Dear Friends:

I eagerly anticipate coming to speak to your group. As I travel the country to advance this cause I ask your participation in the sale of my books, *Dead Man Walking and Death of Innocents* (We will provide the books.) These sales help fund our ministry.

### Information Regarding Book Sales

- Our Book Coordinator will send the supplies and books “freight free”. **Return unsold books to Tom Fitzgerald, 139 Genois Stree, New Orleans 70119.**
- When publicizing my talk, please let people know the books will be available for purchase. We offer combo packs of both books at a reduced price. (\$15 per book; \$25 for any 2 books)
- I will be happy to autograph books after the talk.
- You’ll need table space to display the books, enough people to handle sales, and a money box with cash for change, especially \$5 bills.
- All checks should be made payable to **Ministry Against the Death Penalty** or **MADP**.
- **Mail Book Sales proceeds to: Carolyn Clulee, 3009 Grand Rte. St. John #6, New Orleans, LA 70119.**

**Note: If your university only allows the bookstore to handle book sales on campus I ask you to approach the bookstore folks and ask for a waiver for this event since book sales supports Sr. Helen’s ministry. If they won’t grant the waiver, please contact Sr. Margaret with the name and phone number of the bookstore manager so she can make personal contact.**

I thank you for your willingness to help with my ministry. This is going to be a great event and I look forward to it.
