STATE COLLEGE NEWS, Summer Edition, is a student newspaper project. Any persons who wish to enroll for membership on the staff may do so in room 109 of Draper Hall. Previous experience is not necessary.

Teachers who are or expect to be faculty advisers of school newspapers will be given the opportunity to learn school paper procedures and practices.

The work on the News will consist principally of writing and editing news stories, writing headlines and other features of the publication.
